Employment Agreements

Messrs Bruce Miller and Steven Besbeck are employed by the Company on a month-to-month basis pursuant to the terms of their employment agreements. Each agreement provides for a base salary at an annual rate of \$191,757 for Mr. Miller and \$196,902 for Mr. Besbeck and authorizes the payment of other fringe benefits and bonuses made available by the Company to its senior executives. The persons referred to above also received insurance benefits which were paid for by the Company and employer contributions to their 401(k) plan accounts as provided for in the Company's 401(k) profit sharing plan. These amounts, including amounts accrued and unconditionally vested under the 401(k) plan, are reflected in the table above.

Edgar Filing: CREATIVE COMPUTER APPLICATIONS INC - Form 10KSB/A

The Company has adopted a profit sharing plan pursuant to which income tax is deferred on amounts contributed by employees under Section 401(k) of the Internal Revenue Code. All employees, over the age of 21, are eligible to

participate in the plan after the completion of six months of service. The company contributes, on a matching basis, 25% of the employee's contribution up to 4%. The Company's contribution becomes vested at the rate of 20% for each full year of employment. Both the employee and Company contributions are subject to aggregate annual limits under the Internal Revenue Code.

Compensation of Directors

Directors who are not officers or employees of the Company are paid Directors' fees of \$2,000 per meeting and are reimbursed for their reasonable expenses for attending meetings. At present, there are three independent directors, Lawrence S. Schmid, Robert S. Fogerson, Jr., and Norman R. Cohen, who are not officers and/or employees of the Company. In addition, Messrs. Schmid, Fogerson, and Cohen are paid an annual retainer of \$3,000 each.

STOCK OPTION PLANS

1997 Stock Option Plan

The Company's 1997 Stock Option Plan is administered by the Board of Directors of the Company or a Committee of not less than two members thereof, which has the authority to determine the persons to whom the options may be granted, the number of shares to be covered by each option, the time or times at which the options may be granted or exercised and, for the most part, the terms and provisions of the options. The 1997 Plan permits the grant of both incentive stock options (ISOs) qualifying under section 422 of the Internal Revenue Code (Code) and non-qualified stock options (NSOs), which do not so qualify. Under the 1997 Plan, the option exercise price of ISOs may not be less than 100% (or 110% if the optionee owns 10% or more of the outstanding voting securities of the Company) of the fair market value of the Common Shares on the date of grant. The option exercise price of NSOs may not be less than 85% of the fair market value of the Common Shares on the date of grant. No option under the 1997 Plan may be exercised more than ten years from the date of grant except that options granted to optionees owning 10% or more of the outstanding voting securities of the Company may not be exercised more than five years from the date of grant.

The 1997 Plan is intended to offer a proprietary interest in the Company to Key Employees and Key Contractors contributing to the Company's success and, by increasing their proprietary interest, to encourage them to remain in the employ and service of the Company, to assist the Company in competing effectively for the services of new employees and to attract and retain the best available persons as directors of the Company. Key Employees are defined as persons, including officers and directors, employed by the Company, or any parent or subsidiary of the Company, on a compensable basis who hold positions of responsibility with the Company or a parent or subsidiary. Key Contractors are defined as persons (including officers whether or not they are also directors) employed by the Company or any parent or subsidiary of the Company to render services (including services solely as a member of the Board of Directors) to or on behalf of the Company or any parent or subsidiary of the Company.

No options may be exercised within 12 months after the date of grant and must be exercisable at the rate of at least 20% per year over 5 years from the date of grant; however, options granted to directors will be exercisable at the rate of 25% per year in each of the second, third, fourth and fifth years from the date of grant on a cumulative basis.

The 1997 Plan provides for the granting of ISOs to purchase a maximum of 500,000 Common Shares and for the granting of NSOs to purchase a maximum of 300,000 Common Shares.

The aggregate number of shares subject to options, the maximum number of shares which may be purchased, and the number of shares and the exercise price for shares covered by outstanding options will be adjusted appropriately upon a stock split or reverse split of the issued Common Shares, the payment of a stock dividend, or the re-capitalization, combination or reclassification, or other increase or decrease in Common Shares.

Stock options granted under the 1997 Plan may not be transferred except by will or according to the laws of descent and distribution. During the lifetime of the optionee, stock options may be exercised only by the optionee or by his or her guardian or legal representative.

The 1997 Plan provides that if an optionee's employment with the Company is terminated because of disability or death, no ISOs held by the optionee shall be exercisable later than 12 months after the date of termination. Upon the death of

an optionee, all options held or the unexercised portion thereof exercisable on the date of death are exercisable by the optionee's personal representative, heirs or legatees at any time prior to the expiration of 12 months from the date of death.

An optionee holding ISOs, whose employment with the Company terminates other than by disability or death must exercise the ISOs within 90 days after such termination.

The 1997 Plan provides that if an optionee terminates employment with the Company because of retirement with the consent of the Company, all NSOs held by the optionee, or unexercised portions thereof, expire on the date of retirement except for NSOs or unexercised portions thereof which were otherwise exercisable on the date of retirement, which expire unless exercised within 90 days after the date of retirement. An optionee whose employment with the Company or service as a director of the Company is terminated for any reason other than those described above must exercise NSOs within 210 days after such termination of employment or service, as the case may be.

The 1997 Plan provides that no options shall be granted thereunder after April 25, 2007. If options granted under the 1997 Plan expire for any reason or are canceled or terminated prior to April 25, 2007, the Common Shares allocable to any unexercised portion of such option may again be subject to an option.

Because the 1997 Plan will provide optionees the opportunity to acquire Common Shares through the exercise of stock options, the exercise of any stock option may have a proportionate dilutive effect on the holders of then outstanding Common Shares from both a financial standpoint (effect on earnings per share, etc.) and voting standpoint.

The Board of Directors may amend, suspend or discontinue the 1997 Plan at any time. However, no such amendment may, without shareholder approval, materially increase the number of Common Shares which may be issued under the Plan, change the class of eligible participants or materially increase benefits accruing to participants under the Plan.

As of December 15, 2004, there were outstanding ISOs to purchase 295,000 Common Shares at an average per share exercise price of \$1.18 and NSOs to purchase 110,000 Common Shares at an average per share exercise price of \$1.20.

The following table sets forth information as to stock options granted under the 1997 Stock Option Plan for the fiscal year ended August 31, 2004 to each executive officer whose aggregate remuneration is set forth above.
