PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD FEBRUARY 13, 2008

INFORMATION ABOUT THE MEETING

What am I voting on?

You will be voting on the following Proposals:

- (1) To elect all of the members of the Board of Directors;
- (2) To ratify the selection of Amper, Politziner & Mattia, P.C. as independent registered public accounting firm for the fiscal year ending June 30, 2008; and
- (3) To transact any other business properly brought before the Annual Meeting.

Who can vote?

You can vote if you were a stockholder of record of our common stock as of the close of business on January 7, 2008. Each share of common stock is entitled to one vote. Our common stock is the only class of voting stock, and there is no cumulative voting. As of January 7, 2008, we had 11,743,322 shares of common stock outstanding.

How many shares must be present to hold the meeting?

To hold the meeting and conduct business, a majority of the shares entitled to vote as of the record date must be present in person or by proxy. This is called a quorum. Your shares are counted as present at the meeting if you have properly voted by Internet or telephone or submitted a proxy card prior to the meeting, or are present and vote in person at the meeting. Abstentions and broker non-votes will be counted for purposes of establishing a quorum.

How do I vote my shares without attending the meeting?

If you are a stockholder of record, you may vote: (1) over the Internet, at the address shown on your proxy card; (2) by telephone, through the number shown on your proxy card; or (3) by mail, by completing, signing and returning the enclosed proxy card.

How do I vote if my shares are held in street name ?

If a bank or broker holds your shares, you are considered the beneficial owner of shares held in street name. If your shares are held in street name, these proxy materials are being forwarded to you by your bank or broker, along with voting instructions. Your ability to vote by telephone or the Internet depends on their voting procedures. Please follow the directions that your bank or broker provides.

How do I vote my shares at the meeting?

You may vote your shares at the meeting if you attend in person. If you are a stockholder of record, please bring the enclosed proxy card and proof of identity. If you hold your shares through an account with a bank or broker, you must obtain a legal proxy from the bank or broker and bring proof of identity in order to vote at the meeting. A legal proxy is an authorization from your bank or broker to vote the shares it holds in its name. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy, so your vote will be counted if you later decide not to attend the meeting.

[Back to Table of Contents](#)

May I change my vote, or revoke my proxy?

Yes. You may change your vote at any time before the polls close. You may change your vote by and revoke your proxy by: (1) voting by telephone or the Internet at a later time; (2) submitting a properly signed proxy card with a later date; (3) voting in person at the meeting; or (4) sending a signed statement with a later date to that effect to Media Sciences International, Inc., Attn.: Corporate Secretary, 8 Allerman Road, Oakland, New Jersey 07436.

Will my shares be voted if I do not provide my proxy?

No. If you are a registered stockholder and do not provide a proxy, you must attend the meeting in order to vote your shares.

What if I return my proxy card, but do not provide voting instructions?

Proxies that are signed and returned but do not contain instructions will be voted "For" the Proposals, and on other matters properly brought before the meeting in accordance with the best judgment of the named proxies.

If I hold my shares in street name, will my shares be voted if I do not provide instructions?

If you hold shares in street name, your broker has discretionary authority to vote the shares on routine matters. Proposals Nos. 1 and 2 are to be acted upon at the meeting are routine matters. When a proposal is not routine, and you do not provide voting instructions to your broker, your broker cannot vote the shares on that proposal, and your shares are counted as broker non-votes.

What vote is required to elect directors?

Proposal No. 1. For each director nominee, you may either vote For or Withhold Authority to vote. Directors will be elected by a plurality of the shares present in person or by proxy and entitled to vote. This means that the eight nominees who receive the largest number of for votes will be elected as directors. Stockholders may not cumulate their votes in the election of directors. Votes withheld are not counted toward a nominee's total.

Does the company have a majority voting policy for director elections?

Yes. Any director who receives more withhold votes than for votes will be required to submit a letter of resignation for consideration by the Board's Nominating and Corporate Governance Committee. The Committee would then make a recommendation regarding the resignation to the Board.

What vote is required to approve the other proposal?

Proposal No. 2. You may vote For, Against or Abstain on this proposal. For approval of this proposal, the affirmative vote of the majority of the shares present in person or by proxy at the meeting and entitled to vote on the proposal is required. If you abstain, your shares will have the same effect as a vote against the proposal. Broker non-votes, are not counted as votes for or against the proposal.

Am I entitled to dissenters' right of appraisal?

The actions to be acted upon at the annual meeting do not invoke dissenters' right of appraisal.

How does the Board recommend that I vote?

The Board of Directors recommends that you vote FOR each of the Proposals.

Who is soliciting the proxies?

The proxy is solicited on behalf of our Board of Directors.

The Nominating Committee assists the Board in determining the desired experience, mix of skills and other criteria and qualities appropriate for Board membership. In considering candidates to serve as directors, the Nominating Committee considers all factors it deems relevant, including, but not limited to: intelligence, high personal and professional ethics, values, integrity and sound judgment; education; business and professional skills and experience; familiarity with our business and the industry in general; independence from management; ability to devote sufficient time to Board business; commitment to regularly attend and participate in meetings of our Board and its committees; and concern for the long-term interests of the stockholders. While our Nominating Committee deems such factors important in evaluating candidates, we do not impose any specific, minimum qualifications for director nominees.

The Nominating Committee uses such resources and information, as it deems appropriate, to evaluate each of the prospective candidates, including all submitted materials, third party references, interviews, publicly available reference items, and professional advice concerning applicable laws, rules, regulations and listing standards, as well as taking into account factors relative to the size and overall composition of the Board, such as the mix of expertise and capabilities of existing Board members, desirable skills and competencies that would enhance Board performance, and the ability of the Board as a whole to work together effectively in the best interests of our company. INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Current Auditors

Amper, Politziner & Mattia, P.C. audited our financial statements for the fiscal year ended June 30, 2007. A representative of Amper, Politziner & Mattia, P.C. is expected to be present at the Annual Meeting, will have the opportunity to make a statement if the representative desires to speak, and will be available to respond to appropriate questions of stockholders.

Former Auditors

On February 16, 2007, the Company dismissed J.H. Cohn LLP as its independent registered public accounting firm, effective as of that date. This action was approved by the Company's Board of Directors and the Audit Committee of the Board of Directors.

J.H. Cohn LLP's reports on the consolidated financial statements of the Company as of and for the fiscal years ended June 30, 2006 and 2005 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company's two most recently completed fiscal years and the subsequent interim period through the date of dismissal, there were no disagreements with J.H. Cohn LLP, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of J.H. Cohn LLP, would have caused J.H. Cohn LLP to make reference to the subject matter of the disagreement in its reports on the financial statements for such years.

During the fiscal years ended June 30, 2006 and 2005, and in the subsequent interim periods preceding the dismissal of J.H. Cohn LLP, the Company did not have any reportable events within the meaning of Item 304(a)(1)(iv) of Regulation S-B, except for the material weakness in internal control over financial reporting described in this paragraph. In connection with its review of the Company's financial statements for the quarter ended March 31, 2005, J.H. Cohn LLP brought to the Company's attention that certain issued and outstanding options that permitted cashless exercise were subject to variable plan accounting treatment under the Financial Accounting Standards Board's Interpretation 44, Accounting for Certain Transactions Involving Stock Compensation an Interpretation of APB Opinion No. 25 (Issue Date 3/00). Accordingly, certain previously unrecognized compensation expense should have been recognized as compensation expense in certain of the financial statements previously issued by the Company. After reviewing the matter with J.H. Cohn LLP and with Wiss & Company LLP, the Company's previous independent registered public accounting firm, the Company identified certain non-cash adjustments that necessitated the restatement of its financial statements for each of the first two quarters in the fiscal year ending June 30, 2005 and for the fiscal year ended June 30, 2004 and for the quarters within the fiscal year ended June 30, 2004. Consequently, J.H. Cohn LLP also advised the Audit Committee and management of certain material weaknesses, including the inability to prepare financial statements and notes in accordance with U.S. generally accepted accounting principles and SEC rules, and improper accounting procedures for grants with cashless exercise provisions per Financial Accounting Standards Board's Interpretation 44, Accounting for Certain Transactions Involving Stock Compensation an Interpretation of APB Opinion No. 25". J.H. Cohn LLP indicated that they considered these deficiencies to be material weaknesses as that term is defined under standards established by the

Public Company Accounting Oversight Board (United States). On May 10, 2005, the Board of Directors of the Company rescinded the cashless exercise provision for all of the Company's outstanding option grants. Thus, variable accounting relating to the cashless exercise feature was no longer required after the Company's fiscal quarter ended June 30, 2005.

The Company completed its restatement of the affected financial statements in 2005. Commencing in the fourth quarter of the Company's 2005 fiscal year, the Company began undertaking a review of the Company's disclosure, financial information and internal controls and procedures. This review included increased diligence by the Company's management and directors, as well as the use of additional outside resources. Further, the Company accelerated its timetable to hire a Chief Financial Officer and initiated the search process. In March 2006, the Company hired a Chief Financial Officer, with substantial Sarbanes-Oxley compliance experience. With the hiring of its Chief Financial Officer, the Company has been developing a detailed plan to address compliance with Section 404 of the Sarbanes-Oxley Act of 2002.

All Other Fees. There were no other fees billed for services.

Pre-Approval Policies and Procedures. The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. All services performed in our fiscal year 2007 were pre-approved.

PROPOSAL NO. 2

Ratify Selection of Independent Registered Public Accounting Firm

The Audit Committee has appointed, and is requesting ratification by the stockholders of the appointment of, the registered public accounting firm of Amper, Politziner & Mattia, P.C. to serve as independent auditors for the fiscal year ending June 30, 2008.

Although stockholder action in this matter is not required, the Board believes that it is appropriate to seek stockholder ratification of this appointment in light of the critical role played by independent registered public accounting firm in maintaining the integrity of our financial controls and reporting. If our stockholders fail to ratify

[Back to Table of Contents](#)

the appointment, the Board will reconsider the selection. Even if the selection is ratified, the Board, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year, if the Board determines that such a change would be in the best interests of Media Sciences International and our stockholders.

The Board of Directors recommends a vote FOR

the ratification of the selection of Amper, Politziner & Mattia, P.C.

[Back to Table of Contents](#)**Performance Based Bonus Compensation**

From year to year, our Compensation Committee may establish certain performance criteria for our executive officers, based on factors and criteria as the Compensation Committee may deem relevant. For our 2007 fiscal year, we had in effect a performance based cash bonus compensation plan for certain executive officers. Bonuses are paid after the fiscal year end. In July 2007, the Compensation Committee adopted a performance based bonus compensation plan for the 2008 fiscal year, similar in structure to the fiscal 2007 plan.

For our Chief Executive Officer, the potential cash bonus was \$200,000, of which 20% was based on individualized performance goals (Individual Performance Bonus), and 80% determined wholly upon attaining earnings per share criteria determined by the Board (EPS Bonus). For the other Named Executives Officers, the potential cash bonus was 20-40% of their base salary, of which 50% was based on the Individual Performance Bonus criteria, and 50% on the EPS Bonus.

The following table summarizes the payout structure under the fiscal year 2007 bonus structure. The EPS Bonus was to be earned if our Company's earnings per share equaled or exceeded a minimum level established by the Compensation Committee. The EPS Bonus range set forth in the table assumed the achievement of the minimum targeted level and up to 100% of the targeted goal. If the minimum level was not achieved, no EPS Bonus was earned. If the minimum level is achieved or exceeded, the amount of the EPS Bonus was based upon the level of earnings per share achieved by the Company. If the maximum targeted goal was exceeded, the EPS Bonus payable could exceed the EPS Bonus potential set forth in the table below. Factors in determining the Individual Performance Bonus includes matters such as achieving specified leadership initiatives, and the achievement of certain strategic and business goals including, but not limited to, customer growth, new product development, information technology upgrades, manufacturing efficiencies and corporate compliance goals.

Incentive Stock Plans

Our equity incentive program is a broad-based, long-term retention program that is intended to attract and retain qualified management and technical employees, and align stockholder and employee interests. The equity incentive program presently consists of two plans: the Company's 1998 Incentive Stock Plan and the Company's 2006 Incentive Stock Plan. Under both plans, non-employee directors, officers, key employees, consultants and all other employees may be granted options to purchase shares of our stock, restricted stock units and other types of equity awards. Both plans provides for the issuance of up to 1,000,000 shares of our common stock. As of June 30, 2007, we had outstanding under the 1998 plan, subject to vesting, stock options to purchase 628,694 shares of common stock, exercisable for up to ten years at prices of \$0.43 to \$6.33 per share, and 104,159 shares issuable pursuant to restricted stock awards. Employee Profit Sharing Plan

We have a tax-qualified employee paired profit sharing plan sponsored by DWS Scudder Deutsche Bank Group. This 401(k) plan covers all of our employees that have been employed for at least six months and meet other age and eligibility requirements. Under the 401(k) plan, employees may choose to reduce their current compensation by up to 15% each year and have that amount contributed to the 401(k) plan. We make matching contributions equal to 25% of the employee's contribution. In our discretion, we may contribute unmatched contributions. The 401(k) plan qualifies under Section 401 of the Internal Revenue Code, so that we can deduct contributions by employees or by us. Employee contributions to the 401(k) plan are fully vested at all times, and our contributions, if any, vest at the rate of 25% after two years and after two years at the rate of 25% a year until fully vested. The company's contributions to the plan were \$39,000 in 2007 and \$41,500 in 2006.

We may also award him an annual performance bonus or other bonus as determined by the Board of Directors.

If we undergo a change of control, we must pay him an amount equal to 290% of his base compensation. He has the right to terminate his employment if we undergo a change in control. As defined in his employment agreement, a change of control refers to:

- a change in our ownership or management that is required to be reported under the federal securities laws;

The employment agreement provides for termination for cause.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Media Sciences' executive officers, directors, and persons who beneficially own more than ten percent of Media Sciences' common stock to file with the Securities and Exchange Commission initial reports of beneficial ownership and reports of changes in beneficial ownership of Media Sciences' common stock. Such persons are also required by Securities and Exchange Commission regulations to furnish Media Sciences with copies of all such Section 16(a) forms filed by such person. Based solely on a review of the copies of such reports furnished to Media Sciences during and in connection with Media Sciences' fiscal year ended 2007, Media Sciences is not aware of any material delinquencies in the filing of such reports, other than Frank Tanki filed one report one day late reporting the grant of stock options upon becoming a director in December 2006, and Frances Blanco, a former employee, did not file a Form 4 or Form 5 reporting the cessation of her status as an officer subject to Section 16.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries, such as banks and brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

A number of banks and brokers with account holders who are stockholders of Media Sciences household the Company's proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from

your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, direct your written request to Investor Relations, Media Sciences International, Inc., 8 Allerman Road, Oakland, New Jersey 07436, or contact Investor Relations, Media Sciences International, Inc. at (201) 677-9311. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.

Our Board knows of no other matters, except the proposals in this Proxy Statement, for stockholder action at the Special Meeting. If any other items or matters properly come before the meeting, the proxies received will be voted on those items or matters in accordance with the discretion of the proxy holders.
