General Instruction B to the General Instructions to Form 6-K:

#### The Royal Bank of Scotland Group plc - Interim Results for the half year ended 30 June 2009 - Amendment

Due to a clerical error, an incorrect version of the table analysing credit risk assets by industry sector was included on page 99 of the Interim Results announcement on

7 August 2009. This does not affect the income statement, balance sheet, cash flow statement or the Group's results.

The correct version of the table is shown below:-

# Credit risk

(continued)

Credit risk assets by industry and geography

(Core and Non-Core)

Industry analysis plays an important part in assessing potential concentration risk in the loan portfolio.

Heightened monitoring applies to industry sectors

where the Group believes there is a high degree of risk or potential for volatility in the future.
