Item 5. Other Events

On April 9, 2003, General Motors Corporation ("GM") and its subsidiary Hughes Electronics Corporation ("Hughes"), together with The News Corporation Limited ("News"), announced the signing of definitive agreements that provide for the split-off of Hughes from GM and the simultaneous sale of GM's 19.9

## Edgar Filing: HUGHES ELECTRONICS CORP - Form 8-K

percent (19.9%) economic interest in Hughes to News. In addition, pursuant to these agreements, News would acquire an additional 14.1 percent (14.1%) stake in Hughes from holders of GM Class H common stock through a merger of Hughes and a wholly-owned subsidiary of News, with Hughes as the surviving corporation. See the press release and the selected transaction documents identified as exhibits in Item 7 below, each of which is hereby incorporated by reference.

In connection with the proposed transactions, GM, Hughes and News intend to file relevant materials with the Securities and Exchange Commission ("SEC"), including one or more registration statement(s) that contain a prospectus and proxy/consent solicitation statement. Because those documents will contain important information, holders of GM \$1-2/3 common stock and GM Class H common stock are urged to read them, if and when they become available. When filed with the SEC, they (along with any other documents and reports filed by GM, Hughes or News with the SEC) will be available for free at the SEC's website, [www.sec.gov](http://www.sec.gov), and GM stockholders will receive information at an appropriate time on how to obtain transaction-related documents for free from GM. Such documents are not currently available.

GM, and its directors and executive officers, and Hughes, and certain of its executive officers, may be deemed to be participants in the solicitation of proxies or consents from the holders of GM \$1-2/3 common stock and GM Class H common stock in connection with the proposed transactions. Information regarding the participants and their interest in the solicitation was filed pursuant to Rule 425 with the SEC by each of GM and Hughes on April 10, 2003. Investors may obtain additional information regarding the interests of such participants by reading the prospectus and proxy/consent solicitation statement if and when it becomes available.

This communication shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.
