Item 1.01. Entry into a Material Definitive Agreement

On September 14, 2004 we executed a five year \$100,000,000 Revolving Credit Agreement with various financial institutions and LaSalle Bank National Association as administrative agent and arranger.

Borrowings under the agreement will bear interest based upon LIBOR rates, the Federal Funds Rate or the Prime Rate. Under our current capital structure, borrowings under the agreement will bear interest at LIBOR plus 1%. This rate may change under differing capital structures over the life of the agreement. The agreement is secured by the common stock and membership interests of our subsidiaries. The agreement contains non-financial and financial covenants, including requirements of minimum fixed charge coverage ratios, minimum debt-to-EBITDA ratios and minimum tangible net worth. The agreement will expire on September 14, 2009 or on an earlier date in the instance of a default as defined in the agreement. As of September 16, 2004, no funds had been drawn under the agreement.

Item 1.02. Termination of a Material Definitive Agreement

On September 14, 2004, in connection with our entering into the agreement discussed under Item 1.01, we terminated our existing loan agreement with LaSalle Bank National Association, dated May 1, 2002, as amended, which had provided us with a \$50,000,000 revolving line of credit facility.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-balance Sheet Arrangement of a Registrant

The information required by this item is included under Item 1.01.
