PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS

MAY 11, 2009

The Board of Directors of Tasty Baking Company (Tasty) is providing the enclosed proxy materials to you in connection with its solicitation of proxies to be voted at the 2009 Annual Meeting of Shareholders (the Annual Meeting) and any adjournment, postponement or continuation of the Annual Meeting. The Annual Meeting will be held at 11:00 a.m. on Monday, May 11, 2009, at The Union League of Philadelphia, 140 South Broad Street, Philadelphia, Pennsylvania 19102. When Tasty asks for your proxy, it must provide you with a proxy statement that contains certain information specified by law.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why did you send me this proxy statement?

Tasty sent you this proxy statement and the enclosed proxy card because you are a Tasty shareholder and Tasty's Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting. This proxy statement includes information about the issues to be voted upon at the Annual Meeting.

This proxy statement is being mailed on or about April 6, 2009 to all shareholders of record at the close of business on March 13, 2009. On this record date, there were 8,551,146 shares of Tasty common stock outstanding and entitled to vote.

The expense of this solicitation, including the cost of preparing, assembling and mailing the Notice of Annual Meeting, Proxy Card and Proxy Statement, will be borne by Tasty. In addition to the solicitation of proxies by use of the mails, some of the officers and regular employees of Tasty, without extra remuneration, may solicit proxies personally, by telephone or otherwise. In addition, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy cards and proxy materials to their principals, and Tasty will reimburse them for their expenses in forwarding these materials.

How many votes do I have?

Each share of Tasty common stock that you own entitles you to one vote, except that cumulative voting rights may be exercised with respect to the election of directors.

What is cumulative voting?

Cumulative voting means that you may multiply the number of shares you are entitled to vote by the total number of directors to be elected (3) to determine the total number of votes you may cast for the election of directors. You may then distribute the total number of votes among one or more nominees in the proportion you desire. For example, if the election is for 3 directors and you hold 500 shares, you could choose to vote all

Edgar Filing: TASTY BAKING CO - Form DEF 14A

1,500 votes for one nominee, or 1,000 for one nominee and 250 each for two other nominees, or otherwise divide your votes in any other manner you desire.

Table of Contents

The proxies will have the discretionary authority to vote cumulatively and to distribute votes among the nominees so as to assure the election of the nominees to the Board of Directors, except for nominees as to whom a shareholder withholds authority to vote and except where a shareholder has directed that votes be cast cumulatively by specific instructions to the proxies.

How do I vote?

You can vote by completing, signing, dating and mailing the enclosed proxy card in the envelope provided. When a proxy is returned properly, the shares represented by the proxy will be voted in accordance with your instructions. You are urged to specify your choice by marking the appropriate boxes on the enclosed proxy card. If a proxy card is dated, signed and returned without specifying choices, the shares will be voted as recommended by the proxies listed on the proxy card.

You may also come to the Annual Meeting and cast your vote there. Please bring the admission ticket that can be found on the back cover of this proxy statement. If your shares are held in the name of your broker, bank or other nominee and you wish to vote at the Annual Meeting, you must bring a legal proxy from the record holder of your shares indicating that you were the beneficial owner of the shares on March 13, 2009, the record date for voting, and that you have a right to vote your shares.

May I revoke my vote after I have sent in my proxy?

You may revoke your proxy after it has been submitted by notifying the Corporate Secretary in writing at Tasty's principal executive offices or at the Annual Meeting any time before it is voted.

How will my vote be counted?

Proxies marked as abstaining (including proxies containing broker non-votes) on any matter to be acted upon by shareholders will be treated as present at the meeting for purposes of determining a quorum, but will not be counted as votes cast on such matters. Under the Pennsylvania Business Corporation Law of 1988, as amended, and Tasty's Amended and Restated By-Laws, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast on a particular matter constitutes a quorum to take action at a shareholders' meeting. Shares which are present, or represented by a proxy, will be counted for quorum purposes regardless of whether the holder of the shares or proxy fails to vote on a matter (Abstentions) or whether a broker or nominee holding shares for a beneficial owner does not vote on a matter because the beneficial owner has not provided voting instructions and the broker does not have discretionary authority to vote shares on the matter (Broker Non-Votes).

What vote is required to pass the proposals?

Election of Directors (Proposal 1) - The 3 director nominees receiving the highest number of votes cast (up to number to be elected) will be elected.

Other Proposals (including Proposal 2) - For any other proposal, the affirmative vote of at least a majority of the votes cast on the proposal by all shareholders entitled to vote thereon is required to approve the proposal, unless a proposal other than Proposal 2 is properly presented at the Annual Meeting which requires a different vote pursuant to applicable law or Tasty's Amended and Restated Articles of Incorporation or Amended and Restated By-Laws.

For purposes of determining the number of votes cast at the Annual Meeting, only those votes cast FOR, AGAINST or, in the case of the election of directors, WITHHOLD, will be counted in determining whether a proposal is approved or a director is elected. Abstentions and Broker Non-Votes will not be counted as votes cast and, as a consequence, Abstentions and Broker Non-Votes will have no effect on the adoption of a proposal or the election of a director.

CORPORATE GOVERNANCE

Code of Business Conduct

Each of Tasty's directors, officers and employees are required to comply with its Code of Business Conduct. The Code of Business Conduct sets forth policies covering a broad range of subjects and requires strict adherence to laws and regulations applicable to Tasty's business. The Code of Business Conduct is available on Tasty's website at www.tastykake.com, under the Investors, Corporate Governance headings. A copy of Tasty's Code of Business Conduct may also be obtained, without charge, by any shareholder upon written request directed to the Corporate Secretary of Tasty at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129. Tasty will post to its website any amendments to the Code of Business Conduct, or waiver from its provisions for principal executive officers or directors, under the Investors, Corporate Governance headings.

Corporate Governance Guidelines

The Board of Directors has adopted the Tasty Baking Company Corporate Governance Guidelines which outline:

- the responsibilities of the Board of Directors;
- director selection criteria and procedures;
- board composition criteria; and
- various policies and procedures designed to ensure effective governance.

These Guidelines are reviewed annually by the Nominating and Corporate Governance Committee to determine effective compliance and implementation and may be revised from time to time. The Corporate Governance Guidelines are available on Tasty's website at www.tastykake.com, under the Investors, Corporate Governance headings, or upon written request directed to the Corporate Secretary of Tasty at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129.

Director Independence

The Board reviews the independence requirements under the listing standards of the NASDAQ Stock Market (NASDAQ Listing Standards) to assist it in determining whether a director is independent. The Board has determined that, except for Charles P. Pizzi, President and Chief Executive Officer of Tasty, each of the directors, including those up for re-election at the 2009 Annual Meeting of Shareholders, is independent under these NASDAQ Listing Standards. This determination is based upon the Board's opinion that none of the independent directors has a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Notwithstanding this determination required of the Board, the NASDAQ Listing Standards, as in effect at the time of the Board's determination, also prohibit a finding of director independence if certain relationships exist, such as:

- the director accepted any compensation from Tasty in excess of \$120,000 during any period of 12 consecutive months within the prior 3 years, other than certain payments such as (i) compensation for board or committee service, and (ii) benefits under a tax-qualified retirement plan, or non-discretionary compensation; or
- a director who is a partner in, or a controlling shareholder or an executive officer of, any organization to which Tasty made, or from which Tasty received, payments for property or services in the current or any of the past 3 fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more.

Table of Contents

In the course of the Board's determination regarding the independence of each non-management director, it considered the following transactions, relationships and arrangements between the director and Tasty, all of which were determined to be immaterial and below the NASDAQ Listing Standards:

Mr. Kozich: The annual amount of sales to Tasty by a company where he serves as a director was below 5% of that company's annual gross revenues in each of the last 3 years;

Mr. Ksansnak: The annual amount of purchases from Tasty made by a company where he serves as a director was below 5% of Tasty's annual gross revenues in each of the last 3 years; and

Ms. von Seldeneck: (1) She serves as a director of a financial institution that is one of the financial institutions providing credit to Tasty, and (2) Tasty's loans from this financial institution are below 1% of the financial institution's total assets and the interest from the loans represent less than 5% of the financial institution's annual gross revenues in each of the last 3 years.

Executive Sessions

The Board of Directors meets at least twice annually in an executive session of the independent directors of the Board. Mr. Ksansnak, the independent Chairman of the Board, presides over the executive sessions of the independent directors.

Nomination Process and Qualifications for Director Nominees

The Nominating and Corporate Governance Committee has established certain procedures and criteria for the selection of nominees for election to the Board of Directors. The Committee determines, and reviews with the Board on an annual basis, the desired skills and characteristics for directors as well as the composition of the Board as a whole. Nominees should satisfy at a minimum the following criteria in order to qualify for consideration to serve on the Board of Directors:

possess the highest personal and professional ethics, integrity and judgment;
have the ability and willingness to commit the necessary time and energy to prepare for, attend and participate in the meetings of the Board and one or more of its standing committees;
have relevant background and experience that complement the background and experience of the other directors;
have a proven record of competence and accomplishment through demonstrated leadership in a profession, business, education or government service as a director, chief executive officer or senior management executive, including financial, accounting, legal, sales, marketing, supply chain and other relevant experience, that will enhance the perspective and effectiveness of the Board, including perspectives resulting from diversity in the experience and background of such nominee;
be a shareholder or be willing to become a shareholder of Tasty; and
have the willingness and ability to represent the interests of all shareholders rather than any special interest or constituency while keeping in perspective the interests of Tasty's employees, customers, local communities and other constituencies.

Table of Contents

If nominations are required for election at an annual meeting of shareholders, the Committee will first consider the nomination of the current directors whose terms are expiring, including their past performance on the Board along with the criteria set forth above, in determining whether to nominate them for re-election. In connection with nominations for elections at annual meetings of shareholders (or special meetings called for the purpose of electing directors of the Board) or to fill vacancies on the Board, the Committee may solicit the current members of the Board for the names of potentially qualified candidates. In addition, the Committee may ask the directors to pursue their own business contacts for the names of potentially qualified candidates. The Committee may also retain director search firms as it determines necessary in its own discretion.

For elections at annual or special meetings, the Committee will also consider director candidates recommended by shareholders in the same manner in which the Committee would evaluate director nominees recommended through the process described above; provided that the following requirements are met:

the shareholder provides documentation evidencing his or her ownership interest in Tasty;

the recommended individual meets the criteria set forth above;

the shareholder recommendation provides at a minimum the following comprehensive written information relating to the recommended individual:

- o business experience and background, including but not limited to, his or her complete name, age, address, principal occupations, directorships, positions and offices held, name and principal business of any corporation or other organization in which such positions were held;
- o affiliation with Tasty;
- o family relationships with any director, executive officer or other nominee, and any arrangements or understandings between him or her and any other person pursuant to which he or she was recommended as a nominee for director; and
- o the same information as required by Tasty's Amended and Restated By-laws with regard to director nominations made by shareholders; and

the shareholder provides notice of the recommendation in the manner and within the timeframes set forth in Tasty's Amended and Restated By-laws with regard to director nominations made by shareholders.

The Committee will consider the potential pool of director candidates derived from the foregoing process, select the candidates to fill the director seats based on their background, experience and qualifications and the need of the Board and its committees, including but not limited to, the need for independent directors as defined in the listing standards of the NASDAQ Stock Market. This evaluation will include a review by the full Committee of each nominee's background, experience, qualifications and other relevant characteristics, taking into consideration the director qualifications set forth in Tasty's Corporate Governance Guidelines and any potential conflict of interest as set forth in Tasty's Code of Business Conduct. The Committee will then conduct personal interviews and a thorough investigation of the proposed candidate's background to ensure there is nothing that would disqualify the candidate from serving as a director of Tasty. Those candidates who are selected for nomination by the Committee and pass the background investigation shall be recommended to the full Board for approval.

Communicating with Directors

Shareholders who wish to communicate with the Board of Directors, the non-management directors or an individual director may do so by sending a letter to the Corporate Secretary of Tasty at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Shareholder-Board Communication. The Corporate Secretary has been authorized to screen commercial solicitations and materials which pose security risks, are unrelated to the business or governance of Tasty, or are otherwise inappropriate. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all or individual members of the Board. The Corporate Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Compensation Committee:

Members: Ms. von Seldeneck (Chair); Mr. Kozich; Mr. Ksansnak; and Mr. Nevels

During fiscal year 2008, the Compensation Committee held 4 meetings. The Compensation Committee is composed entirely of outside directors within the meaning of the regulations of Section 162(m) of the Internal Revenue Code of 1986, as amended, non-employee directors under SEC Rule 16b-3 and independent directors as affirmatively determined by the Board of Directors pursuant to the applicable NASDAQ Listing Standards.

The Compensation Committee's responsibilities, discussed in detail in the charter, include, among other duties, the responsibility to:

- review and recommend to the Board the base salary, incentive compensation and any other compensation for Tasty's executive officers;
- evaluate the CEO's performance;
- review and recommend to the Board compensation, equity-based plans and benefit programs for non-employee directors;

Table of Contents

monitor Tasty's cash bonus and equity based compensation plans, retirement and welfare plans and discharge the duties imposed on the Compensation Committee by the terms of those plans; and perform other functions or duties deemed appropriate by the Board.

Compensation decisions for the Chief Executive Officer and all other executive officers are reviewed and approved by the Compensation Committee, subject to ratification by the Board of Directors. The Compensation Committee may delegate authority to a subcommittee under its charter. The Compensation Committee relies upon Tasty's executive officers and outside compensation consultants in order to assist the Compensation Committee in performing its duties.

The Compensation Committee has authority under its charter to retain, approve fees for and terminate consulting firms, independent counsel or other advisors. In this regard, the Compensation Committee has engaged Towers, Perrin, Forster & Crosby, Inc. (Towers Perrin), a nationally recognized compensation consulting firm, to assist it in making compensation decisions. In addition to providing competitive information on all elements of executive compensation from a compensation survey, Towers Perrin also offers the Compensation Committee with information on compensation trends and alternatives to consider when making compensation decisions.

With regard to director compensation, the Compensation Committee is responsible for reviewing and recommending to the Board compensation, equity-based plans and benefit programs for the non-employee directors. In 2007 the Compensation Committee retained Towers Perrin to review Tasty's director compensation and to provide the Compensation Committee with information regarding director compensation at comparable companies in order to identify market practices. The Compensation Committee did not engage Towers Perrin to review director compensation in 2008.

With regard to the compensation of executive officers other than the Chief Executive Officer, the Compensation Committee will review and consider the recommendation of Tasty's Chief Executive Officer as to the form and amount of compensation. The Chief Executive Officer generally obtains the assistance of Tasty management and Towers Perrin in formulating these recommendations.

The agenda for meetings of the Compensation Committee is determined by its Chair with the assistance of Tasty management. The Chair will generally coordinate with management and/or Towers Perrin prior to meetings to obtain their assistance as described above, including the preparation and distribution of materials for review by the members of the Compensation Committee. At meetings of the Compensation Committee, the Compensation Committee usually conducts a portion of the meeting in executive session. The Compensation Committee's Chair reports the Compensation Committee's recommendations on executive compensation to the Board.

COMPENSATION OF DIRECTORS

During fiscal year 2008, Tasty paid the following amounts to non-employee directors, which were prorated as appropriate:

\$1,000 for each Board and committee meeting attended by a non-employee director;
an annual cash retainer fee of \$15,000 to non-employee directors and the additional annual retainer fees set forth below;
\$16,000 of equivalent value Deferred Stock Units (DSUs) that were credited in \$4,000 increments on the last day of each quarter, provided the director was a director on the last day of such quarter. The number of DSUs that were credited for the quarter were determined by dividing \$4,000 by the per share closing price of shares of Tasty's common stock on the last business day of the quarter. DSUs become vested upon the director completing five (5) years of continuous service on the Board (whether before or after the grant of DSUs);
\$5,000 for the independent Chairman of the Board;

\$4,000 for the Chair of the Audit Committee; and

\$2,500 for the Chair of the Compensation Committee, the Nominating and Corporate Governance Committee and the Strategic Planning Committee.

Until February 2007, Tasty maintained a Retirement Plan for Directors (the Retirement Plan) that provided that non-employee directors who ceased to be directors and who reached age 65 with five or more years of service on the Board of Directors were entitled to receive an annual retirement benefit equal to the amount of the annual cash retainer fee in effect on the date the director ceases to be a director (but not less than \$16,000 for directors serving on December 31, 1993). Under the terms of the Retirement Plan, retired directors receive this benefit in equal monthly installments until the earlier of the death of the retired director or for the number of years of credited service of such director as a member of the Board of Directors of Tasty.

In connection with the Retirement Plan, Tasty entered into a Trust Agreement with Wachovia Bank, N.A. for the benefit of directors. Under this Trust Agreement, in the event of a change in control of Tasty, Tasty is obligated to deposit sufficient funds with the Trustee to enable it to purchase annuity contracts to fund the directors' retirement benefits. Effective as of January 1, 2007, SEI Trust Company succeeded Wachovia Bank, N.A., as trustee under the Trust Agreement for the Retirement Plan.

Effective February 15, 2007, benefit accruals under the Retirement Plan were frozen for current directors and future directors were precluded from participating in the Retirement Plan. Participants are credited for service under the Retirement Plan after February 15, 2007, solely for vesting purposes. The amount of the annual retirement payment for participants is equal to \$15,000, or \$16,000 for directors who were eligible to participate in the Retirement Plan as of December 31, 1993. On February 15, 2007, the Board of Directors approved a Deferred Stock Unit Plan for Directors (the DSU Plan). The DSU Plan provides that for each fiscal quarter, Tasty will credit DSUs to the director's account equivalent in value to \$4,000 on the last day of such quarter, provided that he or she is a director on the last day of such quarter. The number of DSUs that are credited for the quarter shall be determined by dividing \$4,000 by the per share closing price of shares of Tasty's common stock on the last business day of the quarter. The DSU Plan also provides that a director's account will be credited with dividend equivalents on each date that Tasty pays dividends on its shares of common stock, which means that a director will receive additional DSUs equivalent in value to the dividends that would have been paid on shares equal to the number of DSUs credited to the director's account immediately prior to the record date of the dividends. Directors will be entitled to be paid in shares upon termination of Board service provided the director has at least five (5) years of continuous service on the Board. The shares may be paid out in a lump sum or, at the director's election, over a period of five (5) years.

Table of Contents

In July 2006, Tasty instituted a three-year restricted stock award program (fiscal year 2006 - fiscal year 2008). The Compensation Committee allocated 250,000 shares to this program under its 2006 Long Term Incentive Plan. Under the program, executive officers and certain other employees are eligible for an annual award of restricted stock based on Tasty's achievement of certain financial and operational performance measures that are set every year by the Compensation Committee. The performance measure for 2008 awards related to completion of various milestones in 2007 relating to Tasty's strategic manufacturing plan. At the beginning of each fiscal year the Compensation Committee approves certain performance measures that it will generally consider in determining future awards under the restricted stock award program; however, at such time no determination is made regarding target awards, range of awards or other allocation of shares for named executive officers or other eligible employees. Awards under this program are determined by the Compensation Committee, subject to ratification by the Board of Directors, during the first quarter of the following year after analysis of the prior year's performance. On March 3, 2008, Tasty awarded an aggregate of 100,000 shares of restricted stock to eligible employees, which included awards to the named executive officers as reflected in the Outstanding Equity Awards at Fiscal Year-End table below.

In March 2009, Tasty extended the three-year restricted stock award program described above for an additional year. The maximum number of shares of restricted stock that can be awarded for 2009 under the program will be the number of shares of common stock remaining available for issuance under its 2003 Long Term Incentive Plan and its 2006 Long Term Incentive Plan at the time the specific awards are determined in the first quarter of 2010. As of March 17, 2009, an aggregate of 170,643 shares remain available under these plans. While completion of numerous operational milestones related to Tasty's strategic manufacturing plan were chosen as the performance measures for 2009, Tasty did not allocate an exact number of shares under the program for 2009 as the total number of shares that will be awarded, along with the specific awards (if any), will remain subject to the discretion of the Compensation Committee, subject to the ratification of the Board of Directors. All of the other provisions of the three-year restricted stock award program described above remain the same.

In December 2008, after considering the accomplishments of certain key employees and Tasty's desire to retain and incent these key employees to continue to add long-term value for the shareholders, Tasty granted certain key employees an award of restricted stock. The restricted stock will vest on December 3, 2013, subject to continued employment. The awards to the named executive officers are reflected in the Outstanding Equity Awards at Fiscal Year-End table below.

Tasty provides executives with an annual opportunity to earn cash incentive awards through the Annual Incentive Plan (the AIP). For each named executive officer, target AIP awards are determined by multiplying the executive's salary by a percentage based on the executive's level of responsibility. For fiscal year 2008, these target awards ranged from 30% to 60% of base salary for the named executive officers, and the potential payout ranged from 0% to 250% of the target award. The Compensation Committee may use its discretion to adjust any award to take into account (i) extraordinary, unusual and/or non-recurring items of gain or loss occurring during the performance year and (ii) the individual's performance or changes in the individual's duties and responsibilities. For fiscal year 2008, the performance measure for the named executive officers was Tasty's operating income before depreciation and amortization. In March 2009, the Compensation Committee and Board determined that there would not be any payout under the AIP for fiscal year 2008 performance.

Table of Contents**Retirement Plans and Employment and Change of Control Agreements**

Retirement Plans. Until March 2005, Tasty maintained a traditional defined benefit pension plan (the DB Plan) for its employees, including the named executive officers. Benefits under the DB Plan are calculated as a percentage of the average of the 60 highest consecutive calendar months of pension-eligible earnings paid by Tasty during the last 120 calendar months of employment, which percentage depends on the employee's total number of years of service. For executives, the pension-eligible earnings generally includes salary and any cash bonus. Benefits under the DB Plan are coordinated with Social Security and are presently restricted under federal tax law to a maximum of \$195,000 per year. Since Tasty froze the benefits in this pension plan in March 2005, Mr. Pizzi and Ms. Bayles do not earn further years of credited service for their service with Tasty after March 26, 2005, except for vesting purposes. Each vested participant will be eligible to commence receiving their pension benefits accrued through March 26, 2005, upon retirement on or after age 55 in accordance with the terms of the DB Plan.

In March 2005, when Tasty froze the benefits in the DB Plan, Tasty amended its existing defined contribution plan to provide for enhanced company contributions for participants. Under the Tasty Baking 401(k) and Company Funded Retirement Plan, all eligible employees receive cash contributions that range from 2% to 5% of eligible compensation with the exact amount dependent upon an employee's age and years of service. Long-service employees receive additional cash contributions that range from 1.5% to 3.5% of their eligible compensation. Tasty also makes matching contributions in cash of 50% of an employee's contributions that do not exceed 4% of eligible compensation up to a maximum of approximately \$4,500. In addition, as described below, Tasty provides Mr. Pizzi an unfunded supplemental retirement plan.

Supplemental Retirement Plan for Mr. Pizzi The supplemental retirement plan (SERP) for Mr. Pizzi was converted from a defined benefit to a defined contribution agreement in 2004. In 2008, Tasty credited \$285,972 to Mr. Pizzi's SERP. In 2008, the SERP was amended to be compliant with Section 409A of the Internal Revenue Code (Section 409A). The following are the material terms of Mr. Pizzi's SERP Agreement, subject to the provisions of Section 409A:

Tasty credited an initial amount equal to \$172,500 to his account as a carryover from the defined benefit SERP on October 1, 2004. Thereafter, Tasty credits a contribution to his account at the end of each month of an amount equal to 39% of the base salary and bonus paid to Mr. Pizzi in such month.

Interest is credited to the account on a monthly basis equal to the product of (i) one twelfth of the interest crediting rate for the calendar year and (ii) the account balance at the beginning of the month. The interest crediting rate for the calendar year is the Moody's Aa rate for corporate bonds as of the last business day preceding the beginning of the calendar year.

Mr. Pizzi is immediately and fully vested in all amounts credited to his account, unless he is terminated by Tasty for cause or in the event of his death while unmarried. The term cause includes felony conviction, dishonesty, willful misconduct, misappropriation of funds and substance abuse.

Mr. Pizzi, or his surviving spouse, will be entitled to the payment of benefits from the SERP account on the first day of the month immediately following his death, permanent disability or retirement.

Benefits will be paid in a lump sum equal to the account balance as of the end of the month preceding payment to him.

In the event of a change of control, Mr. Pizzi is guaranteed 3 additional annual contribution credits; provided, however, this guarantee is reduced for each year after a change in control that he remains employed and receives such credits. In no event is the guarantee of the additional contribution credits applicable for any years after the calendar year in which he attains age 62.

Amounts deferred under the SERP for Mr. Pizzi after December 31, 2004, will be subject to the distribution restrictions of Section 409A.

Employment and Change of Control Agreements. Mr. Pizzi has an agreement with Tasty which provides for employment over a certain term and includes certain perquisites, severance and change of control payments upon certain triggering events. In 2008, Mr. Pizzi's employment agreement was amended to be compliant with Section 409A. Ms. Bayles and Mr. Weilheimer have change of control agreements with Tasty which provide for change of control payments upon certain triggering events. For Messrs. Pizzi and Weilheimer and Ms. Bayles, the following provisions apply to their agreements:

Each agreement is limited by the provision that in no event shall the aggregate amount of the benefits payable to Mr. Pizzi and all other senior executives of Tasty as a result of a change of control exceed three percent (3%) of the total transaction value for such change of control. In the event the aggregate amount of compensation benefits payable on a change of control would exceed this limit, the amount of benefits payable to each of Mr. Pizzi and the other senior executives will be proportionally reduced.

A *Change of Control* generally will be deemed to have occurred:

- o upon any change of control that would be required to be reported under the Securities Exchange Act of 1934, as amended;
- o upon the acquisition of beneficial ownership by any person or group of 25% or more of the combined voting power of Tasty's outstanding voting shares;
- o if the directors who constitute the Incumbent Board (as that term is defined in the agreements) cease to be a majority of the Board during any 2-year period;
- o the consummation of a sale of all or substantially all of Tasty's assets; or
- o upon a reorganization, merger, consolidation, division or issuance of securities unless (i) not less than 60% of Tasty's outstanding equity securities is owned by the same holders in the same proportion as before the transaction and (ii) at least a majority of the surviving Board were members of the Incumbent Board (as that term is defined in the agreements).

Term is from July 27, 2006 through July 27, 2009, and it renews each year for a 3 year term unless either party gives notice of non-renewal at least 90 days prior to July 27 of each year;

Base salary of no less than \$400,000 per annum, the amount of which shall be determined from time to time by the Board of Directors;

Mr. Pizzi is entitled to reimbursement for (i) membership fees in two business or country clubs, subject to the approval of the Compensation Committee; (ii) reimbursement for up to \$10,000 per year for personal professional services; and (iii) \$2,000,000 of life insurance;

Employment Agreement (i.e., between 24 and 36 months), which contributions will be based on his base salary and bonus for the year that preceded the year of his termination;

If terminated by Tasty in connection with or following a *Change of Control*, as such term is defined in the Employment Agreement, Mr. Pizzi would be entitled to receive (i) a lump sum payment equal to 3 times base salary; (ii) a lump sum payment equal to 3 times the AIP Bonus (as defined above); (iii) medical and life insurance benefits for 36 months; and (iv) a lump sum payment equal to the SERP contributions for 36 months, which contributions will be based on his base salary and bonus for the year that preceded the year in which the *Change of Control* occurred;

After a *Change of Control* Mr. Pizzi would have the right to self-terminate within a period of 6-18 months after the event and to receive the *Change of Control* payments and benefits described immediately above;

If a *Change of Control* occurs all unvested equity awards would become vested and all restrictions will lapse;

If any payments made following a *Change of Control* exceed certain limits, Section 280G of the Internal Revenue Code imposes an excise tax on the employee. The cost of this excise tax, including related tax gross-ups, would be borne by Tasty if it exceeds \$25,000;

If any payments to Mr. Pizzi must be delayed for 6 months following his termination because of the requirements of Section 409A, Tasty will pay Mr. Pizzi interest on the delayed payments equal to the Moody's Aa rate for corporate bonds as of the last business day preceding the beginning of the year in which such payments would have otherwise been paid to him; and

Mr. Pizzi is prohibited from competing with Tasty or soliciting its customers or employees for a period of 2 years if payments are made following termination.

Ms. Bayles is prohibited from competing with Tasty or soliciting its customers or employees for 1 year if payments are made following termination.

If Ms. Bayles were terminated not in connection with or relating to a *Change of Control*, she would be eligible to receive severance benefits under Tasty's Severance Pay Plan equal to 2 days of pay for every year of service and one week of pay for every \$12,500 of base compensation.

Mr. Weilheimer is prohibited from competing with Tasty or soliciting its customers or employees for 1 year if payments are made following termination.

The purpose of the Audit Committee (the "Committee") is to assist the Board of Directors in its oversight of (a) the integrity of Tasty's financial statements; (b) the qualifications and independence of Tasty's independent registered public accounting firm; (c) the performance of the independent registered public accounting firm and Tasty's internal audit personnel; and (d) Tasty's compliance with legal and regulatory requirements. Management has primary responsibility for the financial statements, reporting process and internal controls. Tasty's independent registered public accounting firm is responsible for auditing the financial statements in accordance with generally accepted auditing standards and issuing an opinion as to whether Tasty's financial statements are, in all material respects, presented fairly in conformity with generally accepted accounting principles. The Committee operates according to a written charter that is available on Tasty's website at www.tastykake.com under the "Investors, Corporate Governance" headings.

Edgar Filing: TASTY BAKING CO - Form DEF 14A

The Committee's duties and responsibilities are outlined in its Charter and include, among other things, (i) the review of Tasty's financial statements and the independent audit process; (ii) the review of critical accounting policies and practices used by Tasty; (iii) the effect of any proposed changes in accounting principles or practices upon Tasty; (iv) the consideration and review of Tasty's assessment of the effectiveness of its internal accounting controls; and (v) the selection, retention and termination of Tasty's independent registered public accounting firm. In addition, the Committee reviews with management and Tasty's independent registered public accounting firm the financial statements to be included in Tasty's Quarterly Reports on Form 10-Q and Annual Report on Form 10-K, including the Management's Discussion and Analysis section thereof, and those matters required to be discussed by Statement of Auditing Standards (SAS) No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

Pursuant to Section 404 of the Sarbanes-Oxley Act of 2002, the Committee reviewed and discussed management's evaluation of Tasty's system of internal control over financial reporting. As part of this process, the Committee examined management's progress in testing and evaluating the system of internal control over financial reporting and was provided periodic updates from management and the independent registered public accounting firm on the status of such testing and evaluation. The Committee reviewed and discussed with management and with the independent registered public accounting firm the effectiveness of Tasty's internal

control over financial reporting as well as management's report and the independent registered public accounting firm's attestation on the subject.

In fulfilling its responsibilities, the Committee has reviewed and discussed with Tasty's independent registered public accounting firm, PricewaterhouseCoopers LLP, and management, Tasty's audited consolidated financial statements for the fiscal year ended December 27, 2008. The Committee has also discussed with the independent registered public accounting firm such matters as are required to be discussed with the Committee by SAS No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Committee has received written disclosures and a letter from the independent registered public accounting firm as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered accounting firm's communications with the Committee concerning independence, and has discussed with the independent registered public accounting firm their independence.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

Shareholders will be asked to ratify the selection by the Audit Committee of PricewaterhouseCoopers LLP as independent registered public accounting firm for the fiscal year ending December 26, 2009. PricewaterhouseCoopers LLP currently serves as Tasty's independent registered public accounting firm. Representatives of the firm will be present at the Annual Meeting, will be given an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions by shareholders concerning the accounts of Tasty.

Although the submission to shareholders of the selection of PricewaterhouseCoopers LLP is not required by law or Tasty's Amended and Restated By-Laws, the Audit Committee believes it is appropriate to submit this matter to shareholders to allow a forum for shareholders to express their views with regard to the Audit Committee's selection. The Audit Committee retains the sole authority to select and replace Tasty's independent registered public accounting firm at any time. In the event shareholders do not ratify the selection, the Audit Committee may reconsider the selection of PricewaterhouseCoopers LLP.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Fees Paid to the Independent Registered Public Accounting Firm

During the fiscal years ended December 27, 2008 and December 29, 2007, professional services were performed for Tasty by PricewaterhouseCoopers LLP, Tasty's independent registered public accounting firm. Set forth below is information relating to the aggregate fees billed by PricewaterhouseCoopers for professional services rendered for each fiscal year. All fees and services were pre-approved in accordance with the Committee's pre-approval policy.

Audit Fees. The aggregate fees billed, or expected to be billed, for PricewaterhouseCoopers' audit of Tasty's annual financial statements, audit of Tasty's internal control over financial reporting, review of the financial statements included in Tasty's Form 10-Q filings, and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements were \$479,000 and \$550,096 for fiscal 2008 and 2007, respectively. The audit fees for fiscal 2007 include additional fees paid by Tasty in 2008 above the \$463,000 originally reported for fiscal 2007 in the proxy statement for the 2008 Annual Meeting of Shareholders. The extra fees were paid pursuant to a subsequent agreement to compensate PricewaterhouseCoopers for additional hours incurred in performing the fiscal 2007 audit. The amount for fiscal 2008 represents the fee estimate provided by PricewaterhouseCoopers in its engagement letter executed in September 2008, which was based on an estimated number of hours to be worked on the audit. PricewaterhouseCoopers has advised Tasty that it incurred hours in excess of its estimate on the audit. Tasty intends to analyze the additional hours incurred once details are provided and will discuss with PricewaterhouseCoopers the amount of any additional fees to be paid. Such fees are not expected to exceed \$65,000.

Audit-Related Fees. During fiscal 2008 and 2007, PricewaterhouseCoopers did not perform any services for assurance or related services on behalf of Tasty that were reasonably related to the performance of the audit or review of Tasty's financial statements and are not reported under Audit Fees during fiscal 2008 and 2007.

Tax Fees. PricewaterhouseCoopers did not perform any tax services for Tasty in either fiscal 2008 or 2007.

All Other Fees. Tasty paid \$2,463 during fiscal 2008 and 2007 for the use of accounting and research software provided by PricewaterhouseCoopers.

Pre-Approval Policy for Services by Independent Registered Public Accounting Firm

The Audit Committee has implemented procedures for the pre-approval of all engagements of Tasty's independent registered public accounting firm for both audit and permissible non-audit services, including the fees and terms of each engagement. The Audit Committee annually meets with the independent registered public accounting firm and reviews and pre-approves all audit-related services prior to the commencement of the audit engagement. For permissible non-audit services, the Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee and the Chairman reviews the nature and terms of any proposed engagement of the independent registered public accounting firm. The Chairman will discuss the matter with management and, as necessary, with the independent registered public accounting firm, prior to making any determination to approve or reject any such engagement. Any approvals of non-audit services are then reported by the Chairman at the next Audit Committee meeting for approval by the Committee.

Table of Contents

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Tasty's executive officers, directors and 10% shareholders are required under the Securities Exchange Act of 1934 to file reports of ownership and change in ownership with the Securities and Exchange Commission. Copies of these reports must also be furnished to Tasty.

Based solely on review of the copies of such reports furnished to Tasty, or written representations that no reports were required, Tasty believes that during 2008 its executive officers, directors and 10% holders complied with all filing requirements except that untimely Form 4 filings were made for (i) Autumn R. Bayles for 15.49 shares acquired since March 1, 2004 pursuant to an automatic dividend reinvestment plan and for a grant of 114 unrestricted shares in May 2007; and (ii) Charles P. Pizzi for 500 shares disposed of as a gift in November 2002.

SHAREHOLDER PROPOSALS FOR THE 2010 ANNUAL MEETING

Shareholder Proposals for Inclusion in the 2010 Proxy Statement

Shareholders of Tasty are entitled to submit proposals to be included in Tasty's proxy materials for the Annual Meeting of Shareholders in 2010, provided that these matters are appropriate for shareholder action and that the shareholder complies with the requirements of Rule 14a-8 of the Exchange Act. To be eligible for inclusion, shareholder proposals must be received by the Corporate Secretary of Tasty (see address below) no later than December 7, 2009.

Director Nominations and Other Shareholder Proposals for Presentation at the 2010 Annual Meeting

Tasty's Amended and Restated By-Laws require advanced notice of any proposal of business to be brought before an annual meeting by a shareholder that will not be included in Tasty's proxy materials, including any such proposal for the nomination for election of a director. Any such shareholder proposal must be a matter appropriate for shareholder action that complies with the procedural requirements of Tasty's Amended and Restated By-Laws and for which written notice is received by the Corporate Secretary of Tasty (see address below) not later than the close of business on the 90th day and not earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting (unless the date of the next Annual Meeting has been changed by more than 30 days from the first anniversary date, in which case the Amended and Restated By-Laws provide alternative dates for timeliness). Accordingly, any shareholder who wishes to have a nomination or other business considered by shareholders at the 2010 Annual Meeting must deliver written notice to the Corporate Secretary (containing the information required by the Amended and Restated By-Laws) no earlier than the close of business on January 11, 2010, and no later than the close of business on February 10, 2010. Any proposal received outside of these dates will be considered untimely. For proposals that are timely filed, Tasty retains discretion to vote proxies it receives provided (i) Tasty includes in its proxy statement advice on the nature of the proposals and how it intends to exercise its voting discretion, and (ii) the proponent does not issue a proxy statement in accordance with the procedures under Section 14a-4(c)(2) of the Exchange Act.

The above summary sets forth the procedures by which proposals may be properly brought before and voted upon at Tasty's Annual Meeting of Shareholders. All shareholder proposals and notices should be directed to the Corporate Secretary of Tasty at 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129.

OTHER BUSINESS

The Board of Directors does not know of any other business to come before the meeting. However, if any additional matters are presented at the Annual Meeting, it is the intention of persons named in the accompanying Proxy to vote the Proxy in accordance with their judgment on those matters.

SHAREHOLDERS SHARING THE SAME ADDRESS

In order to reduce printing and postage costs, in certain cases Tasty is sending only one copy of its annual report and proxy statement to shareholders of record sharing the same address. Tasty will not use this practice, known as householding, if Tasty is notified that one or more of these shareholders wishes to continue receiving individual copies. If any shareholder of record residing at such address wishes to receive a separate annual report or proxy statement for this Annual Meeting or in the future, he or she may contact Tasty's Corporate Secretary, and Tasty will promptly deliver a separate copy of the documents requested. If a shareholder of record is receiving multiple copies of the annual report and proxy statement, the shareholder can request householding by contacting Tasty's Corporate Secretary. The Corporate Secretary may be contacted by writing to Tasty Baking Company, Attn: Corporate Secretary, 2801 Hunting Park Avenue, Philadelphia, Pennsylvania 19129 or by calling (215) 221-8500 and asking for the Corporate Secretary.

Shareholders who participate in householding will continue to receive individual proxy cards. Also, householding will not affect dividend check mailings. Beneficial owners (i.e., shares are held in the name of a broker, bank or other nominee) can request information about householding from their broker, bank or other nominee of record.
