Supplemental Indentures

On June 13, 2005, Cimarex entered into a Third Supplemental Indenture to the Convertible Notes Indenture with the Subsidiary Guarantors party thereto and the Convertible Notes Trustee. The Third Supplemental Indenture provides for the assumption by Cimarex, as successor by merger to Magnum Hunter, of Magnum Hunter's obligations under the Convertible Notes Indenture and the notes issued thereunder. Also on June 13, 2005, Cimarex entered into a First Supplemental Indenture to the Senior Notes Indenture with the Subsidiary Guarantors party thereto and the Senior Notes Trustee. The Registration Rights Agreement provides the holders of the Convertible Senior Notes with certain registration rights with respect to the shares of common stock issuable upon conversion of the Convertible Senior Notes.

A copy of the Joinder to Registration Rights Agreement is attached hereto as Exhibit 4.3 and is incorporated herein by reference.

Amended and Restated Credit Agreement

On June 13, 2005, Cimarex entered into an Amended and Restated Credit Agreement with the Lenders, the Administrative Agent, the Co-Syndication Agents, the Documentation Agent and the Lead Arranger (the "Credit Agreement"). The Credit Agreement provides for a senior secured revolving credit facility with an initial aggregate commitment from the Lenders of \$500 million, an initial borrowing base of \$825 million and a maximum credit amount of \$1 billion. The borrowing base is subject to redetermination each April and October, beginning in October 2005. In addition to the scheduled redeterminations, each of the Lenders and Cimarex is permitted to request one additional redetermination of the borrowing base per calendar year. The Credit Agreement also provides for the issuance standby and commercial letters of credit in an aggregate amount not to exceed \$50 million. The term of the Credit Agreement expires on July 1, 2010.

On June 13, 2005, Cimarex borrowed approximately \$271 million under the revolving credit facility under the Credit Agreement. The proceeds of the initial borrowing were used to repay the entire outstanding balance under the Fourth Amended and Restated Credit Agreement dated March 15, 2002, as amended, between Magnum Hunter Resources, Inc. and Deutsche Bank Trust Company Americas, et al. In addition, an existing letter of credit in the original stated amount of \$2,500,000 under Cimarex's prior credit facility was deemed issued under the Credit Agreement.

At Cimarex's option, borrowings under the Credit Agreement may bear interest at either:

- (a) a LIBOR rate plus 1.00 to 1.75 percent, based on borrowing base usage, or
- (b) the higher of (i) a prime rate or (ii) the federal funds effective rate plus 0.50 percent, plus 0.00 to 0.50 percent based on borrowing base usage.

Unused borrowings are subject to a commitment fee of 0.225 to 0.375 percent, also depending on borrowing base usage.

The Credit Agreement is secured by mortgages on certain of Cimarex's oil and gas properties and the stock of its operating subsidiaries, and Cimarex's obligations thereunder are guaranteed by its material subsidiaries. The Credit Agreement also imposes customary financial and non-financial covenants on Cimarex. Outstanding borrowings under the Credit Agreement are subject to acceleration upon the occurrence of specified events of default, including:

- (1) Material falsity of any representation or warranty made by or on behalf of Cimarex or any subsidiary;
- (2) Nonpayment of any obligation under the Credit Agreement within the relevant time period specified therein;

- (3) Breach by Cimarex of specified covenants, collateral or guaranty provisions;

- (4) Breaches of Credit Agreement provision by Cimarex that do not constitute defaults but are not remedied within ten days after written notice;
- (5) Default by Cimarex or any subsidiary under any other material indebtedness;
- (6) Bankruptcy of Cimarex or any subsidiary;
- (7) Appointment of a receiver, trustee, examiner, liquidator or similar official shall be appointed for Cimarex, any subsidiary or any substantial portion of its property, which appointment continues undischarged for a period of 60 consecutive days;
- (8) Condemnation of any substantial portion of the property of Cimarex and its subsidiaries;
- (9) Failure by Cimarex or any subsidiary to pay or comply with specified judgments within 30 days;
- (10) Specified pension plan unfunded liabilities;
- (11) Any change in control of Cimarex;
- (12) Specified environmental proceedings and investigations;
- (13) Failure of any guaranty to remain in full force or effect or the taking of any action to discontinue or to assert the invalidity or unenforceability of any guaranty; and
- (14) Failure of any mortgage to create a valid and perfected first priority security interest or to remain in full force or effect, or any breach under any mortgage or other security agreement.

Edgar Filing: CIMAREX ENERGY CO - Form 8-K

A default under the Credit Agreement would permit the Lenders to impose interest at the applicable default rate on outstanding borrowings, as well as to exercise their rights under the mortgages and guarantees.

A copy of the Credit Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

ITEM 8.01 OTHER EVENTS
