The Administrative Committee

The Home Depot FutureBuilder:

We have audited the accompanying statements of net assets available for benefits of The Home Depot FutureBuilder (the Plan) as of December 31, 2006 and 2005, and the related statements of changes in net assets available for benefits for the years then ended and the supplemental schedules. These financial statements and supplemental schedules are the responsibility of the Plan's Administrative Committee. Our responsibility is to express an opinion on these financial statements and supplemental schedules based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006 and 2005, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2006 and in Schedule H, Line 4a Schedule of Delinquent Participant Contributions as of December 31, 2006 are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's Administrative Committee. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements for the year ended December 31, 2006 and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE HOME DEPOT FUTUREBUILDER

Notes to Financial Statements

Edgar Filing: HOME DEPOT INC - Form 11-K

December 31, 2006 and 2005

(1) Description of the Plan

Edgar Filing: HOME DEPOT INC - Form 11-K

The following is a brief description of The Home Depot FutureBuilder (the Plan). Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

(a) General

Edgar Filing: HOME DEPOT INC - Form 11-K

The Plan is a defined contribution plan covering substantially all U.S. associates of The Home Depot, Inc. and subsidiaries (the Company). Associates are eligible to participate in the Plan for purposes of making elective deferrals after completing 90 days of service. Participants are eligible for the Company's matching contributions on the first day of the calendar quarter (January 1, April 1, July 1, and October 1) coincident with or following the completion of 12 months of service and 1,000 hours. Temporary associates and certain THD At-Home Services, Inc. 100% commission associates are eligible to make before-tax contributions following the completion of 12 months of service and 1,000 hours. The Plan excludes leased associates, nonresident aliens, and associates covered by a collective bargaining agreement, unless the terms of the collective bargaining agreement require that the associate be eligible to participate in the Plan. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Administrative Committee made up of associates of Home Depot U.S.A., Inc.

(b) Contributions

Edgar Filing: HOME DEPOT INC - Form 11-K

Under the 401(k) portion of the Plan, participants may contribute up to 50% of annual compensation on a pretax basis, as defined in the Plan, subject to regulatory limitations. Participants may also contribute amounts representing eligible rollover distributions from other qualified retirement plans. The Company provides matching contributions of 150% of the first 1% of eligible compensation contributed by a participant and 50% of the next 2% to 5% of eligible compensation contributed by a participant beginning on the first day of the calendar quarter following the completion of 12 months of service and 1,000 hours. THD At-Home Services 100% commission associates are not eligible to receive matching contributions. Associates of Williams Bros. Lumber Company, LLC (Williams Bros.) are eligible for matching contributions of 25% of the first 6% of compensation contributed by a participant. Additional amounts may be contributed at the option of the Company's Board of Directors. The default for the Company's matching contribution if no direction is given, is the participant's current investment election with respect to elective contributions. If the participant has made no affirmative investment election with respect to elective contributions, the default is the INVESCO Stable Value Trust.

Certain former participants of the Maintenance Warehouse FutureBuilder are eligible for supplemental annual matching contributions. Eligible associates employed on or before July 1, 1999 who are actively employed by The Home Depot Supply, Inc. at December 31 of each calendar year receive a matching contribution equal to 4.5% of annual compensation. Additionally, eligible associates of The Home Depot Supply, Inc. employed on or before July 1, 2004 who are actively employed by The Home Depot Supply, Inc. at December 31 of each calendar year receive a matching contribution equal to 2.5% of annual compensation. Participants must continually contribute at least 3% of compensation to the Plan in order to remain eligible for the supplemental annual matching contributions. Participants designated by the Company as highly compensated associates are not eligible to receive the supplemental annual matching contributions.

Employee stock ownership contributions were made solely by the Company and at the discretion of the Company's board of directors (ESOP contributions). The Company made its last ESOP contribution in February 1999.

(c) Participant Accounts

Edgar Filing: HOME DEPOT INC - Form 11-K

The Plan maintains a separate account for each participant, to which contributions and investment performance are allocated.

(d) Vesting

Edgar Filing: HOME DEPOT INC - Form 11-K

An associate becomes 100% vested upon death, attaining age 65 while still employed, total or permanent disability, or if the Plan is terminated.

Edgar Filing: HOME DEPOT INC - Form 11-K

Under the 401(k) portion of the Plan, participants are immediately vested in their contributions and net value changes thereon. Vesting in the Company's matching and discretionary contributions and net value changes thereon is based on years of vesting service. A participant is 100% vested after three years of service.

Edgar Filing: HOME DEPOT INC - Form 11-K

Vesting for the ESOP contributions and earnings or losses thereon is based on years of service, as follows:

Edgar Filing: HOME DEPOT INC - Form 11-K

Years of service	Vesting Percentage	%
3	20	
4	40	
5	60	
6	80	
7 or more	100	

(e) Distributions

Edgar Filing: HOME DEPOT INC - Form 11-K

Upon death, disability, termination of service for any other reason, hardship, or attaining age 65, participants or beneficiaries may elect to receive a lump-sum payment of their vested account balance at fair value on the date of distribution in the form of cash or securities.

(f) Participant Loans

Edgar Filing: HOME DEPOT INC - Form 11-K

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to four years. The loans bear interest at a rate equal to the prime rate plus 1%. Certain loans with terms greater than four years remain outstanding, including loans granted to former participants of the Maintenance Warehouse FutureBuilder in order to acquire a residence and certain loans rolled over from retirement plans of acquired companies.

(g) Forfeited Accounts

Edgar Filing: HOME DEPOT INC - Form 11-K

Forfeited nonvested accounts are used first to reduce Plan expenses and then to reduce future employer contributions. In 2006 and 2005, \$4,779,898 and \$4,474,736, respectively, in forfeitures were used to reduce Plan expenses.

(h) Administrative Expenses

Edgar Filing: HOME DEPOT INC - Form 11-K

Certain administrative expenses of the Plan are paid by the Company. These costs include legal, accounting and certain administrative fees. Expenses paid by the Plan include all other administrative costs not paid by the Company.

(2) Summary of Significant Accounting Policies

Edgar Filing: HOME DEPOT INC - Form 11-K

The following is a summary of significant accounting policies followed by the Plan in preparing its financial statements.

(a) **Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting.

(b) Investment Valuation and Income Recognition

Edgar Filing: HOME DEPOT INC - Form 11-K

Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. The INVESCO Stable Value Trust contains certain investment contracts for which there is no active trading market, and as such are carried at their contract value as determined by the AMVESCAP National Trust Company, which approximates fair value. All other investments in units of collective trusts are valued at the respective net asset values as reported by such trusts. The Company's common stock is valued at its quoted market price as obtained from the New York Stock Exchange. Securities transactions are accounted for on the trade date. The investment in short-term investment funds of The Northern Trust Company is reported at fair value as determined by The Northern Trust Company based on the quoted market prices of the securities in the fund.

Participant loans are carried at cost, which approximates fair value.

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks, such as interest rate, market, credit, and individual country and currency risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Plan's financial statements and supplemental schedules.

(c) Payment of Benefits

Benefits are recorded when paid.

6

(d) Use of Estimates

Edgar Filing: HOME DEPOT INC - Form 11-K

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Administrative Committee of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(e) Fair Value of Financial Instruments

Edgar Filing: HOME DEPOT INC - Form 11-K

The Plan's investments are stated at fair value. In addition, the carrying amount of receivables and liabilities is a reasonable approximation of the fair value due to the short-term nature of these instruments.

(f) Reclassifications

Edgar Filing: HOME DEPOT INC - Form 11-K

Certain amounts in the prior year have been reclassified to conform with the presentation adopted in the current year.

(g) Recent Accounting Pronouncements

Edgar Filing: HOME DEPOT INC - Form 11-K

As of December 31, 2006, the Plan adopted Financial Accounting Standards Board (FASB) Staff Position FSP AAG INV-1 and Statement of Position No. 94-4-1, Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans (the FSP). The FSP requires that the Statements of Net Assets Available for Benefits present the fair value of the Plan's investments, as well as the adjustment from fair value to contract value, for the fully benefit-responsive investment contracts. The Company determined that the impact of the adoption of this pronouncement was not material to the financial statements.

(3) Federal Income Taxes

Edgar Filing: HOME DEPOT INC - Form 11-K

The Internal Revenue Service has determined and informed the Company by a letter dated April 9, 2002, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Administrative Committee of the Plan believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

(4) Plan Termination

Edgar Filing: HOME DEPOT INC - Form 11-K

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become 100% vested in their accounts.

(5) Investments

The Plan's investments are held by the Trustee of the Plan, The Northern Trust Company. A description of the assets of the Plan's investment options follows:

For the plan years ended December 31, 2006 and 2005, there were isolated, immaterial instances in which subsidiaries of the Company failed to remit participant contributions and loan repayments to the Plan in the time required by the Department of Labor, representing a nonexempt loan of funds to the subsidiaries from the Plan. Certain of these late contributions and loan repayments have been corrected, and the Plan's Administrative Committee is currently in the process of identifying any late contributions or loan

repayments that have not yet been corrected and calculating the interest due on such amounts, which is not expected to be material.
