CUSIP No. 38068N108

Item 2(d). Criminal Proceedings.

During the last five years, neither the Filing Parties (or a controlling entity thereof) nor any executive officer or director of the Filing Parties (or a controlling entity thereof) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

Item 2(e). Civil Securities Law Proceedings.

During the last five years, neither the Filing Parties (or a controlling entity thereof) nor any executive officer or director of any of the Filing Parties (or a controlling entity thereof) has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

Each of the filing parties used working capital to fund their purchases of shares of Common Stock.

Item 4. Purpose of Transaction

The Filing Parties continue to own a total of 2,153,575 shares, or 5.50% of the Company s total outstanding Common Stock The Filing Parties do not own any of the Company s warrants.

The Filing Parties intend to vote against any proposal to extend the life of the Company s 2,680,500 warrants that had an original expiration date of November 6, 2006.

It is the Filing Parties opinion that the intrinsic value of the Company s Common Stock is significantly higher than the proposed new exercise price of the warrants of C\$6.55 (or US\$5.55 at an exchange rate of C\$1.18=US\$1.00). For this reason, the Filing Parties believe that the exercise of the warrants would dilute the value of the Company s Common Stock. It is the Filing Parties opinion that extending the life of the warrants, which expired last November, and allowing them to be exercised at a price below intrinsic value per share would represent a direct transfer of value from the Common Stock to the warrants for which the Company and the holders of the Common Stock are receiving nothing in return. For this reason, the Filing Parties believe strongly that the extension of the life of the warrants is not in the best interests of the holders of the Company s Common Stock.
