ABOUT THE ANNUAL MEETING

WHO IS SOLICITATING YOUR VOTE?

The Board of Directors of Bovie Medical Corporation ("Bovie") is soliciting your vote at the Annual Meeting of Bovie's common stockholders being held at 4:00 pm Eastern Time on November 6, 2008 at the Holiday Inn, 215 Sunnyside Boulevard, Plainview, New York, 11803 (Exit 46 off the Long Island Expressway).

WHAT WILL YOU BE VOTING ON?

Election of Bovie's Board of Directors and Ratification of Kingery & Crouse, PA, as Bovie's auditors for 2008.

HOW MANY VOTES DO YOU HAVE?

You will have one vote for every share of the Company's common stock you owned of record on September 22, 2008 (the Record Date).

HOW MANY VOTES CAN BE CAST BY ALL COMMON STOCKHOLDERS?

One vote for each of the Company's outstanding shares of common stock which were outstanding on the Record Date. The common stock will vote as a single class on all matters scheduled to be voted on at the Annual Meeting. There is no cumulative voting.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

A majority of the votes that can be cast, or a minimum of 8,107,739 votes must be present in person or by proxy in order to hold the meeting.

HOW MAY I VOTE MY SHARES?

You can vote either in person at the Annual Meeting or by proxy without attending the Annual Meeting. We urge you to vote by proxy even if you plan to attend the Annual Meeting; so that we will know as soon as possible that enough votes will be present for us to hold the meeting.

(a) How may I vote my shares in person at the meeting?

If your shares are registered directly in your name with our transfer agent, Manhattan Transfer Registrar Co., you are considered, with respect to those shares, the shareowner of record, and the proxy materials and proxy card are being sent directly to you by Bovie Medical Corp. As the shareowner of record, you have the right to vote in person at the meeting. If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and the proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you are also invited to attend the Annual Meeting. Since you are a beneficial owner and not the shareowner of record, you may not vote these shares in person at the meeting unless you obtain a "legal proxy" from the broker, trustee or nominee that holds your shares in its name, giving you the right to vote the shares at the meeting.

(b) How can I vote my shares without attending the meeting?

Whether you hold shares directly as a registered shareowner of record or beneficially in street name, you may vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your stockholder or nominee. In most cases, you will be able to do this by telephone, by using the internet or by mail. Please refer to summary instructions included with proxy materials and on your proxy card. For shares held in street name, the voting instruction card will be included by stockholder or nominee. If you have

telephone or internet access, you may submit your proxy by following the instructions with your proxy materials and on your proxy card. You may submit your proxy by mail by signing your proxy card or, for shares held in street name, by following the voting instructions with your proxy materials and on your proxy card. You may submit your proxy by mail by signing your proxy card or, for shares held in street name, by following the voting instruction card included by your stockbroker or nominee and mailing it in the enclosed, postage paid envelope. If you provide specific voting instructions, your shares will be voted as you have instructed.

CAN YOU CHANGE YOUR VOTE?

(a) Can a shareholder change his vote?

Yes. Any registered shareholder who voted by proxy or in person may change his or her vote at any time before recording the votes on the date of the Annual Meeting.

(b) How can I change my vote after I return my proxy card?

Provided you are the shareowner of record or have legal proxy from your nominee, you may revoke your proxy and change your vote at any time before the final vote at the meeting. You may do this by signing and submitting a new proxy card bearing a later date, or by attending the meeting and voting in person. Attending the meeting will not revoke your proxy unless you specifically request it.

WHAT IF YOU DO NOT VOTE FOR SOME OF THE MATTERS LISTED ON YOUR PROXY?

If you return a signed proxy without indicating your vote for some or all of the proposals, your shares will be voted "FOR" each of the proposals listed on the proxy for which you fail to vote.

WHAT IF YOU VOTE "ABSTAIN"?

A vote to "abstain" on any matter indicates that your shares will not be voted for such matter and will have the effect of a vote against the proposal.

CAN YOUR SHARES BE VOTED IF YOU DO NOT RETURN YOUR PROXY AND DO NOT ATTEND THE ANNUAL MEETING?

That depends upon whether the shares are registered in your name or your broker's name ("street name"). If you do not vote your shares held in street name, your broker can vote your shares on any of the matters scheduled to come before the meeting.

If you do not vote your shares held in your broker's name, or "street name", and your broker or its representative does not vote them, the votes will be broker non votes, which will have no effect on the vote for any matter scheduled to be considered at the Annual Meeting. If you fill out and sign the proxy card but give no direction, your shares will be voted "for" the proposals.

If you do not attend and vote your shares which are registered in your name or if you do not otherwise fill out the proxy card and vote by proxy, your shares will not be voted.

COULD OTHER MATTERS BE DECIDED AT THE ANNUAL MEETING?

We do not know of any other matters that will be considered at the Annual Meeting. If a stockholder proposal that was excluded from this proxy statement is otherwise properly brought before the meeting, we will vote the proxies against that proposal. If any other matters arise at the Annual Meeting, the proxies will be voted at the discretion of the proxy holders.

WHAT HAPPENS IF THE MEETING IS POSTPONED OR ADJOURNED?

Your proxy will still be valid and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is actually voted.

ANNUAL REPORT

The Company has included herewith a copy of its Annual Report for the fiscal year ended December 31, 2007 ("2007 Annual Report"). **Additional copies of the 2007 Annual Report may be obtained by stockholders without charge by writing to Andrew Makrides, President, at the Company's New York offices at 734 Walt Whitman Road, Melville, NY 11747. Any written request shall set forth a good faith representation that the person making the request is a beneficial owner of the securities of Bovie and entitled to vote as of September 22, 2008, the Record Date.**

Confidentiality

It is the Company's policy that all proxies, ballots and voting materials that identify the particular vote of a stockholder are kept confidential, except in the following circumstances:

§ to allow the election of an inspector appointed for our Annual Meeting to certify the results of the vote;

§ as necessary to meet applicable legal requirements, including the pursuit or defense of a judicial action;

§ where we conclude in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots, or votes, or as to the accuracy of the tabulation of such proxies, ballots, or votes;

§ where a stockholder expressly requests disclosure or has made a written comment on a proxy;

§ where contacting stockholders by us is necessary to obtain a quorum, the names of stockholders who have or have not voted (but not how they voted) may be disclosed to us by the election inspector appointed for the Annual Meeting;

§ aggregate vote totals may be disclosed to us from time to time and publicly announced at the meeting of stockholders at which they are relevant; and in the event of any solicitation of proxies with respect to any of our securities by a person other than us of which solicitation we have actual notice.

STOCK OWNERSHIP

We encourage stock ownership by our directors, officers and employees to align their interests with the interests of stockholders. Management also offers incentives and fosters stock ownership by all of its employees through stock option grants or restricted stock awards. Management further believes that this policy, which has in the past played a significant role in the progress of our company, will lead to further beneficial returns for its stockholders.

BOARD OF DIRECTORS

Director Selection

Bovie has a standing nominating committee, compensation committee and audit committee. Certain independent directors also act as members of the audit, compensation and nominating committees. All candidates for the office of director are initially considered by the nominating committee but are ultimately determined by the Board of Directors. The increasing participation of the members of the Board in matters relating to expansion of markets for Bovie's business, development of new technologies and allocation of resources, also considers their future participation in the nominating and compensation committees. Each member of the nominating committee participates in the consideration of potential director nominees and the committee then makes a recommendation to the Board of Directors. The Board of Directors consists of nine members, five of which qualify as independent directors as such

terms are defined under the rules of the American Stock Exchange.

The Board of Directors has adopted a policy for its nominating process. Given the size of our Company and its Board of Directors, certain independent directors sit on a number of committees. Presently, the Board considers candidates and especially skills and qualities of a potential director nominee with experience and expertise in the areas of finance, management and business as desirable qualities in a potential director nominee. The Board will consider nominees provided by a qualified security holder or holders representing at least 5% of Bovie's outstanding common stock, and that such shares were owned by the security holder making the nomination at least one year prior to the nomination. See Other Business elsewhere in this proxy statement.

Directors' compensation is determined by the Board of Directors. In the past directors have been compensated through option grants. The Board has established a compensation committee and it has a standing policy regarding compensation of members of the Board of Directors. In the past, the Board has granted directors stock options in order to assure that the directors are properly incentivized and have an opportunity for an ownership interest in common with other stockholders.

Our Board of Directors presently consists of Andrew Makrides, Chairman, CEO, and President, J. Robert Saron, George Kromer, Jr., Randy Rossi, Michael Norman, Brian Madden, August Lentricchia, Steve Livneh and Steve MacLaren. Prior to January 1, 2006, pursuant to a written agreement, Mr. Kromer was retained by Bovie as a business and public relations consultant on a month-to-month basis at the average monthly fee of \$2,000. On January 1, 2006 Mr. Kromer accepted an employment position of research analyst with the company.

In 2003, the Board of Directors adopted and shareholders approved Bovie's 2003 Executive and Employee Stock Option Plan covering a total of one million two hundred thousand (1,200,000) shares of common stock issuable upon exercise of options to be granted under the Plan. In 2005, the Board of Directors granted 25,000 restricted, nonqualified options to each Executive Officer and Director totaling 225,000 options to purchase a like number of shares of common stock.

On October 30, 2007, the Board of Directors adopted and shareholders approved an amendment to the 2003 Executive and Employee Stock Option Plan to increase the maximum aggregate number of shares of common stock reserved for issuance under the 2003 Plan from 1.2 Million shares (already reserved against outstanding options) to 1.7 Million shares, or an increase of 500,000 shares of common stock for future issuance pursuant to the terms of the Plan. Except for the increase in the number of shares covered by the Plan, the Plan remains otherwise unchanged from its present status. In 2007, the Board of Directors granted 137,500 options to purchase a like number of shares of common stock..

There have been no changes in the pricing of any options previously or currently awarded.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to us, we believe that during the year ended December 31, 2007 all officers, directors and ten percent beneficial owners who were subject to the provisions of Section 16(a) complied with all of the filing requirements during the year.

Certain Relationships and Related Transactions

In October 2006, Bovie Medical Corporation acquired certain assets of Lican Developments LTD (Lican), an Ontario, Canada Corporation for total consideration of \$1,125,685 (consisting of the following):

- Cash of \$350,000; \$150,000 of which was paid at inception. The remaining \$200,000 is being paid in \$50,000 installments in October 2007, October 2008, October 2009 and October 2010.

200,000 shares of our restricted common stock; 80,000 of which vested immediately, 40,000 of which vested in October 2006, 40,000 of which vested in October 2007 and 40,000 of which are to vest in October 2008

In addition, Lican is to receive an additional aggregate of 150,000 shares of our restricted common stock upon the achievement of the following milestones:

16

80,000 shares upon the receipt of certain FDA marketing clearances.

17,500 shares upon the Company attaining \$1,000,000 in net sales of the “Seal and Cut Product”

17,500 shares upon the Company attaining \$3,000,000 in net sales of the “Seal and Cut Product” 17,500 shares upon the Company attaining \$1,000,000 in net sales of the “Modullion Product”

17,500 shares upon the Company attaining \$3,000,000 in net sales of the “Modullion Product”

The assets acquired included proprietary patent pending technologies, working prototypes in various stages of development and production equipment. Lican is a product development and manufacturing company focused on endoscopic devices. Technologies in development included and currently include:

- Tip-On-Tube a disposable tip technology complementary to Bovie’s previously acquired and announced Modular Ergonomic Grip (MEG) forceps. Bovie acquired the MEG technology in January 2006.
- A new surgical handle platform called the Polarian. The Polarian handle supports a plurality of electrical and mechanical modes to be used in conjunction with disposable, Seal-N-Cut bipolar cartridges. This is an advanced entrant into the growing vessel and tissue sealing and cutting market.

Finally, Lican is to receive ongoing royalties ranging from 2.5% to 3% of sales of certain products, which royalties will be halved in certain instances if the founder of Lican (who is currently the President of Bovie Canada) fails to remain in the Company’s employ for at least five years. Because the cost of these royalties was not and is not determinable, they have not been included in the purchase price computations, and any such amounts paid under this arrangement will be reflected as an increase in the intangible asset in the year the royalty payments are made.

Alfred V Greco, a former director of our Company, is the principal of Alfred V. Greco, PLLC, which has been in the past, and is presently, counsel to our Company. Its partnership affiliation with Sierchio Greco & Greco, LLP has recently terminated and Alfred V. Greco, PLLC has been reappointed counsel to our Company. As a former partner of Sierchio Greco & Greco, LLP, Alfred V. Greco, PLLC received \$128,553, \$87,550 and \$80,400 in legal fees for the 2007, 2006 and 2005 respectively.

In November 2006, the Board of Directors, including all disinterested directors, approved 2-year extensions of the outstanding Employment Agreements of Messrs. Makrides, Citronowicz and Saron. Such extensions are historically consistent with prior pattern of extensions in past years.

A director, George Kromer, served as a consultant previous to his employment with us in 2006 and received consulting compensation of \$2,228 and \$22,906 for 2006 and 2005, respectively.

Two relatives of the chief operating officer of the Company are employed by the Company. Yechiel Tsitrinovich, an engineering consultant received compensation for 2007, 2006 and 2005 of \$85,926, \$79,776 and \$79,776 respectively. The other relative, Arik Zoran, is an employee of the Company in charge of the engineering department. He had an original two-year contract providing for a salary of \$90,000 per year plus living expenses and benefits which currently is subject to renewal on an annual basis. For 2007, 2006 and 2005 he was paid \$166,487, \$162,562 and \$157,045 respectively, which includes living expenses and benefits.

Audit Committee:

The Audit Committee has adopted a policy for the pre-approval of services provided by the independent auditors, pursuant to which it may pre-approve any service consistent with applicable law, rules and regulations. Under the policy, the Audit Committee may also delegate authority to pre-approve certain specified audit or permissible

non-audit services to one or more of its members. A member to whom pre-approval authority has been delegated must report his pre-approval decisions, if any, to the Audit Committee at its next meeting, and any such pre-approvals must specify clearly in writing the services and fees approved. Unless the Audit Committee determines otherwise, the term for any service pre-approved by a member to whom pre-approval authority has been delegated is twelve months.

The audit committee is presently made up of four members, Michael Norman, CPA, Brian Madden, August Lentricchia and Steve MacLaren, a recently appointed member of the Board of Directors and the Audit Committee. Mr. MacLaren is also on management's slate of proposed directors to be elected at this meeting.
