**SCANA Corporation Announces the Upsizing
And Pricing of Common Stock Offering**

COLUMBIA, S.C., December 31, 2008 SCANA Corporation (NYSE: SCG) (SCANA) announced today that it has priced a public offering of 2,500,000 shares of its common stock at \$35.50 per share. The size of the common stock offering has been increased from the previously announced 2,000,000 shares. In addition, the underwriter has been granted an over-allotment option to purchase up to 375,000 additional shares of SCANA's common stock. As previously announced, the common stock offering was made in conjunction with the decision by the Standard & Poor's Corporation to include SCANA in the S&P 500 Index. SCANA will use the net proceeds from the sale for the financing of capital expenditures and for other general corporate purposes.

Morgan Stanley & Co. Incorporated is the sole book-running manager for this offering.

This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities in any jurisdiction to any person to whom it is unlawful to make an offer, solicitation or sale in such jurisdiction.

SCANA has filed a registration statement (including a prospectus and a preliminary prospectus supplement) with the Securities and Exchange Commission (the SEC) for the offering to which this communication relates. Before you invest, you should read the prospectus in that
