Annual Incentive Plans

Fiscal 2006. On February 8, 2006, Triad Hospitals, Inc. (the "Company") adopted the Triad Hospitals, Inc. 2006 Annual Incentive Plan (the "2006 Plan") to encourage superior performance and to assist the Company in attracting, retaining and motivating key personnel. The 2006 Plan provides for objective, performance-based annual cash bonus awards for eligible employees, including the Company's executive officers, subject to a maximum limit. The Compensation Committee of the Board of Directors of the Company (the "Compensation Committee"), which administers the 2006 Plan, will determine the employees eligible to participate in the 2006 Plan.

Amounts payable under the 2006 Plan will be based on the Company's achievement of specific performance criteria. Bonus awards under the 2006 Plan will be paid to plan participants if the Company achieves at least 98% of a specified earnings per share ("EPS") target for fiscal 2006, which target has been set by the Compensation Committee. Bonus awards for corporate participants will consist of a base bonus, calculated using a predetermined percentage of a participant's salary, and a supplemental bonus, calculated using the amount by which the Company's actual EPS exceed the target EPS. Bonus awards for division participants will consist of a base bonus, calculated using a predetermined percentage of base salary, and a supplemental bonus. The supplemental bonus for division participants will be calculated using either (i) the amount by which the division's actual earnings before interest, taxes, depreciation and amortization ("EBITDA") exceed a specified EBITDA target, which amount is subject to decrease if the division does not meet additional specified EBITDA, margin and cash accounts receivable targets; or, if greater (ii) the supplemental bonus calculation used for corporate participants. Bonus awards for both corporate and division participants are subject to decrease if specified systemwide quality and patient financial services performance goals are not met. The maximum amount payable to any corporate and division participant under the 2006 Plan is 150% of the participant's base bonus amount, which will be paid if the Company's actual EPS for fiscal 2006 meet or exceed 107.5% of its target EPS.

Awards under the 2006 Plan will be payable as soon as practical following the end of fiscal year 2006. In the event a participant's employment with the Company is terminated prior to the payment of an award under the 2006 Plan by any reason other than retirement, total and permanent disability or death, the participant will forfeit any right to receive an award. The Compensation Committee will have the final authority with respect to all awards made under the 2006 Plan and may consider recommendations to adjust performance criteria retroactively so as to avoid unwarranted penalties or unearned windfalls.

Fiscal 2005. On February 8, 2006, the Compensation Committee approved fiscal 2005 annual cash bonus awards for the Company's chief executive officer ("CEO"), and each of the Company's four other most highly compensated executive officers, based on salary and bonus earned during fiscal 2005 (together with the CEO, the "Named Executive Officers"). The bonus awards were approved following an assessment of the Company's performance against its earnings per share target for 2005. The awards were made pursuant to the terms of the Triad Hospitals, Inc. 2005 Annual Incentive Plan (the "2005 Plan"), which was previously filed as Exhibit 10.1 to the Company's current report on Form 8-K, dated February 3, 2005.
