Such actions could include, among other things, selling additional Ordinary Shares, at any time (whether through open market transactions, privately negotiated transactions or otherwise). The Reporting Person could also determine to purchase Ordinary Shares, subject to applicable laws. Any such decision would be based on an assessment by the Reporting Person of a number of different factors, including, without limitation, the business, prospects and affairs of the Company, the market for the Ordinary Shares, the condition of the securities markets, general economic and industry conditions and other opportunities available to the Reporting Person.

Except as may be provided otherwise herein, the Reporting Person has no plans or proposals which relate to or would result in any of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D.
