## Introduction

Infinera Corporation (the “Company”) provides optical transport networking equipment, software and services to telecommunications service providers, Internet content providers, cable providers, wholesale and enterprise carriers, research and education institutions, and government entities (collectively, “Service Providers”) across the globe. Optical transport networks are deployed by Service Providers facing significant demands for optical bandwidth prompted by increased use of high-speed Internet access, mobile broadband, high-definition video streaming services, business Ethernet services and cloud-based services.

The Company’s products for the reporting period covered by this Form SD include the (i) DTN platform; (ii) DTN-X family of platforms; (iii) ATN platform; and (iv) Cloud Xpress platform. The platforms connect to one another using an optical “line system,” which we refer to as the Infinera Line System. All the platforms and the line system are collectively referred to herein as the “Covered Products.”

The Company has adopted a Conflict Minerals Policy, which is available on its website at <http://www.infinera.com/company/social-responsibility/conflict-minerals/> on the Corporate Social Responsibility webpage. The content of any website referred to in this Form SD is included for general information only and is not incorporated by reference in this Form SD.
