Press-release

MTS Announces Sale of Shares in UMS LLC in Uzbekistan

August 5, 2016

Moscow, Russian Federation PJSC MTS (NYSE: MBT, MOEX: MTSS), the leading telecommunications provider in Russia, announced today that it has sold its 50.01% stake in the telecommunications operator Universal Mobile Systems (UMS) to the State Unitary Enterprise Centre of Radio Communication, Radio Broadcasting and Television of The Ministry of Development of Information Technologies and Communications of the Republic of Uzbekistan.

Due to a variety of business reasons and other circumstances, MTS decided to sell its stake in the joint venture UMS LLC, said MTS vice president, and director of the Foreign Subsidiaries business unit, Andrei Smelkov.

Due to the sale of its stake in UMS, MTS expects to record a write-off in respect of assets of approximately RUB 3 bln in Q3 2016. The precise amount of the write-off will be specified afterwards.

On September 23, 2014, MTS received 50.01% of the share capital of UMS at no cost. The remaining 49.99% of UMS was owned by the State Unitary Enterprise Centre of Radio Communication, Radio Broadcasting and Television of The Ministry of Development of Information Technologies and Communications of the Republic of Uzbekistan(1). The mobile communications network began commercial operations on December 1, 2014.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private

(1) Subsequently renamed as The Ministry of Development of Information Technologies and Communications of the Republic of Uzbekistan

Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and the negative of such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
