Item 1.01. Entry Into a Material Definitive Agreement.

Purchase Agreement and Related Transactions

On July 18, 2016, Matson Logistics, Inc. (*Matson Logistics*), a wholly-owned indirect subsidiary of Matson, Inc. (*Matson*), entered into a Membership Interest Purchase Agreement (the *Purchase Agreement*) by and between Matson Logistics and Span Holdings, LLC (*Holdings*). The *Purchase Agreement* provides for, among other things, the purchase by Matson Logistics of 100% of the membership interests of Span Intermediate, LLC (the *Span Alaska*), with Span Alaska becoming a wholly-owned subsidiary of Matson Logistics (the *Transaction*). The *Transaction* is expected to close in the third quarter 2016 after expiration or early termination of the waiting period under the Hart-Scott-Rodino Act and satisfaction of other customary closing conditions.

The total consideration for the *Transaction* is \$197.6 million on a debt free, cash free basis, and is subject to working capital and other closing adjustments (the *Purchase Price*). *Holdings* will pay all debt and its transaction expenses from the proceeds of the *Purchase Price*.

The consummation of the *Transaction* is subject to customary closing conditions, including, among others, the absence of a material adverse effect in connection with Span Alaska's business. The *Purchase Agreement* contains customary representations, warranties and covenants of *Holdings* and Matson Logistics, including covenants to use reasonable best efforts to obtain any required regulatory consents. The *Purchase Agreement* also contains customary provisions for termination by either party in the event of breach or failure to perform by the other party, subject to a cure period, or by either party in the event the customary closing conditions are not fulfilled by November 15, 2016. Additionally, Matson Logistics may terminate the *Purchase Agreement* if a certain key employee communicates to Matson Logistics the intent to not continue employment after the closing date of the *Transaction*.

The foregoing summary of the *Purchase Agreement*, and the transactions contemplated thereby, does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the *Purchase Agreement*, which is filed as Exhibit 2.1 to this Form 8-K and incorporated herein by reference.

The *Purchase Agreement* and the above descriptions have been included to provide security holders with information regarding the terms of the *Purchase Agreement*. They are not intended to provide any other factual information about Matson, Matson Logistics, *Holdings*, Span Alaska or their respective subsidiaries or affiliates or security holders. The representations, warranties and covenants contained in the *Purchase Agreement* were made only for purposes of such agreement and as of specific dates; were solely for the benefit of the parties to the *Purchase Agreement*, as applicable; and may be subject to limitations agreed upon by the parties. Investors should be aware that the representations, warranties and covenants or any description thereof may not reflect the actual state of facts or condition of Matson, Matson Logistics, *Holdings*, Span Alaska or any of their respective subsidiaries, affiliates, businesses or security holders. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the *Purchase Agreement*, which subsequent information may or may not be fully reflected in public disclosures by Matson or *Holdings*. Accordingly, investors should read the representations and warranties in the *Purchase Agreement* not in isolation but only in conjunction with the other information about Matson, Matson Logistics, *Holdings* or Span Alaska and their respective subsidiaries that the respective companies include in reports, statements and other filings they make with the SEC.
