BIF	25,495,585	1,000

A quorum of each respective Fund's stockholders is required for the conduct of business at the Meeting for that Fund. Under the respective Bylaws of the Funds, a quorum for each Fund is established by the presence in person or by proxy of the holders of a majority of the outstanding shares (without regard to class) of the applicable Fund as of the Record Date. In the event that a quorum is not present at the Meeting for a particular Fund (including a quorum of the Preferred Stock with respect to the election of Directors to be elected separately by the Preferred Stock holders), or in the event that a quorum is present but sufficient votes to approve one or more proposals are not received, the chairman of the Meeting or the persons named as proxies may propose and vote for one or more adjournments of the Meeting with respect to that particular Fund in order to permit further solicitation of proxies with respect to any proposal that did not receive the votes necessary for its passage. With respect to those proposals for which there is represented a sufficient number of votes in favor, actions taken at the Meeting will be approved and implemented irrespective of any adjournments with respect to any other proposals. If submitted to stockholders, any such adjournment of a Fund will require the affirmative vote of a majority of votes cast on the matter at the Meeting as applicable for that Fund.

MATTERS TO BE VOTED ON BY ALL STOCKHOLDERS OF EACH FUND, AS APPLICABLE:

PROPOSAL 1

AMENDMENT TO THE CHARTER CLASSIFYING THE BOARD OF DIRECTORS OF EACH FUND INTO THREE SEPARATE CLASSES AND MAKING RELATED CHANGES TO THE CHARTER

The Boards have considered and recommend to each Fund's stockholders amending the Funds' respective charters (the "Charters") in order to classify the Boards into three separate classes.

Presently the Charters provide that Directors serve a one-year term. The Charters read as follows:

The directors shall be elected at each annual meeting of the stockholders commencing in 2004, except as necessary to fill any vacancies, and each

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

director elected shall hold office until his or her successor is duly elected and qualifies, or until his or her earlier resignation, death, or removal.

In addition, under Maryland General Corporation Law ("MGCL"), Directors may be removed with or without cause by the affirmative vote of a majority of all the votes entitled to be cast generally for election of directors. Thus, presently under the Charters and the MGCL, only a single meeting of stockholders would be required to effect a complete change in the Boards.

In 2004, stockholders for both Funds approved "de-classification" of the Boards from three separate classes, each serving a three-year term, to a single class elected on an annual basis. However, the Boards now believe that a classified board structure will best serve the Funds' longer-term interests. Thus, if stockholders approve Proposal 1 and approve a new board structure with three classes of directors with each class serving a three-year term (instead of the current one-year term), the Charters will be amended accordingly and such changes will take effect immediately and with respect to the election of Directors at the Meeting under Proposal 2. Class I Directors will hold office initially for a term expiring at the 2010 annual meeting of stockholders, Class II Directors will hold office initially for a term expiring at the 2011 annual meeting of stockholders and Class III Directors will hold office initially for a term expiring at the 2012 annual meeting of stockholders, with the members of each class to hold office until their successors are duly elected and qualify. At each annual meeting of the stockholders, the successors to the class of Directors whose term expires at such meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election and until their successors are duly elected and qualify.

Background on the Classification Proposal. In 2004, the Funds' stockholders approved a comprehensive set of corporate governance proposals, one of which was to "de-classify" the Boards such that Directors would serve an annual term (the "2004 Proposal"). Prior to the 2004 Proposal, each Fund had a "classified" or "staggered" board. Various industry trade groups, activist investor groups, the New York Stock Exchange, and other industry professionals generally advocated de-classification as well as the other corporate governance proposals advanced by the Funds in 2004. It was thought at that time that having all Directors stand for election every year would lead to better stockholder governance, a more responsive Board and more access to fund management.

Since that time, the Boards have had the opportunity to experience and review the effect of the adoption of these corporate governance proposals, and in particular the effect of the 2004 Proposal. In assessing the 2004 Proposal, close attention was paid to the Funds' investment objectives, the makeup of the Funds' stockholders and other developments within the past four years.

Board Considerations. At its regular meeting in February 2009, each Board considered a proposal from management to classify the Board. At that meeting, each Board considered a number of factors before coming to a conclusion that a classified board would better serve the long-term investment interest of the Fund and its stockholders.

Each Board recognized that the overall effect of the Proposal would be to make any hostile attempt to take control of the Fund through a proxy contest more difficult. In order to change the membership of a majority of the Directors, at least two years would be required. Each Board believes that this would encourage persons seeking to acquire control of the Fund to engage in good-faith, arm's-length negotiations with the Board. Each Board also believes that ensuring continuity of service among the Board members and three-year commitments for Board service is desirable and that the Proposal will facilitate the Fund's attracting and retaining qualified members of the Board and hiring

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

and retaining competent management personnel by increasing the likelihood of a stable employment environment.

The Boards understand the Funds' stockholder bases to be generally comprised of many stockholders holding smaller positions who have a long-term investment horizon similar to that expressed by the Funds' largest stockholders (i.e., the Horejsi Affiliates). A primary reason that these stockholders invest with the Funds is the potential for long-term capital appreciation coupled with responsible and deliberative asset management and an eye toward capital preservation. Neither the Boards nor the Funds' investment managers or stockholders contemplate sudden, drastic changes in the makeup of the Funds' investment portfolios.

The Boards noted that, in general, closed-end funds such as the Funds seem to be more subject than operating companies to pressures from "hostile" stockholders, arbitragers and other groups of investors seeking to take advantage of short-term market cycles for their own benefit. These activities are often detrimental to stockholders seeking a particular investment style and a long-term investment horizon. For example, twice in the past three years, BIF was subject to activist pressure to change its fundamental operations. In 2005, Scott Schultz and Phil Goldstein joined together to pressure BIF to adopt a managed distribution program and, in October 2008, Ronald Olin and Ralph Bradshaw sought to float stockholder proposals that called for removal of the Advisers, replacement of the current Board and an aggressive level-rate distribution policy at odds with the then-current market and BIF's long-term rate of return. Messrs. Olin and Bradshaw's proposals have since been withdrawn.

The Boards ultimately concluded that the Proposal achieves a fair balance between the corporate governance intent of the 2004 Proposal and protecting the stockholders' long-term interests and recommends that stockholders vote "FOR" this proposal.

The Boards noted that, because Directors will be directly affected by the Proposal, they may be deemed to have an interest in its outcome.

If approved by the stockholders, the Proposal would impose the classified board structure effective immediately and for this Meeting. The table below illustrates the effect stockholder approval of the Proposal would have on the terms of Directors:

* "Interested" director as that term is defined in the Investment Company Act of 1940, as amended.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

- + These Directors are elected by the Funds' respective Preferred Stock holders pursuant to the Funds' respective Articles Supplementary.

Accordingly, and for each Fund, Messrs. Horejsi and Jacobson will hold office initially for a term expiring at the 2010 annual meeting of stockholders, Mr. Looney will hold office initially for a term expiring at the 2011 annual meeting of stockholders and Ms. Ciciora and Mr. Barr will hold office initially for a term expiring at the 2012 annual meeting of stockholders.

The amendment also clarifies that (1) in the event that holders of Preferred Stock are entitled to elect additional directors in connection with dividend arrearages, the election of such additional directors may cause the total number of Directors on the Board of Directors to exceed five and (2) that the terms of Directors elected separately by holders of Preferred Stock terminate if all such Preferred Stock is redeemed.

Attached at Exhibit A are Articles of Amendment containing the amendment to each Fund's respective Charter (the "Amendment") which, if approved, will be filed with the State Department of Assessments and Taxation of Maryland. If stockholders approve the Proposal for either or both of the Funds, the Annual Meeting for that Fund will be temporarily adjourned so that the Amendment may be filed immediately and effective immediately. Thereafter, the Annual Meeting for that Fund will resume and Proposal 2 will be considered. If stockholders do not approve this Proposal 1 for either or both of the Funds, but do approve Proposal 2, the Board of Directors for the respective Fund will be elected to serve until the annual meeting of stockholders in 2010 and until their successors are duly elected and qualify.

Vote required. Approval of Proposal 1 for each of the Funds requires the affirmative vote of a majority of all the votes entitled to be cast by the stockholders of that respective Fund on the matter. Holders of record of Shares of each Fund at the close of business on the Record Date will be entitled to one vote per share on each matter as to which they are entitled to vote at the Meeting and any postponements or adjournments thereof.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS OF BTF AND BIF, AS APPLICABLE, VOTE "FOR" PROPOSAL 1.

PROPOSAL 2

ELECTION OF DIRECTORS OF BTF AND BIF

The Funds' respective Charters currently provide that all of the Directors stand for election each year. If stockholders approve Proposal 1 for either or both of the Funds, then the Charter for that Fund will be amended, effective immediately and for purposes of this Meeting, so that the terms of each Director, if elected, would be classified in accordance with Proposal 1. Thus, if Proposal 1 is approved, and the Directors as nominated in this Proposal 2 are elected, Messrs. Horejsi and Jacobson will hold office initially for a term expiring at the 2010 annual meeting of stockholders, Mr. Looney will hold office initially for a term expiring at the 2011 annual meeting of stockholders and Mr. Barr and Ms. Ciciora will hold office initially for a term expiring at the 2012 annual meeting of stockholders, with the members of each class to hold office until their successors are duly elected and qualify. At each annual meeting of the stockholders, the successors to the class of Directors whose term expires at such meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election and until their successors are duly elected and qualify.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

The Boards have nominated the following five Director nominees to stand for election and serve terms as follows:

+ These Directors are elected by the Funds' respective Preferred Stock holders pursuant to the Funds' respective Articles Supplementary.

COMMITTEES OF THE BOARD OF DIRECTORS FOR BTF AND BIF

AUDIT COMMITTEE; REPORT OF AUDIT COMMITTEE. The purpose of the Audit Committee for each of the Funds is to assist Board oversight of the integrity of the Funds' financial statements, the Funds' compliance with legal and regulatory requirements, the independent auditor's qualifications and independence and the performance of the Funds' independent auditors. The Audit Committee of each Fund reviews the scope and results of the applicable Fund's annual audit with the Fund's respective independent accountants and recommends the engagement of such accountants. Management, however, is responsible for the preparation, presentation, and integrity of the Fund's respective financial statements, and the independent accountants are responsible for planning and carrying out proper audits and reviews. The Board of Directors of each Fund adopted a written charter for the Audit Committees on January 23, 2002 and most recently amended the Audit Committee Charters on January 25, 2008 to add The Denali Fund Inc. Subsequent minor amendments to the Audit Committee Charters were adopted by the Funds on February 9, 2009.

The Audit Committee of each Fund is composed entirely of the applicable Fund's independent Directors, consisting of Messrs. Barr, Jacobson, and Looney for both BTF and BIF. The Board of each Fund determined that Joel Looney qualifies as an "audit committee financial expert," as defined under the Securities and Exchange Commission's Regulation S-K, Item 401(h). The Audit Committee of each Fund is in compliance with applicable rules of the listing requirements for closed-end fund audit committees; including the requirement that all members of the audit committee be "financially literate" and that at least one member of the audit committee have "accounting or related financial management expertise," as determined by the applicable Board. The Audit Committee of each Fund is required to conduct its operations in accordance with

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

applicable requirements of the Sarbanes-Oxley Act and the Public Company Accounting Oversight Board, and the members of the Audit Committee are subject to the fiduciary duty to exercise reasonable care in carrying out their duties. Each member of the Audit Committees is independent, as that term is defined by the New York Stock Exchange Listing Standards. The Audit Committee for each of the Funds met twice during the fiscal year ended November 30, 2008.

In connection with the audited financial statements as of and for the period ended November 30, 2008, included in the Funds' respective Annual Reports for the period ended November 30, 2008 (the "Annual Report"), at meetings held on January 19, 2009 and February 9, 2009, the Audit Committees considered and discussed the audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

The Audit Committees have received the written disclosures and letters from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and have discussed with independent accountants their independence. The Audit Committees discussed with the independent accountants the accounting principles applied by the Funds and such other matters brought to the attention of the Audit Committees by the independent accountants required by Statement of Auditing Standards No. 61, Communications With Audit Committees, as currently modified or supplemented.

The members of the Audit Committees are not professionally engaged in the practice of auditing or accounting and are not employed by the Funds in any accounting, financial management or internal control capacity. Moreover, the Audit Committee for each Fund relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, each of the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, each of the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Funds' financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committees set forth in the Funds' Charter and those discussed above, the Audit Committee of each Fund recommended to the Boards of each of BTF and BIF that the audited financial statements be included in the Funds' respective Annual Report and be mailed to stockholders and filed with the Securities and Exchange Commission.

< Submitted by the Audit Committee of each of BTF and BIF's Board of Directors: Richard I. Barr, Dean L. Jacobson, and Joel W. Looney.

NOMINATING COMMITTEE. The Board of Directors of each Fund has a nominating committee (the "Nominating Committee") consisting of Messrs. Looney, Jacobson and Barr, which is responsible for considering candidates for election to the Board of the Funds in the event a position is vacated or created. Each member of the Nominating Committee is independent, as that term is defined by the New York Stock Exchange Listing Standards. The Nominating Committee met on February 23, 2009 with regard to the nomination of the Director nominees set forth in the proposals above. The Nominating Committee of each Fund met once during the fiscal year ended November 30, 2008. The Funds' Board of Directors have adopted a charter for the Nominating Committees that is available on the Funds' website,

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

www.boulderfunds.net.

The Nominating Committees do not have a formal process for identifying candidates. The Nominating Committees take into consideration such factors as they deem appropriate when nominating candidates. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof. The Nominating Committees will consider all qualified candidates in the same manner. The Nominating Committees may modify their policies and procedures for director nominees and recommendations in response to changes in each Fund's respective circumstances, and as applicable legal or listing standards change.

The Nominating Committees would consider director candidates for the applicable Fund and as recommended by stockholders (if a vacancy were to exist) and submitted in accordance with applicable law and procedures as described in this Proxy Statement (see "Submission of Stockholder Proposals" below). Such recommendations should be forwarded to the Secretary of BTF or BIF, as applicable.

The Funds do not have a compensation committee.

OTHER BOARD-RELATED MATTERS

Stockholders of BTF or BIF who wish to send communications to either Board should send them to the address of that respective Fund and to the attention of the respective Board. All such communications will be directed to the respective Board's attention.

The Funds do not have a formal policy regarding Board member attendance at the Annual Meeting of Stockholders; however, all of the Directors of the Funds, who were Directors at the time, attended the April 25, 2008 Annual Meeting of Stockholders for BTF and BIF.

Vote Required. The election of Messrs. Looney, Barr, and Jacobson as Directors of the Funds requires the affirmative vote of a plurality of the votes cast by the respective holders of the Common Stock and Preferred Stock for each Fund at the Meeting in person or by proxy on Proposal 2. The election of Ms Ciciora and Mr. Horejsi as Directors of the Fund will require the affirmative vote of a plurality of the votes cast by the respective holders of the Preferred Stock for each Fund at the Meeting in person or by proxy on Proposal 2. Additionally, if Proposal 1 is approved by the stockholders for either or both of the Funds, the terms of each Director (whether elected or held-over) for that Fund would be as follows: Messrs. Horejsi and Jacobson will hold office initially for a term expiring at the 2010 annual meeting of stockholders, Mr. Looney will hold office initially for a term expiring at the 2011 annual meeting of stockholders and Ms. Ciciora and Mr. Barr hold will hold office initially for a term expiring at the 2012 annual meeting of stockholders, with the members of each class to hold office until their successors are duly elected and qualify. Holders of record of Shares of each Fund at the close of business on the Record Date will be entitled to one vote per share on each matter as to which they are entitled to vote at the Meeting and any postponements or adjournments thereof.

THE FUNDS' BOARDS OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF ALL THE NOMINEES FOR THE FUNDS.

ADDITIONAL INFORMATION

INDEPENDENT ACCOUNTANTS. At its regularly scheduled Board meeting held on November 10, 2008, the Audit Committee of each Fund, consisting of those Directors who are not "interested persons" (as defined in the 1940 Act), selected, and the Board of each Fund ratified, Deloitte & Touche LLP ("Deloitte") of Denver, Colorado as the Funds' independent registered public accounting firm for the Funds' fiscal year ending November 30, 2009. Deloitte served as independent accountant for each Fund's prior fiscal years ending November 30, 2007 and November 30, 2008. A representative of Deloitte will not be present at the Meeting but will be available by telephone and will have an opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions.

Set forth below are audit fees and non-audit related fees billed to the Funds for professional services received from Deloitte for the Funds' fiscal years ended November 30, 2007 and November 30, 2008.

* "Tax Fees" are those fees billed to the Funds by Deloitte in connection with tax consulting services, including primarily the review of the Funds' income tax returns, excise tax returns and Maryland property tax returns.

+ This fee pertains to those fees billed to the Funds by Deloitte in connection with their agreed-upon procedures reports under the terms of the Preferred Stock.

** Audit-Related Fees of \$6,500 were billed to BIF for providing an opinion in connection with a rights offering conducted by the Fund.

The Audit Committee Charter requires that the Audit Committee of each Fund pre-approve all audit and non-audit services to be provided by the auditors to the Funds, and all non-audit services to be provided by the auditors to the Funds' investment adviser and any service providers controlling, controlled by or under common control with the Funds' investment adviser ("affiliates") that provide on-going services to each Fund, if the engagement relates directly to the operations and financial reporting of each Fund, or to establish detailed pre-approval policies and procedures for such services in accordance with applicable laws. All of the audit, audit-related and tax services fees described above for which Deloitte billed the Funds for the fiscal years ended November 30, 2007 and November 30, 2008 were pre-approved by the Audit Committees for the Funds.

Deloitte has informed the Funds that it has no direct or indirect financial interest in the Funds. For the Funds' fiscal year ended November 30, 2008, Deloitte did not provide any non-audit services or bill any fees for such services to the Funds' investment adviser or any affiliates thereof that provide services to the Funds. For the twelve months ended November 30, 2008, the Horejsi Affiliates paid \$0 to Deloitte for their services. The Audit Committees have considered and concluded that the provision of non-audit services is compatible with maintaining the auditors' independence.

FIRST: The charter (the "Charter") of the Corporation is hereby amended by repealing Section 5.2 of Article V in its entirety and inserting in lieu thereof a new Section 5.2 to read as follows:

Section 5.2 Upon the effectiveness of articles of amendment containing this Section (the "Effective Time"), the Directors (other than any Director elected solely by holders of Preferred Stock in connection with dividend arrearages) shall be classified, with respect to the terms for which they severally hold office, into three classes: Class I, Class II and Class III.

Class I Directors shall hold office initially for a term expiring at the annual meeting of stockholders next succeeding the Effective Time, Class II Directors shall hold office initially for a term expiring at the second succeeding annual meeting of stockholders and Class III Directors shall hold office initially for a term expiring at the third succeeding annual meeting of stockholders, with the members of each class to hold office until their successors are duly elected and qualify.

At each annual meeting of the stockholders, the successors to the class of Directors whose term expires at such meeting shall be elected to hold

office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election and until their successors are duly elected and qualify. The Directors shall be apportioned among the classes as determined by the Directors so as to maintain the number of Directors in each class as nearly equal in number as possible. Subject to the following paragraph, in no case shall a decrease in the number of Directors shorten the term of any incumbent Director.

If the Corporation has issued and outstanding Preferred Stock entitling the holders of such Preferred Stock to elect additional Directors in connection with dividend arrearages (such directors, the "Additional Preferred Directors"), the election of such Additional Preferred Directors may cause the total number of Directors to exceed five. Upon the redemption as a whole but not in part of the Preferred Stock, the term of office of any Directors elected solely by the holders of Preferred Stock shall automatically and immediately terminate.

SECOND: The amendment to the Charter as set forth above has been duly advised by the Board of Directors and approved by the stockholders of the Corporation as required by law.

THIRD: The undersigned President of the Corporation acknowledges these Articles of Amendment to be the corporate act of the Corporation and, as to all matters or facts required to be verified under oath, the undersigned President acknowledges that, to the best of his knowledge, information and belief, these matters and facts are true in all material respects and that this statement is made under the penalties for perjury.

IN WITNESS WHEREOF, the Corporation has caused these Articles of Amendment to be signed in its name and on its behalf by its President and attested to by its Secretary on this [_____], 2009.
