Item 4.01. Changes in Registrant's Certifying Accountant.

(a)(1) Upon the approval of the Audit Committee of the Board of Directors of Take-Two Interactive Software, Inc. (the "Registrant"), on April 4, 2006, the Registrant dismissed PricewaterhouseCoopers LLP ("PWC") as the Registrant's independent registered public accounting firm.

During the Registrant's fiscal years ended October 31, 2005 and 2004 and through April 4, 2006 there were no disagreements with PWC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of PWC, would have caused it to make a reference to the subject matter of the disagreement in connection with its reports on the financial statements for such years. PWC's reports on the Registrant's financial statements for the fiscal years ended October 31, 2005 and 2004 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Registrant's fiscal years ended October 31, 2005 and 2004 and through April 4, 2006, there have been no reportable events as set forth in Item 304 (a)(1)(v) of Regulation S-K except as follows:

As more fully disclosed in Item 9A of the Registrant's Annual Report on Form 10-K for the fiscal year ended October 31, 2005, the Registrant had identified the following material weaknesses in the Registrant's internal control over financial reporting as of October 31, 2005:

- The Registrant did not maintain effective controls over the existence and valuation of its accounts payable related to inventory purchases. Specifically, the Registrant did not maintain effective controls to identify, analyze and reconcile amounts related to inventory purchases included in accounts payable to underlying supporting documentation.
- The Registrant did not maintain effective controls over the accuracy of the amortization of its capitalized software development costs. Specifically, the Registrant did not have effective controls to accurately prepare and review inputs to a spreadsheet application used to calculate amortization expense related to capitalized software development costs.

The Registrant requested that PWC furnish it with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statements made by the Registrant in this Current Report on Form 8-K. A copy of PWC's letter to the Securities and Exchange Commission, dated April 6, 2006, is filed with this Current Report on Form 8-K and is attached hereto as Exhibit 16.1.

(a)(2) On April 4, 2006 the Audit Committee of the Registrant's Board of Directors appointed Ernst & Young LLP ("E&Y") as the Registrant's new independent registered public accounting firm to audit the Registrant's financial statements. During the Registrant's two most recent fiscal years ended October 31, 2005 and 2004 and through April 4, 2006, neither the Registrant nor anyone on its behalf consulted with E&Y regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Registrant's financial statements, and neither a written report nor oral advice was provided to the Registrant by E&Y that was an important factor considered by the Registrant in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).
