The foregoing forward-looking statements and other information relating to MUFG (such statements and information are hereafter referred to as the "Forward-Looking Statements") are not historical facts and include, reflect or are otherwise based upon, among other things, MUFG's current projections, views, policies, business strategies, targets, expectations, assumptions and evaluations with respect to general economic conditions, the result of operations, financial condition, its management in general and other future events.

Some Forward-Looking Statements represent targets that MUFG's management will strive to achieve through the successful implementation of the MUFG's business strategies. Accordingly, they are inherently susceptible to uncertainties, risks and change in circumstances and are not guarantees of future performance. The company may not be successful in implementing its business strategy, and actual results may differ materially, for a wide range of possible reasons. Our actual results may differ materially due to factors such as adverse changes in interest rates, equity prices and economic conditions, as well as increased competition and adverse regulatory developments or changes in relevant laws, government policies or economic controls. For a detailed discussion of these and other factors, please see MUFG's latest annual report or other publicly available disclosures.

In light of the many risks, uncertainties and possible changes, you are advised not to put undue reliance on the Forward-Looking Statements. MUFG is under no obligation and expressly disclaim any obligation to update or alter the Forward-Looking Statements, except as may be required by any applicable laws and regulations or stock exchange rules.
