**Item 1.01. Entry into a Material Definitive Agreement**

On February 15, 2007, Huntsman International LLC and certain of its subsidiaries, as sellers, entered into an Asset Purchase Agreement with Flint Hills Resources, LLC, as purchaser, pursuant to which the purchaser agreed to purchase from sellers the U.S. base chemicals and polymers business assets described in that agreement for a purchase price of \$456 million in cash, plus the value of inventory on the date of closing and certain other amounts to be calculated at or subsequent to closing. The transaction is conditioned upon, among other things, receipt of necessary approvals under applicable antitrust laws and other relevant regulatory authorities and other customary closing conditions. The transaction is expected to close in the third quarter of 2007, following the re-start of the Port Arthur, Texas, olefins manufacturing facility, which will be included in the sale.

**Item 8.01. Other Events.**

On February 15, 2007, Huntsman Corporation issued a press release announcing the execution of the Asset Purchase Agreement, a copy of which press release is furnished as Exhibit 99.1.
