Ad Hoc Notice

November 24, 2015

Moscow, Russian Federation Mobile TeleSystems PJSC (MTS or the Company NYSE: MBT; MOEX: MTSS), the leading telecommunications provider in Russia, the Central and Eastern Europe, announces that in accordance with the decision of the Extraordinary General Meeting of the Shareholders (the EGM) held on August 25, 2015, MTS plans to submit to the tax authorities the documents for the reorganization of MTS PJSC through the takeover of its subsidiaries COMSTAR-Regions CJSC, Penza-GSM JSC, SMARTS-Ivanovo JSC and SMARTS-UFA JSC on December 01, 2015.

Unlike in 2014, when the reorganization process resulted in the suspension of trading in MTS s ordinary shares, the current reorganization will have no impact on trading in MTS s securities either at the Moscow Exchange or American Depositary Receipts (ADRs) listed on the New York Stock Exchange.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company s most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
