Item 1.01. Entry into a Material Definitive Agreement

On September 28, 2004 we entered into a definitive agreement with Swope Community Enterprises to purchase two health plan entities serving 136,000 members. FirstGuard Inc.'s subsidiary, FirstGuard Health Plan Kansas, serves over 94,000 Medicaid and CHIP members throughout the state of Kansas, and FirstGuard Health Plan, Inc. serves 42,000 Medicaid members in Missouri (collectively, FirstGuard). This agreement marks our entry into two additional Medicaid mandated states.

Under the terms of the agreement, we will pay approximately \$93 million in cash for all of the issued and outstanding capital stock of FirstGuard. The consideration will be sourced from a combination of cash and our \$100 million revolving credit agreement.

The acquisition is expected to close by the first quarter of 2005; however, the closing is subject to regulatory approvals and other closing conditions. These closing conditions, among other, include:

Regulatory approvals;

The signing of a long-term provider agreement between FirstGuard and Swope Health Services, a Federally Qualified Health Center, to serve the Missouri market; and

The confirmation that FirstGuard has a minimum statutory net worth of \$6 million at the time of closing of this transaction.

At the closing, approximately \$17 million of the purchase price will be placed in escrow and will be held for 18 months from the date of the agreement. Additionally, Swope Community Enterprises has agreed to not compete in Medicaid and Medicaid-related businesses for five years.
