The Receivables Facility terminates upon the earlier of (i) the second anniversary of the Closing Date, unless the term is extended for subsequent one-year terms with the prior written consent of the Banks, and (ii) the occurrence of a termination event. The Receivables Purchase Agreement contains customary termination events, including, among other things, the failure to make timely payments or deposits under the Receivables Facility, the breach of covenants, and the occurrence and continuance of events of default under the Company's senior revolving credit facility.
