**Item 8.01. Other Events**

On April 23, 2004, Saul Centers, Inc. (the Company) acquired the 197,000 square foot Safeway-anchored Briggs Chaney Plaza shopping center located in Silver Spring, Maryland. The center, constructed in 1983, is 93% leased and was acquired for a purchase price of \$27.3 million. The Company has substantially completed interior construction to reconfigure a portion of the vacant space totaling approximately 11,000 square feet and is completing plans for a substantial façade renovation of the shopping center. The façade renovation is projected to be substantially completed in mid 2005. The initial purchase price of this acquisition exceeded 5% of the Company's total assets as of December 31, 2003. The Company previously filed a Form 8-K, dated May 7, 2004, reporting the acquisition of two shopping centers, both purchased in February 2004, where the aggregate purchase price of the properties exceeded 10% of the Company's total assets as of December 31, 2003.

The April 2004 acquisition was made pursuant to an acquisition agreement, the seller of which was unrelated to the Company. The purchase price of the property was funded from the Company's line of credit and cash on hand. In acquiring the property, the Company evaluated the following factors:

the location and accessibility of the property;

the geographic area and demographic characteristics of the surrounding community, as well as the local real estate market, including potential for growth and potential regulatory impediments to development;

the size of the property;

the purchase price;

the non-financial terms of the acquisition;

the availability of funds or other consideration for the acquisition and the costs thereof;

the fit of the property with the Company's existing portfolio;

the potential for any environmental problems;

the current and historical occupancy rates of the property as well as comparable and competing properties in the same market;

the quality of construction and design and the current physical condition of the property;

the financial and other characteristics (including market share) of the anchor tenants and the terms of existing anchor leases; and

the potential for capital appreciation.

Edgar Filing: SAUL CENTERS INC - Form 8-K

The Company is not aware of any material factors relating to the property other than those discussed above that would cause the financial information included in Item 9.01 below not to be necessarily indicative of future operating results.

**Notes to Statement of Revenues Over Certain Operating Expenses**

**For the year ended December 31, 2003 and the three months ended March 31, 2004 (unaudited)**

**1. Description of real property acquired**

On April 23, 2004 Saul Centers, Inc. (the Company) acquired the 197,000 square foot, Safeway-anchored, Briggs Chaney Plaza shopping center (the Property) located in Silver Spring, Maryland for a purchase price of \$27.3 million. The center was constructed in 1983 and was 93% leased at the date of the acquisition. The Company is organized as a real estate investment trust and engages in ownership operation, management, leasing, acquisition, renovation, expansion, development and financing of community and neighborhood shopping centers and office properties primarily in the Washington, D.C./Baltimore metropolitan area.

**2. Basis of presentation**

The accompanying statement of revenues over certain operating expenses is prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the statement excludes certain historical expenses that are not comparable to the proposed future operations of the property such as amortization, interest, depreciation and corporate expenses. Therefore, the statement will not be comparable to the statement of operations of Acquiport Briggs Chaney, Inc. (the Seller) after the Property's acquisition by the Company.

**3. Significant accounting policies**

**Rental revenues**

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of recognized rental income over amounts due pursuant to lease terms is recorded as straight-line rent receivable. The impact of the straight-line adjustment decreased revenue by approximately \$41,000 for the year ended December 31, 2003 and approximately \$15,000 for the three months ended March 31, 2004 (unaudited).

Recoveries from tenants for real estate taxes and other operating expenses are recognized as revenue in the period the applicable costs are incurred.

**Repairs and maintenance**

Expenditures for ordinary maintenance and repairs are expensed to operations as they are incurred. Significant renovations and improvements, which extend the useful life of the underlying assets, are capitalized.

**Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**4. Leasing arrangements**

The retail space in the property is leased to tenants under leases with terms that vary in length and conditions. Most leases contain operating expense and real estate tax recovery clauses and certain leases contain renewal options. The Seller's interest in all lease agreements was assigned to the Company upon its acquisition of the property.

**Briggs Chaney Plaza**

**Notes to Statement of Revenues Over Certain Operating Expenses**

**For the year ended December 31, 2003 and the three months ended March 31, 2004 (unaudited)**

**5. Future minimum rental commitments**

Future minimum gross rental commitments under non-cancellable operating leases at December 31, 2003 are as follows:

2004	\$ 2,728,000
2005	2,352,000
2006	2,076,000
2007	1,780,000
2008	1,089,000
Thereafter	5,224,000
	<hr/>
	\$ 15,249,000
	<hr/>

**6. Related party transactions**

The Property is managed by RREEF, a related party to the owner of the Property. Management fees charged to operate the Property were approximately \$88,000 for the year ended December 31, 2003 and approximately \$26,000 for the three months ended March 31, 2004 (unaudited).

**7. Unaudited interim statement**

The statement of revenues over certain operating expenses for the three months ended March 31, 2004 is unaudited. In the opinion of management all significant adjustments for a fair presentation of the statement of revenues over certain operating expenses have been included. The results of operations for the interim period are not necessarily indicative of the results to be expected for a full year of operations for the property.

**Saul Centers, Inc.**

**Unaudited Pro Forma Condensed Consolidated Balance Sheet and  
Condensed Consolidated Statement of Operations**

The unaudited pro forma condensed consolidated balance sheet as of March 31, 2004 presents consolidated information as if the April 2004 acquisition of Briggs Chaney Plaza had taken place on March 31, 2004. The unaudited pro forma condensed consolidated statement of operations for the three months ended March 31, 2004 and the year ended December 31, 2003 present pro forma results of operations as if the acquisition had taken place as of the beginning of the reporting period.

The Company purchased Briggs Chaney Plaza on April 23, 2004.

The unaudited consolidated pro forma financial information is not necessarily indicative of what the Company's actual results of operations or financial position would have been had these transactions been consummated on the dates indicated, nor does it purport to represent the Company's results of operations or financial position for any future period. The pro forma results of operations for the periods ended March 31, 2004 and December 31, 2003 are not necessarily indicative of the actual operating results for those periods.

The unaudited consolidated pro forma financial statements should be read in conjunction with the Company's consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, Form 10-Q for the three months ended March 31, 2004 and the Statements of Revenues Over Certain Expenses and Notes included elsewhere in this Form 8-K. In management's opinion, all adjustments necessary to reflect these transactions have been made.
