ITEM 7.01 REGULATION FD DISCLOSURE

The following sets forth the information required by Item 701 of Regulation S-K with respect to the unregistered sales of equity securities by Magellan Gold Corporation (the "Company"), effective November 1, 2017:

- a.** On November 1, 2017 the Company sold an aggregate of \$170,000 of its securities consisting of a 10% Convertible Promissory Note (the "Note"). The purchase price for the Note is equal to the principal amount of the Note as reflected in Item 2.03 above. After deducting the investor's discount and legal fees, net proceeds to the Company were \$153,650.
- b.** The Note was sold to one investor which qualified as an "accredited investor" within the meaning of Rule 501(a) of Regulation D under the Securities Act of 1933 as amended (the "Securities Act").
- c.** The Company is obligated to pay a \$10,000 consulting fee to an unaffiliated third party in connection with the issuance of the Securities.
- d.** The issuance of the Securities was undertaken without registration under the Securities Act in reliance upon an exemption from the registration requirements of the Securities Act set forth in Sections 4(2) thereunder. The investors each qualified as an "accredited investor" within the meaning of Rule 501(a) of Regulation D. In addition, the Securities, which were taken for investment purposes and not for resale, were subject to restrictions on transfer. We did not engage in any public advertising or general solicitation in connection with this transaction, and we provided the investor with disclosure of all aspects of our business, including providing the investor with our reports filed with the Securities and Exchange Commission and other financial, business and corporate information. Based on our investigation, we believed that the accredited investors obtained all information regarding the Company that each requested, received answers to all questions posed and otherwise understood the risks of accepting our Securities for investment purposes.

e . After 180 days from the date of issue, the Note, principal and accrued interest, is convertible, at the option of the holder, into shares of common stock of the Company. The conversion price is the lesser of (i) the lowest trading price of the common stock for the 25 trading days preceding the issuance of the Note or (ii) 65% of the lowest trading price of the common stock for the 25 trading days preceding the conversion date. The conversion price is also subject to further adjustment under certain circumstances.
