ITEM 8.01.

OTHER EVENTS

On February 14, 2019, STAG Industrial, Inc. (the Company) and its operating partnership, STAG Industrial Operating Partnership, L.P., entered into separate equity distribution agreements with Robert W. Baird & Co. Incorporated, BB&T Capital Markets, a division of BB&T Securities, LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, BMO Capital Markets Corp., BTIG, LLC, Capital One Securities, Inc., Citigroup Global Markets Inc., Evercore Group L.L.C., Jefferies LLC, JMP Securities LLC, Morgan Stanley & Co. LLC, Raymond James & Associates, Inc., RBC Capital Markets, LLC, TD Securities (USA) LLC and Wells Fargo Securities, LLC (or certain of their respective affiliates), acting in their capacity as Sales Agents (as described below) or as Forward Sellers (as described below), relating to the offer and sale of shares of the Company's common stock having an aggregate offering price of up to \$600,000,000 (the Shares). The Company refers to these entities, when acting in their capacity as sales agents, individually as a Sales Agent and collectively as Sales Agents. The Company refers to these entities, when acting as agents for Forward Purchasers (as described below), individually as a Forward Seller and collectively as Forward Sellers.

Sales of the Shares, if any, may be made in negotiated transactions, which may include block trades, or transactions that are deemed to be at the market offerings as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange.

The equity distribution agreements provide that, in addition to the issuance and sale of the Shares through the Sales Agents, the Company also may enter into forward sale agreements under separate master forward sale agreements and related supplemental confirmations between the Company and a Forward Seller or its affiliate. The Company refers to these entities, when acting in this capacity, individually as a Forward Purchaser and collectively as Forward Purchasers. In connection with each particular forward sale agreement, the relevant Forward Purchaser will borrow from third parties and, through the relevant Forward Seller, sell a number of shares of common stock equal to the number of shares of common stock underlying the particular forward sale agreement.

The Company will not initially receive any proceeds from the sale of borrowed shares of common stock by a Forward Seller. The Company expects to fully physically settle each particular forward sale agreement with the relevant Forward Purchaser on one or more dates specified by the Company on or prior to the maturity date of that particular forward sale agreement, in which case the Company will expect to receive aggregate net cash proceeds at settlement equal to the number of shares underlying the particular forward sale agreement multiplied by the relevant forward sale price. However, the Company may also elect to cash settle or net share settle a particular forward sale agreement, in which case the Company may not receive any proceeds from the issuance of shares, and the Company will instead receive or pay cash (in the case of cash settlement) or receive or deliver shares of its common stock (in the case of net share settlement).

Each Sales Agent will receive from the Company a commission that will not exceed, but may be lower than, 2.0% of the gross sales price of all Shares sold through it as Sales Agent under the applicable equity distribution agreement. In connection with each forward sale, the Company will pay the relevant Forward Seller, in the form of a reduced initial forward sale price under the related forward sale agreement with the related Forward Purchaser, commissions at a mutually agreed rate that shall not be more than 2.0% of the gross sales price of all borrowed Shares sold by it as a Forward Seller.

The Company may also sell some or all of the Shares to a Sales Agent as principal for its own account at a price agreed upon at the time of sale.

The Shares will be issued pursuant to the Company's shelf registration statement on Form S-3 (Registration No. 333-229661), which initially became effective upon filing with the Securities and Exchange Commission (SEC) on February 13, 2019, and a prospectus supplement dated February 14, 2019, as the same may be amended or supplemented.

Edgar Filing: STAG Industrial, Inc. - Form 8-K

The foregoing description of the equity distribution agreements and the master forward sale agreements and related supplemental confirmations does not purport to be complete and is qualified in its entirety by reference to the exhibits filed with this current report on Form 8-K.
