Subject: TechTeam Global Update

Dear TechTeam Customer,

As a highly valued client, I am sending you this note to inform you of an exciting development at our company. We just announced that we have entered into a definitive agreement to sell our U.S. government solutions subsidiary to Jacobs Engineering Group Inc.

This divestiture is a key element of our strategy to tightly focus on our core business of providing information technology outsourcing (ITO) and business process outsourcing (BPO) services to commercial customers globally. Having achieved a zero net debt position in 2009, the proceeds from this sale will provide us with additional financial strength and flexibility as we continue to progress our strategy to expand our capabilities and geographic coverage to meet the growing needs of our customers.

For more information, please see our press release.

We are available to discuss this news and our strategy with you at your convenience.

Best regards,

Gary J. Cotshott
