ANNUAL MEETING OF STOCKHOLDERS ON APRIL 23, 2003

PROXY STATEMENT

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

This proxy statement is being provided in connection with the Annual Meeting of Stockholders of City National Corporation (the "Corporation"). We believe our question and answer format facilitates understanding of the general information about the annual meeting and voting procedures.

1. Q. Why did you send me this proxy statement?
A. We sent you this proxy statement because the Board of Directors of the Corporation is soliciting your proxy to vote at the 2003 Annual Meeting of Stockholders.
2. Q. When is this proxy statement being mailed to stockholders?
A. This proxy statement and the accompanying proxy card are first being mailed to stockholders on or about March 24, 2003.
3. Q. Who is paying for this solicitation?
A. The Corporation will pay the cost of preparing, assembling and mailing the notice of the annual meeting, the proxy statement and the accompanying proxy card and for the solicitation of proxies. In addition to our solicitation by mail, certain directors, officers and employees who will receive no additional compensation for their services may solicit proxies in person or by telephone, telegraph or facsimile. We will pay brokers and others who hold our common stock in their name for the expenses of forwarding the proxy materials to their principals.
4. Q. What may I vote on?
A. You are being asked to vote on the election of nominees to serve on the Corporation's Board of Directors.
5. Q. How does the Board of Directors recommend I vote?
A. The Board of Directors recommends a vote FOR each of the nominees.
6. Q. Who is entitled to vote?
A. Only stockholders of record on the Record Date, February 28, 2003, may vote at the annual meeting.
7. Q. How many shares can vote?
A. At the close of business on the Record Date, there were 48,720,375 shares of the Corporation's common stock outstanding. Each stockholder is entitled to one vote for each share of common stock owned.

8. Q. How many shares must be represented at the annual meeting to constitute a "quorum"?
- A. A majority of the outstanding shares must be present at the annual meeting, either in person or represented by proxy, to constitute a "quorum." There must be a quorum for the Annual Meeting to be held. If you return a signed proxy card, you will be counted as being present, even if you abstain from voting. Broker non-votes will also be counted as being present for purposes of determining a quorum.
9. Q. How are matters approved or disapproved?
- A. The four nominees for election as a director who receive the highest number of affirmative votes will be elected.
10. Q. What do I have to do to vote?
- A. You may vote by signing and dating each proxy card you receive and returning it in the enclosed postage paid envelope. If you mark the proxy card to show how you wish to vote, your shares will be voted as you direct. If you return a signed proxy card but do not mark the proxy card to show how you wish to vote, your shares will be voted FOR each of the Board of Directors' nominees for election as directors. You may change or revoke your vote at any time before it is counted at the annual meeting by:
- (i) notifying our Secretary at the address shown above;
 - (ii) attending the annual meeting and voting in person; or
 - (iii) submitting a later dated proxy card.
11. Q. What do I have to do to vote my shares if they are held in the name of my broker?
- A. If your shares are held by your broker, sometimes called "street name" shares, you should receive a form from your broker asking you how you want to vote your shares. If you do not give instructions to your broker, your broker will vote your shares at its discretion on your behalf.
12. Q. How will voting on any other business be conducted?
- A. We do not know of any business to be considered at the annual meeting other than the election of directors described in this proxy statement. Because we were not notified of any other business to be presented at the annual meeting on or before February 7, 2003, if any other business is presented at the annual meeting, the person named on the proxy card, your designated proxy will vote on such matter at his discretion. Any matter other than the election of directors must receive affirmative votes from at least a majority of the shares voting in order to be approved.
13. Q. Who can attend the annual meeting?
- A. Any stockholders entitled to vote at the annual meeting may attend the annual meeting. If you hold "street name" shares and would like to attend the annual meeting, please write to our Secretary at the address shown above or e-mail to Martha.Drain@cnb.com, identifying yourself as a beneficial owner of our common stock, and we will add your name to the guest list.
14. Q. How do I get more information about you?
- A. With this proxy statement, we are also sending you our 2002 Summary Annual Report and our Annual Report for the year ended December 31, 2002, which includes our financial statements. If you did not receive them, we will send them to you without charge. The Annual Report includes a list of exhibits filed with the Securities and Exchange Commission, but does not include the exhibits. If you wish to receive copies of the exhibits, we will send them to you. Expenses for copying and mailing them will be your responsibility. Please write to:

ELECTION OF DIRECTORS

As of the date of this Proxy Statement, the Board of Directors of the Corporation currently consists of twelve members, who are divided into three classes. Directors are elected for terms ending at the third annual meeting following the directors' election. Kenneth L. Coleman was appointed by the Board of Directors as a new Class I director and commenced service as of February 28, 2003. He fills a vacancy on the Board of Directors created by the resignation of Director Bill Richardson on June 4, 2002. Bill Richardson resigned from the Board of Directors in order to dedicate his undivided time and attention to his gubernatorial campaign in New Mexico. Mr. Richardson was elected governor of New Mexico on November 5, 2002 and took office January 1, 2003. Peter M. Thomas was appointed by the Board of Directors as a new Class I director effective March 24, 2003. Kenneth L. Coleman and Peter M. Thomas are included among the directors nominated for election as Class I directors at the April 2003 annual meeting. The term of office of the current Class I directors will expire upon election and qualification of their successors. At the annual meeting, four nominees will be elected to serve as Class I directors.

The four nominees recommended by the Board of Directors for election as directors (all of whom are currently directors) are set forth below. If one or more of such nominees unexpectedly becomes unavailable to serve as a director, the proxies may be voted for one or more substitute nominees selected by the Board of Directors, or the authorized number of directors may be reduced. If the authorized number of directors is reduced for any reason, the proxies will be voted for the election of the remaining nominees named in this proxy statement. To the best of the Corporation's knowledge, all nominees are and will be available to serve as directors.

Nominations for the election of directors may be made by a stockholder entitled to vote for the election of directors by submitting a notice in writing, delivered or mailed by first class United States mail, postage prepaid, to the Secretary of the Corporation not less than 60 days prior to the first anniversary of the date of the last meeting of the stockholders of the Corporation called for the election of directors. For the 2004 Annual Meeting of Stockholders, nominations must be received by February 21, 2004. The notice must include: (i) the name, age, business address and, if known, the residence address of the nominee, (ii) the principal occupation or employment of the nominee, (iii) the number of shares of stock of the Corporation beneficially owned by the nominee and (iv) other information that would be required by federal securities laws and regulations for an individual nominated by the Board of Directors. The Corporation did not receive any such nominations for the 2003 annual meeting.

Each of the current directors is also a director of City National Bank (the "Bank"), a wholly owned subsidiary of the Corporation.

The nominees for election as Class I directors, and the Class II and Class III directors who will continue in office after the annual meeting until the expiration of their respective terms, and information about them as of March 24, 2003, are as follows:

BOARD OF DIRECTORS COMMITTEES

The Board of Directors has the following committees: a Compensation, Nominating & Governance Committee; an Audit Committee; a Directors Trust Committee; and a Community Reinvestment Act Committee. By resolution of the Board of Directors on October 23, 2002, the scope of the former Compensation and Directors' Nominating Committee was expanded to include Governance issues. This action was taken by the Board of Directors consistent with the spirit of recent developments and proposals for improved governance recommended by the New York Stock Exchange ("NYSE") and because the Board believes that corporate governance and the highest standards of business ethics and practices are vital to the success of the Corporation. As a result of this action by the Board of Directors, the Compensation and Directors' Nominating Committee became the Compensation, Nominating & Governance Committee. The expansion of the scope of the Committee is reflected in the revised Charter of the Committee attached as Appendix A.

At the beginning of January 2002 the Compensation, Nominating & Governance Committee, as it is now known, was composed of Charles E. Rickershauser (Chairman), Michael L. Meyer and Ronald L. Olson. In February of 2002, Richard L. Bloch became a member of the Committee and Ronald L. Olson ceased being a member. On April 24, 2002, Charles E. Rickershauser retired, and Richard L. Bloch and Michael L. Meyer were re-appointed to the Committee and Mr. Bloch was named as Chairman. The Compensation, Nominating & Governance Committee acts upon matters of compensation, selects and recommends to the Board of Directors nominees for positions on the Corporation's Board of Directors, and is responsible for oversight of all director and officer governance matters. The Compensation, Nominating & Governance Committee of the Bank is composed of the same individuals and acts jointly as the Compensation, Nominating & Governance Committee of the Corporation. The Committees met jointly 3 times during 2002.

The Audit Committee is composed of Kenneth Ziffren (Chairman), Richard L. Bloch, Stuart D. Buchalter, and Michael L. Meyer. By action of the Board of Directors, Michael L. Meyer became a member of the Committee on October 23, 2002. The Audit Committee monitors significant accounting and financial reporting policies, approves services rendered by the Corporation's independent auditors, reviews audit and management reports and is responsible for approving the appointment of independent auditors and the fees payable for their services. The Audit Committee also functions as the audit and examining committee of the Bank. The Committee met eighteen times during 2002. The Audit Committee has identified Michael L. Meyer as the "Audit Committee Financial Expert" as defined in the Securities and Exchange Commission's (the "SEC's") rulemaking in accordance with Section 407 of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"). The Board of Directors, in its business judgment, has determined that Mr. Meyer is an "independent director" in accordance with the current and proposed listing standards of the NYSE and Section 301 of the Sarbanes-Oxley Act and proposed rules thereunder. Recent changes in the law as a result of the Sarbanes-Oxley Act, and various orders issued by the Securities and Exchange Commission, as well as proposed changes to the NYSE Listing Standards, have resulted in the need for changes to the Audit Committee Charter. The Board of Directors revised the Charter of the Audit Committee on March 19, 2003. A copy of the revised Charter is attached as Appendix B. A more complete description of the powers and responsibilities of these Committees is set forth in the revised Charters.

Employment Contracts, Change of Control Agreements and Termination Arrangements

Russell Goldsmith Agreement. Effective July 15, 1998, the Corporation and the Bank entered into an Employment Agreement (the "1998 Russell Goldsmith Agreement") with Russell Goldsmith pursuant to which he has served as Chairman of the Board and Chief Executive Officer of the Bank and Vice Chairman and Chief Executive Officer of the Corporation. The 1998 Russell Goldsmith Agreement remained in effect until July 15, 2002. The 1998 Russell Goldsmith Agreement provided for an annual salary of \$675,000 for the first year, increasing each successive year by the lesser of (i) five percent (5%) plus a cost of living index and (ii) 10%. Russell Goldsmith was also entitled to an annual bonus equal to not less than 125% of his base compensation if plan goals for the year were achieved, scaled up ratably, to 200% of his base compensation, if 130% of plan goals were achieved, and scaled down ratably to 35% if 85% of plan goals were achieved.

At their July and September 2002 meetings, the Board of Directors approved a new employment agreement for Russell Goldsmith (the "2002 Russell Goldsmith Agreement"), which was executed on March 20, 2003, with all terms and conditions effective as of July 15, 2002 and pursuant to which Russell Goldsmith has served and will continue to serve as Chairman of the Board and Chief Executive Officer of the Bank and Vice Chairman and Chief Executive Officer of the Corporation. The 2002 Russell Goldsmith Agreement, which will remain in effect until July 15, 2006, provides for an annual salary of \$853,811 from July 15, 2002 until February 28, 2003, at which time the Agreement provides for a two percent (2%) increase in annual salary, effective until the next review date which is March 1, 2004. Thereafter, annual salary increases for each successive year will increase by a minimum of six percent (6%) per year on each of the following March 1 review dates, subject to voluntary reduction by Russell Goldsmith. Consistent with benefits provided to all Executive Committee members, Russell Goldsmith will receive an automobile allowance of \$1,000 per month. Annual bonus incentive remained unchanged from the prior agreement. Russell Goldsmith is entitled to an annual bonus equal to not less than 125% of his base compensation if plan goals for the year are achieved, scaled up

Edgar Filing: CITY NATIONAL CORP - Form DEF 14A

ratably, to 200% of his base compensation, if 130% of plan goals are achieved, and scaled down ratably to 35% if 85% of plan goals are achieved.

The 2002 Russell Goldsmith Agreement also provides for the implementation of a Supplemental Executive Retirement Plan for Russell Goldsmith (the "SERP Benefits"). The SERP Benefits equal approximately 1.54% of his final average pay (the average of the highest three years of Russell Goldsmith's final five years salary and bonus) per year of service, up to a 25.2% maximum after 16.33 years of service, on February 14, 2012. The projected benefit after 16.33 years of service at age sixty-two (the normal retirement date) is \$650,000. The SERP Benefits include provisions for (i) actuarial reduction for early retirement; (ii) actuarially increased benefit for delayed retirement; (iii) payment of vested benefits upon retirement, death or disability (lump sum option); (iv) elective provision for joint and survivor annuity for his spouse, with actuarially reduced pension; (v) death benefits for his spouse; and (vi) five years extra service credit, but no change in maximum benefit, in event of a change of control. The SERP Benefit becomes fully vested upon eight years of service, on October 16, 2003.

The 2002 Russell Goldsmith Agreement also provided for the grant to Russell Goldsmith on July 24, 2002 of 250,000 non-qualified stock options to acquire the Corporation's common stock at an exercise price of \$47.12 per share (the fair market value on that date) pursuant to the Corporation's 2002 Omnibus Plan. The option was immediately exercisable as to 83,334 shares; exercisable as to 83,333 shares on July 24, 2003; and exercisable as to the remaining 83,333 shares on July 24, 2004. The options will expire on July 23, 2012.

The 2002 Russell Goldsmith Agreement provides that in the event the Corporation or the Bank terminates Russell Goldsmith's employment without good cause, Russell Goldsmith will be entitled to receive an amount equal to (i) the base compensation and bonus he would have received during the three years following the date of termination (assuming for purposes of the calculation that the term of the 2002 Russell Goldsmith Agreement had extended for a period of three years from the date of termination) and

14

(ii) the cost of all other employee benefits Russell Goldsmith would have received had he remained employed for three years following the date of termination. In addition, the stock options granted pursuant to the 2002 Russell Goldsmith Agreement, if not then exercisable in full, will become fully exercisable. For purposes of the 2002 Russell Goldsmith Agreement, "good cause" is defined as (i) conviction of a crime directly related to Russell Goldsmith's employment, (ii) conviction of a felony involving moral turpitude, (iii) willful and gross mismanagement of the Corporation's or the Bank's business and affairs or (iv) breach of a material provision of the 2002 Russell Goldsmith Agreement.

If Russell Goldsmith's employment is terminated because of injury or physical or mental illness or due to Russell Goldsmith's death, he (or, in the event of his death, his beneficiary or estate) will be entitled to receive the same amounts and benefits as if his employment had been terminated without cause.

Any dispute relating to the 2002 Russell Goldsmith Agreement will be resolved by binding arbitration. See "Change of Control Agreements" below, for information relating to change of control arrangements for Russell Goldsmith.

Bram Goldsmith Agreement. In March 1998, the Corporation and the Bank entered into an Employment Agreement (the "1998 Agreement") with Bram Goldsmith pursuant to which he served as Chairman of the Board of the Corporation and an officer of the Bank from May 15, 1998, to May 14, 2001. In March 2001, the Corporation and the Bank entered into an Employment Agreement (the "2001 Agreement") with Bram Goldsmith which provided for him to serve as Chairman of the Board of the Corporation and an officer of the Bank from May 15, 2001, to May 14, 2003. Both the 1998 Agreement and the 2001 Agreement provided for an annual salary of \$540,000, as well as an annual incentive bonus, which bonus shall be no less a percentage of Bram Goldsmith's annual salary than the mean between the high and low percentage of annual salary paid as a bonus to any other member of the Corporation's or the Bank's Strategy and Planning Committee (both of which currently consist of Russell Goldsmith, Bram Goldsmith, George Benter, Frank Pekny and Jan Cloyde). The 1998 Agreement and the 2001 Agreement also provided that in no event shall the total employee remuneration (as that term is defined in Section 162(m) of the Internal Revenue Code) paid to Bram Goldsmith with regard to any one tax year of the Corporation total more than \$925,000.

On March 19, 2003, the Board of Directors of the Corporation and the Bank approved entering into a new employment agreement with Bram Goldsmith, who has agreed to the following terms (the "2003 Bram Goldsmith Agreement"). Under this new agreement, he will continue to serve as Chairman of the Board of the Corporation and in all current officer capacities until May 14, 2005. The 2003 Bram Goldsmith Agreement will provide that he will receive an annual salary of \$350,000 commencing May 15, 2003. He will also receive an annual bonus for the performance year 2003 and each year thereafter, in an amount not to exceed \$150,000. Like all other Executive Committee members, Bram Goldsmith will also receive a monthly automobile allowance of \$1,000. He will receive title to a 1987 Mercedes valued at \$6,000 which has been his Company car for the past fifteen years. All other provisions of the 2001 Agreement will remain in effect for the term of the 2003 Bram Goldsmith Agreement. The 2003 Bram Goldsmith Agreement was not yet executed as of the date of this Proxy Statement and is expected to be executed prior to the 2003 Annual Meeting of Stockholders. All other provisions of the 2001 Agreement remain in effect for the term of the

2003 Bram Goldsmith Agreement.

Since 1980, employment arrangements between the Corporation and Bram Goldsmith have provided for various policies of life insurance. Since 1990, and continuing under the 1998 Agreement and the 2001 Agreement, an insurance policy on the joint lives of Bram and Elaine Goldsmith in the amount of \$7,000,000 has been provided by the Bank, and will continue to be provided by the Bank while either Bram or Elaine Goldsmith remains alive. The Bank is currently obligated to pay an annual premium equal to the greater of \$60,000 or the amount necessary to maintain a \$7,000,000 death benefit. The Bank will receive from the death benefit of the policy, before any payments are made to the beneficiaries, a sum equal to the aggregate amount of premiums paid on the policy since its inception, without interest. The total premiums

15

paid between 1980 and 2002 on the existing policy and its predecessor policy total approximately \$840,842. There is no arrangement or understanding, formal or informal, that Bram Goldsmith has or will receive or be allocated an interest in the cash surrender value of the insurance policy. The Corporation is considering its obligation to continue to make the annual premium on this policy in light of Section 402 of the Sarbanes-Oxley Act which, with certain exceptions, prohibits publicly traded companies from making personal loans to directors and executive officers. It is not clear whether the arrangement between Bram Goldsmith and the Corporation with respect to the payment of premiums under this policy would constitute a loan within the meaning of the section and, if it is a loan, whether future payments of premiums which the Corporation was obligated to make at the date of enactment of the prohibition are subject to the section.

The 2003 Bram Goldsmith Agreement will provide that in the event the Corporation terminates Bram Goldsmith's employment without good cause, Bram Goldsmith will be entitled to receive all compensation payable for the balance of the term as if it had not been terminated. For this purpose, "good cause" is defined as (i) conviction of a crime directly related to Bram Goldsmith's employment, (ii) conviction of a felony involving moral turpitude, (iii) willful and gross mismanagement of the Corporation's or the Bank's business and affairs, or (iv) breach of any material provision of the applicable agreement. If Bram Goldsmith's employment is terminated because of injury or physical or mental illness, the Corporation will be obligated to continue paying Bram Goldsmith's salary and bonus as if he continued to be employed by the Corporation, less any amount paid in lieu of salary under any private or governmental insurance program. If Bram Goldsmith's employment is terminated due to his death, his annual salary will be paid to his wife, if she is living, or his Revocable Living Trust, if she is not, for the lesser of two years or the remaining term of the 2003 Bram Goldsmith Agreement.

Any dispute relating to the 1998 Agreement, the 2001 Agreement, or the 2003 Bram Goldsmith Agreement will be resolved through binding arbitration. See "Change of Control Agreements" below for information relating to change of control arrangements for Bram Goldsmith.

Change of Control Agreements. Each officer who is a member of the Bank's Executive Committee, including each of the five Named Executive Officers, has entered into a Change of Control Agreement (the "Change of Control Agreement"). The Change of Control Agreement provides that each officer shall be employed for a period of two years (three years for Russell Goldsmith, Bram Goldsmith, George Benter, Frank Pekny and Jan Cloyde) from the date of a change in control. The compensation, benefits, title, duties and other attributes of the officer's employment generally will be at least equal to that which was provided prior to the change in control.

If, after a change of control (as defined in the Change of Control Agreement), the officer's employment is terminated other than for "cause" or the officer resigns for "good reason," the officer will be paid an amount equal to two times (three times for Russell Goldsmith, Bram Goldsmith, George Benter, Frank Pekny and Jan Cloyde) such officer's base salary and annual bonus plus the value of certain other benefits and payments foregone due to the termination and will continue to receive all employee benefits for two years (three years for Russell Goldsmith, Bram Goldsmith, George Benter, Frank Pekny and Jan Cloyde) after the date of termination. For purposes of the Change of Control Agreements, "cause" is defined to mean (i) a willful and continued failure to perform the officer's duties or (ii) willfully engaging in illegal conduct or gross misconduct materially and demonstrably injurious to the Corporation, and "good reason" is defined to include (i) an action which diminishes the officer's position, authority, duties or responsibilities or (ii) a failure by the Corporation to comply with the compensation provisions of the agreement. In addition, any resignation by the officer during the 30 day period immediately following the first anniversary of a change of control is deemed to be for "good reason."

If it is determined that any payments made to an officer pursuant to the Change of Control Agreement would subject such officer to an excise tax pursuant to Section 4999 of the Internal Revenue Code of 1986, under certain circumstances such officer will also be paid an additional amount sufficient to

16

Edgar Filing: CITY NATIONAL CORP - Form DEF 14A

put such officer in the same tax position as the officer would have been in had no excise tax been imposed on such payment.

Stock Option Plans. The 1995 Omnibus Plan, the 1999 Omnibus Plan and the 2002 Omnibus Plan, each contain provisions that take effect upon a change of control (as defined in each of the plans) of the Corporation. If a change of control occurs, all options held by employees vest in full unless the Compensation, Nominating & Governance Committee determines otherwise, in which event the Board of Directors or the Compensation, Nominating & Governance Committee, as applicable, will make provision for continuation and assumption of the plans and outstanding awards or for the substitution of new awards. Although the 1985 Stock Option Plan, under which no more options may be granted but under which there are still options outstanding, contains similar provisions, such provisions are no longer operative because all remaining options under the 1985 Stock Option Plan are fully vested.

Executive Deferred Compensation Plan. The Bank's 2000 Executive Deferred Compensation Plan allows officers who are senior vice presidents or above to elect each year to defer up to 100% of their salary, including commissions, and up to 100% of their annual bonus. Each officer's deferral account is credited with an amount equal to the net investment return of one or more equity or bond funds selected by the officer. Amounts in an officer's deferral account represent an unsecured claim against the Bank's assets and are paid, pursuant to the officer's election, in a lump-sum or in quarterly installments at a specified date during the officer's employment or upon the officer's termination of employment with the Bank. Under the prior executive deferred compensation plan, a participating officer may have used amounts deferred to purchase a split-dollar life insurance policy. Under the 2000 Executive Deferred Compensation Plan, the Bank provides a specified amount of life insurance coverage to each such eligible officer beginning on the date the officer executes an "Agreement for Transfer of Policy and Termination of Split-Dollar Life Insurance Agreement" and ending on December 31, 2009. The officer is entitled to name a beneficiary to receive the portion of the death benefit under the life insurance policy that is equal to the amount set forth in the 2000 Executive Deferred Compensation Plan.

Edgar Filing: CITY NATIONAL CORP - Form DEF 14A

Expected Life	7.5 years
Volatility	30.97%
Dividend yield	1.75%
Risk-free investment rate	4.76%

The expected life is based upon the pattern of exercises of options granted by the Corporation in the past. Volatility, a measure of the variability in the Corporation's stock price, is based on changes in the price of the Corporation's common stock during the past ten years, measured monthly. The dividend yield is an assumed rate. Actual dividend payments will depend upon a number of factors, including future financial results, and may differ substantially from the assumption. The risk-free investment rate is based on the yield on ten year U.S. Treasury Notes on the grant date.

The actual value, if any, which a Named Executive Officer may realize will depend upon the difference between the option exercise price and the market price of the Corporation's common stock on the date of exercise.

The options which expire on February 26, 2012 were granted on February 27, 2002 and the options which expire on July 23, 2012 were granted on July 24, 2002. The February 27, 2002 options become exercisable 25% on each anniversary date of the grant until fully exercisable. The July 24, 2002 options were immediately exercisable as to 83,334 shares, and thereafter exercisable as to an additional 83,333 shares on each of the following two anniversary dates of the grant. The options may become exercisable in full upon a change of control of the Corporation. See " Employment Contracts, Change of Control Agreements and Termination Arrangements Stock Option Plans".

Aggregated Option Exercises and Year-End Option Values

The following table sets forth information regarding exercises of stock options by the Named Executive Officers during 2002 and the value of all unexercised in-the-money stock options held by the Named Executive Officers as of December 31, 2002. Bram Goldsmith did not exercise any stock options during 2002 and held no unexercised stock options at December 31, 2002. There were no exercises of stock appreciation rights during 2002 and no unexercised stock appreciation rights at December 31, 2002.

Name	Shares Acquired upon Exercise	Value Realized	Number of Shares Underlying Unexercised Options		Value of Unexercised in-the-money Options at Year-End(1)

Frank P. Pekny	77,625	\$ 1,559,823	103,724	126,875	\$ 1,944,588	\$ 803,036
Jan R. Cloyde			35,750	44,500	\$ 441,282	\$ 204,119

(1)

Values are based on the \$43.99 closing price of the Corporation's common stock on December 31, 2002, as reported on the NYSE. The actual amount which a Named Executive Officer may realize will depend upon the market price of the Corporation's common stock at the time shares obtained upon exercise of such options are sold.

COMPENSATION OF DIRECTORS

The Corporation does not pay cash fees to its directors for attendance at meetings of the Board of Directors. However, the Bank, whose Board of Directors consists of the same individuals as the Corporation's Board of Directors and generally meets jointly with the Corporation's Board of Directors, pays a fee of \$1,500 to each non-employee director for attendance at each meeting of its Board of Directors. Non-employee directors serving on committees appointed by the Board of Directors receive a fee of \$1,000 for each committee meeting attended. In addition, the chair of each committee appointed by the Board of Directors receives an annual fee of \$3,000.

The Corporation's 1999 Omnibus Plan provides for the automatic annual grant of 500 discounted stock options to each non-employee director on the date of the annual meeting of stockholders ("Director Stock Options"). The exercise price of Director Stock Options is \$1.00 per

share, payable in cash, by surrender of Corporation common stock held by the director or a combination of the two. Director Stock Options vest six months after the date of grant or upon the earlier termination without cause of the option holder's directorship and expire ten years after the date of grant.

The Bank's 2000 Director Deferred Compensation Plan allows non-employee directors to elect each year to defer up to 100% of their director fees. Each director's deferral account is credited with an amount equal to the net investment return of one or more equity or bond funds selected by the director. Amounts in a director's deferral account represent an unsecured claim against the Bank's assets and are paid, pursuant to the director's election, in a lump sum or in quarterly installments at a specified date during the director's service on the board or upon the termination of service as a director. Prior to 2000, the Corporation maintained a Director Deferred Compensation Plan which the Corporation terminated effective December 31, 1999. Under the Corporation's Director Deferred Compensation Plan, a participating director may have used amounts to purchase a split-dollar life insurance policy. Under the Bank's 2000 Director Deferred Compensation Plan, the Bank provides a specified amount of life insurance coverage to each such eligible director beginning on the date the director executes an "Agreement for Transfer of Policy and Termination of Split-Dollar Life Insurance Agreement" and ending on December 31, 2009. The director is entitled to name a beneficiary to receive the portion of the death benefit under the life insurance policy that is equal to the amount set forth in the Bank's 2000 Director Deferred Compensation Plan.

EQUITY COMPENSATION PLAN INFORMATION

The following table summarizes information, as of December 31, 2002, relating to equity compensation plans of the Company pursuant to which grants of options and restricted stock may be granted from time to time.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights.	Weighted-average exercise price of outstanding options, warrants and rights.	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in first column).
Equity compensation plans approved by security holders	4,094,706(1)	\$ 32.46	5,049,211(2)
Equity compensation plans not approved by security holders	1,881,912	\$ 44.17	69,339
Total	5,976,618(3)	\$ 36.15	5,118,550(4)

- (1) Includes 133,782 shares assumed in the acquisition of Civic Bancorp with a weighted-average exercise price of \$26.75. Civic Bancorp shareholders had approved these stock option plans.
- (2) Includes 353,211 shares under the 1995 Omnibus Plan available for the issuance of restricted stock.
- (3) Includes 11,667 shares of restricted stock and 5,964,951 of stock options.
- (4) There are no formula used to calculate the number of securities available for issuance under the plans.

In March 2001, the Board of Directors adopted the 2001 Stock Option Plan, which is a broadly-based stock option plan under which options may only be granted to employees of the Corporation and the subsidiaries who are neither directors or executive officers. The 2001 Stock Option Plan was not submitted to the stockholders for their approval. By action of the Board of Directors, as disclosed in the 2002 Proxy Statement, there are only 69,339 shares remaining available for issuance under the 2001 Stock Option Plan.

Under the 2001 Stock Option Plan, the Committee may from time to time grant Nonqualified Stock Options ("NSOs"), (but not Incentive Stock Options or Director Stock Options), to "eligible employees." "Eligible employees" means full-time employees of the Corporation who are "exempt employees" under the Fair Labor Standards Act of 1938 and who are neither members of the Board nor "officers". "Officers" means those individuals determined by the Board of Directors to be officers of the Corporation who provide significant policy-making functions to the Corporation for purposes of Section 16 of the Securities Exchange Act of 1934.

The 2001 Stock Option Plan contains a provision that takes effect upon a change in control (as defined in the plan) of the Corporation. If a change of control occurs, all options held by employees vest in full unless the Compensation, Nominating and Governance Committee determines otherwise, in which event the Board of Directors or the Compensation, Nominating & Governance Committee, as applicable, will make provision for continuation and assumption of the plans and outstanding awards or for the substitution of new awards, provided, however, that in no event shall any option be accelerated as to any Section 16 Person to a date less than six months after the Option Date of such option (as such terms are defined in the plan).

COMPENSATION, NOMINATING & GOVERNANCE COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation, Nominating & Governance Committee during 2002 consisted of Richard L. Bloch (Chairman) and Michael L. Meyer. None of the members of the Compensation, Nominating & Governance Committee has ever been an officer or employee of the Corporation or any subsidiary of the Corporation.

Both of the members of the Compensation, Nominating & Governance Committee were customers of the Bank in the ordinary course of business during 2002. Similar transactions are expected to occur in the future. In the opinion of management, all such transactions were effected on substantially the same terms as those prevailing at the time for comparable transactions with other persons, including, as to any loans, interest rates, fees and collateral, and any loans did not involve more than the normal risk of collection or present any other unfavorable terms.

REPORT ON EXECUTIVE COMPENSATION BY THE COMPENSATION, NOMINATING & GOVERNANCE COMMITTEE

Decisions regarding compensation of the Corporation's chief executive officer, the members of the Corporation's Strategy and Planning Committee and any other officers of the Corporation earning an annual base salary of \$200,000 or more, all of whom are employees of the Bank, are made by the Compensation, Nominating & Governance Committee of the Corporation, which acts jointly as the Compensation, Nominating & Governance Committee of the Bank (collectively the "Compensation, Nominating & Governance Committee"). The executive officers of the Corporation are compensated by the Bank and receive benefits under various Bank employee benefit plans. The Corporation provides incentive based compensation benefits to its executive officers pursuant to the Corporation's Profit Sharing Plan, the Executive Management Bonus Plan, the 1999 Variable Bonus Plan, the Executive Deferred Compensation Plan, the 1995 Omnibus Plan, the 1999 Omnibus Plan and the 2002 Omnibus Plan. The Compensation, Nominating & Governance Committee, administers the 1999 Variable Bonus Plan, the 1995 Omnibus Plan, the 1999 Omnibus Plan, the 2001 Stock Option Plan and the 2002 Omnibus Plan and grants options and other stock-based awards thereunder. The Compensation, Nominating & Governance Committee also administers outstanding options issued under the 1985 Stock Option Plan. No new options can be granted under the 1985 Stock Option Plan. References in the following report to the Corporation shall be deemed to include the Bank, unless otherwise noted.

The Compensation, Nominating & Governance Committee presents the following report.

Overall Philosophy

The Corporation's compensation and benefit programs provide systematic ways of rewarding employee-colleagues both as individuals and as members of a team for achieving or contributing meaningfully to the Corporation's strategic goals. Rewards are determined in accordance with the Corporation's "pay for performance" philosophy and are based on an evaluation process that periodically assesses performance against established goals. The compensation and benefit programs are reassessed annually for suitability with corporate growth strategies and competitiveness within the marketplace. Consistent with the Corporation's mission statement, these programs are designed to build, train, retain, reward and support the best team of professionals in the financial industry. They are designed to:

Edgar Filing: CITY NATIONAL CORP - Form DEF 14A

Reward achievement of corporate and individual goals in a fair, objective and consistent way;

Effectively motivate continued achievement of increasingly higher goals;

Attract and retain the best team of professionals;

Balance short and long-term objectives for both the Corporation and employee-colleagues;

21

Recognize behaviors that are consistent with the Corporation's values and culture;

Properly value and blend teamwork and individual effort; and

Provide appropriate levels of rewards using one or more of the following program components: base pay, bonus, stock options, benefit and retirement programs and training programs.

Key elements of the compensation program for executive officers are base salary, annual cash bonus, stock option grants and benefits typically offered to executive officers by comparable financial institutions. These generally include banks of a size comparable to, or larger than, the Bank, both within and outside of Southern California, although the exact identity of the institutions surveyed to establish comparability varies from time to time, based on the availability of compensation data from third-party surveys. In addition, the Corporation uses custom survey data from a group of banks identified as financial/investment peer companies. These banks are similar to the Bank in asset size and product mix and are consolidated in a relatively small geographic location. Some, but not all, of the banks for which compensation survey information is considered are included within the SNL \$10+ Billion Bank Index utilized in the "Stockholder Return Graph," below.

STOCKHOLDER RETURN GRAPH

Index	Period Ending					
	12/31/97	12/31/98	12/31/99	12/31/00	12/31/01	12/31/02
City National Corporation	100.00	114.50	92.28	110.87	136.26	129.97
S&P 500	100.00	128.55	155.60	141.42	124.63	96.95
SNL \$5B-\$10B Bank Index	100.00	96.74	88.66	106.41	117.98	121.27
SNL \$10B+ Bank Index	100.00	109.51	106.89	126.85	126.16	113.19

The stockholder return graph compares the total cumulative stockholder return on the Corporation's common stock to the total cumulative returns of the Standard & Poor's 500 Index, the SNL \$5-10 Billion Bank Index, and the SNL \$10+ Billion Bank Index. In the most recent report to stockholders dated March 25, 2002, in connection with the 2002 Annual Meeting of Stockholders, the Committee did not include the SNL \$10B+ Bank Index, since the Corporation's Assets fell below the \$10 billion limit as of December 31, 2001. As of December 31, 2002 the Corporation's assets exceed \$10 billion, and the SNL \$10B+ Bank Index has been added for this reason.

22

Each line on the stockholder return graph assumes that \$100 was invested in the Corporation's common stock and the respective indices on December 31, 1997, and assumes quarterly reinvestment of all dividends. The total cumulative returns shown on the stockholder return graph reflect historical results only and are not necessarily indicative of future results.

The stockholder return graph shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Corporation specifically incorporates it by reference, and shall not otherwise be deemed to be filed under such Acts.

Chief Executive Officer

Base Salary. Russell Goldsmith's base salary until July 15, 2002 was set by the terms of the 1998 Russell Goldsmith Agreement and thereafter was determined under the 2002 Russell Goldsmith Agreement. In determining the level of base salary provided for by the 1998 Russell Goldsmith Agreement and the 2002 Russell Goldsmith Agreement, the Compensation, Nominating & Governance Committee took into account Russell Goldsmith's qualifications and past experience, the performance of the Corporation since he became the Chief Executive Officer and the substantial increase in the size and diversification of the Corporation, the Corporation's long-term goals to continue to grow and diversify throughout the term of the 1998 Russell Goldsmith Agreement and the 2002 Russell Goldsmith Agreement, as well as data regarding base salary levels of Chief Executive Officers of other comparable financial institutions provided by independent consultants.

Annual Cash Bonus. All officers of the Corporation and its subsidiaries may be selected by the Compensation, Nominating & Governance Committee to participate in the 1999 Variable Bonus Plan. For 2002, Russell Goldsmith was the only officer selected to participate. Under the 1999 Variable Bonus Plan, the Compensation, Nominating & Governance Committee establishes an objective compensation formula (expressed as a percentage of base salary) based on the achievements of performance goals which may include net income, earnings per share, return on assets, return on equity, total stockholder return and other criteria. Based upon the formula established by the Compensation, Nominating & Governance Committee for 2002, which reflected the Corporation's net income goal, and the Bank's performance for 2002, Russell Goldsmith received a bonus of \$1,088,609 in March 2003.

Stock Option Grant. For each performance year, stock option grants are traditionally made early in the following year. In this connection, Russell Goldsmith was awarded 125,000 stock options on February 27, 2002 by the Board of Directors for the 2001 performance year. On July 24, 2002, as part of the execution of the new four year 2002 Russell Goldsmith Employment Agreement, the Board of Directors authorized the grant of an additional 250,000 stock options to Russell Goldsmith.

For the 2002 performance year, the Committee has not awarded stock options and/or restricted shares to Russell Goldsmith or any of the officers of the Corporation and Bank as of the date of this Proxy Statement. The Committee is actively evaluating option and restricted stock grants for the 2002 performance year, and will proceed with completing this process at the earliest practical date, which may be prior to the April 23, 2003 Annual Meeting of Stockholders. See " Employment Contracts, Change of Control Agreements and Termination Arrangements Russell Goldsmith Agreement".

Other Executive Officers

Base Salary. The Compensation, Nominating & Governance Committee considers and approves senior management recommendations concerning base salaries for executive officers. Base salary adjustments are usually effective beginning March 1. Executive officer base salaries

for 2002 were primarily based on the performance of the Corporation and the individual and the individual's department or division, and the base salary levels at comparable financial institutions.

Annual Cash Bonuses. Most executive officers of the Corporation are also members of the Bank's Executive Committee and as such are eligible to participate in the Bank's Executive Management Bonus Plan. Russell Goldsmith is eligible to participate in the Bank's 1999 Variable Bonus Plan and not the Executive Management Bonus Plan. The Executive Management Bonus Plan governs annual cash bonuses payable to members of the Bank's Executive Committee (other than officers subject to other bonus arrangements). The Bank's Strategy and Planning Committee (each of the members of which is also a member of the Executive Committee) each year establishes a net income goal for the Corporation which is subject to the approval of the Board of Directors. Under the Plan, the aggregate amount of bonuses paid depends upon the degree to which the Corporation's performance falls below or exceeds the net income goal. Senior management recommends to the Compensation, Nominating & Governance Committee for its review and adoption the upper limit for bonuses, expressed as a percentage of annual base salary, based primarily on bonus levels for similar positions at comparable financial institutions. If the Corporation does not achieve at least 85% of its net income goal ("bonus threshold"), no cash bonuses are paid. If the Corporation achieves or exceeds the bonus threshold, bonuses may, but are not required to, be paid in the sole discretion of the Compensation, Nominating & Governance Committee. Determination of which executive officers will receive bonuses and in what amounts is made by the Compensation, Nominating & Governance Committee following discussion of the recommendations of senior management, based on a discretionary evaluation of the contribution to the accomplishment of the Corporation's net income goal by the officer and the officer's department or division. Not all eligible officers will necessarily receive a bonus and not all eligible officers will necessarily receive the same bonus.

Additional amounts may be paid as bonuses to members of the Executive Committee who are deemed by the Compensation, Nominating & Governance Committee to have achieved superior performance during the rating period. The Corporation exceeded the 2002 bonus threshold, and bonuses were paid in March 2003.

Stock Option Grants. Recommendations of senior management for the grant of stock options to executive officers under the Corporation's stock option plans are generally submitted to the Compensation, Nominating & Governance Committee after the end of each fiscal year. In determining whether to recommend the grant of an option and the size of the grant to be awarded, senior management considers executive officers' salary levels, their expected contribution toward the growth and profitability of the Corporation and option grant levels at comparable financial institutions. Past financial performance of the Bank and the Corporation is given less weight in the decision, because the value of the option is dependent upon future appreciation in the stock price. After full discussion of the recommendations presented, the Compensation, Nominating & Governance Committee decides whether to award stock options.

The stock option plans are designed to align the interests of the executive officers with the long-term interest of the Corporation's stockholders in increasing the market value of the Corporation's stock. The option exercise price is the fair market value of the Corporation's common stock on the date of the grant. The options generally have a vesting schedule of 25% per year beginning one year after the grant date which is intended to assist in the retention of executive officers and the creation of stockholder value over the long-term, because the option holder receives the full benefit of the option only after four years.

Statement Regarding Deductibility

Under Internal Revenue Code Section 162(m), the Corporation's tax deduction may be limited to the extent total compensation paid to the Corporation's chief executive officer and the four other highest-paid executive officers exceeds \$1 million in any one tax year. The deduction limit does not apply to payments which qualify as "performance based" provided certain requirements are met, including receipt of stockholder approval. It is the intent of the Compensation, Nominating & Governance Committee to structure the Corporation's compensation programs so that all compensation payments are tax deductible. However, the Compensation, Nominating & Governance Committee reserves the discretion to make

payments which are not tax deductible. In determining whether to do so, the Compensation, Nominating & Governance Committee may consider a number of factors including, but not limited to, the tax position of the Corporation, the materiality of amounts likely to be involved, the performance levels of individuals who may receive such payments and the potential ramifications of the loss of flexibility to respond to unforeseeable changes in circumstances. Regulations under Section 162(m) permit stock options to be excluded from compensation if certain conditions are met. The Compensation, Nominating & Governance Committee believes that all options granted under the 1995 Omnibus Plan, the 1999 Omnibus Plan and the 2002 Omnibus Plan meet these conditions.

Edgar Filing: CITY NATIONAL CORP - Form DEF 14A

On March 19, 2003, the Board of Directors revised and restated the Charters of the Compensation, Nominating & Governance Committee and the Audit Committee. The amended Charters are included in Appendix A and Appendix B, respectively. The amendments to the Charters are in response to the Board of Directors assessment of needed changes to reflect the high standards of integrity, independence and accountability necessary for the Committees, and to reflect evolving standards and best practices in corporate governance. Changes to the Committee Charters reflect changes in the law as a result of the Sarbanes-Oxley Act as well as various Securities and Exchange Commission orders issued under the Sarbanes-Oxley Act, and various proposed changes to the New York Stock Exchange Listing Standards. Notable among these changes was the expansion of the Charter of the Compensation and Directors Nominating Committee to include corporate governance responsibilities. These changes are reflected in the renaming of the Committee as the "Compensation, Nominating & Governance Committee" and in other changes to the responsibilities of the Committee as reflected in the revised Charter.

RICHARD L. BLOCH, CHAIRMAN,
MICHAEL L. MEYER

The report of the Compensation, Nominating & Governance Committee shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Corporation specifically incorporates it by reference, and shall not otherwise be deemed to be filed under such Acts.

Additional Corporate Governance Developments

In March 2002, the Audit Committee of the Board of Directors conducted an extensive self-assessment of governance, critical accounting policies, and disclosure practices. As a result of this process, it determined that certain changes to the Audit Committee Charter were appropriate. The Charter amendments were included in the proxy materials submitted to the stock holders in connection with the 2002 Annual Meeting.

At the October 2002 Board meeting, the Board of Directors appointed Michael L. Meyer to the Audit Committee, and designated him as the "Audit Committee Financial Expert" of the Audit Committee based on his extensive experience with internal controls, the preparation and auditing of financial statements, and his experience as a public accountant and auditor. The Board of Directors, in its business judgment, has determined that Mr. Meyer is an "independent director" in accordance with the current and proposed listing standards of the New York Stock Exchange and Section 301 of the Sarbanes-Oxley Act and the proposed rules thereunder.

25

REPORT BY THE AUDIT COMMITTEE

The function of the Audit Committee is oversight. Management is responsible for the preparation, presentation and integrity of the Corporation's financial statements and the Corporation's independent auditors are responsible for auditing those financial statements. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. None of the members of the Committee are employees of the Corporation and we do not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing.

The Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Corporation's financial statements.

The Audit Committee operates pursuant to a written charter adopted by the Corporation's Board of Directors.

The Board of Directors, in its business judgment, has determined that each of the members of the Audit Committee is independent, as required by the applicable listing standards of the New York Stock Exchange.

In performing its function, the Audit Committee has:

reviewed and discussed the audited financial statements of the Corporation as of and for the year ended December 31, 2002 with the Corporation's management;

Edgar Filing: CITY NATIONAL CORP - Form DEF 14A

discussed with the Corporation's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect;

received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and has discussed with the independent auditors the independent auditors' independence; and

met with the chief executive officer, the chief financial officer and representatives of the disclosure committee to review reports on disclosure controls and procedures and management's conclusions about the effectiveness of the disclosure controls and procedures.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the Corporation's audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

On March 19, 2003, the Charter of the Audit Committee was revised and restated by the Board of Directors of the Corporation and the Bank, in order to reflect changes determined necessary and appropriate in response to the Sarbanes-Oxley Act, various Securities and Exchange Commission orders, proposed amendments to New York Stock Exchange Listing Standards, and recent corporate governance developments affecting the best practices relating to the scope and responsibilities of Audit Committees. A copy of that revised Audit Committee Charter is attached as Appendix B.

CERTAIN TRANSACTIONS

Since 1967, the Bank's Pershing Square Banking Office and a number of Bank departments have occupied leased space in the office building located at 606 South Olive Street in downtown Los Angeles (the "606 Building"). The 606 Building is owned by Citinational-Buckeye Building Co., a limited partnership of which Citinational Bancorporation and Olive-Sixth Buckeye Co. are the only general partners, each with a 29% partnership interest. Citinational Bancorporation, which is a wholly-owned subsidiary of the Bank, has an additional 3% interest as a limited partner of Citinational-Buckeye Building Co. Olive-Sixth Buckeye Co. is a limited partnership of which Bram Goldsmith, Chairman of the Board of the Corporation, is a 49% general partner. Therefore, Bram Goldsmith has an indirect 14% ownership interest in Citinational-Buckeye Building Co. The other partners of Citinational-Buckeye Building Co. and Olive-Sixth Buckeye Co. are not affiliated with the Corporation or the Bank.

The Bank currently occupies space in the 606 Building under leases effective: September 30, 1996 and expiring in 2006; October 15, 2000 and expiring in 2005; and November 1, 2002 and expiring in 2006. Rental rates and other lease terms were negotiated at arms' length and are comparable to, or better than, rentals and lease terms for unaffiliated tenants in the 606 Building. In 2002 the Bank paid Citinational-Buckeye Building Co. a total of \$1,523,028 for rent under all leases in the 606 Building and \$129,475 for operating expense pass-throughs.

In 1997, Citinational Bancorporation made advances to Citinational-Buckeye Building Co. in the form of both loans and capital contributions. The largest amount outstanding during 2002, including principal and accrued interest, was \$4,846,033, which was the amount outstanding at January 14, 2002. Interest continues to accrue on the advances at a variable rate, which was 5.25% at December 31, 2002, based upon the Bank's prime rate. Payment of principal and interest are subordinated to a loan from a lender unaffiliated with the Bank, but may be made to the extent of the net cash flow generated by the 606 Building.

Edgar Filing: CITY NATIONAL CORP - Form DEF 14A

Certain directors, officers and stockholders of the Corporation, and their associates, were depositors, borrowers or customers of the Bank in the ordinary course of business during 2002. Similar transactions are expected to occur in the future. In the opinion of management, all such transactions were effected on substantially the same terms as those prevailing at the time for comparable transactions with other persons, including, as to any loans, interest rates, fees and collateral, and any loans did not involve more than normal risk of collection or present other unfavorable features.

Kenneth Ziffren, a director of the Corporation, is a Senior Partner with the law firm of Ziffren, Brittenham, Branca, Fischer, Gilbert-Lurie & Stiffelman LLP which may provide legal services to the Corporation or the Bank in the future. Ronald L. Olson, a director of the Corporation, is a Partner with the law firm of Munger, Tolles & Olson LLP which provided legal services to the Corporation or the Bank during 2002 and may do so in the future.

Stuart D. Buchalter, a director of the Corporation, is Of Counsel to the law firm of Buchalter, Nemer, Fields & Younger P.C. which provided legal services to the Bank during 2002 and may do so in the future. Mr. Buchalter also serves as advisor and attorney for a long term Bank client ("Client") and certain related entities, and also as co-trustee of Client's insurance trust ("Insurance Trust"). In June 2002, the Bank extended the term of a \$8.5 million letter of credit ("LOC") issued for the account of Client's business trust ("Trust"), for the benefit of a creditor of Insurance Trust, and secured by various collateral from Client, Trust, Insurance Trust and related entities (collectively, "Client Parties"). In August 2002, the Bank funded the LOC and is now pursuing a collection action related to its credit loss against Client Parties,

27

each of which has asserted defensive counterclaims against the Bank. Stuart Buchalter is not a beneficiary, trustee, director or officer of Trust, and he has disclaimed any direct or indirect interest in any of the proceeds of the extensions of credit to Trust and any control, ownership or beneficial interest in Trust.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires directors and executive officers of the Corporation and persons who own more than ten percent of the Corporation's common stock to file reports of initial ownership of the Corporation's common stock and subsequent changes in ownership with the Securities and Exchange Commission and any national securities exchange on which the Corporation's common stock is registered. Directors, officers and beneficial owners of more than ten percent of the Corporation's common stock are required by regulations of the Securities and Exchange Commission to furnish the Corporation with copies of all Section 16(a) reports they file.

INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors of the Corporation and the Board of Directors have, selected KPMG LLP to serve as the independent auditors of the Corporation for its fiscal year ended December 31, 2002. The Audit Committee has also selected KPMG LLP to serve as the independent auditors for the current fiscal year ending December 31, 2003.
