Item 3.02 Unregistered Sales of Securities.

On January 5, 2005 UCN, Inc. closed the acquisition of MyACD, Inc., a Utah corporation. In the transaction UCN purchased all of the outstanding capital stock of MyACD from its stockholders, Michael L. Shelton and David O. Peterson. MyACD develops and distributes telephony software solutions for call center traffic management and related functions that UCN offers to customers over its VoIP network acquired earlier in 2003.

The total purchase price for MyACD is \$6,211,384. The purchase price was paid through promissory notes issued by UCN to Mr. Shelton in the principal amount of \$5,629,846 and to Mr. Peterson in the principal amount of \$581,538. Both notes are non-interest bearing.

UCN made the first payment under the Shelton note of \$1,357,461.50 at the time of closing by issuing to Mr. Shelton 562,985 restricted shares of UCN common stock and paying cash in the amount of \$231,491.50. The shares were issued in reliance on the exemption from registration set forth in Section 4(2) of the Securities Act of 1933 and no commission was paid to any person in connection with the transaction. The remaining payments under the Shelton note are:

- (a) A payment of \$35,255 on January 15, 2005;
- (b) 11 monthly payments on the 15th day of each month beginning February 15, 2005 each in an amount equal to 15.4 percent of MyACD product revenue in each calendar month, but in no event will each such payment be less than \$35,255 or greater than \$135,956;
- (c) 12 monthly payments on the 15th day of each month beginning January 15, 2006 each in an amount equal to 15.4 percent of MyACD product revenue in each calendar month, but in no event will each such payment be less than \$90,640 or greater than \$181,280;
- (d) 12 monthly payments on the 15th day of each month beginning January 15, 2007 each in an amount equal to 15.4 percent of MyACD product revenue in each calendar month, but in no event will each such payment be less than \$135,956 or greater than \$226,595; and
- (e) All remaining unpaid principal on or before January 15, 2008.

UCN made the first payment under the Peterson note of \$195,384.50 in cash at the time of closing. The remaining payments under the Peterson note are:

- (a) A payment of \$4,745.00 on January 15, 2005;
- (b) 11 monthly payments on the 15th day of each month beginning February 15, 2005 each in an amount equal to 1.6 percent of MyACD product revenue in each calendar month, but in no event will each such payment be less than \$4,745.00 or greater than \$14,044.00;

Edgar Filing: UCN INC - Form 8-K

- (c) 12 monthly payments on the 15th day of each month beginning January 15, 2006 each in an amount equal to 1.6 percent of MyACD product revenue in each calendar month, but in no event will each such payment be less than \$9,360.00 or greater than \$18,720.00;
- (d) 12 monthly payments on the 15th day of each month beginning January 15, 2007 each in an amount equal to 1.6 percent of MyACD product revenue in each calendar month, but in no event will each such payment be less than \$14,044.00 or greater than \$23,405.00; and
- (e) All remaining unpaid principal on or before January 5, 2008.

Both notes will be secured by UCN pledging the common stock of MyACD acquired in the transaction as collateral. UCN's payment obligations under the notes may be accelerated by the holders on the occurrence of events of default, which include non-payment, insolvency or bankruptcy, breaches of certain representations and warranties of UCN in the purchase agreement, or UCN's termination without cause of employment agreements with Messrs. Shelton or Peterson.

At the end of December 2004 UCN advanced \$65,000 to MyACD to pay-off an outstanding note payable to a former stockholder of MyACD. This advance to MyACD will be recorded as an asset on UCN's balance sheet at December 31, 2004, but will be eliminated through consolidation of the new subsidiary for financial reporting purposes in subsequent periods.

MyACD was the obligor on another promissory note issued in October 2003 to a former stockholder of MyACD in the principal amount of \$405,875 at December 31, 2004. Upon the acquisition of MyACD as a wholly owned subsidiary the remaining payment obligation on this note will appear on the balance sheet of UCN in 2005 as a result of its consolidation with MyACD for financial reporting purposes. The note is non-interest bearing and is payable in monthly installments of \$11,275 through December 31, 2008 when all remaining principal is due and payable in full. This note is secured by a pledge of 2,790,000 shares of the common stock of MyACD. MyACD's payment obligations under the note may be accelerated by the holder in the event of a payment default, insolvency, or bankruptcy of MyACD.

In connection with the transaction, UCN now employs Michael L. Shelton and David O. Peterson. Mr. Shelton will serve as an executive vice president and Chief Technology Officer at an annual salary of \$120,000. Mr. Peterson will serve as a software engineer and programmer at an annual salary of \$100,000. Messrs. Shelton and Peterson are entitled to participate in bonus, option, pension insurance, and other benefit plans established from time to time by UCN for its employees. Individual bonus or incentive compensation may be granted at the discretion of the Board of Directors.

Item 9.01 Financial Statements and Exhibits.
