9. Resolution on the discharge of the members of the Board of Directors and the President and CEO from liability

10. Resolution on the remuneration of the members of the Board of Directors

The Board's Corporate Governance and Nomination Committee proposes to the Annual General Meeting that the annual fee payable to the Board members elected at the same meeting for a term ending at the Annual General Meeting in 2015 remain at the same level as it has been for the past six years: EUR 440 000 for the Chairman, EUR 150 000 for the Vice Chairman, and EUR 130 000 for each member. The Corporate Governance and Nomination Committee proposes that approximately 40 per cent of the remuneration be paid in Nokia shares purchased from the market, or alternatively by using own shares held by the Company. 15. Authorization to the Board of Directors to resolve to repurchase the Company's own shares

The Board proposes that the Annual General Meeting authorize the Board to resolve to repurchase a maximum of 370 million Nokia shares by using funds in the unrestricted shareholders' equity. Repurchases will reduce funds available for distribution of profits. The shares may be repurchased in order to optimize the capital structure of the Company and are expected to be cancelled. In addition, shares may be repurchased in order to finance or carry out acquisitions or other arrangements, to settle the Company's equity-based incentive plans, or to be transferred for other purposes.

The shares may be repurchased either

- a) through a tender offer made to all the shareholders on equal terms; or
- b) in marketplaces by repurchasing the shares in another proportion than that of the current shareholders.

It is proposed that the authorization be effective until December 17, 2015 and terminate the corresponding authorization granted by the Annual General Meeting on May 7, 2013.

16. Authorization to the Board of Directors to resolve on the issuance of shares and special rights entitling to shares

The Board proposes that the Annual General Meeting authorize the Board to resolve to issue in total a maximum of 740 million shares through issuance of shares or special rights entitling to shares under Chapter 10, Section 1 of the Finnish Limited Liability Companies Act in one or more issues during the effective period of the

authorization. The Board may issue either new shares or shares held by the Company.

The Board proposes that the authorization may be used to develop the Company's capital structure, diversify the shareholder base, finance or carry out acquisitions or other arrangements, settle the Company's equity-based incentive plans, or for other purposes resolved by the Board.

It is proposed that the authorization includes the right for the Board to resolve on all the terms and conditions of the issuance of shares and such special rights, including to whom shares or special rights may be issued as well as the consideration to be paid. The authorization thereby includes the right to deviate from the shareholders' pre-emptive rights within the limits set by law.
