PROXY STATEMENT

GENERAL INFORMATION

PROXY SOLICITATION. This Proxy Statement is mailed to holders of shares ("Shareholders") of the common stock, par value \$.01 per share ("Common Stock"), of Catalyst Lighting Group, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on March 3, 2004, at 9:30 a.m. at the offices of Feldman Weinstein LLP, 420 Lexington Avenue, Suite 2620, New York, New York 10170, and at any adjournment of such meeting (the "Annual Meeting").

At the Annual Meeting the Shareholders will vote upon (i) the election of our current five directors to continue serving in such capacity; (ii) approve our current auditors; and (iii) approve our 2003 Stock Option Plan. Management currently is not aware of any other matters which will come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons designated as proxies intend to vote in accordance with their judgment on such matters.

Proxies for use at the Annual Meeting are being solicited by the Board of Directors of the Company. These proxy materials are first being mailed to Shareholders on or about February 17, 2004. Proxies will be solicited primarily

Edgar Filing: CATALYST LIGHTING GROUP INC - Form DEF 14A

by mail. Certain officers, directors, employees and agents of the Company, none of whom will receive additional compensation for such efforts, may solicit proxies by telephone, facsimile, electronic mail or other personal contact. The Company will bear the cost of soliciting proxies, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares of Common Stock. Proposals of shareholders intended to be presented at the Company's 2005 Annual Meeting must be received at the Company's offices at 7700 Wyatt Drive, Fort Worth, Texas 76108 no later than a reasonable time before the Company begins to print and mail its proxy materials to be considered for inclusion in the proxy statement and form of proxy for that meeting.

A quorum shall be present at the Annual Meeting if the holders of a majority of the shares of Common Stock entitled to vote are represented at the meeting, in person or by proxy. With respect to other items of business (and the Company is not currently aware of any other items to be brought before the Annual Meeting),

1

a quorum shall be present at all meetings of the Shareholders of the Company, if the holders of a majority of the shares entitled to vote on that matter are represented at the meeting in person or by proxy. The subsequent withdrawal of any Shareholder from the meeting, after commencement of the meeting, or the refusal of any Shareholder represented in person or by proxy to vote, shall have no effect on the existence of a quorum, after quorum has been established at such meeting. Despite the absence of a quorum at any meeting of Shareholders, the Shareholders present may adjourn the meeting.

Unless otherwise provided for in the Certificate of Incorporation of the Company, directors will be elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present and each Shareholder entitled to vote has the right to vote the number of shares owned by him for as many persons as there are directors to be elected.

REVOCABILITY AND VOTING OF PROXY

A form of proxy for use at the Annual Meeting and a return envelope for the proxy are enclosed. Shares represented by duly executed proxies will be voted in accordance with such Shareholders' instructions. If you sign the proxy, but do not fill in a vote, your shares will be voted in accordance with the recommendations of the Company's Board of Directors as set forth herein. Any proxy may be revoked by a Shareholder prior to its exercise upon written notice to the Secretary of the Company, or by a Shareholder voting in person at the Annual Meeting.

RECORD DATE AND VOTING RIGHTS

Shareholders of record at the close of business on February 3, 2004 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting and any adjournment(s) thereof. On the Record Date, the Company had outstanding and entitled to vote at the Annual Meeting 3,391,368 shares of Common Stock. Shareholders as of the Record Date will be entitled to one vote for each share held, with no shares having cumulative voting rights. The holders of a majority of the outstanding shares of Common Stock, present in person or by proxy and entitled to vote, will constitute a quorum at the Annual Meeting. Shares of Common Stock are counted for quorum purposes if they are represented for any purpose at the Annual Meeting other than solely to object to holding the Annual Meeting or transacting business at the Annual Meeting. Assuming a quorum is present, for the election of directors a plurality of the shares voting must vote in the affirmative. The approval of any other matter coming before the

Edgar Filing: CATALYST LIGHTING GROUP INC - Form DEF 14A

Annual Meeting requires that a majority of the shares voting must vote in the affirmative. Abstentions and broker non-votes are neither counted for purposes of determining the number of affirmative votes required for approval of proposals nor voted for or against matters presented for Shareholder consideration. Consequently, so long as a quorum is present, abstentions and broker non-votes have no effect on the outcome of any vote.

2

PROPOSAL NUMBER 2

INCENTIVE STOCK OPTION PLAN

On August 27, 2003, immediately prior to the consummation of the transactions with Whitco, our Board of Directors adopted the 2003 Stock Option Plan, reserving for issuance up to 1,500,000 shares of our common stock. In connection with the merger with Whitco, options to purchase 808,632 shares of common stock were granted to the then-option holders of Whitco, with 582,141 of such options vested as of February 3, 2004.

13

As of September 30, 2003, and in accordance with our 2003 Stock Option Plan, there were incentive options outstanding to purchase 808,632 shares of common stock, with 552,657 of such options currently vested. Twenty percent (20%) of the non-vested options vest on each anniversary date of the option grant. The holders of these options, their position in Whitco and the number of options held by each, are as follows:

Name ----	Title -----	# Options Issued -----	Weighted Average exercise price -----
Henry Glover	President/CEO (of Whitco)	250,779	\$0.86
Kevin B. Medlin	Vice President Sales	97,163	\$0.86
Thomas Lach	Vice President Engineering	97,163	\$0.86
Ben Mosqueda	Manager Quotations/Drafting	11,727	\$0.86
Kip Pritchard	Vice President	351,800	\$0.30

Total		808,632	
		=====	

Accordingly, our option plan reserves an additional 691,368 shares of common stock for future issuance.

The Option Plan is administered by the Board of Directors (or by a committee of the Board of Directors, if one is appointed for this purpose), provided that members of the Board of Directors who are either eligible for Awards (as defined below) or have been granted Awards may not vote on any matters affecting the administration of the Plan or the grant of any Award pursuant to the Plan if required pursuant to Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act") or Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

The Option Plan provides for the granting of incentive stock options (within the meaning of Section 422 of the Code) and nonqualified stock options

Edgar Filing: CATALYST LIGHTING GROUP INC - Form DEF 14A

(individually, an "Award" or collectively, "Awards"), to those officers or other key employees, directors or consultants, with potential to contribute to the future success of the Company or its subsidiaries, provided, that only employees may be granted incentive stock options. The Board of Directors has discretion to select the persons to whom Awards will be granted (from among those eligible), to determine the type, size and terms and conditions applicable to each Award and the authority to interpret, construe and implement the provisions of the Option Plan. Notwithstanding the foregoing, with respect to incentive stock options, the aggregate fair market value (determined at the time such Award is granted) of the shares of Common Stock with respect to which incentive stock options are exercisable for the first time by such employee during any calendar year shall not exceed \$100,000 under all plans of the employer corporation or its parent or subsidiaries. The Board of Directors' decisions are binding on the Company and persons eligible to participate in the Option Plan and all other persons having any interest in the Option Plan. It is presently anticipated that approximately seven individuals initially will participate in the Option Plan.

14

The total number of shares of Common Stock that may be subject to Awards under the Option Plan is 1,500,000, subject to adjustment in accordance with the terms of the Option Plan. Common Stock issued under the Option Plan may be either authorized but unissued shares, treasury shares or any combination thereof. To the fullest extent permitted under Rule 16b-3 under the Exchange Act and Sections 162(m) and 422 of the Code, any shares of Common Stock subject to an Award which lapses, expires or is otherwise terminated prior to the issuance of such shares may become available for new Awards. Options to purchase Common Stock granted as Awards ("Options"), which may be nonqualified or incentive stock options, may be granted under the Option Plan at an exercise price (the "Option Price") determined by the Board of Directors in its discretion, provided, that the Option Price of incentive stock options may be no less than the fair market value of the underlying Common Stock on the date of grant (or 110% of fair market value in the case of an incentive stock option granted to a ten percent shareholder).

Options will expire not later than ten years after the date on which they are granted. Options become exercisable at such times and in such installments as determined by the Board of Directors. Notwithstanding the foregoing, however, each Option shall, except as otherwise provided in the stock option agreement between the Company and an optionee, become exercisable in full for the aggregate number of shares covered thereby unconditionally on the first day following the occurrence of any of the following: (a) the approval by the shareholders of the Company of an Approved Transaction; (b) a Control Purchase; or (c) a Board Change (each as defined below). For purposes of the Option Plan, (i) an "Approved Transaction" shall mean (A) any consolidation or merger of the Company in which the Company is not the continuing or surviving corporation or pursuant to which shares of Common Stock would be converted into cash, securities or other property, other than a merger of the Company in which the holders of Common Stock immediately prior to the merger have the same proportionate ownership of common stock of the surviving corporation immediately after the merger, or (B) any sale, lease, exchange, or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of the assets of the Company, or (C) the adoption of any plan or proposal for the liquidation or dissolution of the Company; (ii) a "Control Purchase" shall mean circumstances in which any person (as such term is defined in Sections 13(d)(3) and 14(d)(2) of the Exchange Act), corporation or other entity (other than the Company or any employee benefit plan sponsored by the Company or any subsidiary of the Company) (x) shall purchase any Common Stock of the Company (or securities convertible into the Company's Common Stock) for cash, securities or any other consideration pursuant to a tender offer or exchange offer, without

Edgar Filing: CATALYST LIGHTING GROUP INC - Form DEF 14A

the prior consent of the Board of Directors, or (y) shall become the "beneficial owner" (as such term is defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing twenty-five percent (25%) or more of the combined voting power of the then outstanding securities of the Company ordinarily (and apart from rights accruing under special circumstances) having the right to vote in the election of directors (calculated as provided in paragraph (d) of such Rule 13d-3 in the case of rights to acquire

15

the Company's securities), and (iii) A "Board Change" shall mean circumstances in which, during any period of two consecutive years or less, individuals who at the beginning of such period constitute the entire Board shall cease for any reason to constitute a majority thereof unless the election, or the nomination for election by the Company's shareholders, of each new director was approved by a vote of at least a majority of the directors then still in office.

In the event that dividends are payable in Common Stock or in the event there are splits, subdivisions or combinations of shares of Common Stock, the number of shares available under the Option Plan shall be increased or decreased proportionately, as the case may be, and the number of shares delivered upon the exercise thereafter of any Option theretofore granted or issued shall be increased or decreased proportionately, as the case may be, without change in the aggregate purchase price.

In the event that an Option holder ceases to be an employee for any reason other than permanent disability, retirement under certain circumstances (as determined by the Board of Directors) or death, such holder shall have ninety (90) days to exercise any Option, including any unexercised portion thereof, which was otherwise exercisable on the date of termination. In the event of the termination of a holder's employment resulting from retirement or permanent disability of the Option holder while an employee, any Option granted to such employee shall be exercisable for one (1) year after the date of termination of employment due to permanent disability, but in no event after the expiration of the exercise period. In the event of the death of an Option holder while an employee, or during the one (1) year period after the date of termination of employment due to retirement or permanent disability of the Option holder, that portion of the Option which had become exercisable on the date of death shall be exercisable by his or her personal representatives, heirs or legatees at any time prior to the expiration of one (1) year from the date of the death of the Option holder, but in no event after the expiration of the exercise period.

The Board of Directors may at any time alter, amend, suspend or discontinue the Option Plan, but no amendment, alteration, suspension or discontinuation shall be made which would impair the rights of any recipient of an Option under any agreement theretofore entered into under the Option Plan, without his consent, or which, without the requisite vote of the shareholders of the Company approving such action, would:

(a) except as is provided in the Option Plan, increase the total number of shares of stock reserved for the purposes of the Option Plan; or

(b) extend the duration of the Option Plan; or

(c) materially increase the benefits accruing to participants under the Option Plan; or

(d) change the category of persons who can be eligible participants under the Option Plan. Without limiting the foregoing, the Board of Directors may, any

time or from time to time, authorize the Company, without the consent of the respective recipients, to issue new Options in exchange for the surrender and cancellation of any or all outstanding Options.

The affirmative vote of holders of a majority of the shares of common stock represented at the meeting is required to approve the 2003 Stock Option Plan.

THE BOARD OF DIRECTORS OF CATALYST LIGHTING GROUP, INC. RECOMMENDS YOU VOTE "FOR" ADOPTION OF THE COMPANY'S 2003 STOCK OPTION PLAN.
