#### Rationale for the Offers

Through tender offers for certain euro, pounds sterling, Singapore dollar, Swiss franc and U.S. dollar denominated senior unsecured securities, the Offeror intends to optimise its overall liability composition and mix and future interest expense with reference to the overall reduction in its balance sheet, while maintaining a prudent approach to liquidity.

The Offeror has today also invited holders of certain U.S. dollar denominated debt securities to tender those securities for purchase (the "U.S. Tender"). Only the Offers are being made pursuant to the Tender Offer Memorandum, which does not relate to the U.S. Tender.

#### Purchase Price and Accrued Interest Payment

The Offeror will pay a purchase price (the "Purchase Price") for Specified Purchase Price Securities that are validly tendered and accepted for purchase pursuant to the relevant Offer being an amount equal to the Specified Purchase Price for such Securities, as shown in the table above.

The Offeror will pay a Purchase Price for Fixed Spread Purchase Price Securities that are validly tendered and accepted for purchase pursuant to the Offers, being an amount determined in accordance with market convention in a manner as described in the Tender Offer Memorandum so as to result in a price as of the Settlement Date that reflects a yield to the maturity date for the relevant Series of Fixed Spread Purchase Price Securities (the "Purchase Yield") equal to the sum of:

- the applicable Reference Yield for such Series, as determined at or around 9:00 a.m. London time on 11 January 2013, as such time and date may be extended (the "Price Determination Time") and
- the applicable fixed spread shown in the table above (the "Fixed Spread") for such Series.

The Purchase Yield for each Series of Fixed Spread Purchase Price Securities will be expressed as a percentage. The amount of the Purchase Price per Calculation Amount for any Fixed Spread Purchase Price Securities of a Series accepted for purchase will, more specifically, equal (a) the value per applicable Calculation Amount of all remaining payments of principal and interest due to be made up to (and including) the scheduled maturity date of such Series, discounted to the Settlement Date at a discount rate equal to the relevant Purchase Yield, minus (b) Accrued Interest on the applicable Calculation Amount for such Fixed Spread Purchase Price Securities.

An amount equal to accrued and unpaid interest will also be paid as consideration in respect of all Securities validly tendered and accepted for purchase by the Offeror pursuant to the Offers from (and including) the immediately preceding interest payment date for the relevant Series of Securities to (but excluding) the Settlement Date (the "Accrued Interest Payment").

The calculation of the Purchase Price, the Purchase Yield and the Reference Yield for each Series of Fixed Spread Purchase Price Securities will be made by the Dealer Managers, and the calculation of the Accrued Interest Payment for each Series of Securities will be made by the Issuer, and all such calculations will be final and binding on the Holders, absent manifest error.

The total consideration payable to each Holder in respect of the Securities of each Series validly submitted for tender and accepted for purchase by the Offeror will be an amount in cash equal to (i) the aggregate of the Purchase Price for each Calculation Amount of the Securities of the relevant Series validly tendered and delivered by such Holder and accepted by the Offeror for purchase (rounded to the nearest €0.01, £0.01, S\$0.01 or SFr.0.01, as applicable (with €0.005, £0.005, S\$0.005 or SFr.0.005 being rounded upwards)), plus (ii) any Accrued Interest Payment payable in respect of such Securities.

All Securities purchased by the Offeror pursuant to the Offers will be immediately cancelled. Securities which have not been successfully submitted and accepted for purchase pursuant to the Offers will remain outstanding after the Settlement Date.

#### Offer Period and Results

The Offers commenced today, 3 January 2013, and will end at 4:00 p.m. (London time) on 10 January 2013 (the "Expiration Deadline"), unless extended, re-opened, amended or terminated as provided in the Tender Offer Memorandum.

The relevant deadline set by any Intermediary and each Clearing System will be earlier than this deadline.

As soon as reasonably practicable after the Price Determination Time, the Offeror expects to announce whether it will accept for purchase Securities of each or any Series validly tendered in the Offers and the aggregate principal amount (if any) of Securities of a Series so accepted for purchase. Payment of the relevant Purchase Price and any applicable Accrued Interest Payment is expected to take place on 15 January 2013.

In order to be eligible to receive the relevant Purchase Price and Accrued Interest Payment (if any), holders of Securities must validly tender their Securities by the Expiration Deadline, by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction (as more fully described in the Tender Offer Memorandum) that is received by the Tender Agent by the Expiration Deadline. Tender Instructions must be submitted in respect of a minimum principal amount of Securities of no less than the relevant Minimum Denomination for such Securities as

set out in the Tender Offer Memorandum.

Tender Instructions will be irrevocable except in the limited circumstances described in the Tender Offer Memorandum. A separate Tender Instruction must be completed by each beneficial owner and in respect of each Series of Securities that are tendered.

Announcements in connection with the Offers will be made by the issue of a press release through RNS, the relevant Reuters Insider Screen, a Notifying News Service, by the delivery of notices to the relevant Clearing Systems for communication to Direct Participants, by delivery of any required Stock Exchange Notice and by publication on the website [www.rbs.com](http://www.rbs.com).
