Item 1.01 Entry into a Material Definitive Agreement

Effective February 13, 2007, we entered into an agreement (the “LCI Agreement”) with Lumonall Canada Inc. (“LCI”), whereby LCI did agree to assign to us an exclusive license for the pigments and production of the foil used in the manufacturing of photo luminous material (“PLM”) (the “*Licensed Materials*”), including the exclusive rights to use the Intellectual Property Rights in the United States, to manufacture goods utilizing the Licensed Materials in North America, as well as to distribute all goods derived from the Licensed Materials in Canada to all non-governmental entities. The License shall be in effect for a perpetual license term, unless sooner terminated in accordance with the relevant provisions of the LCI Agreement, which terms are consistent with similar agreements of this type. As a result, our Board of Directors has elected to implement a new business plan to market and sell the products derived from this license in the aforesaid geographic locations. A copy of this agreement is attached hereto as Exhibit 10.6.

In exchange for this license, we have agreed to pay the following: (i) A sign royalty of \$2.00 (CN) per sign manufactured and sold by Licensee utilizing the Licensed Materials, not to exceed an aggregate of \$1,000,000 (CN); (ii) A non-sign royalty equal to 1% of all net sales of all non-sign photo luminous products manufactured and sold by Licensee utilizing the Licensed Materials. The term “net sales” is defined as gross revenues, minus returns and early paid discounts, but shall not include our cost of sales, operating expenses or general and administrative expense; and (iii) an additional royalty not to exceed \$500,000 (CN) from future profits derived by us, payable as 15% of earnings before interest, taxes, depreciation and amortization (“EBITDA”) and payable quarterly in arrears. As part of our obligation herein, we agreed to issue to LCI a \$100,000 (US) promissory note, which note shall be unsecured, non-interest bearing and repayable in four installment payments of \$25,000 per payment, due on or before May 31, 2007, August 31, 2007, November 30, 2007 and February 28, 2008. We have made the payment due May 31, 2007.

In addition, effective February 13, 2007, we entered into a Share Exchange Agreement with Prolink Holdings AS, a Norway corporation, (“Prolink”), wherein we acquired a 30% interest in Prolink Property Rights AS, a wholly owned subsidiary of Prolink in exchange for the issuance of 20,000,000 shares of our Common Stock.
