Item 8.01 Other Events.

On June 26, 2006, Nextel Partners, Inc. ("Nextel Partners") redeemed for \$28.50 per share all of its Class A Common Stock pursuant to the "Put Right" under its Restated Certificate of Incorporation, as amended (the "Charter"). All shares of the Class B Common Stock of Nextel Partners continue to be outstanding and held by Nextel WIP Corp., a wholly-owned indirect subsidiary of Sprint Nextel Corporation ("Sprint Nextel"). As a result, Nextel WIP Corp. now owns 100% of the capital stock of Nextel Partners.

Each outstanding option to acquire shares of Class A Common Stock of Nextel Partners became fully vested at the closing of the redemption and each holder of an option received an amount in cash equal to the product of (1) the number of shares of Class A Common Stock subject to the option multiplied by (2) the excess, if any, of the \$28.50 redemption price over the exercise price per share of the option.

The redemption price of \$28.50 per share was determined by an independent third party appraisal process in accordance with the provisions of the Charter after the shareholders of Nextel Partners exercised their right to require the purchase, at fair market value, of the outstanding shares of Nextel Partners stock that Nextel WIP Corp. did not own. The total amount of consideration paid to holders of Class A Common Stock and holders of options to purchase shares of Class A Common Stock was approximately \$6.5 billion, funded in cash by Sprint Nextel subsidiaries.

A copy of the press release announcing completion of the transaction is attached hereto as Exhibit 99 and incorporated herein by reference.
