2.4. Initial Loan. The Borrower hereby authorizes and directs the Lender on the Closing Date to make Loans for the account of the Borrower, to pay the following Persons the indicated amounts: (a) the Loan Fee to the Lender; (b) the Attorney Costs to the Lender's counsel; (c) if unpaid, the bond fee due to the Completion Guarantor for the Completion Guaranty; (d) if unpaid, the premium to the insurance company providing the insurance required under Section 10.5 hereof to pay the amount due in connection therewith on the Closing Date; (e) the appropriate draw down for production costs of the Series for the next week to the extent included in the Budget; and (f) reimbursement to the Borrower or such other Person(s) for certain production costs incurred prior to the Closing Date to the extent such production costs are included in the Budget and the Completion Guarantor credits such expenses to the Strike Price.

2.5. Conversion or Continuation.

(a) The Borrower may, upon irrevocable written notice to the Lender in accordance with Subsection 2.5(b) elect, as of any Business Day, to convert all or any part of the Prime Rate Loans, in either case in a minimum amount of \$250,000 and in integral multiples of \$100,000 in excess thereof, into LIBOR Loans; or (ii) elect, as of the last day of the applicable Interest Period, to continue any LIBOR Loans having Interest Periods expiring on such day or any part thereof, in either case in the minimum amount and in integral multiples as specified above; provided, however, that if at any time the aggregate amount of LIBOR Loans in respect of any LIBOR Loan is reduced, by payment, prepayment, or conversion of part thereof to be less than \$250,000 such LIBOR Loan shall at the Lender's election convert into Prime Rate Loans, and on and after such date the right of the Borrower to convert such Loans into LIBOR Loans shall terminate.

(b) Whenever the Borrower elects to convert or continue Loans under this Section 2.5, the Borrower shall deliver to the Lender a Notice of Conversion/Continuation, signed by an authorized officer or signatory of the Borrower (i) no later than 11:00 a.m. (Pacific Time) one (1) Business Day in advance of the requested conversion date, in the case of a conversion into Prime Rate Loans, and (ii) no later than 11:00 a.m. (Pacific Time) three (3) Business Days in advance of the requested conversion or continuation date, in the case of a conversion into, or continuation of, LIBOR Loans. The Notice of Conversion/Continuation shall specify (1) the conversion or continuation date (which shall be a Business Day), (2) the amount and type of the Loans to be converted or continued, (3) the nature of the requested conversion or continuation, and (4) in the case of a conversion into, or continuation of, LIBOR Loans, the requested Interest Period. If the Borrower fails to provide a Notice of Conversion/Continuation for any LIBOR Loans as provided above, such Loans shall convert to Prime Rate Loans on the last day of the Interest Period therefor.

(c) Any Notice of Conversion/Continuation made pursuant to this Section 2.5 shall be irrevocable and the Borrower shall be bound to continue or convert the Loan specified therein in accordance therewith.

2.6. Special Provisions Governing LIBOR Loans. Notwithstanding any other provisions of this Agreement to the contrary, the following provisions shall govern with respect to LIBOR Loans.

(a) If the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other governmental authority asserts that it is unlawful, for the Lender to perform its obligations hereunder to make LIBOR Loans or to fund or maintain LIBOR Loans hereunder, (i) the obligation of the Lender to make, or to convert Loans into or to continue Loans as, LIBOR Loans shall be suspended until the Lender notifies the Borrower that the circumstances causing such suspension no longer exist, and (ii) the Borrower shall on the termination of the Interest Period then applicable thereto, or on such earlier date required by law, prepay in full all LIBOR Loans then outstanding together with accrued interest thereon, or convert all such LIBOR Loans into Prime Rate Loans in accordance with Section 2.5 and pay to the Lender all other amounts payable by the Borrower hereunder (including, without limitation, any amount payable in connection with a prepayment pursuant to Subsection 2.6(b)). The Lender shall promptly notify the Borrower if the terms of this Subsection 2.6(a) become applicable.

(b) After the occurrence of and during the continuance of any Event of Default, unless otherwise permitted by the Lender in its sole discretion the Borrower may not borrow Loans as LIBOR Loans or elect to have any Loans continued as, or converted to, LIBOR Loans after the expiration of any Interest Period then in effect for such Loans.

(c) If for any reason (including voluntary or mandatory prepayment or acceleration), the Lender receives all or part of the principal amount of a LIBOR Loan prior to the last day of the Interest Period for such Loan, the Borrower shall immediately notify the Lender and, on demand by the Lender, pay the Lender the amount (if any) by which (i) the additional interest which would have been payable on the amount so received had it not been received until the last day of such Interest Period exceeds the interest which would have been recoverable by the Lender by placing the amount so received on deposit in the certificate of deposit markets or the offshore currency interbank markets or United States Treasury investment products, as the case may be, for a period starting on the date on which it was so received and ending on the last day of such Interest Period at the interest rate determined by the Lender in its reasonable discretion or (ii) the excess, if any, of the greater of the Lender's cost of funds rate or the LIBOR, over the reinvestment rate for those funds then available to the Lender, for a period starting on the date on which such payment was so received and ending on the last day of such Interest Period. The Lender's determination as to such amount shall, absent manifest error, constitute rebuttably presumptive proof thereof.

(d) The Borrower shall pay to the Lender, upon demand, such amounts as the Lender may determine to be necessary to compensate it for any costs incurred or a reduction in amounts receivable by the Lender that the Lender determines are attributable to its making or maintaining any LIBOR Loans, in each case resulting from any Regulatory Change that: changes the basis of taxation of any amounts payable to the Lender in respect of any LIBOR Loans (other than changes which affect taxes measured by or imposed on the overall net income of the Lender by the jurisdiction in which the Lender has its principal office); or imposes or modifies any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities of the Lender (including any Loans or any deposits referred to in the definition of "LIBOR Base Rate"); or imposes any other condition affecting the LIBOR Loans (or any of such extensions of credit or liabilities). The Lender shall notify the Borrower of any event occurring after the date of this Agreement that will entitle the Lender to compensation pursuant to this section as promptly as practicable after it obtains knowledge thereof and determines to request such compensation. The Lender shall furnish the Borrower with a statement setting forth the basis and amount of each request by the Lender for compensation under this Subsection 2.6(d). Determinations and allocations by the Lender for purposes of this Subsection 2.6(d) of the effect of any Regulatory Change on its costs of maintaining its obligations to make Loans or of making or maintaining Loans or on amounts receivable by it in respect of Loans, and of the additional amounts required to compensate the Lender in respect of any additional costs shall, absent manifest error, constitute rebuttably presumptive proof thereof.

(e) If the Lender determines that the adoption or implementation of any Capital Adequacy Regulation, or compliance by the Lender (or its applicable lending office) with any Capital Adequacy Regulation has or would have the effect of reducing the rate of return on capital of the Lender or any person or entity controlling the Lender (a "Parent") as a consequence of its obligations hereunder to a level below that which the Lender (or its Parent) could have achieved but for such adoption, change or compliance (taking into consideration its policies with respect to capital adequacy) by an amount deemed by the Lender to be material, then from time to time, upon demand by the Lender,

the Borrower shall pay to the Lender such additional amount or amounts as will compensate the Lender for such reduction. The Lender shall furnish the Borrower with a statement setting forth the basis and amount of each request by the Lender for compensation under this Subsection 2.6(e). A statement of the Lender claiming compensation under this section and setting forth the additional amount or amounts to be paid to it hereunder shall, absent manifest error, constitute rebuttably presumptive proof thereof.

(f) The Borrower shall pay to the Lender, upon the request of the Lender, an amount sufficient (determined in the sole good faith opinion of the Lender) to compensate it for any loss, costs or expense incurred by it as a result of any failure by the Borrower to borrow a LIBOR Loan on the date for such borrowing specified in the relevant Borrowing Certificate, including, without limitation, any such loss, cost or expense incurred in obtaining, liquidating, employing or redeploying deposits from third parties, whether or not the Lender shall have funded or committed to fund such Loan.

(g) If at any time the Lender, in its sole and absolute discretion, determines that: (i) the amount of the LIBOR Loans for periods equal to the corresponding Interest Periods are not available to the Lender in the offshore currency interbank markets, or (ii) the LIBOR does not accurately reflect the cost to the Lender of lending the LIBOR Loan, then the Lender shall promptly give notice thereof to the Borrower, and upon the giving of such notice the Lender's obligation to make the LIBOR Loans shall terminate, unless the Lender and the Borrower agree in writing to a different interest rate applicable to LIBOR Loans.

ARTICLE 3 -INTEREST, FEES, AND OTHER CHARGES

3.1. Interest Rates.

(a) All outstanding Obligations shall bear interest on the unpaid principal amount thereof (including, to the extent permitted by law, on interest thereon not paid when due) from the date made until paid in full in cash at a rate determined by reference to the Prime Rate or the LIBOR and clauses "(i)" or "(ii)" of this section, as applicable, but not to exceed the Maximum Legal Rate described in Section 3.2. Any of the Loans may be converted into, or continued as, Prime Rate Loans or LIBOR Loans in the manner provided in Section 2.5. If at any time Loans are outstanding with respect to which notice has not been delivered to the Lender in accordance with the terms of this Agreement specifying the basis for determining the interest rate applicable thereto, then those Loans shall be Prime Rate Loans and shall bear interest at a rate determined by reference to the Prime Rate until notice to the contrary has been given to the Lender and such notice has become effective. Except as otherwise provided herein, the outstanding Obligations shall bear interest as follows: (i) for all Prime Rate Loans, at a fluctuating per annum rate equal to the Prime Rate Margin plus the Prime Rate; and (ii) for all LIBOR Loans, at a per annum rate equal to the LIBOR Margin plus the LIBOR determined for the applicable Interest Period.

(b) Each change in the Prime Rate shall be reflected in the interest rate applicable to Prime Rate Loans as of the effective date of each such change. All interest charges shall be computed on the basis of a year of 360 days and actual days elapsed. Except as otherwise provided herein, all interest shall be payable in arrears on each Interest Payment Due Date hereafter.

3.2. Maximum Rate. No provision of this Agreement or the Note shall be deemed to establish or require the payment of interest of a rate in excess of the maximum rate permitted by applicable law (the "Maximum Legal Rate"). If the interest required to be paid under this Agreement or the Note exceeds the Maximum Legal Rate, the interest required to be paid hereunder or under the Note shall be automatically reduced to the Maximum Legal Rate. If any interest paid exceeds the then applicable interest rate, the excess of such interest over the maximum amount of interest permitted to be charged shall automatically be deemed to reduce the accrued and unpaid fees and expenses due to the Lender under this Agreement, if any; then to reduce the accrued and unpaid interest, if any; and then to reduce principal of the Loan; the balance of any excess interest remaining after the application of the foregoing, if any, shall

be refunded to the Borrower.

3.3. Default Interest. If any of the Obligations are not paid when due (whether by acceleration or otherwise), then all of the Obligations shall, without any notice, election or any other action by the Lender, bear interest at the Default Rate applicable thereto until so paid, and if any other Default or Event of Default occurs, then at the election of the Lender, while any such Default or Event of Default is outstanding, all of the Obligations shall bear interest at the Default Rate applicable thereto.

3.4. Late Payment. Any default in the payment of principal, interest, costs or any other sum due hereunder or under any of the other Loan Documents will result in additional losses and expenses to the Lender which are difficult to quantify. If the Borrower fails to make any payment of principal, interest, costs or any other sum due hereunder or under any of the other Loan Documents within ten (10) Business Days after receipt of written notice that the same is due and payable, then, in addition to any and all other rights and remedies of the Lender hereunder, under the Loan Documents or otherwise at law or in equity, the Borrower shall also pay to the Lender a late payment charge equal to three percent (3%) of the then overdue amount in question as a reasonable estimate of the Lender's losses and expenses due as a result of such overdue amount which late payment charge shall not bear interest if paid within ten (10) Business Days after the date of such written notice. The assessment and collection of each such late charge shall be without prejudice to all other rights of the Lender, other than damages to the extent covered by such late payment charge.

3.5. Attorney Costs. On the Closing Date, the Borrower shall pay to the Lender, for payment to the Lender's counsel, the Attorney Costs.

3.6. Loan Fee. On the Closing Date, the Borrower shall pay to the Lender the Loan Fee.

ARTICLE 4 - PAYMENTS AND REPAYMENTS

4.1. Repayment of Loans. The Borrower shall repay the outstanding principal balance of the Loans and all other Obligations in full, plus all accrued but unpaid interest thereon, on the Maturity Date or such earlier date as specified herein.

4.2. Mandatory Prepayments. The Borrower shall prepay, without penalty or premium, the Obligations by the following amounts, as and when received by or as payable to the Borrower: (a) all Collateral Proceeds; (b) any insurance proceeds to the extent and as provided in Section 10.5 hereof; and (c) as otherwise provided hereunder.

4.3. Voluntary Prepayments. Upon at least two (2) Business Days prior notice to the Lender, the Borrower may at its option prepay the Obligations in whole or in part, without penalty or premium. Once such notice of prepayment has been given, the principal amount of the Loan(s) specified in such notice shall become due and payable on the date specified in the notice; provided, however, that if prior to such prepayment date the Borrower advises the Lender in writing that it wishes to cancel such prepayment notice, the Borrower's sole liability shall be for any and all increased costs and expenses incurred by the Lender, if any, as the result of the receipt of such notice. All prepayments shall include payment of accrued interest on the principal amount so prepaid and shall be applied to payment of interest before application to principal. With respect to any LIBOR Loans prepaid prior to the expiration date of the Interest Period applicable thereto whether on the Maturity Date or otherwise, the Borrower shall pay to the Lender the amounts described in Subsection 2.6(b).

4.4. Payments and Computations.

(a) All payments to be made by the Borrower shall be made without reduction, reserve, discount, withholding, credit, set-off, recoupment or counterclaim, and irrespective of any claim which the Borrower may have against the Lender. Except as otherwise expressly provided herein, all payments made by the Borrower shall be made to the Collection Account and shall be made in Dollars and in immediately available funds, no later than 1:00 p.m. (Pacific Time) on the day specified herein. Any payment received later than 1:00 p.m. (Pacific Time) shall be deemed to have

been received on the following Business Day and any applicable interest or fee shall continue to accrue.

(b) Subject to the provisions set forth in the definition of “Interest Period” herein, whenever any payment is due on a day that is not a Business Day, such payment shall be made on the following Business Day, without being subject to the assessment of a late charge, and such extension of time shall be included in the computation of interest or fees thereon, as the case may be.

4.5. Reserve Charges: Payments as Loans. At the option of the Lender, subject only to the terms of this Section 4.5, the Attorney Costs, the Loan Fee, interest, costs, fees, reimbursement obligations in connection with fees, taxes (if any), and fees, expenses, and other sums payable hereunder, may be paid from the proceeds of Loans, whether made following a request by the Borrower pursuant to Section 2.2 or a deemed request as provided in this Section 4.5. The Borrower irrevocably authorizes the Lender to charge the Borrower’s loan account for the purpose of paying the Attorney Costs, the Loan Fee, interest, reimbursement obligations, fees, premiums, and other sums payable hereunder, including reimbursing expenses pursuant to Section 13.7. All such amounts charged shall constitute Loans and all such Loans so made shall be deemed to have been requested by the Borrower pursuant to Section 2.2. It shall not be necessary for any such Loan to be processed through the Production Bank Account. Interest shall be charged up to the limits thereof in the Interest and Fee Reserve. The Lender will give the Borrower notice of any Loan under this Section 4.5; provided, however, the failure to do so shall not relieve the Borrower of any of the Obligations with respect thereto. Interest, costs, fees, expenses and other sums charged to the Interest and Fee Reserve shall be added to the unpaid principal balance of the Loan as and when charged to the Interest and Fee Reserve. Upon making any Loan for interest, the Attorney Costs, the Loan Fee, or any other costs, fees, and expenses payable hereunder, the Interest and Fee Reserve, if any, shall thereupon be decreased by the amount of such Loan. If the amount of such costs, fees, interest, and reimbursement obligations in connection with fees, taxes (if any), and other sums payable hereunder, exceeds the amount of any remaining Interest and Fee Reserve therefor (if any), then the Borrower shall pay to the Lender, on demand, the amount of such excess in cash.

4.6. Apportionment, Application and Reversal of Payments. All payments not constituting payment of specific fees and all Collateral Proceeds received by the Lender shall be applied, subject to the provisions of this Agreement, first, to pay any fees, expense reimbursements or indemnities (other than interest and principal) then due to the Lender from the Borrower; second, to pay interest due in respect of all Loans; third, to pay principal of the Loans and fourth, to the payment of any other Obligations due to the Lender. Notwithstanding any provision of this or any of the other Loan Documents to the contrary, if the Lender determines at any time that the Interest and Fee Reserve will be less than the total amount of interest accruing on the Loan before repayment thereof in full, then the Lender may retain proceeds in the Collection Account, in an amount determined by the Lender in its reasonable discretion to pay interest, at the interest rates provided for under this Agreement, owing on the Obligations on a current basis as a cash reserve to be applied by the Lender to interest as and when due hereunder. The Lender shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Obligations in such order as the Lender may determine in its sole and absolute discretion.

4.7. Indemnity for Returned Payments. If, after receipt of any payment of, or proceeds applied to the payment of, all or any part of the Obligations, the Lender is for any reason compelled to surrender such payment or proceeds to any Person, because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continue and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Lender, and the Borrower shall be liable to pay to the Lender, and hereby does indemnify the Lender and hold the Lender harmless for, the amount of such payment or proceeds surrendered. The provisions of this Section 4.7 shall be and remain effective notwithstanding any contrary action which may have been taken by the Lender in reliance upon such payment or application of proceeds, and any such contrary action so taken shall be without prejudice to the Lender's rights under this Agreement and shall be deemed to have been conditioned upon such payment or application of proceeds having become final and irrevocable. The provisions of this Section 4.7 shall survive the termination of this Agreement.

4.8. Increased Capital. If the Lender determines that compliance by the Lender with any guideline or request from any central bank or other governmental authority (whether or not having the force of law) affects or would affect the amount of capital required or expected to be maintained by the Lender, or any corporation controlling the Lender, and the Lender reasonably determines that the amount of such capital is increased by or based upon its commitment to lend hereunder or its making or maintaining Loans hereunder or to otherwise extend credit to the Borrower hereunder, and other commitments of this type, then, upon demand by the Lender, the Borrower shall immediately pay to the Lender, from time to time as specified by the Lender, additional amounts sufficient to compensate the Lender in the light of such circumstances, to the extent that (a) the Lender reasonably determines such increase in capital to be allocable to the Lender's commitment to make Loans hereunder, and (b) the Lender's other similarly situated borrowers are required to make such payments and provided that any such allocation of payments shall be made on a basis no less favorable than the basis applied to other similarly situated borrowers. If the Lender increases the loan charges pursuant to the terms of this Section 4.8, then the Borrower may, within ten (10) Business Days after being notified of such increased charges, prepay all Obligations in full without penalty or premium or the increased loan charges. After the expiration of the ten (10) Business Day period, the Borrower may repay the Obligations, which repayment shall include the increased charges resulting from the changed capital requirements effective as of the first day of change, but otherwise without penalty or premium.

4.9. Lender's Books and Records. The Lender's books and records showing the Obligations and the transactions pursuant to this Agreement and the other Loan Documents shall be admissible in any action or proceeding arising therefrom, and shall, absent manifest error, constitute rebuttably presumptive proof thereof, irrespective of whether any Obligation is also evidenced by a promissory note or other instrument. If the Lender provides to the Borrower a statement of Loans, payments and other transactions pursuant to this Agreement, then such statement shall, absent manifest error, be deemed correct, accurate and binding on the Borrower and an account stated (except for reversals and reapplications of payments made as provided in Section 4.6 hereof and corrections of errors discovered by the Lender), unless the Borrower notifies the Lender in writing to the contrary within sixty (60) days after such statement is *received* by the Borrower. If the Borrower gives the Lender a timely notice of objections, then only the items to which exception is expressly made will be considered to be disputed by the Borrower.

ARTICLE 5 -LENDING CONDITIONS

The obligation of the Lender to make any Loan hereunder shall be subject to satisfaction of all of the conditions of this Article 5 being satisfied at the time thereof

5.1. Conditions Precedent to Initial Loan. The obligation of the Lender to make the initial Loan is subject to the following conditions precedent having been satisfied in a manner satisfactory to the Lender:

ARTICLE 6 -SERIES PRODUCTION, COMPLETION, DELIVERY AND DISTRIBUTION

The Borrower hereby warrants, represents, covenants and agrees to the Lender as follows.

6.1. Budget; Cash Flow; Teleplays; Production Schedule.

(a) True and complete copies of the Budget, the Cash Flow Schedule, each Teleplay, the Production Schedule, and, upon request of the Lender, any agreements with any Person whose services are a requirement of any such agreements, have been or will be furnished to the Lender. Such services agreements, the Budget, the Cash Flow Schedule, the Teleplays and the Production Schedule are in form and substance consistent with the provisions of the Completion Guaranty;

(b) The Borrower, the Completion Guarantor and any other Person having approval rights with respect thereto have approved, or with respect to each Teleplay will approve prior to production, the Budget, the Cash Flow Schedule, each Teleplay and the Production Schedule, and all elements with respect to which they have approval rights under the Completion Guaranty;

(c) The Budget includes provisions for all expenses necessary for the production of the Delivery Materials in accordance with the terms of this Agreement and the Netflix Notice of Assignment, including, but not limited to, any and all costs of music, including all worldwide licenses and rights as and to the extent required by the Netflix License Agreement; and

(d) The service agreements required by the Completion Guarantor for the Series have been or will be approved by the Completion Guarantor and such agreements are in full force and effect and (to the knowledge of the Borrower) no party to any such agreement is in material default thereunder or has any accrued right of termination thereunder.

6.2. Series Production.

(a) The Borrower shall produce the Series and the Delivery Materials all in accordance with the Budget, the Teleplays, the Production Schedule and the Cash Flow Schedule, and in a manner consistent with the provisions of this Agreement and the Netflix License Agreement. The Borrower shall not make or permit to be made any material

changes, modifications, or revisions to the Budget, the Teleplays, the Production Schedule or the Cash Flow Schedule without the express authorization of the Completion Guarantor and any other Persons that have approval thereof.

(b) The Borrower shall not make any change in the Budget that would increase, in the aggregate, the amount thereof or any other changes therein without the prior approval of the Lender, the Completion Guarantor and any other Person having approval rights with respect to such changes.

(c) The Borrower shall cause the Series and the Delivery Materials, as appropriate, to strictly conform to all of the Technical and Non-Technical Specifications.

6.3. Element Changes. 6.4. Series Credits: Print Advertising. Subject to the prior approval of Netflix, the Borrower shall accord the Lender credit as production financier in each Episode's end titles in all positive prints thereof, provided that any casual or inadvertent failure to accord such credit shall not constitute a breach of this Agreement, all in a size of type customary for such credits. Unless the Lender notifies the Borrower otherwise, the form of the Lender's credit in the Series' end titles shall be substantially as follows: "Production Financing Provided by Bank Leumi — David Henry." Subject to the Borrower's prior consent for uses other than in a traditional tombstone, the Lender may use the Borrower's names in advertising and promotional material. Additionally, the Borrower shall accord the Lender's counsel, Babok & Robinson, LLP, with credit as legal counsel for the production financier in the Episodes' end titles in all positive prints thereof. The form of the Lender's counsel credit in the Episodes' end titles shall be substantially as follows: "Legal Counsel to Bank Leumi — Babok & Robinson, LLP." Borrower's failure to accord credit in accordance with the provisions of this paragraph shall not be deemed a breach of this Agreement; provided, however, upon the Lender's or Lender's counsel's, as the case may be, written notice, Borrower shall cure on a prospective basis any material defect in the Lender's or Lender's counsel's credit in prints issued or controlled by the Borrower. The Borrower shall use reasonable efforts to notify its subdistributors of the credit obligations set forth herein, but the Borrower shall not be responsible or liable for the failure of any such subdistributor to comply with the same.

6.5. Stop Date; Contingent Compensation; Fees.

(a) The Borrower represents, warrants, and covenants that no actor shall be granted a “stop date” (as that term is understood in the motion picture industry) in connection with such actor’s engagement for the Series unless permitted by the Completion Guarantor.

The Borrower has taken all necessary organizational action (including without limitation, obtaining approval of its members if necessary) to authorize the execution, delivery, and performance of this Agreement and the Loan Documents. No consent, approval, or authorization of, or declaration or filing with, any governmental authority, and no consent of any other Person, is required in connection with Borrower's execution, delivery and performance of this Agreement and the other Loan Documents, except for those already duly obtained.

(b) This Agreement and the other Loan Documents have been duly executed and delivered by the Borrower and constitute the legal, valid and binding obligation of the Borrower enforceable against it in accordance with its terms without defense, setoff or counterclaim, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights generally and by general principles of equity.

(c) The Borrower's execution, delivery, and performance of, as applicable, this Agreement, the other Loan Documents and the Netflix License Agreement, do not and will not conflict with, or constitute a violation or breach of, or constitute a default under, or result in the creation or imposition of any Lien (other than Permitted Liens) upon the property of the Borrower by reason of the terms of (i) any contract, mortgage, lease, agreement, indenture, or instrument to which the Borrower is a party or which is binding upon the Borrower, (ii) any judgment, law, statute, rule or governmental regulation applicable to the Borrower, or (iii) the organizational documents of the Borrower.

9.2. Validity and Priority of Liens. The provisions of this Agreement and the other Loan Documents create a legal and valid Lien on all the Collateral in favor of the Lender and such Lien constitutes a perfected and continuing Lien on all the Collateral, having priority over all other Liens on the Collateral except for those Permitted Liens that, by agreement of the Lender, are senior to the Lender's Lien therein, securing all the Obligations, and enforceable against the Borrower and all other Persons.

9.3. Organization and Qualification. The Borrower is: (a) duly formed and organized and validly existing in good standing under the laws of the jurisdiction of its organization, (b) qualified to do business in the jurisdiction of its organization, and (c) has all requisite power and authority to conduct its business and to own its property.

(c) As soon as the Teleplays have been approved by Netflix and the Completion Guarantor, the Borrower shall file the Teleplays with the United States Copyright Office and provide the Lender with one or more Copyright Mortgages covering the Lender's Lien in the Teleplays so that the Lender can file such Copyright Mortgages with the United States Registrar of Copyrights.

(d) All material or matter used in or in connection with the Series, including dialogue, characters, titles, episodes and events, shall be original and owned by or licensed to the Borrower, or in the public domain, and will not infringe any copyrights, statutory or common law, or constitute a libel, slander or invasion of privacy of any Person, or otherwise infringe on or violate the rights or any other Person whomsoever, in any fashion whatsoever.

(e) Neither the Borrower nor any Person acting on the Borrower's behalf shall enter into an agreement relating to music rights in connection with the Series unless such agreement grants all rights with respect thereto for such media and/or duration as such rights are required under the Netflix License Agreement. The Borrower shall deliver copies of all such agreements to the Lender for its review (but not approval) upon the Lender's written request.

9.7. Required Payments. 9.8. Litigation. There are no actions, suits or proceedings pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or before any court or governmental agency, arbitrator or instrumentality, domestic or foreign, relating to the Teleplays, the Series, the Literary Property, the Netflix License Agreement, or rights therein or thereto or otherwise, that if determined adversely to the Borrower would have a material adverse effect on the Collateral or the financial condition, other properties or operations of the Borrower, or that would materially and adversely affect the rights and Lien of the Lender granted to the Lender hereunder.

9.9. No Defaults. The Borrower is not in default under the Netflix License Agreement, the Completion Agreement or any of the other Loan Documents to which it is a party.

9.10. Taxes. The Borrower has filed all tax returns and other reports that it was required by law to file on or prior to the date hereof and has paid all taxes, assessments, fees, and other governmental charges, and penalties and interest, if any, against it or its property, income, or franchise, that are due and payable (except to the extent that (a) any such taxes, assessments, fees, and other governmental charges, and penalties and interest are diligently contested in good faith by appropriate proceedings and proper reserves are established on the books of the Borrower as provided in applicable accounting standards and (b) a stay of enforcement of any Liens arising from the nonpayment thereof when due is in effect).

9.12. Material Agreements. The Borrower has furnished to the Lender copies of all material agreements, indentures, and other instruments relating to the Series, or pursuant to which the Borrower has incurred or may be obligated, whether directly or indirectly, for borrowed money.

9.13. Completion Guarantor Payments. Neither the Borrower nor any of its Affiliates and the Completion Guarantor have entered into an agreement or understanding pursuant to which the Completion Guarantor will pay to the Borrower or to any of its respective Affiliates any rebates, commissions, or any other payment, regardless of what that payment is called or styled, in connection with or in any way related to the Series other than as specified in the Completion Agreement.

The Borrower shall pay and discharge, before the same become delinquent and before penalties accrue thereon, all taxes, assessments and governmental charges upon or against it or upon its income or profits or upon any of its properties, and all its other liabilities at any time existing, except to the extent and so long as: (a) the same are being contested in good faith and by appropriate proceedings in such manner as not to cause any materially adverse effect upon its financial condition or the loss of any right of redemption from any sale thereunder; and (b) it shall have set aside on its books reserves (segregated to the extent required by generally accepted accounting principles) adequate with respect thereto; and further to pay all governmental charges or taxes (except income, franchise or other similar taxes on the Lender) at any time payable or ruled to be payable in respect of the existence, execution or delivery of this Agreement or the other Loan Documents by reason of any existing or hereafter enacted federal or state statute.

10.5. Insurance.

(a) At all times while the Obligations are outstanding, at its sole cost and expense, the Borrower shall maintain insurance against loss or damage to the Collateral with responsible and reputable insurance companies or associations approved by the Lender in such amounts and covering such risks as are usually carried by companies engaged in similar businesses and owning similar property in the same general area as the area in which such property is located including, without limitation, fire, public liability, property damage, miscellaneous equipment, pre-production, production, extra expense, domestic comprehensive general and automobile liability, foreign comprehensive general liability, domestic workers' compensation and employer's liability, foreign workers' compensation, guild accident insurance, errors and omissions, cast insurance in an amount which is not less than the amount of the Budget, negative insurance in an amount which is not less than the amount of the Budget and projected interest, director, soundtrack, and interruption of business and political risk insurance.

(b) Without limiting the generality of the foregoing, the Borrower shall (i) maintain errors and omissions insurance, covering, among other things, the legal liability and defense of the Borrower against lawsuits alleging the unauthorized use of title, format, ideas, characters, plots, plagiarism, copyright infringement and unfair competition, and (ii) protect against alleged libel, slander, defamation of character and invasion of privacy and (iii) comprehensive general liability insurance covering the Borrower against, among other things, all claims for bodily injury, personal injury or property damage which may arise in connection with the Series, including, without limitation, coverage for all owned, non-owned and hired vehicles (both on and off camera) with a minimum liability limits of \$1,000,000. (c) All such insurance policies covering the Collateral shall name the Borrower as named insured and shall name the Lender as additional insured without the Lender being liable for premiums or other costs or expenses. Each such policy shall bear a standard first mortgagee endorsement in favor of the Lender and shall provide for all losses to be paid to the Borrower, and for losses to be adjusted with the insurer by the Borrower; provided that, if the insurer shall have received written notice from the Lender that an Event of Default has occurred and is continuing unremedied, any such payment for loss or destruction of or damage to the Collateral shall be paid directly to the Lender and any such adjustments shall be made solely by the Lender. All such insurance payments received by the Lender while an Event of Default shall have occurred and be continuing unremedied shall be held or applied by the Lender as provided in Subsection 10.5(11).

If the Borrower fails to provide, maintain, keep in force or deliver and furnish to the Lender the policies of insurance required by this Section 10.5, then the Lender may, but shall not be obligated to, procure such insurance or single interest insurance for such risks covering the Lender's interest, and the Borrower will pay all premiums thereon promptly upon demand by the Lender, together with interest thereon at the rate then applicable to the Loans made to the Borrower hereunder from the date of expenditure by the Lender until reimbursement by the Borrower.

(x) If the Series has been completed or the production abandoned (*e.g.*, for purposes of this paragraph only, the Series shall be deemed abandoned if a cast insurance claim is made and thereafter the role with respect to which cast insurance reimbursement is sought is not subsequently photographed, such proceeds shall first be paid to the Lender and applied to the repayment of the Obligations until the Obligations have been repaid in full, any balance shall then be applied and paid to the Completion Guarantor so that the Completion Guarantor may recoup any sums advanced (plus interest thereon) for the production of the Series or under the Completion Guaranty and finally any balance shall be paid to the Borrower; and

(y) If the Series has not been completed or abandoned, such proceeds, to the extent necessary, shall be used to pay production costs of the Series; provided, however, and notwithstanding anything contained herein to the contrary, if the Completion Guarantor has advanced funds for the production of the Series for any reason, the proceeds of such insurance for such loss shall be paid to the Completion Guarantor up to the amount of said advance(s) and interest and thereafter in accordance with the first part of this sentence. The balance, if any, remaining after the Completion Guarantor has been reimbursed in full, shall be paid to the Borrower.

10.9. Dissolution and Sale of Assets. The Borrower shall not wind up, liquidate or dissolve its affairs, or sell, lease, license, transfer, or otherwise dispose of or grant an interest in all or a substantial part of the Collateral or, except upon thirty (30) days prior written notice to the Lender, change its legal or trade name.

If an Event of Default exists, the Lender may, in its discretion, do one or more of the following in addition to the actions described in the preceding sentence, at any time or times and in any order, without notice to or demand on the Borrower: (i) terminate this Agreement; (ii) declare any or all Obligations to be immediately due and payable; and (iii) pursue its other rights and remedies under the Loan Documents and applicable law. The foregoing shall not be construed to limit the discretion of the Lender to take any actions described above at any other time.

(b) If any Event of Default exists the Lender shall have, in addition to all other rights of the Lender hereunder, the rights and remedies of a secured party under the UCC. The Lender may require the Borrower to assemble the Collateral and make it available to the Lender at a place or places to be designated by the Lender.

(c) If any Event of Default exists the Lender may, in its sole discretion, in its name or in the name of the Borrower, or otherwise, demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for, or make any compromise or settlement deemed desirable with respect to, any of the Collateral, but shall be under no obligation so to do, or the Lender may extend the time of payment, arrange for payment in installments, or otherwise modify the term of, or release, any of the Collateral, without thereby incurring responsibility to, or discharging or otherwise affecting the liability of, the Borrower. The Lender will not be required to take any steps to preserve any rights against prior parties to the Collateral. If the Borrower or Netflix fail to make payment or take any action required under the Netflix License Agreement, the Netflix Notice of Assignment, any other Loan Document or the Completion Agreement, the Lender may make such payments and take all such actions as the Lender deems necessary to protect the Lender's Lien in the Collateral and/or the value thereof. The Lender is hereby authorized (without limiting the general nature of the authority hereinabove conferred) to pay, purchase, contest or compromise any Liens which the Lender believes appear to be equal to, prior to or superior to the Lien of the Lender in the Collateral.

(d) If any Event of Default exists the Lender may, without notice or demand or legal process, enter upon any premises, or wherever any portion of the Collateral may be, and take possession of the Collateral together with all additions and accessories thereto, demand and receive such possession from any person who has possession thereof, remove, keep and store the Collateral or any portion thereof, or put a custodian in charge thereof, and take such other measures as it may deem reasonably necessary or proper for the care or protection thereof.

(e) If any Event of Default exists the Lender may, with or without taking possession thereof, sell, lease, license, or cause to be sold, or otherwise disposed of, at such price or prices as the Lender shall in its sole and absolute discretion so determine, and for cash or on credit or for future delivery, without assumption of any credit risk, and in a commercially reasonable manner, all or any portion of the Collateral, at any public or private disposition thereof, without demand of performance or notice of intention to sell or of time or place of sale; provided, however, that unless the Collateral in the Lender's possession is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Lender shall give the Borrower notice of the time and place of any public disposition thereof or of the time after which any private disposition thereof is to be made. The requirement of notice shall be met if notice of disposition is delivered or mailed, by certified mail, postage prepaid, to the Borrower as set forth in Section 13.9 hereof or such other address as the Borrower may by notice have furnished the Lender in writing for such purpose, at least ten (10) days prior to the time of such disposition. Each acquirer at any such disposition (including, if applicable, the Lender) shall hold the property acquired absolutely free from any claim or right of whatever kind including any equity of redemption and the Borrower hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal which it now has or may have at any time in the future under any rule of law or statute now existing or hereafter enacted. Any public or private disposition of the Collateral or any part thereof shall be held at such time or times within ordinary business hours and at such place or places as the Lender may fix in the notice of disposition. At any such disposition, the Collateral, or any portion thereof, to be disposed of may be disposed of in one lot as an entirety or in separate parcels, as the Lender may (in its sole discretion) determine and, if permitted by law, the Lender may bid (which bid may be, in whole or in part, in the form of cancellation of indebtedness) for and purchase the Collateral or any portion thereof for the account of the Lender. The Lender shall not be obligated to make any disposition of the whole or any part of the Collateral if it shall determine not to do so, regardless of the fact that notice of disposition of the Collateral may have been given. The Lender may by announcement at the time and place fixed for disposition, without prior notice or publication, adjourn any public or private disposition of the Collateral or cause the same to be adjourned from time to time, and such disposition may, without further notice, be made at the time and place to which the same was so adjourned. In case a disposition of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Lender until the sale price is paid by the purchaser or purchasers thereof, but the Lender shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so disposed of and, in case of any such failure, such Collateral may be sold again upon like notice.

(f) Any laboratory that has possession of any of the Collateral is hereby constituted and appointed by the Borrower as pledgeholder for the Lender. The Lender may authorize each such pledgeholder to sell all or any portion of the Collateral upon the order and direction of the Lender, and the Borrower hereby waives any and all claims for damages, or otherwise, for any action taken by such pledgeholder.

(g) If any Event of Default exists, the Lender shall be entitled to the appointment of a receiver to take possession of all or any portion of the Collateral and to exercise such powers as the court shall confer upon the receiver. The Borrower, to the fullest extent permitted by law, hereby waives notice and the right to receive notice of any application by the Lender for such appointment; provided, however, that, notwithstanding any such application or appointment, the Lender shall be entitled to apply, without notice to the Borrower, any cash or cash items constituting Collateral in the possession of the Lender to payment of the Obligations under this Agreement, the Note and the other Loan Documents.

(h) If any Event of Default exists, the Lender may, but shall not be obligated to, take over the production of the Series and at the option of the Lender, in its sole discretion, fund the remaining unpaid balance of the Strike Price from the proceeds of Loans, whether made following a request by the Borrower pursuant to Section 2.2 or a deemed request as provided in this Section 11.2(h). The Borrower hereby irrevocably authorizes the Lender to charge the Borrower's loan account for the purpose of paying the Strike Price. If the Lender takes over production of the Series, subject to the Completion Agreement and other existing third party agreements, the Lender may substitute personnel, cut, edit, score and make such changes in the Series as it may desire, abandon production of the Series, and be free of any obligation to make any payment in any such event of any fee payable to the Borrower in connection with the production of the Series. The Borrower hereby agrees to waive any right to claim that it sustained any loss or damage by reason or as a result of any action taken by the Lender pursuant to this Subsection 11.2(11).

(i) Upon any disposition of any item of Collateral by the Lender hereunder (whether by virtue of the power of attorney herein granted, pursuant to judicial process or otherwise), the receipt of the Lender or the officer making the disposition shall be a sufficient discharge to the purchaser or purchasers of such item or items of Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Lender or such officer or be answerable in any way for the misapplication or non-application thereof

(j) If any Event of Default exists, the Lender is hereby authorized at any time and from time to time, without notice to the Borrower (any such notice being expressly waived by the Borrower), to setoff and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, including amounts in the Production Bank Account and the Collection Account, any certificate of deposit, and any other indebtedness at any time owing by the Lender to or for the credit or the account of the Borrower against any and all of the Obligations, irrespective of whether or not the Lender shall have made any demand under this Agreement, the Note or any other Loan Document. The Lender agrees promptly to notify the Borrower after any such setoff and application. The rights of the Lender under this Subsection 11.2(j) are in addition to other rights and remedies (including, without limitation, other rights of setoff) which the Lender may have.

12.3. Cumulative Remedies: No Prior Recourse to the Collateral. The enumeration herein of the Lender's rights and remedies is not intended to be exclusive, and such rights and remedies are in addition to and not by way of limitation of any other rights or remedies that the Lender may have under the UCC or other applicable law. The Lender shall have the right, in its sole discretion, to determine which rights and remedies are to be exercised and in which order. The exercise of one right or remedy shall not preclude the exercise of any others, all of which shall be cumulative. The Lender may, without limitation, proceed directly against the Borrower to collect the Obligations without any prior recourse to the Collateral.

12.4. Failure or Indulgence Not Waiver. No failure or delay on the part of the Lender or any holder of the Note in the exercise of any power, right, remedy or privilege under this Agreement, the Note or any of the other Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right, remedy or privilege preclude any other or further exercise thereof or of any other right, power, remedy or privilege. All rights and remedies existing under this Agreement, the Note and the other Loan Documents are cumulative to, and not exclusive of, any rights or remedies otherwise available.

12.5. Performance of the Obligations by the Lender. If the Borrower shall fail to do any act or thing which they have covenanted to do hereunder, under any other Loan Document, or if any representation or warranty of the Borrower under any such agreement shall be breached, the Lender may (but shall not be obligated to) perform such act or thing on behalf of the Borrower or cause it to be done or remedy any such breach, and there shall be added to the liabilities of the Borrower secured hereunder the cost or expense incurred by the Lender in so doing, and any and all amounts expended by the Lender in taking any such action shall be repayable to it upon demand being made to the Borrower therefor and shall bear interest at the rate of interest then applicable to the Loans made to the Borrower hereunder from and including the date advanced to the date of repayment.

ARTICLE 13 -TERM AND TERMINATION

13.1. Termination. The Lender may terminate this Agreement without notice upon the occurrence of an Event of Default. Upon the effective date of termination, all Obligations shall become immediately due and payable in full. Notwithstanding such termination, the Borrower shall remain bound by all of the terms and conditions of this Agreement until all Obligations have been paid in full in cash, and the Lender shall retain all rights and remedies hereunder (including, without limitation, a Lien on and all rights and remedies with respect to the Collateral). This Agreement shall also terminate when all Obligations have been fully and indefeasibly paid and performed. Upon the indefeasible payment in full of all Obligations and the termination of this Agreement, the Lender shall, at the Borrower's request and expense, assign and deliver to the Borrower, and the Borrower shall provide a receipt for, all Collateral in which the Lender shall have any interest hereunder or which shall then be held by the Lender or in its possession and, if requested by the Borrower, the Lender shall execute and deliver to the Borrower at the Borrower's expense, for filing in each office in which any financing statement relative to the Collateral, or any part thereof, shall have been filed, termination statements under the UCC and a quitclaim and assignment of the Lender's rights under the Copyright Mortgages releasing the Lender's Lien therein and reassigning to the Borrower and other Persons, as appropriate, the Lender's rights under the Copyright Mortgages, all without recourse upon or warranty by the Lender and at the sole cost and expense of the Borrower.

ARTICLE 14 - MISCELLANEOUS

14.1. Severability. In case any provision of this Agreement, the Note or of any other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction then, as to such jurisdiction only, such provision shall to the extent of such prohibition or unenforceability be deemed severed from the remainder of such agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

14.2. Governing Law. This Agreement, the other Loan Documents and all other documents provided for therein and the rights and obligations of the parties thereto shall be governed by and construed and enforced in accordance with the laws of the State of California without reference to its conflict or choice of law principles.

14.3. Jurisdiction. Except as otherwise provided in Section 13.4 hereof, any legal action or proceeding with respect to this Agreement, the other Loan Documents or any other agreement, document or other instrument executed in connection herewith or therewith, or any action or proceeding to execute or otherwise enforce any judgment obtained against the Borrower or any of its properties, may be brought in the courts of the State of California in Los Angeles County, California, or in the federal courts of the United States for the Central District of California, as the Lender may elect, provided always that suit also may be brought in the courts of any country or place where the Borrower or any of its assets may be found, and, by execution and delivery of this Agreement, the Borrower irrevocably submits to each such jurisdiction. The Borrower irrevocably waives any objection which it may now or hereafter have to the venue of any suit, action or proceeding, arising out of or relating to this Agreement, the other Loan Documents or any other agreement, document or other instrument executed in connection herewith brought in the courts of the State of California in Los Angeles County, California, or in the federal courts of the United States for the Central District of California, and hereby further irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

14.4. Arbitration.

(a) Except as otherwise provided in the Netflix Notice of Assignment, all controversies, claims, disputes, or counterclaims between the parties hereto concerning, based in any way upon, arising under, relating to, or arising in connection with this Agreement, or any resulting transaction, including, but not limited to, their respective obligations hereunder, a disagreement about the meaning, interpretation, application performance, breach, termination, enforceability, or validity of this Agreement, and whether based on statute, tort, contract, common law or otherwise, shall be subject to and resolved by binding arbitration conducted under the auspices of the Independent Film & Television Alliance in effect as of the date the request for arbitration is filed and its rules (the "Rules") and, to the extent not otherwise covered above, the arbitration shall be conducted in accordance with Title 9 of the U.S. Code.

(b) Each of the parties may initiate such an arbitration pursuant to the Rules. The arbitration shall be held in Beverly Hills or Los Angeles, California (such site being herein referred to as the “Forum”). The Borrower and the Lender shall abide by any decision rendered in such arbitration, and that any court having jurisdiction may enforce such a decision.

(c) The arbitration award shall also provide for payment by the losing party (i.e., the party or parties against whom an arbitration award is issued) of: (i) the fees and costs incurred in connection with said arbitration, as well as outside attorneys’ fees and costs incurred by the prevailing parties (i.e., all parties to the arbitration other than the losing party), and (ii) shall further provide for the payment by the losing party of interest on said award at the same interest rate payable by the Borrower to the Lender hereunder. The arbitrator shall immediately upon conclusion of the arbitration proceedings, render and issue a written decision.

(d) Each of the parties hereto submits to the non-exclusive personal jurisdiction of the courts of the Forum as an appropriate place for compelling arbitration or giving legal confirmation of any arbitration award, and irrevocably waives any objection which it may now or hereafter have to the venue of any such enforcement proceeding brought in any of said courts and any claim of inconvenient forum. Service of process for all arbitration proceedings may be made in accordance with the Rules. Service of process in any judicial or other proceeding (including proceedings to judicially confirm any arbitration award) may be made in the manner provided in Section 13.9 hereof and shall be deemed effective as provided therein.

(e) Any claim or action of any kind (including, but not limited to, any claims for breach of contract), against the Lender arising out of or connected with this Agreement shall be barred and waived unless asserted by the commencement of an arbitration proceeding within one (1) year after the accrual of the action or claim. This section and the foregoing limitation shall survive termination of this Agreement.

(f) Nothing in this section shall prejudice the right of the Lender to exercise their non-judicial foreclosure rights and remedies in respect of the Collateral, or prejudice the right of either party to obtain provisional relief or other equitable remedies as shall otherwise be available judicially pending the resolution of an arbitration proceeding provided in this Section.

14.5. Waiver of Jury Trial, Etc. TO THE EXTENT PERMITTED BY LAW, THE BORROWER AND THE LENDER HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY. THE BORROWER FURTHER WAIVES ANY RIGHTS OF SETOFF, AND THE RIGHT TO IMPOSE COUNTERCLAIMS (OTHER THAN THOSE RIGHTS OF SETOFF AND COUNTERCLAIMS ARISING SOLELY AND DIRECTLY FROM THE SERIES OR THIS AGREEMENT) IN ANY LITIGATION IN ANY COURT WITH RESPECT TO, IN CONNECTION WITH, OR ARISING OUT OF THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, THE OBLIGATIONS OR THE COLLATERAL, OR ANY INSTRUMENT OR DOCUMENT DELIVERED PURSUANT HERETO OR THERETO, OR ANY OTHER CLAIM OR DISPUTE HOWSOEVER ARISING, BETWEEN THE BORROWER, ON THE ONE HAND, AND THE LENDER ON THE OTHER HAND. Each of the parties expressly agrees that service of process in any judicial or other proceeding (including proceedings to judicially confirm any arbitration award) may be made in accordance with the provisions of Section 13.9 hereof and shall be deemed effective as provided therein.

14.6. Waiver With Respect to Damages. THE LENDER HAS NO FIDUCIARY RELATIONSHIP WITH, OR FIDUCIARY DUTY TO, THE BORROWER ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND THE RELATIONSHIP BETWEEN THE LENDER AND THE BORROWER IN CONNECTION THEREWITH IS SOLELY THAT OF CREDITOR AND DEBTOR. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE BORROWER SHALL NOT ASSERT, AND THE BORROWER HEREBY WAIVES, ANY CLAIMS AGAINST THE LENDER ON ANY THEORY OF LIABILITY, FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES) ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF, THIS AGREEMENT, ANY OTHER FUNDAMENTAL DOCUMENT, ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

14.7. Expenses and Fees. The Borrower shall pay on demand all reasonable actual out-of-pocket costs and expenses, including reasonable outside attorneys' fees and court costs, incurred by the Lender in connection with the negotiation, preparation and filing of this Agreement, the other Loan Documents and the other agreements and documents referred to herein up to the limits of the Attorney Costs, and shall pay all reasonable actual out-of-pocket costs and expenses, including reasonable outside attorneys' fees and court costs, incurred by the Lender after the Closing Date in connection with this Agreement, the other Loan Documents and the Series, including, without limitation, amendments thereof, costs and expenses of preserving and protecting the Collateral, costs and expenses (including reasonable outside attorneys' and paralegals' fees and disbursements) paid or incurred to obtain payment of the Obligations, enforce the Lender's Liens, sell or otherwise realize upon the Collateral and otherwise enforce the provisions of the Loan Documents or to defend any claims made or threatened against the Lender arising out of the transactions contemplated hereby, and in connection with the enforcement of the rights of the Lender thereunder or in connection with the realization upon any Collateral.

14.8. Taxes.

(a) Any and all payments (including payments of principal, interest and all fees) by the Borrower hereunder shall be made free and clear of and without deduction for any and all present or future non-US taxes and other taxes,

levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding, taxes imposed on the Lender's and Lender's income or measured by the overall net income or gross receipts of the Lender, and franchise taxes imposed on it, by the jurisdiction under the laws of which the Lender are organized or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Borrower or Netflix, shall be required by law to deduct any Taxes (other than with regard to foreign withholding taxes) from or in respect of any sum payable hereunder to the Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 13.8) the Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, the Borrower shall pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies which arise from any payment made hereunder or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Loan Documents (hereinafter referred to as "Other Taxes").

(c) The Borrower will indemnify the Lender for the full amount of Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 13.8) paid by the Lender and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days from the date the Lender makes written demand therefor. The Lender shall, at the time of any written demand for indemnification under this subsection (b), provide to the Borrower a receipt for, or other evidence of the payment of, the Taxes or Other Taxes for which indemnification is sought.

(d) Within thirty (30) days after the date of any payment of Taxes, the Borrower will furnish to the Lender, at its address referred to in Section 13.9, the original or a certified copy of a receipt evidencing payment thereof. If no Taxes are payable in respect of any payment hereunder with respect to which a claim for indemnity has been made hereunder, the Borrower will furnish to the Lender, at such address, a certificate from each appropriate taxing authority, or an opinion of counsel acceptable to the Lender, in either case stating that such payment is exempt from or not subject to Taxes.

(e) Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements and obligations of the Borrower contained in this Section 13.8 shall survive the payment in full of principal and interest hereunder.

14.9. Notices. In order to be effective under the terms hereof, any notice, approval, authorization, consent, request, demand or other communication provided for hereunder or under any of the other Loan Documents to be given shall be (a) given in writing and (b) delivered either personally (which includes delivery by FedEx, DHL or other similar service), by certified mail, return receipt requested, postage prepaid, or by transmission by a telecommunications device (e.g., e-mail or facsimile transmission). Any such notice, waiver, approval, demand or other communication shall be deemed to have been received, and shall be effective (a) on the day when personally served, including delivery by overnight mail and courier service, (b) on the third day after its deposit in the United States mail, and (c) on the Business Day of confirmed transmission by telecommunications device. 14.10. Waiver of Notice. Unless otherwise expressly provided herein, the Borrower waives presentment, protest and notice of demand or dishonor and protest as to any instrument, as well as any and all other notices to which it might otherwise be entitled. No notice to or demand on the Borrower which the Lender may elect to give shall entitle the Borrower to any further notice or demand in the same, similar or other circumstances.

14.11. Successors and Assigns. This Agreement shall be binding upon the parties hereto and their respective successors and assigns, and shall inure to the benefit of the parties hereto and their respective successors and assigns; provided that the Borrower may not assign its rights or delegate its duties hereunder or any interest herein without the prior written consent of the Lender and any such purported assignment or delegation shall be null and void.

14.12. Indemnification. The Borrower shall, at all times, defend and indemnify and hold the Lender (which for the purposes of this paragraph shall include the shareholders, officers, directors, employees, representatives and agents of the Lender) harmless from and against any and all liabilities, claims, demands, causes of action, losses, damages, settlements, judgments or recoveries resulting from any alleged or actual breach of the warranties, agreements or covenants made by the Borrower herein, and from any suit or proceeding of any kind or nature whatsoever against the Lender arising from or connected with the transactions contemplated by this Agreement, the other Loan Documents or any of the documents, instruments or agreements to be executed pursuant hereto or any of the rights and properties assigned to the Lender hereunder, and from any suit or proceeding that the Lender may, in the good faith exercise of its business judgment, reasonably deem necessary or advisable to institute against any other person or the Borrower for any reason whatsoever to protect the rights of the Lender hereunder or under the other Loan Documents, or any rights otherwise granted to the Lender, including reasonable outside attorneys' fees and costs and expenses incurred by the Lender, all of which shall be charged to and paid by the Borrower and shall be secured by the Collateral hereunder; provided, however, the Borrower shall have no obligation under this Section 13.12 with respect to any such event resulting from the Lender's gross negligence or willful misconduct.

14.13. Amendments and Waivers. No amendment or modification of any provision of this Agreement or any other Loan Document shall be effective without the written agreement of the Lender and the Borrower. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances. Any amendment, modification, waiver or consent effected in accordance with this Section 13.3 shall be binding on the Lender, and if signed by the Borrower, on the Borrower.

14.14. USA Patriot Act Notice. The Lender notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56, signed into law October 26, 2001) (the "Act"), the Lender is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow the Lender to identify the Borrower in accordance with the Act. In particular:

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person or entity that opens an account.

14.15. Final Agreement. This Agreement and the other Loan Documents are intended by the Borrower and the Lender to be the final, complete, and exclusive expression of the agreement by and among them. This Agreement and the other Loan Documents supersede any and all prior oral or written agreements relating to the subject matter hereof.

14.16. Counterparts. This Agreement and the other Loan Documents may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute one and the same instrument, respectively. Delivery of any executed counterpart of this Agreement by facsimile or transmitted electronically in either a Tagged Image Format File (“TIFF”) or Portable Document Format (“PDF”) shall be equally effective as delivery of a manually executed counterpart of this Agreement. Any party delivering an executed counterpart by facsimile TIFF, or PDF shall also deliver a manually executed counterpart of this Agreement, but failure to do so shall not affect the validity, enforceability or binding effect of this Agreement.

Genius Brands International, Inc.

Notes to Financial Statements

June 30, 2016 (unaudited)

Note 1: Organization and Business

Organization and Nature of Business

Genius Brands International, Inc. (“we”, “us”, “our”, or the “Company”) is a global content and brand management company that creates and licenses multimedia content. Led by industry veterans, Andrew Heyward (Chief Executive Officer) and Amy Moynihan Heyward (President), the Company distributes its content in all formats as well as a broad range of consumer products based on its characters. In the children's media sector, the Company’s portfolio features "content with a purpose" for toddlers to tweens, which provides enrichment as well as entertainment, including tween music-driven brand *SpacePOP*; preschool property debuting on Netflix *Llama Llama*; award-winning *Baby Genius*, re-launched with new entertainment and over 40 new products; adventure comedy *Thomas Edison's Secret Lab*®, available on Netflix, public broadcast stations and the Company’s *Kid Genius* channel on Comcast's Xfinity on Demand; Warren Buffett's *Secret Millionaires Club*, created with and starring iconic investor Warren Buffett. The company is also co-producing an all-new adult-themed animated series, *Stan Lee's Cosmic Crusaders*, with Stan Lee's Pow! Entertainment and The Hollywood Reporter.

In addition, the Company acts as licensing agent for certain brands, leveraging its existing licensing infrastructure to expand these brands into new product categories, new retailers, and new territories. These include *Llama Llama*; *From Frank*, a humor greeting card and product line; and *Celessence Technologies*, the world's leading microencapsulation company.

The Company commenced operations in January 2006, assuming all of the rights and obligations of its then Chief Executive Officer, under an Asset Purchase Agreement between the Company and Genius Products, Inc., in which the Company obtained all rights, copyrights, and trademarks to the brands “Baby Genius,” “Little Genius,” “Kid Genius,” “123 Favorite Music” and “Wee Worship,” and all then existing productions under those titles. In October 2011, the Company (i) changed its domicile to Nevada from California, and (ii) changed its name to Genius Brands International, Inc. from Pacific Entertainment Corporation (the “Reincorporation”). In connection with the Reincorporation, the Company changed its trading symbol from “PENT” to “GNUS”.

On November 15, 2013, the Company entered into an Agreement and Plan of Reorganization (the “Merger Agreement”) with A Squared Entertainment LLC, a Delaware limited liability company (“A Squared”), A Squared Holdings LLC, a California limited liability company and sole member of A Squared (the “Parent Member”) and A2E Acquisition LLC, its newly formed, wholly-owned Delaware subsidiary (“Acquisition Sub”). Upon closing of the transactions contemplated under the Merger Agreement (the “Merger”), which occurred concurrently with entering into the Merger Agreement, the Acquisition Sub merged with and into A Squared, and A Squared, as the surviving entity, became a wholly-owned subsidiary of the Company. As a result of the Merger, the Company acquired the business and operations of A Squared.

Liquidity

Historically, the Company has incurred net losses. As of June 30, 2016, the Company had an accumulated deficit of \$30,213,445 and total stockholders’ equity of \$12,689,220. At June 30, 2016, the Company had current assets of \$5,496,506, including cash of \$4,938,720 and current liabilities of \$3,679,324, including certain trade payables of \$925,000 to which the Company disputes the claim, resulting in working capital of \$1,817,182. For the three months ended June 30, 2016 and 2015, the Company reported a net loss of \$1,182,952 and \$987,855, respectively. For the six months ended June 30, 2016 and 2015, the Company reported a net loss of \$2,832,669 and \$1,624,117, respectively, and reported net cash used by operating activities \$324,208 and \$1,896,298, respectively.

During the six months ended June 30, 2016, the Company received gross proceeds of \$2,000,000 pursuant to its distribution agreement with Sony Pictures Home Entertainment as well as \$275,000 for the settlement of a distribution agreement. While the Company believes that its current cash balances will be sufficient to fund operations for the next twelve months, there can be no assurance that cash flows from operations will continue to improve in the near future. If the Company is unable to attain profitable operations and maintain positive operating cash flows, it may need to (i) seek additional funding, (ii) scale back its development plans, or (iii) reduce certain operations.

Subsequent to the end of the period, on August 8, 2016, Llama Productions LLC, a wholly-owned subsidiary of the Company, closed a \$5,275,000 multiple draw-down, secured, non-revolving credit facility (the “Facility”) with Bank Leumi USA for the production of its animated series *Llama Llama* (the “Series”). The Series is configured as fifteen half-hour episodes comprised of thirty 11 minute programs to be delivered to Netflix in Fall 2017. The Facility is secured by the license fees the Company will receive from Netflix for the delivery of the Series as well as the Company’s copyright in the Series. The Facility has a term of 40 months and has an interest rate of either Prime plus 1% or one, three, or six month LIBOR plus 3.25%.

Note 2: Summary of Significant Accounting Policies

Cash Equivalents

The Company considers all highly liquid debt instruments with initial maturities of three months or less to be cash equivalents.

Business Combination

On November 15, 2013, the Company entered into a Merger Agreement with A Squared, the Member, and the Acquisition Sub. Upon closing of the Merger, which occurred concurrently with entering into the Merger Agreement, our Acquisition Sub merged with and into A Squared, and A Squared, as the surviving entity, became a wholly-owned subsidiary of the Company. As a result of the Merger, the Company acquired the business and operations of A Squared.

The financial statements have been prepared using the acquisition method of accounting in accordance with FASB Accounting Standards Codification (“ASC”) 805 Business Combinations.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Genius Brands International, Inc., its wholly-owned subsidiaries A Squared and Llama Productions LLC as well as its interest in Stan Lee Comics, LLC. All significant inter-company balances and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported

amounts of revenues and expenses during the reporting periods.

Financial Statement Reclassification

Certain account balances from prior periods have been reclassified in these consolidated financial statements so as to conform to current period classifications.

Allowance for Doubtful Accounts

Accounts receivable are presented on the balance sheets net of estimated uncollectible amounts. The Company assesses its accounts receivable balances on a quarterly basis to determine collectability and records an allowance for estimated uncollectible accounts in an amount approximating anticipated losses based on historical experience and future expectations. Individual uncollectible accounts are written off against the allowance when collection of the individual accounts appears doubtful. The Company recorded an allowance for doubtful accounts of \$110,658 as of each of June 30, 2016 and December 31, 2015.

Inventories

Inventories are stated at the lower of cost (average) or market and consist of finished goods such as DVDs, CDs and other products. A reserve for slow-moving and obsolete inventory is established for all inventory deemed potentially non-saleable by management in the period in which it is determined to be potentially non-saleable. The current inventory is considered properly valued and saleable. The Company concluded that there was an appropriate reserve for slow moving and obsolete inventory of \$26,116 and \$28,813 at June 30, 2016 and December 31, 2015, respectively.

Property and Equipment

Property and equipment are recorded at cost. Depreciation on property and equipment is computed using the straight-line method over the estimated useful lives of the assets, which range from two to seven years. Maintenance, repairs, and renewals, which neither materially add to the value of the assets nor appreciably prolong their lives, are charged to expense as incurred. Gains and losses from any dispositions of property and equipment are reflected in the statement of operations.

Goodwill and Intangible Assets

Goodwill represents the excess of purchase price over the estimated fair value of net assets acquired in business combinations accounted for by the purchase method. In accordance with ASC 350 Intangibles Goodwill and Other, goodwill and certain intangible assets are presumed to have indefinite useful lives and are thus not amortized, but subject to an impairment test annually or more frequently if indicators of impairment arise. The Company completes the annual goodwill and indefinite-lived intangible asset impairment tests at the end of each fiscal year. To test for goodwill impairment, we are required to estimate the fair market value of each of our reporting units, of which we have one. While we may use a variety of methods to estimate fair value for impairment testing, our primary method is discounted cash flows. We estimate future cash flows and allocations of certain assets using estimates for future growth rates and our judgment regarding the applicable discount rates. Changes to our judgments and estimates could result in a significantly different estimate of the fair market value of the reporting units, which could result in an impairment of goodwill of indefinite lived intangible assets in future periods.

Other intangible assets have been acquired, either individually or with a group of other assets, and were initially recognized and measured based on fair value. In accordance with ASC 350 Intangible Assets, the costs of new product development and significant improvement to existing products are capitalized while routine and periodic alterations to existing products are expensed as incurred. Annual amortization of these intangible assets is computed based on the straight-line method over the remaining economic life of the asset.

Film and Television Costs

The Company capitalizes production costs for episodic series produced in accordance with ASC 926-20 Entertainment-Films - Other Assets - Film Costs. Accordingly, production costs are capitalized at actual cost and then charged against revenue based on the initial market revenue evidenced by a firm commitment over the period of commitment. The Company expenses all capitalized costs that exceed the initial market firm commitment revenue in the period of delivery of the episodes.

The Company capitalizes production costs for films produced in accordance with ASC 926-20 Entertainment-Films - Other Assets - Film Costs. Accordingly, production costs are capitalized at actual cost and then charged against revenue quarterly as a cost of production based on the relative fair value of the film(s) delivered and recognized as revenue. The Company evaluates its capitalized production costs annually and limits recorded amounts by their ability to recover such costs through expected future sales.

Additionally, the Company develops new videos, music, books and digital applications in addition to adding content, improved animation and bonus songs/features to its existing product catalog. After the initial release of the film or episodic series, the costs of significant improvement to existing products are capitalized while routine and periodic alterations to existing products are expensed as incurred.

Revenue Recognition

The Company recognizes revenue in accordance with ASC 926-605 Entertainment-Films - Revenue Recognition. Accordingly, the Company recognizes revenue when (i) persuasive evidence of a sale with customer exists, (ii) the film is complete and has been delivered or is available for delivery, (iii) the license period of the arrangement has begun and the customer can begin its exploitation, exhibition, or sale, (iv) the arrangement fee is fixed or determinable, and (v) collection of the arrangement fee is reasonably assured.

The Company's licensing and royalty revenue represents revenue generated from license agreements that are held in conjunction with third parties that are responsible for collecting fees due and remitting to the Company its share after expenses. Revenue from licensed products is recognized when realized or realizable based on royalty reporting received from licensees. Licensing income the Company recognizes as an agent is in accordance with ASC 605-45 Revenue Recognition - Principal Agent. Accordingly, the Company's revenue is its gross billings to its customers less the amounts it pays to suppliers for their products and services.

The Company recognizes revenue related to product sales when (i) the seller's price is substantially fixed, (ii) shipment has occurred causing the buyer to be obligated to pay for product, (iii) the buyer has economic substance apart from the seller, and (iv) there is no significant obligation for future performance to directly bring about the resale of the product by the buyer as required by ASC 605 Revenue Recognition.

Stock Based Compensation

As required by ASC 718 - Stock Compensation, the Company recognizes an expense related to the fair value of our stock-based compensation awards, including stock options, using the Black-Scholes calculation as of the date of grant.

Earnings Per Share

Basic earnings (loss) per common share (“EPS”) is calculated by dividing net income (loss) applicable to common shareholders by the weighted average number of shares of common stock outstanding for the period. Diluted EPS is calculated by dividing net income (loss) applicable to common shareholders by the weighted average number of shares of common stock outstanding, plus the assumed exercise of all dilutive securities using the treasury stock or “as converted” method, as appropriate. During periods of net loss, all common stock equivalents are excluded from the diluted EPS calculation because they are antidilutive.

Net income (loss) applicable to common shareholders is calculated by deducting any dividend on preferred stock. As the conversion price of the Series A Preferred Stock on a converted basis was below the market price of the common stock on the closing date, an imputed dividend was calculated.

Income Taxes

Deferred income tax assets and liabilities are recognized based on differences between the financial statement and tax basis of assets and liabilities using presently enacted tax rates. At each balance sheet date, the Company evaluates the available evidence about future taxable income and other possible sources of realization of deferred tax assets, and records a valuation allowance that reduces the deferred tax assets to an amount that represents management’s best estimate of the amount of such deferred tax assets that more likely than not will be realized.

Fair value of financial instruments

The carrying amounts of cash, receivables and accrued liabilities approximate fair value due to the short-term maturity of the instruments.

We adopted ASC 820 as of January 1, 2008 for financial instruments measured at fair value on a recurring basis. ASC Topic 820 defines fair value, establishes a framework for measuring fair value in accordance with U.S. GAAP and expands disclosures about fair value measurements.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC Topic 820 establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). These tiers include:

- Level 1, defined as observable inputs such as quoted prices for identical instruments in active markets;

Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable such as quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in markets that are not active; and

Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions, such as valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable.

Recent Accounting Pronouncements

In May 2014, the FASB issued Accounting Standards Update 2014-09, "Revenue from Contracts with Customers" ("ASU 2014-09"). ASU 2014-09 affects any entity that either enters into contracts with customers to transfer goods or services or enters into contracts for the transfer of non-financial assets unless those contracts are within the scope of other standards (e.g. insurance contracts). This ASU will supersede all revenue recognition requirements in Topic 605, Revenue Recognition, and industry-specific guidance throughout the industry topics of the codification. The guidance's core principle is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. In applying the revenue principles, an entity will identify the contract(s) with a customer, identify the performance obligations, determine the transaction price, allocate the transaction price to the performance obligations and recognize revenue when the performance obligation is satisfied (either over time or at a point in time). The ASU further states that an entity should disclose sufficient information to enable users of financial statements to understand the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers. In August 2015, the FASB issued ASU 2015-14, "Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date", which approved a one-year deferral of the effective date of the ASU from the original effective date of annual reporting periods beginning after December 15, 2016, to annual reporting periods (including interim reporting periods) beginning after December 15, 2017, with an option for early adoption of the standard on the original effective date. Additionally, in March 2016, the FASB issued ASU 2016-08, "Revenue from Contracts with Customers (Topic 606): Principal versus Agent Considerations (Reporting Revenue Gross versus Net)", which clarified the implementation guidance on principal versus agent considerations. In April 2016, the FASB issued ASU 2016-10, "Revenue from Contracts with Customers (Topic 606): Identifying Performance Obligations and Licensing", that amended the revenue guidance on identifying performance obligations and accounting for licenses of intellectual property. In May 2016, the FASB issued ASU 2016-11 "Revenue Recognition (Topic 605) and Derivatives and Hedging (Topic 805): Rescission of SEC Guidance Because of Accounting Standards Updates 2014-09 and 2014-16 Pursuant to Staff Announcements at the March 3, 2016 EITF Meeting", which rescinded from the FASB Accounting Standards Codification certain SEC paragraphs as a result of two SEC Staff Announcements. The FASB also issued ASU 2016-12 "Revenue from Contracts with Customers (Topic 606): Narrow-Scope Improvements and

Practical Expedients”, which clarified guidance on assessment of collectability, presentation of sale taxes, measurement of noncash consideration, and certain transition matters. The Company is still evaluating the impact that the provisions of ASU 2014-09 and related subsequent updates will have on the Company's condensed consolidated financial position, results of operations and cash flows.

In February 2016, the FASB issued Accounting Standards Update 2016-02, “Leases”. The standard requires lessees to recognize the assets and liabilities that arise from leases on the balance sheet. A lessee should recognize in the statement of financial position a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. The new guidance is effective for annual and interim reporting periods beginning after December 15, 2018. The amendments should be applied at the beginning of the earliest period presented using a modified retrospective approach with earlier application permitted as of the beginning of an interim or annual reporting period. We are currently evaluating the potential impact of adopting this guidance on our consolidated financial statements.

In March 2016, the FASB issued Accounting Standards Update 2016-09, “Compensation - Stock Compensation” (“ASU 2016-09”). ASU 2016-09 simplifies the accounting and reporting of certain aspects of share-based payment transactions, including income tax treatment of excess tax benefits, forfeitures, classification of share-based awards as either equity or liabilities, and classification in the statement of cash flows for certain share-based transactions related to tax benefits and tax payments. ASU 2016-09 is effective for public business entities for annual periods beginning after December 15, 2016, and interim periods within those annual periods; early adoption is permitted. We are currently evaluating the potential impact of adopting this guidance on our consolidated financial statements.

Various other accounting pronouncements have been recently issued, most of which represented technical corrections to the accounting literature or were applicable to specific industries, and are not expected to have a material effect on our financial position, results of operations, or cash flows.

Note 3: Inventory

During the second quarter of 2014, the Company began a strategic initiative to restructure its product sales business by phasing out the direct sale of physical products including DVDs and CDs and shifting to a licensing model. In addition to nominal changes to the reserve made during the normal course of business, during the second quarter of 2014, the Company determined that a portion of its inventory may not be saleable and recorded an additional reserve of \$174,963 which was recorded as a loss on inventory. As of June 30, 2016 and December 31, 2015, the Company had recorded a total reserve of \$26,116 and \$28,813, respectively.

Note 4: Property and Equipment, Net

The Company has property and equipment as follows as of June 30, 2016 and December 31, 2015:

Computer Equipment	38,352	36,810
Leasehold Improvements	176,903	176,903
Software	15,737	15,737
Less Accumulated Depreciation	(123,951)	(90,887)
Property and Equipment, Net	\$ 119,426	\$ 150,948

During the three months ended June 30, 2016 and 2015, the Company recorded depreciation expense of \$16,428 and \$17,958, respectively. During the six months ended June 30, 2016 and 2015, the Company recorded depreciation expense of \$33,063 and \$29,827, respectively.

As of June 30, 2016, the Company had Film and Television Costs, net of \$1,250,352 compared to \$1,003,546 at December 31, 2015. The increase relates primarily to the production and development of *SpacePop*, *Llama Llama*, and *Stan Lee's Cosmic Crusaders* offset by the amortization of film costs associated with the revenue recognized for *Thomas Edison's Secret Lab*. During the three months ended June 30, 2016 and 2015, the Company recorded Film and Television Cost amortization expense of \$17,644 and \$0, respectively. During the six months ended June 30, 2016 and 2015, the Company recorded Film and Television Cost amortization expense of \$135,157 and \$0, respectively. The Company recorded accumulated Film and Television Cost amortization of \$262,708 and \$127,551 as of June 30, 2016 and December 31, 2015, respectively.

Note 6: Goodwill and Intangible Assets, Net*Goodwill*

In association with the Merger, the Company recognized \$10,365,805 in Goodwill, representing the excess of the fair value of the consideration for the Merger over net identifiable assets acquired. Pursuant to ASC 350-20, Goodwill is not subject to amortization but is subject to annual review to determine if certain events warrant impairment to the Goodwill asset. Through June 30, 2016, the Company has not recognized any impairment to Goodwill.

Intangible Assets, Net

The Company had following intangible assets as of June 30, 2016 and December 31, 2015:

	6/30/2016	12/31/2015
Identifiable Artistic-Related Assets (a)	\$ 1,740,000	\$ 1,740,000

Less Accumulated Amortization (c)	(235,836)	(197,521)
Intangible Assets, Net	\$ 1,883,690	\$ 1,918,206

In association with the Merger, the Company acquired \$1,740,000 of Identifiable Artistic-Related Assets. These assets, related to certain properties owned by A Squared and assumed by the Company, were valued using an independent firm during the fourth quarter of 2013. Based on certain legal, regulatory, contractual, and economic factors, the Company has deemed these assets to be indefinite-lived. Hence, pursuant to ASC 350-30, these assets are not subject to amortization and are tested annually for impairment. Through June 30, 2016, the Company has not recognized any impairment expense related to these assets.

Pursuant to ASC 350-30-35, the Company reviews these intangible assets periodically to determine if the value should be retired or impaired due to recent events. During the three and six months ended June 30, 2016 and 2015, the Company did not recognize any impairment of these assets.

During the three months ended June 30, 2016 and 2015, the Company recognized \$19,184 and \$16,580, respectively, in amortization expense related to the Trademarks, Product Masters, and Other Intangible Assets.

During the six months ended June 30, 2016 and 2015, the Company recognized \$38,315 and \$30,323, respectively, in amortization expense related to the Trademarks, Product Masters, and Other Intangible Assets.

Expected future intangible asset amortization as of June 30, 2016 is as follows:

Fiscal Year:

2016	\$35,862

Note 8: Accrued Liabilities - Current

As of June 30, 2016 and December 31, 2015, the Company has the following accrued liabilities:

	6/30/2016	12/31/2015
Accrued Salaries and Wages (a)	\$ 116,385	\$96,385
Disputed Trade Payables (b)	925,000	925,000

Other Accrued Expenses	303,110	509,477
Total Accrued Liabilities	\$2,834,078	\$1,530,862

(a) Accrued Salaries and Wages represent accrued vacation payable to employees.

As part of the Merger, the Company assumed certain liabilities from a previous member of A Squared which has claimed certain liabilities totaling \$925,000. The Company disputes the basis for this liability. As of June 30,

(b) 2016, the Company believes that the statute of limitations applicable to the assertion of any legal claim relating to the collection of these liabilities has expired and therefore believes this liability is uncollectible. The Company is working with the counterparty to extinguish this liability.

During the first quarter of 2014, the Company entered into an exclusive three-year agreement with Sony DADC, the optical disc manufacturing and fulfillment arm of Sony, to provide all CD, DVD and BD replication, packaging and distribution to the Company's direct customers. Under the terms of the long-term, exclusive supply chain services agreement, the Company will order a minimum level of disc replication, packaging and distribution

(c) services for its content across all physical media, including DVD, CD, and Blu-ray from Sony DADC. As consideration for these minimum order levels, the Company received a total of \$1,500,000, \$750,000 during the first quarter of 2014 and \$750,000 during the first quarter of 2015. At the end of the term, the Company is obligated to repay a pro-rata portion of the advance if it has not ordered a minimum number of DVD/CD units during the term.

Note 9: Short Term Debt - Related Parties

As part of the Merger, the Company acquired certain liabilities from A Squared. From time to time, A Squared required short-term advances to fund its operations and provide working capital from its founder, the Company's current Chief Executive Officer, Andrew Heyward. Common Stock

As of each of June 30, 2016 and December 31, 2015, the total number of authorized shares of common stock was 700,000,000.

On April 2, 2014, we filed an amendment to our Articles of Incorporation to affect the Reverse Split on a 1-for-100 basis. The Reverse Split was effective with FINRA on April 7, 2014. All common stock share and per share information in this Form 10-Q, including the accompanying consolidated financial statements and notes thereto, have been adjusted to reflect retrospective application of the Reverse Split, unless otherwise indicated. The total number of authorized shares of common stock was not adjusted in conjunction with the Reverse Split.

On September 18, 2015, stockholders, representing at least of majority of outstanding shares of the Company's voting capital, approved an amendment to the Company's Articles of Incorporation, as amended, to effect a reverse split of its issued and outstanding common stock, par value \$0.001 per share, by a ratio of not less than 1-for-2 and not more than 1-for-5 at any time prior to August 31, 2016, with the exact ratio to be set at a whole number within this range as determined by the Company's Board of Directors.

On October 29, 2015, the Company conducted a private placement with certain accredited investors pursuant to which it sold an aggregate of 4,330,000 shares of its common stock, par value \$0.001 per share, and warrants to purchase up to an aggregate of 4,330,000 shares of common stock for a purchase price of \$1.00 per share and associated warrant for gross proceeds of \$4,330,000 (the “2015 Private Placement”). The 2015 Private Placement closed on November 3, 2015. Stock offering costs were \$502,218. (See Note 12 for additional information about these warrants.)

As of June 30, 2016 and December 31, 2015, there were 11,938,133 and 11,259,450 shares of common stock outstanding, respectively. Below are the changes to the Company’s common stock during the six months ended June 30, 2016:

On various dates during the six months ended June 30, 2016, the Company issued 335,000 shares of the Company’s common stock as a conversion of 335 shares of Series A Preferred Stock.

On various dates during the six months ended June 30, 2016, the Company issued 75,000 shares of the Company’s common stock for the exercise of 75,000 warrants each with an exercise price of \$1.10 for total cash proceeds of \$82,500.

On March 12, 2016, the Company issued 30,000 shares of the Company’s common stock as part of a settlement agreement with an entity that had provided music production services to the Company.

On May 4, 2016, the Company issued to Mr. Heyward 238,683 shares of common stock valued at \$1.72 per share, the day’s closing stock price, in satisfaction of certain short term advances.

Preferred Stock

The Company has 10,000,000 shares of preferred stock authorized with a par value of \$0.001 per share. The Board of Directors is authorized, subject to any limitations prescribed by law, without further vote or action by our stockholders, to issue from time to time shares of preferred stock in one or more series. Each series of preferred stock will have such number of shares, designations, preferences, voting powers, qualifications and special or relative rights or privileges as shall be determined by our board of directors, which may include, among others, dividend rights, voting rights, liquidation preferences, conversion rights and preemptive rights.

As of June 30, 2016 and December 31, 2015, there were 4,955 and 5,290 shares of Series A Preferred Stock outstanding, respectively.

On May 12, 2014, the Board of Directors authorized the designation of a class of preferred stock as “Series A Convertible Preferred Stock”. On May 14, 2014, the Company filed the Certificate of Designation, Preferences and Rights of the 0% Series A Convertible Preferred Stock with the Secretary of State of the State of Nevada.

Each share of the Series A Preferred Stock is convertible into shares of the Company’s common stock, par value \$0.001 per share, based on a conversion calculation equal to the Base Amount divided by the conversion price. The Base Amount is defined as the sum of (i) the aggregate stated value of the Series A Preferred Stock to be converted and (ii) all unpaid dividends thereon. The stated value of each share of the Series A Preferred Stock is \$1,000 and the initial conversion price is \$2.00 per share, subject to adjustment in the event of stock splits, dividends and recapitalizations. Additionally, in the event the Company issues shares of its common stock or common stock equivalents at a per share price that is lower than the conversion price then in effect, the conversion price shall be adjusted to such lower price, subject to certain exceptions. The Company is prohibited from effecting a conversion of the Series A Preferred Stock to the extent that as a result of such conversion, the investor would beneficially own more than 9.99% in the aggregate of the issued and outstanding shares of the Company’s common stock, calculated immediately after giving effect to the issuance of shares of common stock upon conversion of the Series A Preferred Stock. The shares of Series A Preferred Stock possess no voting rights.

On May 14, 2014, we entered into securities purchase agreements with certain accredited investors pursuant to which we sold an aggregate of 6,000 shares of our then newly designated Series A Convertible Preferred Stock at a price of \$1,000 per share for gross proceeds to us of \$6,000,000. Related to the sale, we incurred offering costs of \$620,085 resulting in net proceeds of \$5,379,915. The transaction closed on May 15, 2014.

As the conversion price of the Series A Preferred Stock on a converted basis was below the market price of the common shares on the closing date, this resulted in a beneficial conversion feature recorded as an “imputed” dividend of \$2,010,000. In addition, during the first quarter of 2016, upon the conversion of the 85 preferred shares into 85,000 common shares as described above, the conversion price adjustment related to the 2015 Private Placement was deemed a contingency and resulted in additional imputed dividend of \$85,000. During the second quarter of 2016, upon the conversion of the 250 preferred shares into 250,000 common shares as described above, the conversion price adjustment related to the 2015 Private Placement was deemed a contingency and resulted in additional imputed dividend of \$250,000. During the year ended December 31, 2015, 400 preferred shares converted into 400,000 common shares at the conversion price adjustment related to the 2015 Private Placement and resulted in an additional imputed dividend of \$400,000.

Note 13: Income Taxes

The Company accounts for income taxes in accordance with ASC 740 Income Taxes, which requires the recognition of deferred tax liabilities and assets at currently enacted tax rates for the expected future tax consequences of events that have been included in the financial statements or tax returns. A valuation allowance is recognized to reduce the net deferred tax asset to an amount that is more likely than not to be realized.

ASC 740 provides guidance on the accounting for uncertainty in income taxes recognized in a company's financial statements. ASC 740 requires a company to determine whether it is more likely than not that a tax position will be sustained upon examination based upon the technical merits of the position. If the more-likely-than-not threshold is met, a company must measure the tax position to determine the amount to recognize in the financial statements.

At the adoption date of January 1, 2008, the Company had no unrecognized tax benefit which would affect the effective tax rate if recognized.

The Company includes interest and penalties arising from the underpayment of income taxes in the statements of operation in the provision for income taxes. As of June 30, 2016 and December 31, 2015, the Company had no accrued interest or penalties related to uncertain tax positions.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

The following discussion and analysis of our results of operations, financial condition and liquidity and capital resources should be read in conjunction with our unaudited financial statements and related notes for the three and six months ended June 30, 2016. In addition to historical consolidated financial information, the following discussion contains forward-looking statements that reflect our plans, estimates and beliefs. Our actual results could differ materially from those discussed in the forward-looking statements or our past performance.

Overview

The management's discussion and analysis is based on our financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The preparation of these financial statements requires us to make certain estimates and judgments that affect the reported amounts of assets, liabilities and expenses and related disclosure of contingent assets and liabilities. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions and conditions.

Critical Accounting Policies

Our accounting policies are described in the notes to the financial statements. Below is a summary of the critical accounting policies, among others, that management believes involve significant judgments and estimates used in the preparation of our financial statements.

Principles of Consolidation

Our consolidated financial statements include the accounts of Genius Brands International, Inc., our wholly-owned subsidiaries A Squared Entertainment, LLC and Llama Productions LLC as well as our interest in Stan Lee Comics, LLC. All significant inter-company balances and transactions have been eliminated in consolidation.

Goodwill and Intangible Assets

Goodwill represents the excess of purchase price over the estimated fair value of net assets acquired in business combinations accounted for by the purchase method. In accordance with ASC Topic 350 Intangibles Goodwill and Other, goodwill and certain intangible assets are presumed to have indefinite useful lives and are thus not amortized, but subject to an impairment test annually or more frequently if indicators of impairment arise. We complete the annual goodwill and indefinite-lived intangible asset impairment tests during the fourth quarter. To test for goodwill impairment, we are required to estimate the fair market value of each of our reporting units. While we may use a variety of methods to estimate fair value for impairment testing, our primary methods are discounted cash flows. We estimate future cash flows and allocations of certain assets using estimates for future growth rates and our judgment regarding the applicable discount rates. Changes to our judgments and estimates could result in a significantly different estimate of the fair market value of the reporting units, which could result in an impairment of goodwill.

Other intangible assets have been acquired, either individually or with a group of other assets, and were initially recognized and measured based on fair value. In accordance with ASC 350 Intangible Assets, the costs of new product development and significant improvement to existing products are capitalized while routine and periodic alterations to existing products are expensed as incurred. Annual amortization of these intangible assets is computed based on the straight-line method over the remaining economic life of the asset.

Film and Television Costs

We capitalize production costs for episodic series produced in accordance with ASC 926-20 Entertainment-Films - Other Assets - Film Costs. Accordingly, production costs are capitalized at actual cost and then charged against revenue based on the initial market revenue evidenced by a firm commitment over the period of commitment. We expense all capitalized costs that exceed the initial market firm commitment revenue in the period of delivery of the episodes.

We capitalize production costs for films produced in accordance with ASC 926-20 Entertainment-Films - Other Assets - Film Costs. Accordingly, production costs are capitalized at actual cost and then charged against revenue quarterly as a cost of production based on the relative fair value of the film(s) delivered and recognized as revenue. We evaluate our capitalized production costs annually and limits recorded amounts by their ability to recover such costs through expected future sales.

Additionally, we develop new videos, music, books and digital applications in addition to adding content, improved animation and bonus songs/features to our existing product catalog. After the initial release of the film or episodic series, the costs of significant improvement to existing products are capitalized while routine and periodic alterations to existing products are expensed as incurred.

Revenue Recognition

We recognize revenue in accordance with ASC 926-605 Entertainment-Films - Revenue Recognition. Accordingly, we recognize revenue when (i) persuasive evidence of a sale with customer exists, (ii) the film is complete and has been delivered or is available for delivery, (iii) the license period of the arrangement has begun and the customer can begin its exploitation, exhibition, or sale, (iv) the arrangement fee is fixed or determinable, and (v) collection of the arrangement fee is reasonably assured.

Our licensing and royalty revenue represents revenue generated from license agreements that are held in conjunction with third parties that are responsible for collecting fees due and remitting to us its share after expenses. Revenue from licensed products is recognized when realized or realizable based on royalty reporting received from licensees. Licensing income we recognize as an agent is in accordance with ASC 605-45 Revenue Recognition - Principal Agent. Accordingly, our revenue is our gross billings to our customers less the amounts we pay to suppliers for their products and services.

We recognize revenue related to product sales when (i) the seller's price is substantially fixed, (ii) shipment has occurred causing the buyer to be obligated to pay for product, (iii) the buyer has economic substance apart from the seller, and (iv) there is no significant obligation for future performance to directly bring about the resale of the product by the buyer as required by ASC 605 Revenue Recognition.

Other Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods.

Off Balance Sheet Arrangements

We have no off-balance sheet arrangements.

Disclosure controls and procedures include, without limitation, controls and procedures that are designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the issuer’s management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure. Based upon our evaluation, our chief executive officer and chief financial officer concluded that our disclosure controls and procedures are effective for the period ended June 30, 2016, in ensuring that information that we are required to disclose in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission rules and forms.

Changes in Internal Control over Financial Reporting.

There were no changes in our internal control over financial reporting that occurred during the quarter ended June 30, 2016, that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Inherent Limitations Over Internal Controls

Internal control over financial reporting cannot provide absolute assurance of achieving financial reporting objectives because of its inherent limitations, including the possibility of human error and circumvention by collusion or overriding of controls. Accordingly, even an effective internal control system may not prevent or detect material misstatements on a timely basis. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.
