Item 2.02. Results of Operations and Financial Condition.

On April 28, 2005, the registrant announced its earnings results for the quarter ended March 31, 2005. A copy of the press release issued by the registrant regarding the foregoing is filed herewith as Exhibit 99.1 and is incorporated herein by reference.

In addition, on April 28, 2005, the registrant's management team hosted a conference call to discuss the earnings press release. A transcript of the call (excluding the question and answer portion of the call) is filed herewith as Exhibit 99.2 and is incorporated herein by reference.

During the question and answer portion of the call, the registrant's management team disclosed that the high end of the registrant's guidance for non-advertising revenue of US\$ 9.0 million consists of US\$ 6.5 million from wireless revenue, US\$ 1.0 million from online games revenue and US\$ 1.5 million from e-commerce revenue. Management further disclosed that it had 88,000 retail clients for its paid search service, up from 84,000 retail clients in the fourth quarter of 2004. Management further disclosed that it expects the registrant's 2.5 Generation wireless value-added services, which contributed one-third of the registrant's total wireless revenues in the first quarter of 2005, to contribute half of its total wireless revenues in the fourth quarter of 2005.

**Safe Harbor Statement**

This current report on 8-K contains forward-looking statements. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. These statements are based on current plans, estimates and projections, and therefore you should not place undue reliance on them.

Forward-looking statements involve inherent risks and uncertainties. We caution you that a number of important factors could cause actual results to differ materially from those contained in any forward-looking statement.

Potential risks and uncertainties include, but are not limited to, our historical and possible future losses, limited operating history, uncertain regulatory landscape in the People's Republic of China, fluctuations in quarterly operating results, and the company's reliance on online advertising sales, wireless services (most wireless revenues are collected from a few mobile telecom operators), online games and e-commerce for its revenues. Further information regarding these and other risks is included in our Annual Report on Form 10-K for the year ended December 31, 2004, and in our other filings with the Securities and Exchange Commission.
