**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
to be held on April 26, 2011**

INFORMATION ABOUT VOTING

General

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders are being furnished in connection with the solicitation by the Board of Directors of TAL International Group, Inc. ("TAL International Group", "TAL", the "Company", "us" or "we") of proxies for use at the Annual Meeting of Stockholders to be held at the Renaissance Westchester Hotel, 80 West Red Oak Lane, West Harrison, New York 10604 at 10:00 a.m., Eastern Daylight Time, on April 26, 2011, and at any adjournments thereof (the "Annual Meeting"), for the purposes set forth in the preceding Notice of Annual Meeting of Stockholders. This Proxy Statement and accompanying proxy card are first being distributed to all stockholders entitled to vote on or about March 25, 2011.

The cost of soliciting proxies will be borne by TAL International Group, and will consist primarily of preparing and mailing the proxies and this Proxy Statement. Copies of the proxy materials may be furnished to brokers, custodians, nominees and other fiduciaries for forwarding to beneficial owners of shares of TAL International Group Common Stock, and normal handling charges may be paid for such forwarding service.

Who can vote?

Only holders of record as of the close of business March 15, 2011 (the "Record Date") of TAL International Group's Common Stock, par value \$0.001 per share (the "Common Stock"), are entitled to vote at the Annual Meeting. On the Record Date, there were 30,872,575 shares of Common Stock outstanding.

What proposals will be voted on at the Annual Meeting?

Stockholders will vote on four proposals at the Annual Meeting:

the election of nine directors to serve on our Board of Directors (Proposal 1);

the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011 (Proposal 2);

to approve on an advisory basis the compensation of our named executive officers as described in this Proxy Statement (Proposal 3); and

to indicate on an advisory basis the preferred frequency (every year, every two years or every three years) of the advisory vote on the compensation of our named executive officers (Proposal 4).

We will also consider other business that properly comes before the annual meeting.

How many votes can I cast?

You will be entitled to one vote per share of Common Stock owned by you on the Record Date.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on the proposals to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed prepaid envelope. The proxy holders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on the proposals, the proxy holders will vote for you on the proposals. Unless you instruct otherwise, the proxy holders will vote **"FOR"** the nominees proposed by our Board of Directors, **"FOR"** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011, **"FOR"** the approval of the compensation of our named executive officers as described in this Proxy Statement, and that the Company hold an advisory vote on executive compensation every **"THREE YEARS"**.

What if other matters come up at the Annual Meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the Annual Meeting. If other matters are properly presented at the Annual Meeting, the proxy holders will vote your shares as they see fit.

What can I do if I change my mind after I vote my shares?

At any time before the vote at the meeting, you can revoke your proxy either by (i) giving our Secretary a written notice revoking your proxy card, (ii) signing, dating and returning to our Secretary a new proxy card bearing a later date, or (iii) attending the Annual Meeting and voting in person. Your presence at the Annual Meeting will not revoke your proxy unless you vote in person. All written notices or new proxies should be sent to our Secretary at our principal executive offices.

Can I vote in person at the Annual Meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

What do I do if my shares are held in "street name"?

If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

What are broker non-votes?

Broker non-votes are shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote those shares as to a particular matter. Under the rules of the New York Stock Exchange, your broker or nominee does not have discretion to vote your shares on non-routine matters such as Proposal 1 (election of directors), Proposal 3 (advisory vote on the compensation of named executive officers) and Proposal 4 (the frequency of the advisory vote on the compensation of our named executive officers, every one, two or three years). However, your broker or nominee does have discretion to vote your shares on routine matters such as Proposal 2 (ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011). Broker non-votes are not counted for purposes of determining whether a proposal has been approved.

What is a quorum?

We will hold the Annual Meeting if a quorum is present. A quorum will be present if the holders of a majority of the shares of Common Stock entitled to vote on the Record Date either sign and return their proxy cards or attend the Annual Meeting. Without a quorum, we cannot hold the meeting or transact business. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on the proposals listed on the proxy card. Abstentions and broker non-votes will also be counted as present for purposes of determining if a quorum exists.

What vote is necessary for action?

Passage of Proposal 1 (election of directors) requires, for each director, the affirmative vote of the holders of a majority of the shares of our Common Stock present in person or by proxy at the Annual Meeting and entitled to vote. You will not be able to cumulate your votes in the election of directors. Approval of Proposal 2 (ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011) will require the affirmative vote of the holders of a majority of the shares of our Common Stock present in person or by proxy at the Annual Meeting and entitled to vote. Approval of Proposal 3 (advisory vote on the compensation of named executive officers) will require the affirmative vote of the holders of a majority of the shares of our Common Stock present in person or by proxy at the Annual Meeting and entitled to vote, although such vote will not be binding on us. With respect to Proposal 4 (advisory vote on the frequency of the advisory vote on the compensation of named executive officers every one, two or three years), the winning alternative will be the one that receives the highest number of votes cast by holders of the shares of our Common Stock present in person or by proxy at the Annual Meeting and entitled to vote, although such vote will not be binding upon us. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present; however, in tabulating the voting results for any particular proposal abstentions have the same effect as votes against the matter, except in the case of the non-binding advisory vote on the frequency of the advisory vote on the compensation of our named executive officers, where an abstention will have no effect.

Who pays for the proxy solicitation?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this.

**PROPOSAL 1
ELECTION OF DIRECTORS**

At the Annual Meeting, the stockholders will elect nine directors to serve until the 2012 annual meeting of stockholders or until their respective successors are elected and qualified. In the absence of instructions to the contrary, a properly signed and dated proxy will vote the shares represented by that proxy "FOR" the election of the nine nominees named below.

Assuming a quorum is present, each nominee will be elected as a director of TAL International Group if such nominee receives the affirmative vote of the holders of a majority of the shares of our Common Stock present in person or by proxy at the Annual Meeting and entitled to vote. All nominees are currently incumbent directors. Stockholders are not entitled to cumulate votes in the election of directors. All nominees have consented to serve as directors, if elected. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES LISTED ABOVE TO THE BOARD OF DIRECTORS.

Corporate Governance and Related Matters

We currently avail ourselves of the "controlled company" exception under the New York Stock Exchange corporate governance standards, pursuant to which a company of which more than 50% of the voting power is held by a group may elect not to comply with certain New York Stock Exchange corporate governance requirements, including: (i) the requirement that a majority of our Board of Directors consist of independent directors; (ii) the requirement that the Nominating and Corporate Governance Committee be composed entirely of independent directors; and (iii) the requirement that the Compensation Committee be composed entirely of independent directors. Certain of our stockholders, which collectively beneficially owned 50.77% of our Common Stock as of December 31, 2010, have entered into a shareholders agreement pursuant to which such shareholders have agreed to vote their respective shares of Common Stock such that our Board of Directors will be comprised of nine directors consisting of (i) six individuals designated by the Resolute Fund, L. P. and (ii) three independent directors designated by our Nominating and Corporate Governance Committee. Accordingly, we have elected not to comply with the requirements that we have a majority of independent directors on our Board of Directors and that our Compensation Committee and our Nominating and Corporate Governance Committee be composed entirely of independent directors. We believe, however, that the current composition of our Board of Directors and the committees of our Board of Directors ensures a significant role for our independent directors. In the event that we are no longer a "controlled company," we will be required to have a majority of independent directors on our Board of Directors and to have our Compensation Committee and our Nominating and Corporate Governance Committee be composed entirely of independent directors within one year of the date that we lose our "controlled company" status.

The Board of Directors has adopted a formal policy to assist it in determining whether a director is independent in accordance with the applicable rules of the New York Stock Exchange. The Director Independence Standards are available on our corporate website at www.talinternational.com. The Directors Independence Standards may be found on our website as follows: From our main web page, first click on "Investors" at the top of the page. Next, click on "Corporate Governance" on the left side of the page, then on "Director Independence Standards" in the middle of the page. Applying these standards, our Board of Directors has determined that Messrs. Baker, Germain and Lindeberg qualify as independent. The Board of Directors has adopted formal Corporate Governance Principles and Guidelines which are available on our website at www.talinternational.com. From our main web page, first click on "Investors" at the top of the page. Next click on "Corporate Governance" on the left side of the page, then on "Corporate Governance Principles and Guidelines" in the middle of the page.

Board Leadership and Diversity

The Board of Directors does not have a designated Chairman, and is currently composed of three independent directors (Mr. Baker, Mr. Germain and Mr. Lindeberg), our Chief Executive Officer and President (Mr. Sondey) and five other directors (Mr. Caputo, Mr. Higgins, Mr. Jordan, Mr. Zalaznick and Mr. Zych) designated by The Resolute Fund, L.P. and its affiliated funds, whose manager is The Jordan Company, L.P. Certain of our stockholders, including The Resolute Fund, L.P. and its affiliated funds, which collectively own 50.77% of our common stock as of December 31, 2010, are parties to a shareholders agreement pursuant to which such shareholders have agreed to vote their respective shares of Common Stock such that our Board of Directors will be comprised of nine directors consisting of (i) six individuals designated by the Resolute Fund, L.P. and (ii) three independent directors designated by our Nominating and Corporate Governance Committee. We believe that our

current Board structure is appropriate as it provides effective oversight, expertise and representation of our various shareholders' interests.

Our Company does not currently have a formal policy concerning diversity for our Board of Directors, however, we believe that our Board is diverse in its members' experience. We have Board members with corporate finance experience, accounting and reporting experience, various industry experience, as well as experience serving on both profit and non-profit boards of directors.

Compensation of Directors

In 2010, each of our non-executive directors received a \$35,000 annual cash retainer. In addition, the Chairman of the Audit Committee, Mr. Lindeberg, received an additional \$10,000 annual cash retainer. The other members of the Audit Committee, Mr. Baker and Mr. Germain, each received an additional \$5,000 annual cash retainer. In 2010, three of our non-executive directors were each granted 2,000 shares of restricted stock at a price of \$15.26 per share. Five of our non-executive directors received cash payments of \$30,520 in lieu of restricted stock in 2010. All directors are reimbursed for reasonable out-of-pocket expenses incurred in connection with their attendance at Board of Directors and committee meetings.

(B)

Five of our non-executive directors received a cash payment instead of receiving the January 20, 2010 restricted stock grant.

Risk Management

As a general matter, the Board of Directors has oversight responsibility with respect to risk management. Day-to-day risk management is the responsibility of senior management. The Board of Directors focuses on and discusses with senior management key areas of risk in the Company's business and corporate functions such as capital expenditures, capital management, corporate debt, and customer credit and collection issues at its regular meetings.

Meetings and Committees of our Board of Directors

During 2010, our Board of Directors held five meetings and took action by unanimous written consent on fifteen occasions. All of the directors attended 75% or more of the meetings of the Board of Directors and committees of the Board of Directors on which they served except for David Zalaznick who attended 57% of meetings of the Board of Directors and the committee on which he serves. The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee. The Audit Committee is comprised of TAL International Group's three independent directors: Messrs. Lindeberg (Chairman), Baker and Germain. The Audit Committee met four times during 2010. Our Board of Directors has determined that Mr. Lindeberg qualifies as an "audit committee financial expert" as such term has been defined by the Securities and Exchange Commission in Item 401(h)(2) of Regulation S-K.

The Audit Committee is responsible for (1) selecting the independent auditor and reviewing the fees proposed by the independent auditor for the coming year and approving in advance, all audit, audit-related and tax permissible non-audit services to be performed by the independent auditors, (2) approving the overall scope of the audit, (3) discussing the annual audited financial statements, quarterly financial statements, and Forms 10-K and 10-Q, including matters required to be reviewed under applicable legal, regulatory or New York Stock Exchange requirements, with management and the independent auditor, (4) discussing earnings press releases, guidance provided to analysts and other financial information provided to the public, with management and the independent auditor, as appropriate, (5) discussing our risk assessment and risk management policies, (6) reviewing our internal system of audit, financial and disclosure controls and the results of internal audits, (7) setting hiring policies for employees or former employees of the independent auditors, (8) establishing procedures concerning the treatment of complaints and concerns regarding accounting, internal accounting controls or audit matters, (9) handling such other matters that are specifically delegated to the Audit Committee by our Board of Directors from time to time, (10) reporting regularly to the full Board of Directors, and (11) performing the other related responsibilities that are set forth in its formal charter adopted by our Board of Directors.

The Audit Committee acts pursuant to a formal charter, which is available on our corporate website at www.talinternational.com. The charter may be found on our website as follows: From our main web page, first click on "Investors" at the top of the page. COMPENSATION OF EXECUTIVE OFFICERS

COMPENSATION DISCUSSION AND ANALYSIS

This compensation discussion and analysis describes the material elements of TAL International Group, Inc.'s compensation program for its named executive officers. Additional details are provided for each element of compensation in the tables and narratives which follow.

Compensation Objectives and Philosophy

TAL seeks to provide its senior executives with compensation packages that fairly reward the executives for their contributions to TAL and allows TAL to recruit and retain high quality individuals. TAL seeks to structure its compensation plans so that they are straightforward for the executives and shareholders to understand and value, and relatively easy for the Company to administer. TAL links a

portion of overall compensation to near-term and long-term measures of performance to motivate its executives and align their interests with our shareholders.

We believe that our compensation policies and practices do not promote excessive risk taking and therefore are not likely to have a material adverse effect on the Company. As described under "Risk Management", the Board of Directors has oversight responsibility with respect to risk management. The Compensation Committee oversees the Company's compensation and employee benefit plans and practices, including its executive compensation and equity-based plans, and in doing so reviews the plans to see that they do not encourage excessive risk taking.

Compensation Programs

The Company's executive compensation programs include the following elements:

A base salary and a package of employee benefits that are competitive with those offered to senior executives by our peers;

Annual incentive compensation based on individual and company performance; and

Share-based, long-term incentive compensation.

Roles and Responsibilities

The Compensation Committee (the "Committee") is comprised of three of TAL International Group's non-employee directors: A. Richard Caputo, Jr. (Chairman), Frederic H. Lindeberg and David W. Zalaznick. In accordance with its written charter, the Committee is responsible for establishing and overseeing the Company's compensation and benefit philosophies, plans and practices, including its executive annual base salary compensation, annual incentive compensation plan and equity-based compensation plan.

Compensation for the CEO and all senior executives is established by the Committee. The Compensation Committee reviews and considers our Chief Executive Officer's recommendations with respect to compensation decisions for our other named executive officers and makes all compensation decisions with respect to our Chief Executive Officer. The Committee has the authority under its charter to retain compensation consultants to assist it in setting executive compensation.

In establishing annual executive compensation, the Committee utilizes the following:

Executive compensation history;

Comparable company compensation; and

Executive and Company performance relative to established targets.

Benchmarking

During 2010, the Compensation Committee engaged the services of Compensia, a compensation consultant, to review the named executive officers' compensation and perform benchmarking against compensation practices at a broad range of companies with revenue less than \$1 billion as well as against a group of peer companies constructed by Compensia with input from TAL management. This review supplemented a 2008 internal compensation benchmark analysis completed by the Company which reviewed the named executive officers' compensation, with benchmarking against compensation practices of a Company identified peer group.

Edgar Filing: TAL International Group, Inc. - Form DEF 14A

The peer group companies used in the 2010 benchmarking survey were:

Aircastle Limited	Landstar System
CAI International	McGrath Rentcorp
Forward Air	Mobile Mini
GATX	Pacer International
Horizon Lines	Textainer Group
Hub Group	

The benchmarking considered base salary, total cash compensation, and long term equity grants. In general, both benchmarking studies found that TAL's total executive compensation by comparable positions was in the lower end of the range indicated in the identified peer companies and in the broader survey. The information provided was utilized in establishing executive compensation levels for 2009, 2010 and 2011.

Elements of Compensation

The Company's compensation program consists of the following elements:

Base salary;

Annual incentive compensation;

Equity-based compensation; and

Employee benefits.

Base Salary

The Committee and senior management believe that competitive base salaries are necessary to attract and retain managerial talent. Base salaries are set at levels considered to be appropriate for the scope of the job function, the level of responsibility of the individual, the skills and qualification of the individual, and the amount of time spent in the position. Base salaries are also established to be competitive with amounts paid to employees and executive officers with comparable qualifications, experience and responsibilities at other companies.

The Company reviews the performance of each employee and named executive officer on an annual basis. The Committee sets the salary for the Chief Executive Officer. The Chief Executive Officer makes salary recommendations to the Committee concerning the other named executive officers, and the Committee reviews the Chief Executive Officer's recommendations and may approve or change the recommendations for the other named executive officers. Recommendations are based on individual performance, as well as published survey data detailing average salary increases across various industries and company size.

Edgar Filing: TAL International Group, Inc. - Form DEF 14A

The following is a summary of the named executive officers' base salaries:

	2009 Base Salary	2010 Base Salary	Increase to Base Salary
Brian M. Sondey	\$550,000	\$575,000	4.5%
John Burns	\$245,000	\$265,000	8.2%
Adrian Dunner(1)	\$267,500	\$275,000	2.8%
Kevin Valentine(2)	\$215,000	\$225,000	4.7%
Marc Pearlin	\$240,000	\$245,000	2.1%
Frederico Baptista(1)	\$259,264	\$261,268	0.8%

- (1) Frederico Baptista was our Senior Vice President, Asia Pacific until his retirement August 31, 2010, at which time he was succeeded by Adrian Dunner. Adrian Dunner previously was our Senior Vice President, Marketing and Sales.

In December 2010, the Committee increased Mr. Sondey's salary for 2011 to \$610,000, effective January 1, 2011.

In December 2010, the Committee approved an increase to Mr. Burns' salary for 2011 to \$280,000, effective January 1, 2011.

Annual Incentive Compensation

The Committee provides for annual incentive compensation in order to tie a portion of senior executives' compensation to our short-term performance. Each year the Committee sets the target incentive compensation amount and the target incentive compensation range for the Chief Executive Officer. The Chief Executive Officer makes target incentive compensation recommendations to the Committee concerning the other named executive officers, and the Committee reviews the Chief Executive Officer's recommendations and may approve or change the recommendations for the other named executive officers. Incentive compensation targets and ranges are typically expressed as a percentage of base salary. Targets are based on peer group level, and generally referenced to benchmark data. Each year the Committee also establishes the performance criteria to be used as a guideline for the incentive compensation calculation, and other terms and conditions of awards under the incentive compensation program.

For 2010, the Committee established two performance criteria to be used in calculating incentive compensation payments. The criteria included one measure for overall company financial performance, adjusted earnings per share, and one measure based on the Committee's evaluation of the individual's performance during the year. The two measures received equal weighting and each could range from 0%-200% of its share of the overall target level of incentive compensation depending upon actual results achieved.

Adjusted Earnings Per Share (EPS) target an annual adjusted EPS target for the Company is established by the Committee based on the Company's approved financial plan. Adjusted EPS is adjusted net income per share. Adjusted net income is defined as net income as further adjusted for certain items which management believes are not representative of our operating performance. Adjusted net income excludes gains on debt extinguishment, net loss (gain) on interest rate swaps and the write-off of deferred financing costs.

Individual performance based criteria each year the Committee reviews the individual performance of all senior executives and sets the individual performance component of the

Edgar Filing: TAL International Group, Inc. - Form DEF 14A

incentive compensation payment. The performance review considers the individual's contributions to TAL's current performance and long-term strategic objectives relative to the level expected for the individual's position within TAL. Individual performance criteria included:

Operating performance of equipment fleet, including equipment utilization and average lease rates

Overall equipment fleet growth

Performance of additional financial measures such as revenue, EBITDA and operating expense ratios

Changes in TAL's competitive position within the container leasing industry

Accomplishment of long-term strategic objectives

The following table shows the incentive compensation targets, ranges and actual incentive compensation awards for the most recent three years paid to our named executive officers (in percentages):

	Incentive Compensation Target % of Salary	Incentive Compensation Range % of Salary	Incentive Compensation Actual % of Salary

*

Long-Term Equity Compensation

The Company utilizes long-term equity compensation to retain key employees, motivate them to achieve long-range goals and align their compensation with the growth of long-term value for our shareholders. The plan is administered by the Committee, which determines the individuals eligible to receive awards, the types and number of shares of stock subject to the awards, the price and timing of awards and the other terms, conditions, performance criteria and restrictions on the awards.

All of the named executive officers are also bound by a non-compete agreement, which states that when employment terminates, the Company may exercise the non-compete arrangement for a period of one year, with the named executive officers entitled to a payment of one year's salary.

Description of Equity Compensation Plans

2005 Management Omnibus Incentive Plan. We established our 2005 Management Omnibus Incentive Plan so that we and our subsidiaries could attract and retain certain employees, motivate eligible participants to achieve long-range goals and to provide incentive compensation opportunities to eligible participants that are competitive with those of similar companies. The omnibus incentive plan is administered by the Compensation Committee of our Board of Directors, which has the power to determine the ability of an eligible individual to receive awards, the types and number of shares of stock subject to the awards, the price and timing of awards and to establish the terms, conditions, performance criteria and restrictions on the awards.

Participants. Any of our employees, consultants, directors or any other person providing services to us or our subsidiaries, as determined by the Committee, may be selected to participate in the omnibus incentive plan. We may award these individuals with one or more of the following:

Stock options;

Stock appreciation rights;

Restricted stock awards.

Stock Options. Stock options may be granted under our 2005 Management Omnibus Incentive Plan, including incentive stock options, as defined under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and nonqualified stock options. The exercise price of all stock options granted under the omnibus incentive plan will be determined by the Committee, except that the exercise price cannot be less than 100% of the fair market value on the date of the grant (or not less than 110% of fair market value in the case of incentive stock options granted to a participant who, immediately after such grant, owns more than 5% of the total combined voting power or value of all classes of our capital stock).

Upon the exercise of a stock option, the purchase price must be paid in full in either cash or its equivalent by tendering previously acquired shares of our Common Stock with a fair market value at the time of exercise equal to the exercise price, provided such shares have been held for at least six months prior to tender. The Committee may also allow a broker-assisted cashless exercise, exercise by the delivery of a promissory note containing terms established by the Committee or exercise by any other means that it determines to be consistent with the purpose of the omnibus incentive plan and as permitted under applicable law.

No stock options were granted to the named executive officers or other management employees during 2010.

Edgar Filing: TAL International Group, Inc. - Form DEF 14A

Stock Appreciation Rights (SAR). A SAR entitles a participant to receive a payment equal in value to the difference between the fair market value of a share of stock on the date of exercise of the SAR over the exercise price of the SAR, which shall be payable in shares of our Common Stock. The grant price in respect of a SAR shall equal the fair market value of the stock on the date of grant. The terms and conditions of any SAR will be determined by the Committee at the time of the grant of award and will be reflected in the award agreement.

No stock appreciation rights were granted to the named executive officers or other management employees during 2010.

Restricted Stock. A restricted stock award is the grant of shares of our Common Stock on a date determined by the Committee, and is subject to substantial risk of forfeiture until specific conditions or goals are met. Restricted stock awards are subject to such conditions, restrictions and contingencies as the Committee shall determine.

In January 2010, the Compensation Committee approved the issuance of 122,000 shares of restricted stock to the named executive officers and other management employees for the 2010 benefit year. The restricted stock granted in January 2010 have a cliff vesting date of January 1, 2013 contingent upon continued employment as of the date of vesting. No other restricted stock was granted to the named executive officers or other management employees during 2010.

Shares reserved for issuance. The maximum number of shares of Common Stock with respect to which awards may be granted under this omnibus incentive plan is 2,500,000.

Vesting upon a change of control. If, while any award granted under the omnibus incentive plan remains outstanding, a change of control occurs, then all of the stock options and SARs outstanding at the time of such change of control will become immediately exercisable in full and all restrictions with respect to restricted stock awards shall lapse.

Amendment and termination. The Board of Directors may terminate, amend or modify the omnibus incentive plan at any time; however, the approval of any affected participant must be obtained to amend or terminate the stock option plan to the extent the proposed amendment or termination would adversely affect the rights of any participant or any beneficiary of any award granted under the plan.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews TAL International Group's financial reporting process on behalf of the Board of Directors. The Audit Committee is currently composed of three directors, all of which are independent directors as defined under Section 10A of the Securities Exchange Act of 1934, the SEC rules, the NYSE listing standards and our corporate governance guidelines. Each member of the Audit Committee is financially literate, as that qualification is interpreted by TAL International's Board of Directors in its business judgment. Further Mr. Lindeberg qualifies and is designated as an "audit committee financial expert" serving on the Audit Committee as such term is defined in rules adopted by the SEC. The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee met four times during 2010. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to the integrity of TAL International Group's financial statements, oversight with respect to the Company's disclosure controls and procedures and internal controls over financial reporting, the evaluation and retention of TAL International Group's independent auditor, the performance of the Company's internal audit, ethics and compliance functions. The Audit Committee meets regularly with the head of internal audit to review the scope of internal audit activities, the results of internal audits that have been performed, the adequacy of staffing, the annual budget and the internal audit department charter. In fulfilling its responsibilities, the Audit Committee meets with management and the independent registered public accounting firm to review and discuss TAL International Group's annual and quarterly financial statements, including the disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in TAL International Group's annual report on Form 10-K, any material changes in accounting principles or practices used in preparing the financial statements prior to the filing of a report on Form 10-K or Form 10-Q with the Securities and Exchange Commission, and the items required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees), as amended and as adopted by the Public Company Accounting Oversight Board in rule 3200T, for annual statements and Statement of Auditing Standards 100 for quarterly statements.

The Audit Committee has met and held discussions with management and the independent registered public accounting firm regarding the fair and complete presentation of TAL International Group's results and the assessment of TAL International Group's internal control over financial reporting. The Audit Committee has discussed significant accounting policies applied by TAL

International Group in its financial statements, as well as alternative treatments. Management represented to the Audit Committee that TAL International Group's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended and as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm its independence from TAL International Group and its management. The Audit Committee also has considered whether the independent registered public accounting firm's provision of permitted non-audit services to TAL International Group is compatible with its independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from TAL International Group and its management.

The Audit Committee discussed with the independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, the evaluation of TAL International Group's internal controls, the overall quality of TAL International Group's financial reporting, and other matters required to be discussed by Statement of Auditing Standards 61.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in TAL International Group's Annual Report on Form 10-K for the year ended December 31, 2010, for filing with the Securities and Exchange Commission. The Audit Committee has also selected Ernst & Young LLP as TAL International Group's independent registered public accounting firm for the fiscal year ending December 31, 2011.

PROPOSAL 2
RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has reappointed the firm of Ernst & Young LLP, an independent registered public accounting firm, as independent accountants of TAL International Group for the fiscal year ending December 31, 2011. In the event that ratification of this selection is not approved by a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy and entitled to vote on the matter, the Audit Committee and our Board of Directors will review the Audit Committee's future selection of an independent registered public accounting firm.

Representatives of Ernst & Young LLP will be present at the Annual Meeting. Such representatives will have an opportunity to make a statement and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS TAL INTERNATIONAL GROUP'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2011.

Audit Fees

The following table sets forth the fees billed to or incurred by TAL International Group for professional services rendered by Ernst & Young LLP, the Company's independent registered public accounting firm, for the years ended December 31, 2010 and 2009:

Type of Fees	2010	2009
Audit Fees	\$835,000	\$810,000
Audit-Related Fees	160,000	39,000
Tax Fees	13,000	45,000
All Other Fees		
Total Fees	\$1,008,000	\$894,000

In accordance with the SEC's definitions and rules, "audit fees" are fees TAL International Group incurred for professional services in connection with the audit of TAL International Group's consolidated financial statements included in Form 10-K and the review of financial statements included in Forms 10-Q, and for services that are normally provided in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services principally in connection with securitized debt financing; "tax fees" are fees for tax compliance and tax advice; and "all other fees" are fees for any services not included in the first three categories.

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by Ernst & Young. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Ernst & Young and management are required to periodically report to the Audit Committee regarding the extent of services provided by Ernst & Young in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. All of the services relating to the fees set forth on the above table were pre-approved by the Audit Committee.

The independent auditors did not provide any financial information systems design and implementation services during the years ended December 31, 2010 and 2009. The Audit Committee

did consider whether the provision of such services, tax services and all other services is compatible with the independent auditor's independence.

PROPOSAL 3
ADVISORY VOTE ON THE APPROVAL
OF EXECUTIVE COMPENSATION

In accordance with the recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or "Dodd-Frank Act", and the rules of the SEC, TAL is providing stockholders with the opportunity to cast an advisory vote on the compensation of its named executive officers as disclosed in this Proxy Statement. This proposal, which is commonly known as a "say-on-pay" proposal, provides stockholders with the opportunity to cast non-binding, advisory votes on the compensation of our named executive officers.

As described in the Compensation Discussion and Analysis, TAL seeks to provide its senior executives with compensation packages that fairly reward the executives for their contributions to the Company and allows TAL to recruit and retain high quality individuals. TAL seeks to structure its compensation plans so that they are straightforward for the executives and stockholders to understand and value, and relatively easy for the Company to administer. TAL links a portion of overall compensation to near-term and long-term measures of performance to motivate senior executives and align their interests with those of our stockholders.

The purpose of this proposal is to provide an advisory vote on the overall compensation of the Company's named executive officers. Accordingly, the Board of Directors will request that the Company's stockholders vote on the following resolution at the 2011 Annual Meeting of Stockholders:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission in the Company's Proxy Statement for the 2011 Annual Meeting of Stockholders, including in the Compensation Discussion and Analysis, the compensation tables and other related disclosures of the Company's Proxy Statement."

While the advisory vote we are asking you to cast is not binding on the Company, the Board of Directors values the opinions of our stockholders regarding the compensation of TAL's named executive officers. Your advisory vote will serve as an additional tool to guide the Board of Directors and Compensation Committee in the alignment of TAL's executive compensation programs with the interests of the Company and our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT.

PROPOSAL 4
ADVISORY VOTE ON THE FREQUENCY OF
THE ADVISORY VOTE ON EXECUTIVE COMPENSATION

As described in Proposal 3, TAL's stockholders are being provided the opportunity to cast non-binding advisory votes on the compensation of the Company's named executive officers. In accordance with the Dodd-Frank Act and the rules of the SEC, Proposal 4 provides stockholders with the opportunity to cast non-binding advisory votes on how often TAL should hold an advisory vote on the compensation of its named executive officers. Under this proposal, stockholders will be able to cast their non-binding advisory votes on whether TAL should hold an advisory vote on executive compensation every one, two or three years. Alternatively, stockholders may abstain from casting a vote.

Edgar Filing: TAL International Group, Inc. - Form DEF 14A

The Board of Directors believes that holding an advisory vote every three years is the most advantageous to the Company and its stockholders as it will provide stockholders with the ability to evaluate the compensation of the Company's named executive officers over a period of time similar to the periods associated with the Company's long-term equity compensation awards, therefore allowing our stockholders to compare executive compensation with the long-term performance of the Company. Similarly, three years would provide the Compensation Committee with a sufficient amount of time between advisory votes to examine executive compensation in light of the Company's performance over that same period, and avoids over-emphasis on short term variations in compensation and business results. Accordingly, the Board of Directors will request that the Company's stockholders cast a vote with respect to the following resolution at the 2011 Annual Meeting of Stockholders:

"RESOLVED, that the option of once every one, two or three years that receives the highest number of votes cast for this resolution will be determined to be the stockholders' preferred frequency for the holding of stockholder advisory votes on the compensation of the Company's named executive officers, as disclosed in the Compensation Discussion and Analysis and other related sections and tables included in the Company's Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission."

Stockholders may cast a vote on the preferred voting frequency by selecting the option of one year, two years, or three years (or abstain) when voting in response to the resolution set forth above; however, the advisory vote we are asking you to cast is not binding on the Company in any way.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE THAT THE COMPANY HOLD AN ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS EVERY "THREE YEARS".

OTHER BUSINESS

The Board of Directors does not intend to present any business at the Annual Meeting other than as set forth in the accompanying Notice of Annual Meeting of Stockholders, and has no present knowledge that any others intend to present business at the Annual Meeting. If, however, other matters requiring the vote of the stockholders properly come before the Annual Meeting or any adjournment or postponement thereof, the persons named in the accompanying proxy will have discretionary authority to vote the proxies held by them in accordance with their judgment as to such matters.

INFORMATION REGARDING BENEFICIAL OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT

The following table shows the beneficial ownership of our Common Stock on December 31, 2010:

each person who we know beneficially owns more than 5% of our Common Stock;

Tax Sharing Agreement

We have entered into a tax sharing agreement with our U.S. subsidiaries. Under the agreement, our subsidiaries consent to filing consolidated U.S. federal income tax returns with us for any taxable year for which a consolidated return can be filed and each taxable year thereafter. For each taxable year during which a subsidiary is included in a consolidated federal income tax return, each subsidiary will pay us an amount equal to its allocated federal tax liability for that taxable year and all prior years, with certain adjustments as set forth in the agreement.

Shareholders Agreement

Certain of our stockholders have entered in a shareholders agreement setting forth certain rights and restrictions relating to ownership of our securities. The shareholders agreement provides that certain of the parties thereto, including The Resolute Funds, the Edgewater Funds and JZ Capital Partners Ltd., which parties as of December 31, 2010, collectively beneficially own 50.77% of our Common Stock (including shares issuable upon exercise of vested stock options), will vote their respective shares such that our Board of Directors will be comprised of:

Internet Availability of Proxy Materials

Incorporation by Reference

To the extent that this Proxy Statement is incorporated by reference into any other filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, then the sections of this Proxy Statement entitled "Report of the Compensation Committee Report" and "Report of the Audit Committee Report" will not be deemed incorporated unless specifically provided otherwise in such filing. Information contained on or connected to our website is not incorporated by reference into this Proxy Statement or any other filing that we make with the SEC.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for Proxy Statements with respect to two or more stockholders sharing the same address by delivering a single Proxy Statement addressed to those stockholders. This process, which is commonly referred to as "householding", potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers may household proxy materials, delivering a single Proxy Statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once stockholders have received notice from their broker or us that materials will be sent in the householding manner to the stockholders' address, householding will continue until otherwise notified or until the stockholder revokes such consent. If, at any time, stockholders no longer wish to participate in householding and would prefer to receive a separate Proxy Statement, they should notify their broker if shares are held in a brokerage account or us if holding registered shares. Any beneficial owner can request (i) to receive a separate copy of an annual report or Proxy Statement for this meeting, (ii) to receive separate copies of those materials for future meetings, or (iii) if the stockholder shares an address and wishes to request delivery of a single copy of annual reports or Proxy Statements, you can make your request in writing to your broker.
