**INFORMATION TO BE INCLUDED IN THE REPORT**

**Item 8.01. Other Events.**

On April 30, 2007, during its webcast conference call discussing first quarter results, DaVita Inc. (the Company) stated that its 2007 operating income is projected to be in the range of \$740-\$780 million. The Company's previous guidance was for operating income to be in the range of \$700-\$760 million. The Company also stated that while it is too early to estimate, it looks like 2008 operating income will be in the same range as the Company's current guidance for 2007 reflecting the fact that the Company expects some private rate compression, but cannot with any confidence predict when it will happen as the Company proceeds through the next 24 months. A replay of the Company's conference call discussing first quarter results, which includes the Company's full comments regarding these statements, is available via the Company's website at [www.davita.com](http://www.davita.com).

The information contained in this Form 8-K is being furnished and shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section and shall not be incorporated by reference in any filing under the Securities Act of 1933, as amended or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
