PROXY STATEMENT

The Board of Directors of Escalade, Incorporated (hereinafter referred to as "Escalade" or the "Company"), headquartered at 251 Wedcor Avenue, Wabash, Indiana 46992 ((260) 569-7208), is soliciting proxies, the form of which is

Edgar Filing: ESCALADE INC - Form DEF 14A

enclosed, for the Annual Meeting of Stockholders to be held on Saturday, April 22, 2006, at 9:00 a.m. Eastern Standard Time. Each of the 13,011,142 shares of common stock outstanding on February 21, 2006 is entitled to one vote on all matters acted upon at the meeting and only Stockholders of record on the books of the Company at the close of business on February 21, 2006 will be entitled to vote at the meeting, either in person or by proxy.

The shares represented by all properly executed proxies received by the Company will be voted as designated and each not designated will be voted affirmatively. Unless discretionary authority is withheld, all other matters coming before the meeting will be voted according to the best judgment of the proxies. Any proxy given by a shareholder of record may be revoked at any time before it is voted, by written notice to the Company's Secretary, by execution of a later dated proxy, or by a personal vote at the Annual Meeting. This proxy statement is being mailed to shareholders on or about March 18, 2006.

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally by mail, but may also be solicited by Directors, Officers, and other regular employees of the Company, who will receive no compensation in addition to their regular salaries. Bankers and others who hold stock in trust will be asked to send proxy materials to the beneficial owners of the stock, and the Company may reimburse them for their expenses.

The holders of a majority of the Company's outstanding Common Stock must be present or represented by proxy at the Annual Meeting to constitute a quorum.

The seven (7) nominees receiving the greatest number of votes cast at the Annual Meeting upon the presence of a quorum will be elected as directors. A properly executed proxy marked "Withhold Authority to Vote" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. The persons named as proxies in the enclosed proxy will vote for the election of the nominees named below unless authority to vote is withheld.

For each other item presented at the Annual Meeting, the affirmative vote of the holders of a majority of the Company's shares present or represented by proxy at the Annual Meeting and entitled to vote on the item will be required for approval. A properly executed proxy marked "Abstain" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

The Annual Report of the Company for the year of 2005 is being mailed to you with this proxy statement, but such report and financial statements are not a part of this proxy statement.

CERTAIN BENEFICIAL OWNERS

Under Rule 13(d) of the Securities Exchange Act of 1934, a beneficial owner of a security is any person who directly or indirectly has or shares voting power or

investment power over such security. Such beneficial owner under this definition need not enjoy the economic benefit of such securities. The following table sets forth certain information regarding beneficial ownership of the Company's Common Stock by its Executive Officers and by the only stockholders deemed to be beneficial owners of 5% or more of the Common Stock of the Company as of February 21, 2006.

ITEM NO. 1 ELECTION OF DIRECTORS

The Board of Directors voted to set the size of the Board at seven (7) members. Keith P. Williams, currently serving as a Director, has elected, for personal

Edgar Filing: ESCALADE INC - Form DEF 14A

reasons, to retire at the end of his current term and is not standing for reelection. The nominees presented for election include six individuals who are current directors and one new independent candidate. Those persons whose names are set forth below are standing for election. The term of office of the Directors standing for election at the Annual Meeting will be until the next annual meeting of the stockholders and until their successors are elected and qualified.

Director candidates are nominated by the independent members of the Board of Directors, as the Company does not believe that it is necessary to have a separate Nominating Committee given the small size of the Board. The Board has determined that a potential candidate to be nominated to serve as a director

3

should have the following primary attributes: high achievement expectations with regard to increasing shareholder value; uncompromising position on maintaining ethics; conservative attitude towards financial accounting and disclosure; and should be a shareholder of the Company to bring the perspective of a shareholder to the Board. To date, the Board has not deemed it necessary to engage a third party search firm to assist in identifying suitable candidates for directors, but has the authority to do so in the future. No fees were paid to any such search firm in connection with the nominees for directors named in this proxy statement. The Board believes that the existing Board members and executive management of the Company have sufficient networks of business contacts that will likely form the candidate pool from which nominees will be identified. Once a candidate is identified, as many members of the Board as feasible will meet with such candidate and the Board as a whole subsequently will evaluate the candidates using the criteria outlined above. The independent Board members will then make the final determination of whether or not to nominate the candidate.

In selecting a nominee for director to fill the Board seat being vacated by Mr. Keith Williams at the Annual Meeting, the Board followed the process described in the preceding paragraph. Mr. Edward Williams, a current independent Director of the Company, identified Mr. Richard F. Baalman, Jr. as a nominee who was then evaluated by all members of the Board prior to being nominated.

The Company does not have a formal process by which stockholders can propose nominees to serve as directors. If any stockholder would desire to submit the names and qualifications of potential candidates for directors, the Board would evaluate the possible nominee according to the above criteria and would consider such person in comparison to all other candidates and the number of directors then constituting the Board. The Company has not received any such proposals for this Annual Meeting. Accordingly, the Board has made no rejections or refusals of such candidates.

Information with respect to each of the nominees for the Board of Directors is set forth as follows:

The Board does not have a formal policy regarding director attendance at the Annual Meeting. Typically, the Board holds its annual organizational meeting directly following the Annual Meeting, which results in most directors being able to attend the Annual Meeting. In 2005, all seven directors elected at the Annual Meeting were in attendance at that meeting.

The Board has determined that all of the above named incumbent directors and nominee for director have met the independence standards of Rule 4200(a)(15) of the National Association of Securities Dealers listing standards, with the exceptions of Messrs. Griffin and Reed who are executive officers of the Company.

The Board of Directors of the Company currently consists of two members who are executive officers (Robert E. Griffin and C.W. ("Bill") Reed) and five independent members (Blaine E. Matthews, Jr., Keith P. Williams, Edward E. Williams, Richard D. White and George Savitsky).

During 2005, all Directors attended 100% of all meetings of the Board of Directors and the committees on which they serve, except for Keith P. Williams who attended 71% of all such meetings. The Board of Directors had four meetings, of which Mr. Williams missed two meetings for health reasons. The independent directors held regular executive sessions at each of the four Board Meetings. The Board has designated Mr. Blaine Mathews as a lead or presiding director to chair those executive sessions.

The Company has a standing Audit Committee of the Board of Directors composed of Blaine E. Matthews, Jr., Edward E. Williams and George Savitsky. Each of these members meets the requirements for independence set forth in the Listing Standards of the National Association of Securities Dealers, Inc. The Board has also determined that Blaine E. Matthews, Jr. is an audit committee financial expert. The Audit Committee as a whole held four meetings in 2005. At three meetings the committee met with the independent auditors and management to review the interim financial information contained in each quarterly earnings announcement. The main functions performed by the Audit Committee are to (1) review with the independent auditors their observations on internal controls of the Company and the competency of financial accounting personnel, (2) review with the chief accounting officer and independent auditors, the accounting for specific items or transactions as well as alternative accounting treatments and their effects on earnings, (3) engage the firm of independent certified public accountants to be hired by the Company and review that firm's independence, and (4) approve all audit and non-audit services performed by the Company's independent auditors. The Board of Directors has adopted a written charter for the Audit Committee which can be found on the Company's website at: www.escaladeinc.com/OVERVIEW/Governance/Audit_Committee_Charter.pdf

The Board of Directors has a Compensation Committee comprised entirely of independent directors; Richard D. White, Keith P. Williams and George Savitsky. This committee met two times in 2005 to review salaries and compensation levels within the Company. This committee also is responsible for awards of stock options and met one time in 2005 to review the granting of options.

As discussed above, the Board of Directors has no nominating committee.

The Board of Directors has adopted the Escalade, Incorporated Code of Business Conduct and Ethics which may be found on the Company's website at: www.escaladeinc.com/OVERVIEW/Governance/Conduct.htm.

Compensation of Directors

During 2005, Directors of the Company were compensated as follows:

Annual Retainer Fees	
Chairman of the Board	25,000
Chairman of the Audit Committee	2,000
Chairman of the Compensation Committee	2,000
Director	7,000
Meeting Attendance Fees	
In-person Board meeting attendance	4,000
Telephonic Board meeting attendance	1,000
Committee meeting attendance	1,000

The Chairman of the Board does not receive a separate retainer as a Director, but does receive any meeting attendance fees earned.

Directors can elect to receive some or all of these fees in shares of the Company's common stock pursuant to the 1997 Director Stock Compensation and Option Plan which was approved by shareholders at the 1997 annual meeting. Those shares and options will not be issued until April 24, 2006. In 2005 there were 5,539 shares issued and 2,767 stock options issued pursuant to the plan. The number of shares to be issued will be calculated based on the aggregate director fees deferred by the director since the 2005 Annual Meeting divided by \$13.88, the closing share price on the first business day following the 2005 Annual Meeting. Each director who elected to receive shares will also be granted stock options in an amount equal to one half of the shares issued to the director at an exercise price equal to the per share market price on April 24, 2006.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors determines executive compensation and stock option grants. The Compensation Committee is comprised entirely of independent Directors. Based on the Company's past compensation practices, the Company does not currently believe that Section 162 (m) of the Internal Revenue Code, which limits the deductibility of executive compensation in certain events, will adversely affect the Company's ability to obtain a tax deduction for compensation paid to its executive officers.

Report of the Compensation Committee

The Company's compensation package for its executive officers consists primarily

Edgar Filing: ESCALADE INC - Form DEF 14A

of base salary, incentive profit sharing bonuses and stock option grants, all of which is determined by the Compensation Committee.

In general, base salary levels are set at the beginning of each year at levels believed by this Committee to be sufficient to attract and retain qualified executives when considered with the other components of the Company's compensation structure. The primary considerations in determining whether base salaries will be adjusted is the Company's income level generated in the previous year and any changes in level of responsibility. The Committee also subjectively reviews the individual performance of each executive officer. For 2005, the Committee believed that base salaries for executive officers and most other management employees should be increased. The increases ranged from about 0% to 20%. The Committee increased Mr. Reed's base salary for 2005 by 5.0%.

This Committee believes that a significant portion of total annual cash compensation should be subject to the Company's actual performance achieved in that year. Consequently, the incentive profit sharing bonuses of the Company's executive officers can be a significant percentage of their overall compensation. Each of the Company's subsidiaries has in place an incentive profit sharing plan where the amounts payable there under are based primarily upon the subsidiary's Earnings Before Interest, Taxes and Amortization ("EBITA") return on equity and EBITA return on assets. At the beginning of each year, the Committee reviews, approves and/or modifies target levels suggested by management for each of these components for each subsidiary.

If the subsidiary meets or exceeds its targets in one or more of the performance components, a bonus pool is created with respect to such component for payment to the subsidiary's employees. An additional 20.0% of any amounts payable under the subsidiary's incentive profit sharing plan is payable to the Company. The Company in turn distributes the incentive compensation received from each subsidiary to the Company's executive officers based on a pre-determined percentage. Accordingly, each executive officer's incentive profit sharing is directly linked to the performance by each of the Company's operating

9

subsidiaries. This Committee on an annual basis reviews the percentage and amount attributable to each individual executive officer. This Committee approved Mr. Reed's portion, under the plan, of \$512,459 for 2005.

In 2005, both the sporting goods subsidiary and the office/graphic arts subsidiary exceeded their target levels for each of the incentive profit sharing components and a bonus pool was created with respect to those operations. Therefore, the 2005 bonus amounts paid to Mr. Reed and the Company's other executive officers were generated from both the Company's sporting goods subsidiary and office/graphic arts subsidiary. After incentive profit sharing and taxes the Company's consolidated net income of \$11,942,000 generated a return on assets (on average beginning and ending assets) of 9.2% and a return on beginning equity of 17.1%.

The Committee also determines annual stock option grants to the Company's executive officers and other eligible employees. The Committee continues to believe that stock options are an effective incentive to encourage stock ownership by officers and key employees of the Company and its subsidiaries so that those persons acquire or increase their proprietary interest in the success of the Company. Shareholders approved the 1997 Incentive Stock Option Plan at the 1997 annual meeting. Pursuant to that plan the committee felt it was appropriate to grant stock options to certain executive officers of the Company in 2005. The Committee granted 40,000 options each to Mr. Reed and Mr. Frandsen.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter as adopted by the Board of Directors ("Board"), the Audit Committee of the Board ("Committee") assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Escalade. All of the Committee members are independent directors as defined under NASDAQ rules. During fiscal year 2005, the Committee met five times, and discussed the interim financial information contained in each quarterly earnings announcement with the Chief Financial Officer and independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed and considered whether the provision of non-audit services by the Company's auditors is consistent with the auditors' independence. The Audit Committee has determined that the provisions of such services are consistent with the auditors' independence. The Committee also discussed with management, and the independent auditors the quality and adequacy of Escalade's internal controls. The Committee reviewed with the independent auditors their audit plan, audit scope and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by auditing standards generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Committee reviewed the audited financial statements of Escalade as of and for the year ended December 31, 2005, with management and the independent auditors. Management has the responsibility for the preparation of financial statements and the independent auditors have the responsibility for the examination of those statements.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that Escalade's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

ITEM NO. 2

PROPOSAL TO APPROVE SPECIAL STOCK OPTION GRANT TO NON-EMPLOYEE DIRECTORS

Upon review of the Company's compensation program and policies for non-employee Directors, the Board of Directors approved, subject to stockholder approval, a special grant of 2,000 stock options (the "Stock Options") to each of the five non-employee Directors proposed for election at the Annual Meeting: Blaine E. Matthews, Jr., Edward E. Williams, Richard D. White, George Savitsky and Richard F. Baalman, Jr. The Board believes that the award of the Stock Options will be an appropriate element of the 2006 compensation to be paid to the non-employee

Edgar Filing: ESCALADE INC - Form DEF 14A

Directors in light of the increased time and effort required of Directors under various new laws, rules and regulations adopted by Congress and the Securities and Exchange Commission in recent years. The Board further believes that this special award of the Stock Options will help retain non-employee Directors and will help to further align the interests of non-employee Directors with those of the Company's stockholders.

12

All other compensation to the Company's Directors for the one year term beginning with the Annual Meeting is expected to be as described in this Proxy Statement under the heading "EXECUTIVE COMPENSATION - Compensation of Directors." The Board intends to further review the Company's policies for compensation of Directors during their upcoming term of service and anticipates that the Company will present for stockholder approval at the 2007 Annual Meeting a new incentive plan in which the Directors may participate because the Company's existing 1997 Director Stock Compensation and Option Plan will expire at such time.

The following is a summary of the material terms regarding the proposed grant of the Stock Options.

Eligibility and Participation. Each non-employee Director of the Company elected at the Annual Meeting on April 22, 2006 will receive the special grant of 2,000 non-qualified Stock Options.

Non-Qualified Stock Options. Stock options represent the right to purchase shares of common stock of a company within a specified period of time at a specified price, also known as the exercise price. The proposed Stock Options will not qualify as incentive stock options meeting the requirements of certain provisions of the Internal Revenue Code and the Directors receiving the Stock Options will not receive the favorable tax treatment that would accompany incentive stock options.

Exercise Price. The exercise price for the Stock Options will be the closing sale price on the NASDAQ Stock Market of the Company's common stock on April 24, 2006, the next business day following the Annual Meeting. If the NASDAQ Stock Market would not open that day, or if no shares of Company common stock would be traded on that date, then the exercise price will be the closing sale price on the NASDAQ Market on the next closest date after April 24, 2006 that the NASDAQ Market is open and trades of the Company's common stock take place.

Expiration Date. The Stock Options will expire, if not exercised, on the earlier of April 22, 2011 or within 12 months of the death of the Director or following retirement from service as a Director of the Company.

Vesting. The Stock Options shall vest in full on April 22, 2007. No Stock Options may be exercised prior to that date. Once vested, the Stock Options can be exercised in whole or in part until the expiration of the Stock Option.

Federal Income Tax Consequences. This discussion of does not purport to be complete, and does not cover, among other things, state and local tax treatment. The Stock Options are non-qualified stock options for federal income tax purposes. Therefore, for federal income tax purposes, no income is recognized by a non-employee Director upon the grant of the Stock Options. Upon exercise, the non-employee Director will realize ordinary income in an amount equal to the excess of the fair market value of a share of the Company common stock on the date of exercise over the exercise price multiplied by the number of shares received pursuant to the exercise of the Stock Options. A subsequent sale or exchange of such shares will result in gain or loss measured by the difference between (a) the exercise price, increased by any compensation reported upon the

Edgar Filing: ESCALADE INC - Form DEF 14A

participant's exercise of the option and (b) the amount realized on such sale or exchange. Any gain or loss will be capital in nature if the shares were held as a capital asset and will be long-term if such shares were held for more than one year. The Company is entitled to a deduction for compensation paid to a non-employee Director at the same time and in the same amount as the non-employee Director realizes compensation upon exercise of the option.

Equity Compensation Plan Information.

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights	Secur Avail
Equity compensation plans approved by security holders (1)	730,569	\$11.95	
Equity compensation plans not approved by security holders	--	--	
Total	730,569		

(1) These plans are the Company's 1997 Incentive Stock Option Plan and the 1997 Director Stock Compensation and Option Plan.

The form of the award letter for the proposed Stock Options is attached hereto as Exhibit A. The Board recommends a vote "FOR" this Item No. 2.

RESULTS OF THE 2005 ANNUAL MEETING

Approximately 92.6% of the outstanding shares of the Company were voted in person or by proxy at the 2005 annual meeting that was held April 30, 2005. The proposal to elect to the Board the seven incumbent Directors nominated for reelection was approved by the shareholders.

SHAREHOLDER PROPOSALS FOR THE 2007 ANNUAL MEETING

Shareholder proposals for shareholder action at the 2007 annual meeting must be presented in writing at the offices of the Company on or before November 17, 2006. Any shareholder who intends to propose any other matter to be acted upon at the 2007 annual meeting of shareholders must inform the Company no later than February 23, 2007. If notice is not provided by that date, the persons named in the Company's proxy for the 2007 annual meeting will be allowed to exercise their discretionary authority to vote upon any such proposal without the matter having been discussed in the proxy statement for the 2007 annual meeting. Only such proposals as are (1) required by Securities and Exchange Commission Rules, and are (2) permissible shareholder motions under the Corporation law of the State of Indiana will be included on the 2007 meeting docket.

OTHER BUSINESS

Management does not know of any other business to be presented to the meeting and does not intend to bring any other matters before the meeting. No shareholder has informed the Company of any intention to propose any other

Edgar Filing: ESCALADE INC - Form DEF 14A

matter to be acted upon at the meeting. Accordingly, the persons named in the accompanying Proxy are allowed to exercise their discretionary authority to vote upon any such proposal without the matter having been discussed in this proxy statement. If any matters properly come before the meeting, it is intended that the persons named in the accompanying Proxy will vote thereon according to their best judgment and interest of the Company.
