Board and Committee Meetings

Information concerning the two Committees maintained by the Board of Directors is set forth below.

The Board held six meetings during the 2005 fiscal year. No director attended less than 100% of the Board meetings while serving as such director, or less than 100% of all committee meetings on which he served as a committee member.

The audit and compensation committees are the standing committees of the Board. The fiscal year 2005 and 2006 committees are comprised as follows:

2005 Audit Committee	2005 Compensation Committee
David Smardon (Chair)	Kenneth Adelberg (Chair)
Kenneth Adelberg	David Smardon
Ralph V. Hadley, III	Ralph V. Hadley, III
Gregory Laborde	Gregory Laborde

4

The current committees are comprised as follows:

2006 Audit Committee	2006 Compensation Committee
David Smardon (Chair)	Kenneth Adelberg (Chair)
Kenneth Adelberg	David Smardon
Ralph V. Hadley, III	Ralph V. Hadley, III
Gregory Laborde	Gregory Laborde

The audit committee of the Board (the "Audit Committee") held four meetings during fiscal 2005. The Audit Committee, among other things, recommends the Company's independent auditors, reviews the Company's financial statements, reports and recommendations regarding the adequacy of internal accounting controls made by the independent auditors and considers such other matters with respect to the accounting, auditing and financial reporting procedures as it may deem appropriate or as may be brought to its attention.

The Audit Committee acts under a written charter adopted and approved by the Board. The Audit Committee is composed of outside directors who are not officers or employees of the Company or its subsidiaries. In the opinion of the Board and as "independent" is defined under current standards of the American Stock Exchange (including the heightened independence requirements of audit committee members), these directors are independent of management and free of any relationship that would interfere with their exercise of independent judgment as member of this committee.

The compensation committee of the Board (the "Compensation Committee") held no meetings during the 2005 fiscal year. The Compensation Committee is responsible for allocating cash compensation and stock options to senior executive officers of the Company.

Board of Directors Independence

The Board of Directors reviews the relationships that each director has with us and other parties. Only those directors who do not have any of the categorical relationships that preclude them from being independent within the

Edgar Filing: AZONIC CORP - Form 10KSB/A

meaning of American Stock Exchange Company Guide, Part I Section 121, and who the Board of Directors affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, are considered to be Independent Directors. The Board of Directors has reviewed a number of factors to evaluate the independence of each of its members. These factors include its members' current and historic relationships with us and our subsidiaries; their relationships with management and other directors; the relationships their current and former employers have with us and our subsidiaries; and the relationships between us and other companies on which our board members are directors or executive officers. After evaluating these factors, the Board of Directors has determined that five of its current six members are "independent" as defined by American Stock Exchange Company Guide, Part I Section 121, all applicable rules and regulations of the SEC, and for purposes of Rule 162(m) of the Internal Revenue Code of 1986, as amended. These directors are Messrs. David Smardon, Kenneth Adelberg, Ralph V. Hadley, III, Gregory Laborde and Italo Cerra. Independent members of our Board of Directors meet in executive session without management present, and are scheduled to do so at least two times per year. The Board of Directors has designated Mr. Smardon as the presiding director for these meetings.

Shareholder Communications

The Board of Directors believes that it is important for our shareholders to have a process to send confidential communications directly to the board as a whole and to the Independent Directors in particular. Accordingly, shareholders desiring to send a communication to the Board of Directors, or to a specific director, may do so by delivering a letter to the Secretary of the Company at the Company's principal offices as set forth on the cover page to this Amendment to the Annual Report on Form 10-KSB. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "stockholder-board communication" or "stockholder director-specific" communication." All such letters must identify the author and clearly state whether the intended recipients of the letter are all members of our Board of Directors or certain specified individual directors. To the extent indicated as addressed, the Secretary will observe any requests for confidentiality and forward such correspondence unopened directly to a specific director. With respect to correspondence addressed to the Board as a whole or to a group of directors or a specific committee, the Secretary will open such communications and make copies, and then circulate them to the appropriate director or directors. Notwithstanding the foregoing, the Company shall reserve the right to open all correspondence as it believes reasonably necessary to assure the safety and personal privacy of all directors.

Report of Audit Committee of the Board of Directors

The Audit Committee assists the Board in fulfilling its responsibility for oversight of the internal control, accounting, auditing and financial reporting practices of the Company. Specific responsibilities of the Audit Committee include:

- o reviewing and discussing the audited financial statements with management;
- o discussing with the Company's independent auditors information relating to the auditors' judgments about the quality of the Company's accounting policies and financial reporting practices;
- o recommending to the Board that the Company include the audited

Edgar Filing: AZONIC CORP - Form 10KSB/A

financials in its Annual Report on Form 10-KSB; and

- o overseeing compliance with the Securities and Exchange Commission requirements for disclosure of auditors' services and activities.

The Committee regularly meets with management to consider the adequacy of the Company's internal controls and the integrity of its financial reporting. The Committee discusses these matters with the Company's independent auditors and with appropriate Company financial personnel and internal auditors.

The Committee regularly meets privately with management, the independent auditors and the internal auditors. Each of the independent auditors has unrestricted access to the Committee.

The Committee retains and, if circumstances warrant, replaces the independent auditors and regularly reviews their performance and independence from management. The Committee also pre-approves all audit and permitted non-audit services and related fees.

The Board of Directors has adopted a written charter setting out the roles and responsibilities the Committee is to perform. The Board has determined that David Smardon, an independent director serving on the Audit Committee, is an "audit committee financial expert," as such term is defined under the regulations promulgated by the Securities and Exchange Commission. Under such regulations, the designation or identification of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and the Board of Directors in the absence of such designation or identification nor does the designation or identification of a person as an audit committee financial expert affect the duties, obligations or liability of any other member of the audit committee or Board of Directors.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls.

Review of Audited Financial Statements

The Audit Committee has reviewed the Company's financial statements for the fiscal year ended March 31, 2005, as audited by Rotenberg & Co. LLP, the Company's independent auditors, and has discussed these financial statements with management. In addition, the Audit Committee has discussed with Rotenberg & Co. the matters required to be discussed by Statement of Auditing Standards No. 61, as amended, regarding the codification of statements on auditing standards. Furthermore, the Audit Committee has received the written disclosures and the letter from Rotenberg & Co. required by the Independence Standards Board Standard No. 1 and has discussed with Rotenberg & Co. its independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements for the fiscal year ended March 31, 2005 be included in the Company's Annual Report on Form 10-KSB, for filing with the Securities and Exchange Commission.

The members of the Audit Committee are not currently professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent

Edgar Filing: AZONIC CORP - Form 10KSB/A

accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles and that the Company's independent accountants are in fact "independent."
