PROXY STATEMENT

This proxy statement relates to the 2009 annual meeting of stockholders of Encore Capital Group, Inc., to be held at Le Parker Meridien New York, 118 West 57th Street, New York, New York 10019, on June 9, 2009, at 9:00 a.m. local time, or at such other time and place to which the annual meeting may be adjourned or postponed. The enclosed proxy is solicited by our Board of Directors, and is first being mailed to stockholders entitled to vote at the meeting on or about April 29, 2009.

QUESTIONS ABOUT THE MEETING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including (i) the election of eight directors and the approval of the intended election of a ninth director; (ii) the approval of an amendment and restatement of our 2005 Stock Incentive Plan (the 2005 Plan) to increase by 2,000,000 shares the maximum number of shares of our common stock that may be issued or subject to awards under the 2005 Plan, and to make certain other amendments to the 2005 Plan; (iii) the approval of the performance-based compensation provisions of our 2005 Plan to comply with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended; and (iv) the ratification of the selection of BDO Seidman, LLP as our independent registered public accounting firm. Our management will report on Encore's progress and respond to questions from stockholders. In addition, representatives of BDO Seidman, LLP will be given an opportunity to make a statement and to respond to questions regarding the audit of our consolidated financial statements.

Who is entitled to vote?

Only stockholders of record at the close of business on the record date, April 13, 2009, are entitled to receive notice of the annual meeting and to vote the shares that they held on that date at the meeting, or any postponement or adjournment of the meeting.

At the close of business on the record date, April 13, 2009, there were 23,060,871 outstanding shares of our common stock, which are entitled to cast one vote each.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Others may attend the meeting at our discretion. If you have any questions or wish to obtain directions to attend the annual meeting and to vote in person, please call Encore's Investor Relations at (877) 445-4581.

What constitutes a quorum?

Edgar Filing: ENCORE CAPITAL GROUP INC - Form DEF 14A

The presence at the meeting, in person or represented by proxy, of a majority of the outstanding shares entitled to vote on the record date will constitute a quorum, which will permit us to hold the annual meeting and conduct business. Proxies received but marked as abstentions, withheld votes and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting. Abstentions include

Table of Contents

shares present in person but not voting and shares represented by proxy but with respect to which the holder has abstained. Broker non-votes occur when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the beneficial owner.

How do I vote by proxy before the meeting?

Before the meeting, you may vote your shares in one of the following three ways if your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company:

By internet at www.voteproxy.com;

By telephone (from the United States and Canada only) at 1-800-PROXIES (1-800-776-9437); or

By mail by completing, signing, dating and returning the enclosed proxy card in the postage paid envelope provided. Please refer to the proxy card for further instructions on voting via the internet and by telephone.

Please follow the directions on your proxy card carefully. If your shares are held in a brokerage account in the name of a bank, broker or other nominee (this is called "street name"), then you are the beneficial owner of the shares and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. You have the right to direct your bank or broker on how to vote the shares in your account, and your ability to vote by telephone or via the internet depends on the voting procedures used by your broker. You may receive a separate voting instruction form with this proxy statement, or you may need to contact your broker, bank or other nominee to determine whether you will be able to vote electronically using the Internet or telephone.

May I vote my shares in person at the meeting?

Yes. You may vote your shares at the meeting if you attend in person, even if you previously submitted a proxy card or voted by internet or telephone. Whether or not you plan to attend the meeting, however, we encourage you to vote your shares by proxy before the meeting. Please note that if your shares are held in "street name" and you wish to vote at the meeting, you will not be permitted to do so unless you first obtain a legal proxy issued in your name from the broker, bank or nominee that holds your shares.

What if I submit a proxy and then change my mind?

You may revoke your proxy at any time before it is exercised:

By filing with the Secretary of Encore a notice of revocation;

By sending in another duly executed proxy bearing a later date; or

By attending the meeting and casting your vote in person.

What are the Board's recommendations for how I should vote my shares?

If you sign and return your proxy card with voting instructions, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you sign and return a proxy card but do not fill out the voting instructions on the proxy, the persons named on the proxy card will vote in accordance with the recommendations of our Board. The Board recommends that you vote your shares as follows:

Edgar Filing: ENCORE CAPITAL GROUP INC - Form DEF 14A

Proposal 1 **FOR** the election of the nominated slate of directors for a term of one year as well as the intended election of a ninth nominee.

Table of Contents

Proposal 2 **FOR** the approval of the amendment and restatement of our 2005 Plan to increase by 2,000,000 shares the maximum number of shares of our common stock that may be issued or subject to awards under the 2005 Plan, and to make certain other amendments to the 2005 Plan.

Proposal 3 **FOR** the approval of the performance-based compensation provisions of our 2005 Plan to comply with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended.

Proposal 4 **FOR** the ratification of the appointment of BDO Seidman, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2009.

With respect to any other matter that properly comes before the meeting, the proxyholders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

Election of Directors. The eight nominees who receive the most votes will be elected to our Board of Directors. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, and will have no effect on the proposal to elect the directors other than it will be counted for purposes of determining whether there is a quorum present at the annual meeting. Abstentions will have the same effect. A properly executed proxy marked **FOR ALL NOMINEES** will also constitute approval of the intended election of a ninth nominee as a director as described under the Election of Directors section of this proxy statement.

Other Items. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked **ABSTAIN** with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Because abstentions represent shares entitled to vote on any matter presented for stockholder approval, the effect of an abstention will be the same as a vote against a proposal.

Effect of Broker Non-Votes. If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

Can I exercise rights of appraisal or other dissenters' rights?

Under Delaware law, holders of our voting stock are not entitled to demand appraisal of their shares or exercise similar rights of dissenters as a result of the approval of any of the proposals to be presented at the annual meeting.

Who pays for the cost of this proxy solicitation?

We will bear the cost of solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of our outstanding common stock. In addition to the solicitation of proxies by mail, our officers, directors and regular employees may solicit proxies in person, by telephone or by facsimile, none of whom will receive additional compensation for those services.

How many annual reports and proxy statements are delivered to the same address?

If you and one or more of our other stockholders share the same address, it is possible that only one annual report and proxy statement was delivered to your address. This is known as householding. Any registered

stockholder who wishes to receive separate copies of an annual report or proxy statement at the same address now or in the future may: (i) call Encore at (877) 445-4581, or (ii) mail a request to receive separate copies to: Encore Capital Group, Inc., 8875 Aero Drive, Suite 200, San Diego, CA 92123, Attention: Corporate Secretary, and we will promptly deliver the annual report and/or proxy statement to you upon your request. Stockholders who own our common stock through a broker and who wish to receive separate copies of an annual report and proxy statement should contact their brokers directly. Stockholders currently receiving multiple copies of an annual report and proxy statement at a shared address and who wish to receive only a single copy in the future may direct their request to the same phone number or address as given above.

Table of Contents**ELECTION OF DIRECTORS****(PROPOSAL NO. 1)****General**

Our Board of Directors currently consists of nine members, each with a term expiring at the 2009 Annual Meeting. Director Carl C. Gregory, III has informed the Board that he does not intend to stand for re-election following the expiration of his current term of office. The Nominating Committee of the Board has recommended, and the Board has nominated, the remaining eight incumbent directors for election at the 2009 Annual Meeting and will reduce the size of the Board of Directors to eight members at that time. The Nominating Committee of the Board has also recommended the election of H Ronald Weissman as a director promptly following his retirement as a partner of Ernst & Young LLP effective July 3, 2009, and the Board intends to expand the number of directors to nine and to elect Mr. Weissman as a director at such time. A vote FOR the election of the eight nominees listed below will also constitute approval of the intended election of Mr. Weissman as a director.

In the event that any nominee named below is unable or declines to serve as a director, the Board of Directors may reduce the size of the Board or may designate an alternate nominee to fill the vacancy. If a substitute nominee is named, the proxyholders will vote the proxies held by them for the election of such person, unless contrary instructions are given. We are not aware of any nominee who will be unable or will decline to serve as a director. The term of office for each person elected as a director continues until the next annual meeting of stockholders or until his or her successor has been elected and qualified.

Required Vote

If a quorum is present and voting, the eight nominees receiving the highest number of votes will be elected to the Board of Directors.

The Board of Directors recommends a vote FOR election of each of the director nominees. A vote FOR all nominees will also constitute approval of the intended election of H Ronald Weissman as a director following the Annual Meeting.

The Board is not currently aware of any circumstances that would prevent Mr. Weissman from serving as a director, and he has indicated his willingness to so serve. However, in the unlikely event that he is unable or declines to serve as a director, the Board of Directors would not increase the size of the Board of Directors until such time as it had identified another qualified candidate. Timothy J. Hanford			X
George Lund	X		
Richard A. Mandell	X	X	
Willem Mesdag		X	
John J. Oros		X

Our Board of Directors has adopted written charters for the Audit, Nominating and Compensation Committees, and each of those written charters is available on our website at www.encorecapitalgroup.com. Click on Investors, then Corporate Governance and then Committee Charters. The Compensation and

Table of Contents

Nominating Committees assess the adequacy of their charters from time to time, and the Audit Committee assesses the adequacy of its charter annually. Please note that the information contained on our website is not incorporated by reference in, or considered to be a part of, this document.

Audit Committee. We have a standing Audit Committee that is responsible for assisting the Board in oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Encore. The Audit Committee met four times in 2008 and otherwise acted by unanimous written consent.

In performing its duties, the Audit Committee:

appoints and reviews the performance of our independent registered public accounting firm,

approves audit and non-audit fees,

reviews and evaluates our financial statements, accounting principles and system of internal controls regarding finance, accounting, legal compliance and ethical behavior,

reviews and approves related person transactions, and

considers other appropriate matters regarding our financial affairs.

Compensation Committee. The Compensation Committee is responsible for discharging the responsibilities of the Board with respect to the compensation of our executive officers, administering all of our equity-based plans and periodically reviewing compensation and equity-based plans, with authority to adopt such plans. The Compensation Committee met 14 times during 2008.

The Compensation Committee sets performance goals and objectives for the executive officers, evaluates their performance with respect to those goals, sets their compensation based upon the evaluation of their performance and approves all employment and severance related agreements with such executives. In evaluating executive officer compensation, the Compensation Committee may retain the services of compensation consultants and considers recommendations from the Chief Executive Officer with respect to goals and compensation of the other executive officers. The Compensation Committee also periodically reviews compensation for non-employee directors. All decisions with respect to executive and director compensation are approved by the Compensation Committee.

Nominating Committee. The function of the Nominating Committee is to consider and recommend qualified candidates for election as directors of Encore. The Nominating Committee met once in 2008 and otherwise acted by unanimous written consent.

Prior to each annual meeting of stockholders, the Nominating Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Nominating Committee or the Board decides not to nominate a member for re-election, the Nominating Committee identifies the desired skills and experience of a new nominee in light of the criteria described below. Current members of the Nominating Committee and Board and management are polled for suggestions as to individuals meeting the applicable criteria. Research may also be performed to identify qualified individuals.

The factors that the Nominating Committee considers in evaluating prospective director nominees include the following:

the appropriate size of the Board;

Edgar Filing: ENCORE CAPITAL GROUP INC - Form DEF 14A

a candidate's knowledge, skills and experience, including experience in business, finance, accounting or administration, in light of prevailing business conditions, the needs of Encore and the knowledge, skills and experience already possessed by other members of the Board;

whether a candidate is independent, as defined by Nasdaq Marketplace Rules and other applicable standards and whether circumstances exist that may create the appearance of a conflict of interest;

a candidate's familiarity with accounting rules and practices applicable to our business;

a candidate's character, integrity and reputation for working constructively with others;

whether a candidate has sufficient time available to devote to the duties of a director of Encore;

the importance of maintaining productive working relationships among the Board members and between the Board and management for the benefit of all stockholders; and

recognition of both the considerable benefit of continuity and the fresh perspective provided by the periodic introduction of new members.

The Nominating Committee will consider stockholder nominations for directors submitted in accordance with the procedure set forth in Section 3.14 of our Bylaws. We consider each candidate equally based on the factors listed above, regardless of whether the candidate is recommended by a stockholder for election to our Board or is recommended by a member of the Board or a third party search firm. The procedures for stockholder nominated director candidates provide that a notice relating to the nomination in connection with an annual meeting must be timely given in writing to: Encore Capital Group, Inc., Attention: Corporate Secretary, 8875 Aero Drive, Suite 200, San Diego, CA 92123. To be timely, the notice must be delivered within the time period described in the Stockholder Proposals and Nominations section of this proxy statement. Such notice must be accompanied by the nominee's written consent to serve if elected, and must contain information relating to the business experience and background of the nominee, and provide information with respect to the nominating stockholder and persons acting in concert with the nominating stockholder and otherwise comply with the requirements outlined in our Bylaws.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The purpose of this compensation discussion and analysis (CD&A) is to provide information about each material element of compensation earned by our Named Executive Officers during our 2008 fiscal year. The following discussion and analysis should be read in conjunction with the 2008 Summary Compensation Table and related tables and narrative that are presented in this proxy statement. We discuss the definition of Named Executive Officers in the 2008 Summary Compensation Table.

For our 2008 fiscal year, our Named Executive Officers were:

J. Brandon Black, our President and Chief Executive Officer;

Paul Grinberg, our Executive Vice President, Chief Financial Officer, Treasurer and Secretary; and

Robin R. Pruitt, formerly our Senior Vice President, General Counsel and Secretary. Ms. Pruitt resigned from the offices she held with Encore effective June 20, 2008 and her employment terminated on August 25, 2008.

This CD&A addresses and provides the context behind the numerical and related information contained in the 2008 Summary Compensation Table and related tables and includes actions regarding executive compensation that occurred after the end of our 2008 fiscal year, including the award of bonuses related to 2008 performance, and the adoption of any new, or the modification of any existing, compensation programs.

Processes and Procedures for Considering and Determining Executive and Director Compensation

Our executive compensation program is administered by the Compensation Committee of the Board. The Compensation Committee determines the compensation of our Named Executive Officers and administers our equity-based incentive plans. Among other things, the Compensation Committee has the authority and responsibility under its charter to:

periodically review and approve our policies on executive compensation, benefits and perquisites, including incentive cash compensation plans, or other forms of executive incentives;

annually review and, as required, vote in executive session to set the compensation, benefits, and perquisites of the Chief Executive Officer (CEO), who serves as our principal executive officer;

annually review and, as required, vote in executive session to set the compensation, benefits, and perquisites of all executive officers to satisfy the Compensation Committee that there is equity in the compensation practices and general integrity in conforming to approved plans and policies;

set the compensation and benefits for non-employee directors; and

consider, approve and administer our incentive compensation plans and equity-based plans in which directors, the CEO, other executive officers and other employees and key consultants may be participants, including, but not limited to: (a) approving option

Edgar Filing: ENCORE CAPITAL GROUP INC - Form DEF 14A

grants and restricted stock or other awards, (b) interpreting the plans, (c) determining rules and regulations relating to the plans, (d) modifying or canceling existing grants or awards, and (e) imposing limitations, restrictions and conditions upon any grant or award as the Compensation Committee deems necessary or advisable.

Overview

Our Compensation Philosophy and Purpose. The Compensation Committee is chartered with establishing and reviewing the performance and compensation of our Named Executive Officers and other executive officers.

Table of Contents

Incentive compensation arrangements are the cornerstone of the Compensation Committee’s executive compensation policies. Our compensation philosophy is to establish and maintain base salaries, bonus plans and equity-based compensation plans that will attract and retain qualified executive officers and key employees necessary for our continued successful operation and growth and ensure that management is rewarded appropriately for its contributions to our growth and profitability in alignment with our objectives and stockholder interests.

Ultimately, our compensation philosophy is generally focused on the following:

Pay for Performance and Experience. Base salaries are commensurate with the executive’s or key employee’s experience and expertise coupled with an assessment of: (i) the executive’s contribution to Encore, (ii) the responsibilities and experience of the executive, (iii) the terms of applicable employment agreements, and (iv) the recommendations of senior management. Incentive compensation is likewise tied to performance and experience.

Market Comparison. The Compensation Committee, with the assistance of outside consultants and/or management, periodically analyzes market compensation data and other relevant information regarding total direct compensation structures, giving appropriate weight to the data from our market competitors. Our compensation programs must be competitive in order to retain our senior executives.

Alignment with Stockholder Interests. In general, the payment of our incentive compensation is dependent upon the achievement of targeted corporate operating measures. We believe that basing a component of employee compensation on corporate results and performance aligns employee interests with stockholder interests. In addition, a portion of our executive compensation consists of stock incentives, including option and/or restricted stock unit (RSU) awards, so that executives’ interests are further aligned with the interests of our stockholders.

Retention. We believe that our compensation program should be designed to attract and retain highly talented individuals critical to our success by providing competitive total compensation with significant retention features. Our option and RSU awards also are designed to retain our executives and other key employees, while also accomplishing our other compensation goals and objectives.

Severance. To provide sufficient assurances to our executives, the Compensation Committee approved severance arrangements for each of our current executives, which provides for certain payments if the executive’s employment is terminated without cause or if the executive resigns for good reason.

Outside Consultants. The Compensation Committee has the specific authority to hire outside advisors and consultants in their discretion at our expense. In 2008, the Committee engaged Compensia, Inc., an external independent executive consulting firm (Compensia), to assist the Committee in assessing our executive compensation practices and to benchmark our compensation programs for base salaries, annual cash incentive bonus plans, long-term equity awards, and severance protection and change of control arrangements against a peer group of companies. The Committee worked with Compensia to establish a peer group they believed was appropriate and relatively comparable to Encore, and this peer group is shown below in the table. Compensia used compensation data from proxy statements where the peer company information was publicly available, and third party survey data where compensation data was not publicly available.

Role of Executives in the Compensation Setting Process. The Compensation Committee generally solicits management's assistance on determining executive compensation as it deems appropriate. However, when reviewing and setting the compensation, benefits, and perquisites of the CEO, neither the CEO nor any employee of Encore is present. In addition, when the Compensation Committee reviews and sets the compensation, benefits, and perquisites of all executives, the CEO may be present during deliberations at the Compensation Committee's discretion, but the CEO may not be present for voting on officer compensation, benefits or perquisites. Although the CEO generally makes recommendations to the Compensation Committee with respect to executive compensation decisions, including base salaries, cash incentive bonuses and equity-based awards, the Compensation Committee has in the past determined compensation, benefits or perquisites that were different from that recommended by the CEO.

The Compensation Committee approves all grants of equity-based awards. Equity award grants to executives are determined based on a periodic review by the Compensation Committee regarding appropriate incentives, with recommendations typically originating from management, consistent with the criteria established in the long-term incentive program adopted by the Compensation Committee.

Elements of our Compensation Program

Our compensation plans are designed to provide a competitive total compensation package consistent with our performance in the marketplace. The compensation program for each of our Named Executive Officers includes:

base salary;

annual cash incentive bonus;

stock-based compensation incentive;

severance protection and/or change of control arrangements; and

participation in other benefit plans and programs.

While executives have more of their total compensation at risk than other employees, the principles that serve as the basis for Named Executive Officer compensation practices apply to the compensation plans for all employees who are eligible for incentive compensation; namely, corporate and individual performance drive incentive compensation.

Base Salary. The first component of our executive compensation package is base salary. Our philosophy is to pay base salaries that are commensurate with the executive's experience and expertise, taking into account competitive market data for executives with similar backgrounds, experience and expertise. The factors considered by the Compensation Committee in making its evaluation and determination regarding the appropriateness of base salary include:

an assessment of each executive's contribution to Encore;

the responsibilities and experience of each executive;

competitive market data, individual performance, and other relevant information regarding base salary structures;

the terms of any applicable employment agreements;

the detriment to us should the executive leave Encore's employ; and

recommendations of senior management.

The Compensation Committee generally reviews each executive's base salary and benefits on an annual basis and from time to time as it deems appropriate.

Table of Contents

With respect to its periodic review of salaries for our Named Executive Officers and other executives in 2008, the Compensation Committee considered data provided by our management which included an assessment of corporate performance, as well as individual performance of each executive. In addition, the Committee reviewed the advice of Compensia. The base salaries set for 2008 were believed to be consistent with our compensation philosophy, which attempts to establish a strategic balance between pay at risk and market competitiveness. The Compensation Committee determined on March 9, 2009 to leave base salaries for Named Executive Officers at their current level.

CEO Salary. The base salary for Mr. Black was set forth in the employment agreement we entered into with him in June 2005 and amended in June 2006 and December 2008. This employment agreement was terminated in March 2009 at the time we entered into a severance protection agreement with him, as further described in the narrative following the 2008 Summary Compensation Table section and the Potential Payments Upon a Termination or Change of Control section. For 2008, Mr. Black's base salary was set at the annual rate of \$414,260 effective March 1, 2008. Although the Board can increase his salary in its sole discretion, on March 9, 2009, the Compensation Committee determined to leave Mr. Black's base salary at its current level.

We disclose the salary earned in 2008 by our Named Executive Officers in the Salary column of the Summary Compensation Table.

Annual Cash Incentive Bonus. The second component of our executive compensation package is an annual cash incentive bonus. Each executive's target bonus is a stated percentage of his or her annual salary. Actual bonuses paid to executives under our annual performance-based cash incentive plan are computed based upon achievement of our corporate performance against targeted operating measures, and the Compensation Committee's evaluation of each executive's individual performance and contribution, taking into account the recommendation of the CEO. We believe that variable bonus opportunities should be used to provide higher rewards for higher performers and drive the successful achievement of short term critical business objectives.

The Compensation Committee exercises its discretion in awarding cash bonuses to our executives. Subject to the terms of any applicable employment agreement, the Compensation Committee may determine not to approve an award for any or all executives or to reduce the amount of any such award, even if the targets are met. The Compensation Committee periodically reviews the bonus component of executive incentive compensation and, in addition to bonuses paid under our plan, the Compensation Committee may approve payment of discretionary bonuses for performance or other reasons for certain executives.

For 2008, the Compensation Committee established goals and parameters for the annual cash incentive program based on corporate financial objectives reflected in our 2008 operating plan approved by the Board, as well as a stated bonus target for each individual. Earnings before interest, tax, depreciation and amortization, or EBITDA, was selected as the sole corporate performance metric upon which the available bonus pool for 2008 would be based. In determining bonuses that would be paid under the plan based on corporate and individual performance, the Committee approved an increase in the available bonus pool in order to adequately acknowledge the collective achievements of our key contributors and to recognize certain individual performances that would not have been possible based upon the available bonus pool using EBITDA as the sole metric. Based on corporate and individual performance for 2008, actual bonus payouts for our Named Executive Officers and reported in the 2008 Summary Compensation Table below ranged from 62% to 83% of the executives' base salary, with Ms. Pruitt's bonus determined in accordance with her severance agreement and prorated through the date of her termination.

Stock-Based Compensation Incentives. The third component of our executive compensation package is stock-based compensation incentives, which have traditionally taken the form of non-qualified stock options and RSUs. The Compensation Committee periodically considers grants of options and RSUs to our executive officers and key employees to more closely align the interests of our executive officers and key employees with the long-term interests of Encore and our stockholders.

Table of Contents

Plans. Our 1999 Equity Participation Plan (1999 Plan), as amended, reserved up to 3,300,000 shares of our common stock for awards granted to employees, directors and consultants. Pursuant to the 1999 Plan, we could grant stock options at a price in excess of 85% of the fair market value on the date of the grant and for a term not to exceed ten years. Options generally vested ratably over a three-year period unless otherwise determined by the Compensation Committee.

On March 30, 2005, our Board of Directors adopted our 2005 Stock Incentive Plan (2005 Plan) for Board members, employees, officers, executives, consultants and advisors. The 2005 Plan was approved by our stockholders at the annual meeting on May 3, 2005. The 2005 Plan provides for the granting of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units, and performance-based awards to eligible individuals. Upon adoption, originally an aggregate of 1,500,000 shares of our common stock were available for awards under the 2005 Plan, in addition to the number of shares that remained available under the 1999 Plan. In addition, shares subject to options or awards granted under either the 1999 Plan or the 2005 Plan that terminate or expire are available for grant under the 2005 Plan. On March 9, 2009, our Board of Directors approved an amendment and restatement to increase by 2,000,000 the maximum number of shares of our common stock that could be subject to awards made under the 2005 Plan and made certain other amendments to the plan, subject to stockholder approval, as described in Proposal No. 2 of this proxy statement.

Long-Term Incentive Program. Our Compensation Committee implemented a long-term incentive program under the 2005 Plan with the intent of making annual grants of RSUs and/or non-qualified stock options to executive officers and other eligible employees. The aggregate value of the annual grants will be a discretionary amount linked to the contribution of each individual and position as agreed upon and defined by the Compensation Committee using market data as a point of reference.

We had not considered issuing RSUs prior to 2005. Historically, option grants were given favorable accounting and tax treatment and, given that option grants are extremely common in the markets in which we operate, we had no compelling reason to look to other forms of equity compensation until the implementation of Statement of Financial Accounting Standards No. 123R (FAS 123R) changed the accounting treatment for stock options effective 2007. Since the implementation of FAS 123R, many public companies have begun issuing RSUs. We believe that one advantage to using RSUs is that we can issue fewer shares to achieve the same value when compared to stock option grants, which will be less dilutive to our stockholders. At the same time, grants of RSUs confer potential benefits on the recipient upon vesting regardless of the performance of our stock price.

Stock-Based Compensation Incentives for 2008. There were no equity awards granted to Named Executive Officers during 2008 because the Committee was undertaking a broader review of our compensation policies and consulting with Compensia.

Severance Agreements. On March 9, 2009, the Compensation Committee approved executive severance protection agreements for Messrs. Black and Grinberg, and such agreements were entered into on March 12, 2009. The terms and conditions of the severance agreements are described below.

Mr. Black's agreement supersedes and replaces his employment agreement dated June 13, 2005, as amended on June 5, 2006 and December 30, 2008, which was terminated. Pursuant to the terms of his new agreement, if Mr. Black's employment is terminated without Cause or he resigns for Good Reason (as such terms are defined in the agreement) at any time during the term of the agreement, upon execution and delivery of a release and waiver of claims, he is entitled to continuation of his then-current salary for 24 months immediately following his date of termination. In addition, if he is terminated without Cause or resigns for Good Reason, he will receive a bonus payment in the amount of two times the average of his last three annual bonus payments when bonuses are paid to other employees for such year, plus an additional amount paid at such time equal to the prorated portion of his target bonus for the year of termination up to the date of termination. The terms of the agreement include a provision to pay up to 24 months of COBRA continuation for group health benefits or other individual health insurance premiums. The agreement contains a non-disparagement and a one-year non-solicitation covenant.

Table of Contents

Mr. Grinberg's agreement supersedes and replaces an executive severance agreement dated December 10, 2007, which was terminated. The terms of Mr. Grinberg's severance protection are substantially similar to Mr. Black's, although lesser in amount. If Mr. Grinberg's employment is terminated without Cause or he resigns for Good Reason, he is entitled to salary continuation for a period of 12 months. If he is terminated without Cause or resigns for Good Reason, he will receive his target annual bonus for the year in which his termination occurs when bonuses are paid to other employees, plus an additional amount paid at such time equal to the prorated portion of his target bonus for the year of termination up to the date of termination. The terms of the agreement include a provision to pay his COBRA continuation premiums for group health benefits for a period of up to 12 months.

The severance provisions of Messrs. Black's and Grinberg's severance agreements are discussed at greater length below in the Potential Payments Upon a Termination or Change of Control section. The timing of any payments to Messrs. Black and Grinberg under the severance agreements are subject to the applicable requirements of Section 409A of the Internal Revenue Code of 1986 (the Code) and the related Treasury Regulations. The payments and benefits payable under the agreements are also intended to comply with Section 280G and Section 4999 of the Code, and would be reduced, if necessary to comply with those statutory provisions.

In connection with the termination of her employment on August 25, 2008, we entered into an agreement with Ms. Pruitt pursuant to which, upon her execution and delivery of a general release and waiver of claims, she received a lump sum payment in the amount equal to her annual base salary, less applicable taxes and withholdings, plus a pro-rated portion of her target bonus under our key contributor plan for 2008 in the amount of \$58,769 which was pro-rated to the date of her termination.

We believe that the provisions of our severance arrangements with Messrs. Black and Grinberg are consistent with the principal objectives of our compensation programs. We believe that the compensation elements that would be triggered upon termination are (i) consistent with the market in which we operate, (ii) at appropriate levels when viewed in relation to the benefits the executives provide us and our stockholders and the overall value of our company, (iii) designed to compensate the executives for playing a significant role in managing our affairs, and (iv) with respect to Messrs. Black and Grinberg, will provide an important safety net that allows these executives to focus on our business and pursue the course of action that is in the best interests of our stockholders by alleviating some concerns regarding their personal financial well-being in the event of a termination or change of control transaction. The executives are subject to certain restrictions in exchange for receiving the financial and other benefits under their agreements, as described in more detail in the Potential Payments Upon a Termination or Change of Control section. We believe imposition of these restrictions serves our best interests and the best interests of our stockholders.

Other Benefits and Programs. Our Named Executive Officers are eligible to participate in benefit programs designed for all of our full-time employees during the period of their employment. These programs include a tax qualified 401(k) savings plan, and medical, dental, disability and life insurance programs. In addition, our Named Executive Officers as well as other key employees are eligible to participate in our non-qualified deferred compensation plan. This plan permits deferral of a portion of the participant's compensation until a specified period of time, and the participants may invest the amounts deferred in one of several funds. The primary purpose of this plan is to provide an opportunity for additional tax-deferred retirement savings to our executives and key employees whose contributions to our 401(k) plan may be subject to limitation under applicable IRS regulations. More detail related to the operation of our non-qualified deferred compensation plan is provided in the Non-Qualified Deferred Compensation section. In December 2008, we implemented an executive health screening program whereby our executives may obtain a comprehensive physical examination, currently valued at approximately \$2,700, once every three years.

We also maintain split-dollar life insurance on certain of our Named Executive Officers that is financed by participant contributions to our non-qualified deferred compensation plan. This insurance is maintained for the Named Executive Officers and in the current approximate amounts listed in the table below. Pursuant to this

Table of Contents

program, the Compensation Committee authorized Encore to enter into split-dollar agreements with the participants whereby ten percent of the total benefit payable in the event of death would be payable to the beneficiaries of such participants.

	Aggregate Death Benefit
J. Brandon Black	\$ 700,000
Paul Grinberg	\$ 700,000

Perquisites. We do not provide material executive perquisites to our Named Executive Officers.

Tax Considerations

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code provides that public companies cannot deduct non-performance based compensation paid to certain named executive officers in excess of \$1 million per year. These officers include any employee who, as of the close of the taxable year, is the principal executive officer, and any employee whose total compensation for the taxable year is required to be reported to stockholders under the Securities Exchange Act of 1934 by reason of such employee being among the three highest compensated officers for that taxable year, other than the principal executive officer or the principal financial officer. We generally try to ensure that our compensation satisfies Section 162(m) requirements for deductibility, though we cannot assure you that the Internal Revenue Service would reach the same conclusion. However, the Compensation Committee believes that the company must be able to attract, retain and reward the executive leadership necessary to execute its business strategy. Therefore, the Compensation Committee may authorize compensation that may not be deductible if it believes this is in the best interests of the company and its stockholders. To comply with the requirements of Section 162(m), we are submitting the performance-based compensation provisions of our 2005 Plan to our stockholders for re-approval at the annual meeting, as described in Proposal No. 3 of this proxy statement.

Other Matters Relating to Executive Compensation

Speculative and Hedging Transactions. We have a comprehensive insider trading policy that, among other things, provides that our employees, officers, directors and key consultants shall not engage in speculative transactions such as short sales, or the purchase or sale of puts, calls or other derivatives of our securities. The purpose of this policy, among other things, is to assist our employees in avoiding potential conflicts of interest that could result in unwanted perceptions and negative impact on our stock price. The policy also discourages the purchase of company securities on margin and contains additional restrictions applicable to insiders, including our executive officers and directors. Insiders are permitted to engage in forward sales, collars or other hedging transactions with the prior approval of the Board, or its Chairman after consultation with a majority of the Board.

Option Grants. While we do not have a formal policy, our options and other grants are priced at market value on the date of grant (generally the date of Board or Compensation Committee approval).

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of our Compensation Committee during the fiscal year ended December 31, 2008 were directors Timothy J. Hanford, J. Christopher Teets and Warren Wilcox. None of our Compensation Committee members had an interlocking relationship with our executive officers or with directors of another entity during the last fiscal year.

2008 Grants of Plan-Based Awards

There were no grants of plan-based awards made to our Named Executive Officers during the fiscal year ended December 31, 2008.

Employment Agreement with Mr. Black

Amounts reported for Mr. Black, our President and CEO, in the Salary and Non-Equity Incentive Plan Compensation columns in the 2008 Summary Compensation Table above reflect amounts owed to him under the terms of an employment agreement with Mr. Black which was effective during fiscal year 2008. In connection with entering into his new severance agreement approved by the Compensation Committee on March 9, 2009, as discussed further below under Potential Payments Upon a Termination or Change of Control, Mr. Black's prior employment agreement dated June 13, 2005 was terminated.

During fiscal year 2008, Mr. Black's annual base salary was set pursuant to the agreement at \$414,260, which the Board could increase in its sole discretion. The Compensation Committee determined to leave Mr. Black's salary at its current level at its meeting on March 9, 2009, and no adjustment has been made to date this year. In addition to salary, Mr. Black's prior agreement provided for a guaranteed annual cash bonus equal to 50% of his then-current base salary and eligibility to receive an additional, discretionary annual bonus of up to 50% of his then-current base salary, for a total potential annual bonus of 100% of his then-current base salary. The Compensation Committee had discretion to increase the discretionary bonus amount pursuant to the terms of the agreement. The prior employment agreement was terminated in connection with his new severance agreement, and the Compensation Committee awarded Mr. Black a total bonus of \$257,877, representing 62% of his base salary, based on corporate performance, the bonus pool available for 2008 and Mr. Black's individual performance.

Severance Agreement with Ms. Pruitt

In connection with the termination of her employment on August 25, 2008, we entered into an agreement with Ms. Pruitt pursuant to which, upon her execution and delivery of a general release and waiver of claims, she received a lump sum payment in the amount equal to her annual base salary, less applicable taxes and withholdings, plus a pro-rated portion of her target bonus under our key contributor bonus plan for 2008 in the amount of \$58,769 which was pro-rated to the date of her termination. The amount shown in the All Other Compensation column of the Summary Compensation Table reflects her severance payment.

Bonuses Awarded under Performance-Based Cash Incentive Plan

As described in more detail in the Compensation Discussion and Analysis section, the discretionary bonuses awarded to our Named Executive Officers for their performance in 2008 were paid out of our key contributor cash incentive bonus plan. The total bonus pool created by the Compensation Committee under our incentive plan was established based on corporate performance achieved in 2008 relative to EBITDA, measured against the goals and parameters of the program. In addition, the Committee set a stated bonus target for each

Table of Contents

individual, and retained discretion to adjust the pool and individual payouts as it deemed appropriate. For 2008, actual bonus payouts based on corporate and individual performance during the year to our Named Executive Officers ranged from 62% to 83% of the executives' base salary, with Ms. Pruitt's bonus determined in accordance with her severance agreement and prorated through the date of her termination.

- (1) Market value for RSU awards was calculated using the closing price of \$7.20 per share for our common stock on December 31, 2008.
- (2) The option vests in three equal annual installments commencing on the first anniversary of the date of grant.
- (3) Each of these options was amended by the Compensation Committee in August 2007 to provide that the portion of such option that is vested and for which the exercise price is less than the fair market value of the Company's stock on the optionee's last date of service will remain outstanding and can be exercised for the full term specified in the option agreement. For Ms. Pruitt, these are the only options she held with an exercise price that was less the fair market value on her August 25, 2008 termination date.
- (4) Amounts reported represent awards of RSUs granted pursuant to the 2005 Plan on August 23, 2007. These RSUs vest as follows: 100% of the RSUs vest on the third anniversary of the date of grant; provided that if the executive's employment is terminated without cause prior to the vesting date, then 10% will vest if such termination occurs prior to the first anniversary of the date of grant, 20% will vest if such termination occurs on or after the first anniversary of the date of grant but prior to the second anniversary of the date of grant, and 30% will vest if such termination occurs on or after the second anniversary of the date of grant but prior to the third anniversary of the date of grant.

Table of Contents

- (5) Amount reported represents an award of RSUs granted pursuant to the 2005 Plan on December 21, 2007. Fifty percent of the RSUs will vest on December 21, 2010; 25% will vest on December 21, 2011; and 25% will vest on December 21, 2012; provided that if the executive's employment is terminated without cause prior to the vesting date, then 10% will vest if such termination occurs prior to the first anniversary of the date of grant, 20% will vest if such termination occurs on or after the first anniversary of the date of grant but prior to the second anniversary of the date of grant, and 30% will vest if such termination occurs on or after the second anniversary of the date of grant but prior to the third anniversary of the date of grant.
- (6) Amounts reported represent awards of RSUs intended to qualify as performance-based compensation and granted pursuant to the 2005 Plan on August 23, 2007. The RSUs vest as follows: The RSUs will vest in increments of 50%, 25% and 25% on the date of announcement of earnings for the calendar year in which a predetermined EBITDA target is achieved, subject to continuous service requirements, and provided that any RSUs for which the requisite earnings target has not been achieved by the end of calendar year 2012 will be forfeited. Vesting will accelerate upon a change of control.
- (7) Amount reported represents an award of RSUs intended to qualify as performance-based compensation and granted pursuant to the 2005 Plan on November 1, 2005. The RSUs vest as follows: If Encore had achieved a stated earnings per share target for calendar year 2006 or 2007, 50% of the RSUs would have vested on the date of announcement of earnings for such year and 50% would have vested one year later. If Encore achieves the stated earnings per share target for calendar year 2008, 2009, or 2010, all of the RSUs will vest on the date of announcement of earnings for such year. Encore did not achieve the stated earnings per share target for 2008. If Encore does not reach the earnings per share target by calendar year 2010, then 50% of the RSUs vest on the date of announcement of earnings for such year, subject to continuous service requirements, and the remaining 50% will be forfeited.

Table of Contents**2008 NON-QUALIFIED DEFERRED COMPENSATION**

The table below includes certain information with respect to amounts deferred by the Named Executive Officers pursuant to our non-qualified deferred compensation plan as of the fiscal year ended December 31, 2008.

(1) Historically, company contributions made on behalf of our Named Executive Officers under our non-qualified deferred compensation plan have been reported in the Summary Compensation Table under All Other Compensation and quantified in the footnotes to the table. No such contributions were made on behalf of our Named Executive Officers in fiscal years 2008, 2007 or 2006, and accordingly, no contributions were included in our Summary Compensation Table.

(2) The amounts shown are not reflected in the Summary Compensation Table.

Our non-qualified deferred compensation plan is offered to our Named Executive Officers as well as other key employees. The plan is described in more detail in the Compensation Discussion and Analysis section.

The non-qualified deferred compensation plan permits deferral between 5% to 80% of a participant's salary and 5% to 100% of a participant's paid bonus. Amounts deferred are placed in a trust. In addition, we have, in the past, made contributions for certain executives, subject to vesting restrictions. Participants in the plan can direct the investment of their deferred compensation in reference funds that mirror the performance of publicly-available mutual funds. The reference funds available for investment, and the annualized rates of return realized in each fund during 2008, are listed below.

Name of Fund	Rate of Return in 2008 (%)	Name of Fund	Rate of Return in 2008 (%)
AIM V.I. International Growth	-40.38	Jacobs Levy MidCap Value	-43.92

Participants in our non-qualified deferred compensation plan can elect to withdraw funds in their accounts in one of the following manners:

In-service distribution. Participants can elect for distributions to be made at least five years from the year of deferral. In-service distribution in this case can be made in one lump sum or in annual installments for up to 20 years. Participants can elect to re-defer amounts at least five more years if the election is made at least 12 months prior to distribution, but cannot accelerate the time period over which payments are made.

Edgar Filing: ENCORE CAPITAL GROUP INC - Form DEF 14A

College savings distribution. Participants can elect for annual distributions to be made over a six year period, to begin at least three years following the year of deferral. Participants can elect to re-defer amounts at least five more years if the election is made at least 12 months prior to distribution.

Table of Contents

Retirement distribution. Participants can elect for distributions to be made upon retirement either at age 55 if the participant has at least three years of service at Encore, or age 65 if less than three years of service. Payments can be made in one lump sum or in annual installments for up to 20 years. Participants can elect to re-defer amounts at least five more years or change their distribution option if the election is made at least 12 months prior to distribution, but cannot accelerate the time period over which payments are made.

If the participant's employment is terminated prior to the distribution date, subject to compliance with Section 409A of the Code and applicable Treasury Regulations, the vested portion of the participant's account balance is paid in one lump sum upon termination. If the participant dies prior to the distribution date and prior to retirement, all funds become immediately vested and are distributed either in one lump sum or in annual installments to named beneficiaries, in accordance with the participant's election. If the participant dies following retirement while distribution payments are being made, payments continue to be made to named beneficiaries. In addition, participants can withdraw all vested funds or a portion of these funds prior to their elected distribution date in the case of certain hardship situations or permanent disability.

POTENTIAL PAYMENTS UPON A TERMINATION OR CHANGE OF CONTROL

This section describes the payments that may be or were made to Named Executive Officers upon separation pursuant to individual agreements, based on certain assumptions or the circumstances described below. We do not have a separate plan offering separation payments other than the payments offered under these individual agreements, as described in more detail below. For more information on amounts payable to our Named Executive Officers under our non-qualified deferred compensation plan upon termination and other elected payout events pursuant to that plan, see the *Non-qualified Deferred Compensation* table and accompanying narrative above.

Severance Agreements – Messrs. Black and Grinberg

On March 9, 2009, the Compensation Committee approved severance protection agreements for Messrs. Black and Grinberg, and the agreements were signed on March 12, 2009. The terms and conditions of the severance agreements for Messrs. Black and Grinberg are substantially the same, except as otherwise described below. These agreements superseded, in the case of Mr. Black, an employment agreement dated June 13, 2005, as amended, and in the case of Mr. Grinberg, an executive severance agreement dated December 20, 2007, both of which were terminated.

Basic Assumptions. The tables presented in this section were prepared assuming each event triggering a payment or other benefit occurred on December 31, 2008 using the base salaries in effect and the share price of our common stock as of that day (both as required by the SEC). Amounts for accrued but unpaid wages, accrued but unused paid-time off and reimbursable expenses payable upon separation are not reported in the *Salary* column because those are generally amounts that the employee is legally entitled to or amounts that all employees would be entitled to upon similar termination or resignation.

We note that because a change of control did not occur on December 31, 2008, and the executives were not terminated on that date, these tables are merely estimates intended to give the reader a general idea of possible payments upon a termination or change of control. There can be no assurance that a change of control would produce similar results to those described below if it were to occur in the future.

Payments upon a Termination Without Cause or for Good Reason. Pursuant to the terms of the March 12, 2009 severance agreements, if the employment of Messrs. Black or Grinberg is terminated without Cause or the executive resigns for Good Reason (as defined below) at any time during the term of the agreement, upon execution and delivery of a release and waiver of claims, the executive is entitled to continuation of his

Table of Contents

then-current salary, less applicable taxes and withholdings, for the following periods immediately following the executive's date of termination: (i) 24 months in the case of Mr. Black, and (ii) 12 months in the case of Mr. Grinberg. The executive would receive these payments in accordance with our regular payroll schedule. In addition, if the executive is terminated without Cause or resigns for Good Reason, he will receive bonus payments in the following amounts: (i) for Mr. Black, two times the average of his last three annual bonus payments on the earlier of when bonuses are paid to other employees for the year of his termination or 75 days following the end of such year, plus an additional amount paid at such time equal to the prorated portion of his target bonus earned for the year of termination up to the date of termination, and (ii) for Mr. Grinberg, his target annual bonus for the year of his termination on the earlier of when bonuses are paid to other employees or 75 days following the end of such year, plus an additional amount paid at such time equal to the prorated portion of his target bonus earned for the year of termination up to the date of termination. The terms of the agreement include a provision to pay COBRA continuation premiums for group health benefits or other individual health insurance premiums (to the extent the maximum COBRA period has been exceeded in the case of Mr. Black) for up to (i) 24 months for Mr. Black and (ii) 12 months for Mr. Grinberg, subject to the executive not obtaining substantially comparable health benefits from a subsequent employer. The total amount of payments that would be owed to Messrs. Black and Grinberg assuming a termination without Cause or resignation for Good Reason on December 31, 2008 are provided in the table below.

Stock Option and RSU Acceleration. Each of the stock options granted to Messrs. Black and Grinberg shown in the Outstanding Equity Awards at Fiscal Year End table provides for accelerated vesting of unvested shares under the option upon death or disability or the occurrence of a reorganization event or change of control, as defined in the option agreements and our 2005 Plan. As of December 31, 2008, however, there were no unvested shares under these options with an exercise price less than \$7.20 per share, the closing price of our common stock on December 31, 2008.

The RSUs awarded to Messrs. Black and Grinberg on August 23, 2007 in the amount of 42,450 and 10,000 shares, respectively, vest as follows: 100% of the RSUs vest on the third anniversary of the date of grant; provided that if the executive's employment is terminated without cause prior to the vesting date, then 10% will vest if such termination occurs prior to the first anniversary of the date of grant, 20% will vest if such termination occurs on or after the first anniversary of the date of grant but prior to the second anniversary of the date of grant, and 30% will vest if such termination occurs on or after the second anniversary of the date of grant but prior to the third anniversary of the date of grant. In accordance with this formula, 20% of each of Messrs. Black's and Grinberg's RSUs would vest and be settled if a termination were to occur on December 31, 2008.

The RSUs awarded to Mr. Grinberg on December 21, 2007 vest as follows: 50% of the RSUs vest on December 21, 2010; 25% vest on December 21, 2011; and 25% vest on December 21, 2012; provided that if Mr. Grinberg's employment is terminated without cause prior to the vesting date, then 10% will vest if such termination occurs prior to the first anniversary of the date of grant, 20% will vest if such termination occurs on or after the first anniversary of the date of grant but prior to the second anniversary of the date of grant, and 30% will vest if such termination occurs on or after the second anniversary of the date of grant but prior to the third anniversary of the date of grant. In accordance with this formula, 20% of Mr. Grinberg's RSUs would vest and be settled if a termination were to occur on December 31, 2008.

Adjustments to Payments and Timing of Payments. The timing of any payments to Messrs. Black and Grinberg under their individual severance agreements are subject to the applicable requirements of Section 409A of the Internal Revenue Code of 1986 (the Code) and the related Treasury Regulations, and may be delayed as necessary to comply therewith. In addition, all severance payments and benefits payable under the agreements are subject to reduction to the extent necessary to avoid penalties assessed under Section 280G and Section 4999 of the Internal Revenue Code.

Restrictive Covenants. As a condition to receiving the payments under their respective individual severance protection agreements, Messrs. Black and Grinberg must agree to a broad release and waiver of claims. The

Table of Contents

agreements also provide certain notice and related requirements that must be met. In addition, each executive is subject to the following obligations while he is receiving payments and other benefits under the agreement:

non-disparagement of Encore;

non-solicitation of our employees for one year following termination; and

continued cooperation with all outstanding legal and administrative matters or issues.

Definitions. The term "Cause" is defined in the severance agreements as any one of the following reasons:

failure to adhere to any legal written policy applicable to all our employees;

repeated and consistent failure to substantially perform job duties;

actual or attempted appropriation of material business opportunity of Encore, including attempting to secure or securing any personal profit in connection with any transaction entered into on behalf of Encore;

actual or attempted misappropriation of our funds or property;

conviction of or guilty or no-contest plea to a felony or an equivalent crime, a crime of moral turpitude or a crime involving possible imprisonment;

conduct materially injurious to our reputation or business; or

willful misconduct.

The term "Good Reason" is defined as any one of the following reasons:

material reduction in the executive's base or target bonus compensation;

material reduction in the authority, duties or responsibilities of either the executive or the person to whom the executive reports;

material reduction in the budget over which the executive retains authority; or

Edgar Filing: ENCORE CAPITAL GROUP INC - Form DEF 14A

material change in the location at which the executive provides services for the Company, of more than 35 miles from the executive's present office location or primary residence, without consent.

The following table summarizes the amounts we estimate would be payable to Messrs. Black and Grinberg upon a termination without Cause or resignation for Good Reason as outlined in their individual severance agreements and described above, assuming the triggering event occurred on December 31, 2008:

Name	Severance Salary Payments (1)	Severance Bonus Payments (2)	COBRA or Individual Insurance Premiums (3)	Fair Market Value of Unvested Equity Awards with Accelerated Vesting (4)	Total
J. Brandon Black	\$ 828,520	\$ 949,262	\$ 27,768	\$ 61,128	\$ 1,866,678
Paul Grinberg	\$ 291,200	\$ 483,392	\$ 13,682	\$ 158,400	\$ 946,674

- (1) Amounts in this column represent amounts owed in excess of salary and other benefits payable through the last day of employment in accordance with our standard policies.
- (2) Severance bonus includes (i) a portion of Messrs. Black's and Grinberg's target bonus for the year of termination pro-rated to the date of termination, plus (ii) the following amount: (a) for Mr. Black, an additional amount calculated using the average of his bonuses earned in 2006, 2007 and 2008, multiplied by 200%, and (b) for Mr. Grinberg, 100% of his target annual bonus for the fiscal year ended December 31, 2008. Because the table assumes a triggering event occurred on December 31, 2008, which is the last day of the fiscal year, the entire bonus under (i) above would be payable.

Table of Contents

- (3) Amounts payable for COBRA or individual insurance premiums are based on each executive's insurance coverage held as of December 31, 2008 and the cost of premiums at that date.
- (4) For Mr. Black, vesting would accelerate 20% of the 42,450 RSUs awarded on August 23, 2007, and for Mr. Grinberg, vesting would accelerate for 20% of the RSUs awarded on August 23, 2007 and December 21, 2007. Fair market value is based on the closing price of \$7.20 per share for our common stock on December 31, 2008.

Change of Control. In the event of a change of control (as defined in our 2005 Plan), the equity awards granted to Messrs. Black and Grinberg under our 2005 Plan provide that vesting would accelerate as follows: (i) for Mr. Black, all 42,450 time-based RSUs and 42,450 performance-based RSUs, having an aggregate fair market value at December 31, 2008 of \$611,280, and (ii) for Mr. Grinberg, 10,000 time-based RSUs and 10,000 performance-based RSUs awarded on August 23, 2007, and 100,000 time-based RSUs awarded on December 21, 2007, having an aggregate fair market value at December 31, 2008 of \$864,000.

Severance Payments Ms. Pruitt

Lump sum Severance Payments. Ms. Pruitt's employment was terminated on August 25, 2008, and the description below reflects the terms of her arrangements put in place with her on that date. Upon her execution and delivery of a broad general release and waiver of claims, Ms. Pruitt received a lump sum payment in an amount equal to her annual base salary of \$235,075, less applicable taxes and withholdings, plus a portion of her target bonus earned under our key contributor plan for 2008 pro-rated to the date of her termination in the amount of \$58,769.

RSU Acceleration. The RSU awarded to Ms. Pruitt for 9,575 shares on August 23, 2007 provided that it would vest as follows: 100% of the RSU would vest on the third anniversary of the date of grant; provided that if her employment was terminated without cause prior to the vesting date, then 10% would vest if such termination occurred prior to the first anniversary of the date of grant, 20% would vest if such termination occurred on or after the first anniversary of the date of grant but prior to the second anniversary of the date of grant, and 30% would vest if such termination occurred on or after the second anniversary of the date of grant but prior to the third anniversary of the date of grant. In accordance with this formula, vesting for 20% of Ms. Pruitt's RSU accelerated as a result of her August 25, 2008 termination, and 1,915 shares of Encore common stock were issued to her. These shares had a fair market value on her termination date of \$22,191, based on our closing market price on that date.

Restrictive Covenants. Ms. Pruitt is subject to the following obligations pursuant to her agreement:

non-disparagement of Encore;

non-solicitation of our employees for one year following termination; and

continued cooperation with all outstanding legal and administrative matters or issues.

On August 27, 2008, Mr. Lund was appointed as Chairman of the Board. In connection with his service in that capacity, in addition to the compensation detailed above, Mr. Lund was awarded a stock option grant of 250,000 shares with an exercise price of fair market value on that date, 150,000 shares of which will vest on the first anniversary of the date of grant and 50,000 shares of which will vest each of the second and third anniversaries of the date of grant. The Compensation Committee awarded him a discretionary bonus as indicated in the table in March 2009 for his service as Chairman for the portion of fiscal year 2008 during which he served.

Non-employee directors may elect to receive any retainer payable on or after January 1, 2008 in the form of cash, shares of our common stock, deferred issuance RSUs, or any combination thereof, provided that any deferral arrangement is subject to applicable legal and regulatory requirements. Non-employee directors who serve on our Board as representatives are allowed to assign the cash portion of their fees to the fund they represent and may hold their equity awards under nominee arrangements. All directors are reimbursed for their out-of-pocket expenses incurred in attending Board or committee meetings.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Person Transaction Policy and Procedures

In 2007, the Audit Committee of our Board adopted a written policy and related procedures concerning related person transactions. Under our written policy, the Audit Committee continues to be responsible for the regular review and approval or disapproval of related person transactions between Encore or a subsidiary and certain related persons. The policy tracks the SEC rules with respect to defining who and which transactions are covered by the policy. A related person is a director, officer, nominee for director, or 5% stockholder of the company since the beginning of the last fiscal year and their immediate family members. Transactions covered by the policy are those in which Encore or a subsidiary is a participant, the amount involved exceeds \$120,000, and a related person has a direct or indirect material interest. In addition, the Audit Committee has determined that transactions with related persons, to the extent such transactions are not deemed material enough by the SEC to be disclosed or are already disclosed in some manner, are not deemed by the Audit Committee to be related person transactions under our policy.

Related Person Transactions

We have entered into indemnification agreements with each of our officers and directors pursuant to which we agreed to indemnify each officer and director to the fullest extent authorized by law against certain expenses and losses arising out of claims related to the service by such person as an officer or member of our Board of Directors or in certain other capacities.

Pursuant to indemnification agreements with our current and former executive officers and directors and underwriting agreements and registration rights agreements that also provide certain rights to indemnification, we have advanced the legal fees incurred on behalf of Messrs. Gregory and Black, and Barry R. Barkley, Alexander Lemond and Eric D. Kogan, former directors of Encore, in the defense of litigation involving one of our former officers, as described in Note 12 of the consolidated financial statements in Encore's Form 10-K and Annual Report for the year ended December 31, 2008. Pursuant to the underwriting agreements and registration rights agreements mentioned above, we also have advanced the legal fees incurred on behalf of Triarc Companies, Inc. (Triarc) and an executive officer of Triarc in defense of this and related litigation. Triarc was, at that time, one of our significant stockholders and an affiliate of Peter W. May and Nelson Peltz, former directors of Encore. Since the beginning of 2008, we have advanced approximately \$1,230,000 in such legal fees and costs incurred, including Encore's costs of defense.

APPROVAL OF AMENDMENT AND RESTATEMENT OF OUR 2005 STOCK INCENTIVE PLAN (PROPOSAL NO. 2)

Background

On March 9, 2009, our Board of Directors approved an amendment and restatement of the Encore Capital Group, Inc. 2005 Stock Incentive Plan (the 2005 Plan), subject to approval by our stockholders. Our 2005 Plan was originally adopted March 30, 2005 and approved by our stockholders on May 3, 2005, and subsequently amended by our Board of Directors on August 23, 2007. The 2005 Plan provides for the granting of incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, restricted stock units and performance-based awards to our employees, officers, directors, consultants and advisors. The purpose of the 2005 Plan is to promote the success, and enhance the value, of Encore by linking the personal interest of participants to those of our stockholders and by providing participants with an incentive for outstanding performance. The 2005 Plan will terminate on the tenth anniversary of the adoption of the amendment and restatement.

Proposal

The March 2009 amendment and restatement of our 2005 Plan which is the subject to this proposal will increase by 2,000,000 the maximum number of shares of our common stock that may be issued or subject to awards under the plan and make certain other amendments. The 2005 Plan originally authorized for issuance up to an aggregate of 1,500,000 shares of our common stock, plus shares that were available under our prior equity plan, and any shares of our common stock that, but for the termination of the prior plan, otherwise would have reverted to the share reserve for the prior plan. As of April 13, 2009, an aggregate of 88,416 shares of our common stock remained available for future grants of awards under our 2005 Plan (excluding any additional shares available as a result of future forfeiture, expiration or other termination of awards under the plan). Our Board of Directors believes that it is appropriate to amend the plan to increase the shares available for future grants as integral part of our long-term compensation philosophy.

The Board of Directors believes that the proposed increase in shares available under the 2005 Plan is necessary to ensure that we maintain the ability in the future to continue to attract and retain highly qualified officers, directors and other employees by providing adequate incentives through the issuance of equity awards. The increase in shares under the 2005 Plan is therefore necessary to ensure that enough shares will be available for the issuance of equity awards in order to incentivize and retain our key employees, which can assist in maximizing the full potential of stockholder value.

In addition, certain additional amendments to the 2005 Plan have been made for ease of administration, including adoption of a new 10-year term for the plan commencing as of the effective date of the amendment and restatement, clarifying the terminology for restricted stock unit awards, giving the Board discretion to delegate authority to a committee for grants to non-officers, increasing from 300,000 to 500,000 the maximum number of shares of common that may be subject to awards granted to any one participant during any fiscal year or performance period, and allowing flexibility for stock appreciation rights to be settled in cash or stock and for restricted stock units to carry a dividend equivalent right.

Accordingly, stockholders are requested to approve the amendment to the 2005 Plan to increase by 2,000,000 the maximum number of shares of our common stock that may be issued or subject to awards under the plan, as amended and restated.

A summary of the principal terms of the 2005 Plan, as amended and restated, is set forth below. The summary is qualified by reference to the full text of the 2005 Plan, a copy of which is attached to this proxy statement as Appendix A.

Table of Contents

Summary of the 2005 Plan

Administration. The 2005 Plan is administered by the Compensation Committee of our Board of Directors, which consists of at least two directors, each of whom qualifies as a non-employee director and an outside director under Section 162(m) of the Internal Revenue Code, as amended (the Code), and the regulations thereunder. The Committee has the exclusive authority to administer the 2005 Plan, including the power to determine eligibility to receive awards, the types and number of shares of stock subject to the awards, the price and timing of awards and the acceleration or waiver of any vesting, performance or forfeiture restrictions, provided that the Committee does not have the authority to waive any performance restrictions for performance-based awards. The Board may also appoint a committee composed of one or more members of the Board, including the CEO, to administer the 2005 Plan with respect to eligible participants who are not officers or directors.

Eligibility. Persons eligible to participate in the 2005 Plan include all Board members, employees, officers, consultants and advisors to Encore and our subsidiaries and affiliates, as determined by the Committee.

Limitation on Awards and Shares Available. Subject to certain adjustments, the Committee may grant awards for an aggregate of 3,500,000 shares of our common stock under the 2005 Plan, plus: (i) the number of shares of common stock that remained available for grant pursuant to our prior equity plan at the time our 2005 Plan was adopted, and (ii) any shares subject to awards made under the 2005 Plan or our prior equity plan that either terminate, expire, or lapse prior to exercise. The number of shares of common stock reserved and available for grant as incentive stock options under the 2005 Plan is 3,500,000. The maximum number of shares of common stock subject to one or more awards to a participant under the 2005 Plan during any fiscal year of the Company is 500,000. The maximum number of shares of common stock payable in the form of performance-based awards to any one participant for a performance period is 500,000 shares.

Awards. The 2005 Plan provides for the grant of incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, restricted stock units and performance-based awards.

Stock options. Stock options may be granted under the 2005 Plan, including incentive stock options, as defined under Section 422 of the Code, and nonqualified stock options. The exercise price of all stock options granted under the 2005 Plan will be determined by the Committee, except that any incentive stock option or any option intended to qualify as performance-based compensation under Code Section 162(m) will not be granted at a price that is less than 100% of the fair market value of the stock on the date of grant, and the exercise price for any nonqualified stock will not be granted at a price that is less than 85% of the fair market value of the stock on the date of grant. Stock options may be exercised as determined by the Committee, but in no event after the tenth anniversary of the date of grant. Upon the exercise of a stock option, the purchase price must be paid in full in either cash, shares of stock, broker-assisted cashless exercise or by any other means that the Committee may allow and as permitted under applicable law.

Stock appreciation rights (SAR). A SAR is the right granted to a participant to receive a payment equal in value to the difference between the fair market value of a share of our common stock on the date of exercise of the SAR over the grant price of the SAR. Under the 2005 Plan, that amount is to be paid in cash or shares of common stock. The terms, method of exercise or settlement, and any other terms and conditions of any SAR will be determined by the Committee at the time of grant.

Restricted stock. A restricted stock award is the grant of shares of common stock at a price (including zero) determined by the Committee, and the shares are non-transferable and subject to forfeiture until specific conditions or restrictions lapse. Conditions normally include continued employment. During the period of restriction, participants holding shares of restricted stock may, if permitted by the Committee, have full voting and dividend rights with respect to such shares. The restrictions will lapse in accordance with a schedule or other conditions determined by the Committee.

Table of Contents

Restricted stock units. Restricted stock units (also known as RSUs) are a contingent right to receive cash, shares of our common stock or other Awards upon satisfaction of such conditions, which may include continued service, as may be established by the Committee. The value of RSUs will depend on the degree to which the specified conditions are met but are generally based on the value of our common stock. The number and value of RSUs paid to a participant may depend upon the extent to which performance goals or other terms or conditions to payment as established by the Committee are met. RSUs may carry dividend equivalent rights, at the discretion of the Committee.

Performance-based awards. Grants of performance-based awards under the 2005 Plan enable the Committee to treat restricted stock and restricted stock unit awards granted under the plan as performance-based compensation under Section 162(m) of the Code and preserve the deductibility of these awards for federal income tax purposes. Because Section 162(m) of the Code applies only to those employees who are covered employees, as defined in, and pursuant to applicable guidance under, Section 162(m) of the Code, only covered employees are eligible to receive performance-based awards. For Section 162(m) purposes, a covered employee is any employee who, as of the close of the taxable year, is the principal executive officer, and any employee whose total compensation for the taxable year is required to be reported to stockholders under the Securities Exchange Act of 1934 by reason of such employee being among the three highest compensated officers for that taxable year, other than the principal executive officer or the principal financial officer. See Proposal No. 3 below for a discussion of the stockholder re-approval being sought at the annual meeting for the performance-based compensation provisions of the 2005 Plan.

Participants are only entitled to receive payment for a performance-based award for any given performance period to the extent that pre-established performance goals set by the Committee for the period are satisfied. These pre-established performance goals must be based on one or any combination of the following performance criteria: earnings per share; net income; income from operations; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; return on assets; return on equity; return on capital; total stockholder return; revenue growth; new business generation; operating cash flow; employee turnover; human resources; mergers, acquisitions, investments, joint ventures or sales or divestitures of assets, businesses or subsidiaries; litigation; information services; cost reductions or savings; or stock price appreciation. These performance criteria may be measured in absolute terms or as compared to any incremental increase or as compared to external factors or measurements. With regard to a particular performance period, the Committee will have the discretion to select the length of the performance period, the type of performance-based awards to be granted, and the goals that will be used to measure the performance for the period. Generally, a participant must be employed on the date the performance-based award is paid to be eligible for a performance-based award for that period.

Change of Control. For purposes of the 2005 Plan, as amended August 23, 2007, a change of control generally means: (i) any sale, lease, exchange or other transfer of all or substantially all of Encore's assets, (ii) our stockholders approve and complete a plan or proposal for the liquidation of Encore, (iii) any person or group (other than Red Mountain Capital Partners LLC, JCF FPK I LP or any affiliate thereof) becomes the beneficial owner, directly or indirectly, of shares representing more than 50.1% of the aggregate voting power of our common stock, or (iv) the completion of a merger, reorganization, consolidation or other corporate transaction involving Encore in which holders of our common stock immediately before the transaction hold 50% or less of the common equity interest in the surviving corporation or other entity resulting from the transaction. If a change of control of Encore occurs, the Committee, in its discretion, may take the following action: (i) by written notice to each participant, provide that his or her awards will be terminated unless exercised within thirty days (or such longer period as the Committee determines in its sole discretion) after the date of such notice (without acceleration of the exercisability of such awards), and (ii) advance the date or dates upon which any or all outstanding awards will be exercisable.

Amendment and Termination. The Committee, with the Board's approval, may terminate, amend, or modify the 2005 Plan at any time. However, stockholder approval will be obtained for any amendment to the

Table of Contents

extent necessary and desirable to comply with any applicable law, regulation or stock exchange rule. In no event may an award be granted under the 2005 Plan on or after the tenth anniversary of the effective date of the plan. The 2005 Plan, as amended and restated, terminates on March 9, 2019.

Table of Contents**Federal Income Tax Consequences**

The following is a brief summary of the U.S. federal income tax consequences of transactions under the 2005 Plan based on current federal income tax laws. **This summary is not intended to be exhaustive and does not discuss the tax consequences of a participant's death or the provision of any income tax laws of any municipality, state or foreign country in which a participant may reside.**

ISOs. An optionee will not be treated as receiving taxable income upon either the grant of an incentive stock option or upon the exercise of that option. However, when exercised, the difference between the exercise price and the fair market value of the shares will be a tax preference item in determining alternative minimum tax liability, assuming that the shares are either transferable or subject to a substantial risk of forfeiture under Section 83 of the Code. If the optionee holds and does not otherwise dispose of the shares for at least two years from the date of grant and at least one year following the date of exercise, any gain or loss resulting from its disposition will be treated as long-term capital gain or loss. If these holding period requirements are not satisfied, a disqualifying disposition will occur. If a disqualifying disposition occurs, the optionee will realize ordinary income in the year of the disposition in an amount equal to the difference between the fair market value of the shares on the date of exercise and the exercise price, or the selling price of the shares and the exercise price, whichever is less. The balance of the optionee's gain on a disqualifying disposition, if any, will be taxed as capital gain. If the optionee exercises an incentive stock option using stock acquired by a previous exercise of an incentive stock option, unless the stock exchange occurs after the required holding periods, such exchange shall be deemed a disqualifying disposition of the stock exchanged. We will not be entitled to any tax deduction as a result of the grant or exercise of an incentive stock option, or on a later disposition of the shares received, except that we will be entitled to a deduction equal to the amount of ordinary income includible by the optionee upon a disqualifying disposition.

NSOs. An optionee will not recognize any taxable income upon the grant of a non-qualified stock option, nor are we entitled to a tax deduction by reason of such grant. Upon the exercise of a non-qualified stock option, the optionee will realize ordinary income in an amount equal to the excess of the fair market value of the shares on the date of exercise over the exercise price. We are entitled to take a deduction in the amount of ordinary income included in the optionee's income. When the optionee disposes of the shares received upon exercise of a non-statutory stock option, the optionee will realize capital gain income if the amount realized on the sale exceeds the optionee's basis in the shares. If the optionee's basis in the shares exceeds the amount realized on the sale, the optionee will realize a capital loss. There is no tax impact to us upon the optionee's subsequent sale of shares. The optionee's basis in the shares will be equal to the exercise price plus any income included as a result of the exercise.

SARs. If a participant receives a SAR, the individual is not subject to tax at the time of the grant and we are not entitled to a tax deduction by reason of such grant. At the time the SAR is exercised, the participant must include in income the appreciation inherent in the SAR (*i.e.*, the difference between the fair market value of the shares on the date of grant and the fair market value of the shares on the date the SAR is exercised). We are entitled to a corresponding tax deduction in the amount equal to the income includible by the participant.

Restricted Stock Units. If a participant receives a RSU award, the individual will not realize taxable income at the time of grant, and we will not be entitled to a deduction by reason of such grant. Instead, the person will recognize ordinary income in the year in which the performance goals are achieved or other applicable conditions are met and the award is paid equal to the amount of cash and/or the fair market value of the shares issued to the participant. We are entitled to a tax deduction equal to the amount of income includible by the participant.

Restricted Stock. If a participant receives a restricted stock award, the individual will recognize ordinary income equal to the fair market value of the restricted stock on the date on which the restrictions lapse. We are entitled to a corresponding tax deduction in the same amount for the year in which the restrictions lapse. Instead of postponing the income tax consequences of a restricted stock award until the restrictions lapse, a participant may elect to include the fair market value of the restricted stock in income in the year the award is granted. This

election is made under Section 83(b) of the Code. This Section 83(b) election is made by filing a written notice with the Internal Revenue Service. The tax treatment of the subsequent disposition of restricted stock will depend upon whether the participant has made a Section 83(b) election to include the value of the restricted stock in income when awarded. If the participant makes a Section 83(b) election, any disposition thereafter will result in a capital gain or loss equal to the difference between the selling price of the restricted stock and the fair market value of the restricted stock on the date of grant. If no Section 83(b) election is made, any disposition thereafter will result in a capital gain or loss equal to the difference between the selling price of the restricted stock and the fair market value of the restricted stock on the date the restrictions lapsed.

Section 162(m) Limitation. Under Section 162(m) of the Code, we may not take a tax deduction for compensation to certain executive officers in excess of \$1 million per year, unless the compensation is performance-based compensation or qualifies under certain other exceptions. The 2005 Plan contains provisions authorizing the grant of RSUs and restricted stock awards that may constitute performance-based awards within the meaning of Section 162(m). To the extent that awards under the 2005 Plan constitute performance-based awards, the awards are intended to qualify as performance-based compensation for purposes of Section 162(m).

Section 409A. The 2005 Plan has been written to comply, by its terms, with Section 409A of the Code; however, in the event that an award issued under the plan constitutes a deferral of compensation under a non-qualified deferred compensation plan, as such term is defined under Section 409A, such award will be modified or any payment delayed if necessary to comply with the requirements of Section 409A.

Future Plan Benefits

The awards that will be granted to eligible participants under the 2005 Plan are subject to the discretion of our Compensation Committee and, therefore, are not determinable at this time. On April 13, 2009, the closing price of our common stock was \$5.70.

Required Vote

Approval of this proposal requires the affirmative vote of the holders of a majority of the votes cast in person or by proxy and entitled to vote at the meeting.

APPROVAL OF THE PERFORMANCE-BASED COMPENSATION PROVISIONS OF OUR 2005 STOCK INCENTIVE PLAN TO COMPLY WITH THE REQUIREMENTS OF SECTION 162(M) OF THE INTERNAL REVENUE CODE

(PROPOSAL NO. 3)

Background

We are submitting the performance-based compensation provisions of the Encore Capital Group, Inc. 2005 Stock Incentive Plan (the 2005 Plan), for stockholder re-approval at the annual meeting. Our 2005 Plan was originally adopted March 30, 2005 and approved by our stockholders on May 3, 2005, and subsequently amended by our Board of Directors on August 23, 2007, and amended and restated on March 9, 2009, as further described under Proposal No. 2 above. The 2005 Plan provides for the granting of incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, restricted stock units and performance-based awards to our employees, officers, directors, consultants and advisors. The purpose of the 2005 Plan is to promote the success, and enhance the value, of Encore by linking the personal interest of participants to those of our stockholders and by providing participants with an incentive for outstanding performance.

Our 2005 Plan is intended to comply with Section 162(m) of the Internal Revenue Code (the Code) and the regulations promulgated thereunder, resulting in the tax deductibility of performance-based compensation payable under the plan to our executive officers. Section 162(m) of the Code generally prohibits a publicly traded company from deducting certain executive compensation in excess of \$1 million per year unless, among other things, the compensation is paid under a stockholder-approved plan containing objective performance criteria.

Section 162(m) and related regulations require that stockholders re-approve the material terms of the performance criteria every five years in order to continue to qualify for the exemption. Because the 2005 Plan is currently being submitted for stockholder approval of the amendment and restatement to increase by 2,000,000 the number of shares of our common stock subject to awards under the plan and make certain additional amendments, as further described above under Proposal No. 2, the Board of Directors deems it to be efficient to seek stockholder re-approval of the performance-based compensation provisions concurrently. There have been no material changes to the performance-based compensation provisions set forth in the 2005 Plan since its original adoption in 2005.

Proposal

Stockholder re-approval of the performance-based compensation provisions contained in our 2005 Plan will allow us to continue to award incentives with meaningful performance milestones that will qualify for deductibility as performance-based compensation under Section 162(m) of the Code. Awards which so qualify will not be subject to the \$1 million per person limitation on the income tax deductibility of compensation paid to certain executive officers that would otherwise be imposed under Section 162(m) of the Code.

If this proposal regarding the performance-based compensation provisions of the 2005 Plan receives approval of our stockholders at the annual meeting, we will not be required to seek approval of performance-based awards under the plan to executive officers whose compensation is subject to the deduction limit of Section 162(m) until the date of our first stockholders meeting in 2014.

The end of the five-year period by which we would need to obtain stockholder re-approval of the performance-based compensation provisions of our 2005 Plan expires at our annual meeting in 2010, but for efficiency, our Board has determined to seek stockholder re-approval this year. If this proposal is not approved by our stockholders, no performance-based awards will be made under the 2005 Plan following the date of our annual meeting of stockholders in 2010 to executive officers whose compensation is subject to the deduction limit of Section 162(m), unless stockholder re-approval is obtained at or before that time.

Performance Goals and Plan Information

The Compensation Committee, in its discretion, may issue performance-based awards to participants, the payment of which will be determined by the achievement of performance goals over a performance period. Upon the grant of a performance-based award, the Committee will determine the relevant performance goals and the performance period.

Participants are only entitled to receive payment for a performance-based award for any given performance period to the extent that pre-established performance goals set by the Committee for the period are satisfied. These pre-established performance goals must be based on one or any combination of the following performance criteria: earnings per share; net income; income from operations; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; return on assets; return on equity; return on capital; total stockholder return; revenue growth; new business generation; operating cash flow; employee turnover; human resources; mergers, acquisitions, investments, joint ventures or sales or divestitures of assets, businesses or subsidiaries; litigation; information services; cost reductions or savings; or stock price appreciation. These performance criteria may be measured in absolute terms or as compared to any incremental increase or as compared to external factors or measurements. With regard to a particular performance period, the Committee will have the discretion to select the length of the performance period, the type of performance-based awards to be granted, and the goals that will be used to measure the performance for the period. Generally, a participant must be employed on the date the performance-based award is paid to be eligible for a performance-based award for that period.

The Committee may impose such other restrictions on awards intended to constitute performance-based compensation as it may deem necessary or appropriate to ensure that such awards satisfy all requirements to constitute performance-based compensation within the meaning of Section 162(m), or which are not inconsistent with such requirements.

This summary of performance-based compensation provisions of the 2005 Plan is qualified by reference to the plan, a copy of which is attached to this proxy statement as Appendix A. The material provisions of the 2005 Plan are summarized above in Proposal No. 2.

Required Vote

Approval of this proposal requires the affirmative vote of the holders of a majority of the votes cast in person or by proxy and entitled to vote at the meeting.

The Board of Directors recommends a vote FOR approval of the performance-based compensation provisions of our 2005 Plan to comply with the requirements of Section 162(m) of the Internal Revenue Code.

Approval of Independent Registered Public Accounting Firm Services and Fees

The Audit Committee has adopted a policy requiring pre-approval of all audit, review and attest engagements and engagements for permitted non-audit services provided by the independent registered public accounting firm to Encore and any of our affiliates. The Audit Committee may pre-approve predictable and recurring services by category on an annual basis. The Audit Committee may delegate pre-approval authority to one or more of its members if the aggregate estimated fees for such services will not exceed \$50,000 for any applicable fiscal year. The member to whom such authority is delegated must report any pre-approval granted to the Audit Committee at its next scheduled meeting.

In accordance with applicable SEC regulations, permitted non-audit services may be performed without pre-approval if: (1) the services were not recognized by Encore at the time of engagement to be non-audit services; (2) the aggregate amount of fees for all such services provided constitutes no more than 5% of the total amount of revenues paid by Encore to the independent registered public accounting firm during a fiscal year; (3) the services are brought promptly to the attention of the Audit Committee; and (4) the approval is given prior to the completion of the audit. REPORT OF THE AUDIT COMMITTEE

In accordance with our written charter, the Audit Committee assists the Board in oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of Encore. We currently are composed of three members, each of whom has been determined by the Board to be an independent director, as independence is defined by the marketplace rules of The Nasdaq Stock Market and the rules and regulations of the SEC.

BDO Seidman, LLP, Encore's independent registered public accounting firm, has unrestricted access to the Audit Committee. The Audit Committee may invite other members of the Board to attend Audit Committee meetings based upon their expertise, familiarity with Encore and its industry and other factors.

In performing our oversight function, we have reviewed Encore's audited consolidated financial statements for the fiscal year ended December 31, 2008 and met with both management and BDO Seidman, LLP to discuss those consolidated financial statements. Management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have received from and discussed with BDO Seidman, LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding an independent accountant's communications with the Audit Committee concerning independence. We also have (i) discussed with BDO Seidman, LLP its independence from Encore; (ii) discussed with BDO Seidman, LLP matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and (iii) with and without management present, discussed and reviewed the results of BDO Seidman, LLP's audit of: (A) Encore's consolidated financial statements; and (B) the effectiveness of internal control over financial reporting.

Based on these reviews and discussions, and subject to the limitations on the role of the Audit Committee and the Audit Committee's responsibility described in the Audit Committee's written charter, the Audit Committee recommended to the Board that Encore's audited consolidated financial statements be included in Encore's Annual Report on Form 10-K for the fiscal year ended December 31, 2008.

- (b) Determine the type of Awards granted to each Participant;
- (c) Determine the number of Awards granted and the number of shares of Stock to which an Award will relate;
- (d) Except as otherwise provided in the Plan, determine the terms and conditions of any Award granted under the Plan, including but not limited to, the exercise price, grant price, or purchase price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, based in each case on such considerations as the Committee in its sole discretion determines; provided, however, that the Committee will not have the authority to waive the Performance Criteria applicable to any Performance-Based Award that is held by a Covered Employee;

Table of Contents

Section 3.1(g), who may administer the Plan with respect to persons eligible to participate who are not considered officers or directors of the Company under Section 16 of the Exchange Act, may grant Awards under the Plan to such persons and may determine all terms of such grants. Within the limitations of the preceding sentence, any reference in the Plan to the Committee shall include such committee or committees appointed pursuant to the preceding sentence. To the extent permitted by applicable laws, the Board may also authorize one or more officers of the Company to designate employees of the Company or a Subsidiary, other than officers under Section 16 of the Exchange Act, to receive Awards and/or to determine the number of such Awards to be received by such persons; provided, however, that the Board of Directors shall specify the total number of Awards that such officers may so award.

4.5 Decisions Binding. The Committee's interpretation of the Plan, any Awards granted under the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

ARTICLE 5

SHARES SUBJECT TO THE PLAN

5.1 Number Of Shares. Subject to adjustment provided in Section 5.5, the aggregate number of shares of Stock reserved and available for grant under the Plan shall be the sum of: (i) 3,500,000; and (ii) shares of Stock available for future awards under the Company's Prior Plan as of the Effective Date of this Plan, and any shares of Stock that, but for the termination of the Prior Plan as of the Effective Date of this Plan, otherwise would have reverted to the share reserve of the Prior Plan. The number of shares of Stock reserved and available for grant as Incentive Stock Options shall be 3,500,000.

5.2 Lapsed Awards. To the extent that all or any part of an Award terminates, expires, or lapses for any reason, any shares of Stock subject to the Award will again be available to the Committee to grant Awards under the Plan. To the extent any shares of Stock covered by an Award are not issued to a Participant because the Award is forfeited, canceled, expires without being exercised, or the shares of Stock are not issued because the Award is settled in cash or used to satisfy applicable tax withholding obligations, such shares shall not be deemed to have been issued for purposes of determining the maximum number of shares of Stock available for issuance under the Plan. If the Exercise Price of any Option granted under the Plan or the Prior Plan is satisfied by tendering shares of Stock to the Company (by either actual delivery or by attestation), only the number of shares of Stock issued net of the shares of Stock tendered shall be deemed issued for purposes of determining the maximum number of shares of Stock available for issuance under the Plan.

5.3 Source Of Stock Distributed. Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market.

5.4 Limitation On Number Of Shares Subject To Awards. Notwithstanding any provision in the Plan to the contrary, and subject to the adjustment in Section 5.5, the maximum number of shares of Stock with respect to one or more Awards that may be granted to any one Participant during any fiscal year of the Company is 500,000.

5.5 Changes In Capital Structure. In the event of: (i) any split, reverse split, combination of shares, reclassification, recapitalization or similar event which involves, affects or is made with regard to any class or series of shares of Stock which may be delivered pursuant to the Plan (Plan Shares); (ii) any dividend or distribution on Plan Shares payable in shares of Stock; or (iii) a merger, consolidation or other reorganization as a result of which Plan Shares shall be increased, reduced or otherwise changed or affected, then in each such event the Committee shall, to the extent it deems it to be consistent with such event and necessary or equitable to carry out the purposes of the Plan, appropriately adjust: (a) the maximum number of shares of Stock and the classes of series of such shares of Stock which may be delivered pursuant to the Plan; (b) the number of shares of Stock and the classes or series of shares subject to outstanding Awards; (c) the price per share of Stock subject to

outstanding Awards; and (d) any other provisions of the Plan, provided, however, that: (i) any adjustments made in accordance with clauses (b) and (c) shall make any such outstanding Award as nearly as practicable, equivalent to such Award immediately prior to such change; and (ii) no such adjustment shall give any Participant additional benefits under any outstanding Award.

ARTICLE 6

ELIGIBILITY AND PARTICIPATION

6.1 Eligibility. Persons eligible to participate in this Plan include all Board members, employees, officers, and executives of, and consultants and advisors to, the Company or an Affiliate, as determined by the Committee.

6.2 Foreign Participants. Notwithstanding any provision of the Plan to the contrary, in order to foster and promote achievement of the purposes of the Plan or to comply with provisions of laws in other countries in which the Company or its Affiliates may operate or have employees or consultants, the Committee, in its discretion, shall have the power and authority to: (i) determine which (if any) persons rendering services or employed outside the United States are eligible to participate in the Plan or any type of Award hereunder; (ii) determine which (if any) non-United States-based Affiliates or operations (*e.g.*, branches, representative offices) participate in the Plan or any type of Award hereunder; (iii) modify the terms and conditions of any Awards made to such persons or with respect to such non-United States-based Affiliates or operations; and (iv) establish sub-plans, modified exercise, payment and other terms and procedures to the extent deemed necessary or desirable by the Committee.

ARTICLE 7

STOCK OPTIONS

7.1 General. Each Option and Award Agreement shall be in such form and shall contain such terms and conditions as the Committee shall deem appropriate, subject to the following terms and conditions:

(a) Exercise Price. Subject to the provisions of Section 7.1(g) regarding ten percent owners, the Committee shall determine the exercise price per share of Stock under an Option, subject to the following: (i) the exercise price of an Incentive Stock Option shall not be less than 100% of Fair Market Value on the date the Incentive Stock Option is granted; and (ii) the exercise price of a Non-Qualified Stock Option shall not be less than 85% of Fair Market Value on the date the Non-Qualified Stock Option is granted, except for Non-Qualified Stock Options granted to Covered Employees where in such case the exercise price shall not be less than 100% of Fair Market Value on such date. Notwithstanding the foregoing, an Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner consistent with the provisions of Section 424(a) of the Code.

(b) Time And Conditions Of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part; provided, however, that no Option may be exercisable for more than ten years after the date of its grant. The Committee also shall determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised.

(c) Payment. The Committee in its sole discretion shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, shares of Stock (through actual tender or by attestation), or any other consideration or combination of the foregoing consideration or methods of payment as shall be permitted by applicable corporate and securities laws (including net exercise and broker-assisted cashless exercise arrangements), and the methods by which shares of Stock will be delivered or deemed to be delivered to Participants.

(d) Evidence Of Grant. All Options shall be evidenced by a written Award Agreement, which Agreement shall include such terms and conditions as determined by the Committee.

Table of Contents

- (e) **Incentive Stock Options.** Incentive Stock Options may be granted only to employees of the Company or a Subsidiary.
- (f) **Individual Dollar Limitation.** The aggregate Fair Market Value (determined as of the grant date) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess will be considered Non-Qualified Stock Options.
- (g) **Ten Percent Owners.** An Incentive Stock Option will be granted to any individual who, at the date of grant, owns stock possessing more than ten percent of the total combined voting power of all classes of Stock only if such Option is granted at a price that is not less than 110% of Fair Market Value on the grant date and the Option is exercisable for no more than five years from the grant date.
- (h) **Expiration Of Incentive Stock Options.** No Award of an Incentive Stock Option may be made pursuant to this Plan after the tenth anniversary of the Effective Date.

ARTICLE 8

STOCK APPRECIATION RIGHTS

8.1 Grant Of SARs. The Committee is authorized to grant SARs to Participants on the following terms and conditions:

(a) **Right To Payment.** Upon the exercise of a SAR, the Participant to whom it is granted has the right to receive the excess, if any, of:

- (1) The Fair Market Value of a share of Stock on the date of exercise; over
- (2) The grant price of the SAR as determined by the Committee, which shall not be less than the Fair Market Value of a share of Stock on the date of grant.

(b) **Other Terms.** All SARs grants will be evidenced by an Award Agreement. The terms, methods of exercise, methods of and form of consideration payable upon settlement, and any other terms and conditions of any SAR will be determined by the Committee at the time of the grant of the Award and as set forth in the Award Agreement.

ARTICLE 9

RESTRICTED STOCK UNITS

9.1 Grant Of Restricted Stock Units. The Committee is authorized to grant Restricted Stock Units to Participants on such terms and conditions as determined by the Committee. The Committee has the discretion to determine the number of Restricted Stock Units granted to each Participant and such other terms and conditions of such grant, all as set forth in the Award Agreement.

9.2 Right To Payment. A grant of Restricted Stock Units gives the Participant rights, valued as determined by the Committee, and payable to, or exercisable by, the Participant to whom the Restricted Stock Units are granted, in whole or in part, as the Committee will establish at grant or thereafter. Subject to the terms of the Plan, the Committee may set performance goals and other terms or conditions to payment of the Restricted Stock Units in its discretion which, depending on the extent to which they are met, will determine the number and value of Restricted Stock Units that will be paid to the Participant.

Table of Contents

9.3 Voting and Dividend Rights. The holders of Restricted Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Restricted Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend equivalents. Such right entitles the holder to be credited with an amount equal to all cash dividends paid on one share of Stock while the Restricted Stock Unit is outstanding. Dividend equivalents may be converted into additional Restricted Stock Units. Settlement of dividend equivalents may be made in the form of cash, in the form of Stock, or in a combination of both. Prior to distribution, any dividend equivalents which are not paid shall be subject to the same conditions and restrictions (including without limitation, any forfeiture conditions) as the Restricted Stock Units to which they attach.

9.4 Other Terms. Restricted Stock Units may be payable in cash, Stock, or other property or combination of consideration, and have such other terms and conditions as determined by the Committee and as set forth in the Award Agreement.

ARTICLE 10

RESTRICTED STOCK AWARDS

10.1 Grant Of Restricted Stock. The Committee is authorized to make Awards of Restricted Stock to Participants in such amounts and subject to such terms and conditions as determined by the Committee, all as set forth in the Award Agreement.

10.2 Issuance And Restrictions. Restricted Stock may be subject to such restrictions on transferability and other restrictions as the Committee may impose. During the period of restriction, if any, participants holding Restricted Stock may, if permitted by the Committee, have full voting and dividend rights with respect to such Restricted Stock. These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter.

10.3 Forfeiture. Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions will be forfeited, provided, however, that the Committee may provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

10.4 Certificates For Restricted Stock. Restricted Stock granted under the Plan may be evidenced as determined by the Committee. If certificates representing shares of Restricted Stock are registered in the name of the Participant, the certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

ARTICLE 11

PERFORMANCE-BASED AWARDS

11.1 Purpose. The purpose of this Article 11 is to provide the Committee the ability to qualify the Restricted Stock Unit Awards under Article 9 and the Restricted Stock Awards under Article 10 as performance-based compensation under Section 162(m) of the Code. If the Committee, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Article 11 will control over any contrary provision contained in Articles 9 or 10.

11.2 Applicability. This Article 11 will apply only to those Covered Employees selected by the Committee to receive Performance-Based Awards. The Committee may, in its discretion, grant Restricted Stock Awards or

Table of Contents

Restricted Stock Unit Awards to Covered Employees that do not satisfy the requirements of this Article 11. The designation of a Covered Employee as a Participant for a Performance Period does not entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period will not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant will not require designation of any other Covered Employees as a Participant in such period or in any other Performance Period.

11.3 Discretion Of Committee With Respect To Performance Awards. With regard to a particular Performance Period, the Committee will have full discretion to select the length of such Performance Period, the type of Performance-Based Awards to be issued, the kind and/or level of the goal relating to the Performance Criteria, and whether the goal relating to the Performance Criteria is to apply to the Company, an Affiliate or any division or business unit or to the individual.

11.4 Payment Of Performance Awards. Unless otherwise provided in the Award Agreement, a Participant must be employed by the Company or an Affiliate on the last day of the Performance Period to be eligible for a Performance Award for such Performance Period. Furthermore, a Participant will be eligible to receive payment under a Performance-Based Award for a Performance Period only if the performance goals for such period are achieved.

11.5 Maximum Award Payable. The maximum Performance-Based Award payable to any one Participant under the Plan for a Performance Period is 500,000 shares of Stock, or if the Performance-Based Award is paid in cash, the maximum Performance-Based Award is determined by multiplying 500,000 by the Fair Market Value of the Stock as of the date the Performance-Based Award is granted.

ARTICLE 12

PROVISIONS APPLICABLE TO AWARDS

12.1 Stand-Alone And Tandem Awards. Awards granted under the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted under the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

12.2 Exchange Provisions. The Committee may at any time offer to exchange or buy out any previously granted Award for a payment in cash, Stock, or another Award, based on the terms and conditions the Committee determines and communicates to the Participant at the time the offer is made.

12.3 Term Of Award. The term of each Award will be for the period as determined by the Committee, provided that in no event will the term of any Incentive Stock Option or a Stock Appreciation Right granted in tandem with the Incentive Stock Option exceed a period of ten years from the date of its grant.

12.4 Form Of Payment For Awards. Shares of Stock delivered pursuant to the exercise of an Option or, if applicable, a SAR shall be subject to such conditions, restrictions and contingencies as the Committee may establish pursuant to the Plan and Award Agreement. Settlement of SARs may be made in cash or shares of Stock (valued at their Fair Market Value at the time of exercise), as determined in the discretion of the Committee.

12.5 Limits On Transfer. No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or a Subsidiary, or will be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or a Subsidiary. Except as the Committee otherwise may permit in its sole and absolute discretion and except as provided below, no Award will be assignable or transferable by a Participant other than by will or the laws of descent and distribution, or pursuant to a domestic relations order. A Participant may transfer an Award (other than a Restricted Stock Unit) during his or her

Table of Contents

lifetime to a Family Member (as defined below). If the Participant transfers an Award to a Family Member, the transferred Award may not be subsequently transferred by the transferee (other than another to a Family Member of the original recipient of the Award) except by will or the laws of descent and distribution. A transferred Award shall continue to be governed by and subject to the terms and limitations in this Plan and the Award Agreement. For purposes of this Section 12.5, the term Family Member means, with respect to the original recipient of the Award, such Participant's spouse, child, grandchild, parent, grandparent, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, and sister-in-law, including adoptive relationships, a trust in which such spouse, child, grandchild, parent, grandparent, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law or Participant has more than a 50% beneficial interest, or a family limited partnership in which the Participant is the general partner. Notwithstanding the foregoing, an Incentive Stock Option shall not be transferable other than by will or the laws of descent and distribution.

12.6 Beneficiaries. Notwithstanding Section 12.5, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married, a designation of a person other than the Participant's spouse as his beneficiary with respect to more than 50% of the Participant's interest in the Award will not be effective without the written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment will be made to the person entitled thereto under the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

12.7 Stock Certificates. Notwithstanding anything herein to the contrary, the Company will not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Awards, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered under the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with Federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements.

12.8 Authority To Accelerate Upon A Change Of Control. The Committee may in its discretion take any or all of the following actions in the event of a Change of Control: (i) by written notice to each Participant, provide that his or her Awards will be terminated unless exercised within thirty days (or such longer period as the Committee shall determine in its sole discretion) after the date of such notice (without acceleration of the exercisability of such Awards); and (ii) advance the date or dates upon which any or all outstanding Awards shall be exercisable. Whenever deemed appropriate by the Committee, any action referred to in subparagraph (i) above may be made conditional upon the consummation of the applicable Change of Control. The provisions of this Section 12.8 shall apply notwithstanding any other provision of the Plan.

ARTICLE 13

AMENDMENT, MODIFICATION, AND TERMINATION

13.1 Amendment, Modification, And Termination. With the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; provided, however, that to the extent

Table of Contents

necessary and desirable to comply with any applicable law, regulation, or stock exchange rule, the Company will obtain shareholder approval of any Plan amendment in such a manner and to such a degree as required.

13.2 Awards Previously Granted. Except as provided in Article 11, the Committee may waive any conditions or rights under, or amend any terms of, any Award theretofore granted, prospectively or retroactively. Except as otherwise provided in the Plan, including without limitation, the provisions of Section 5.5, no termination, amendment, or modification of an Award or the Plan will adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant.

ARTICLE 14

GENERAL PROVISIONS

14.1 No Rights To Awards. No Participant, employee, or other person will have any claim to be granted any Award under the Plan, and neither the Company nor the Committee is obligated to treat Participants, employees, and other persons uniformly.

14.2 No Stockholders Rights. No Award gives the Participant any of the rights of a stockholder of the Company unless and until such Participant has satisfied all requirements for exercise or settlement of the Award pursuant to its terms and shares of Stock are in fact issued to such person in connection with such Award.

14.3 Withholding. The Company or any Subsidiary has the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event arising as a result of this Plan. With the Committee's consent, a Participant may elect to have the Company withhold from those shares of Stock that would otherwise be received upon the exercise or settlement of any Award, or to surrender from shares of Stock that the Participant previously acquired, a number of shares having a Fair Market Value equal to the minimum statutory amount necessary to satisfy the Company's applicable federal, state, local and foreign income and employment tax withholding obligations with respect to an Award.

14.4 No Implied Employment Or Other Rights.

(a) Neither a Participant nor any other person shall acquire, by reason of participation in the Plan, any right in or title to any assets, funds or property of the Company or any Affiliate whatsoever including without limitation, any specific funds, assets or other property which the Company or any Affiliate, in its or their sole discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to the Stock or amounts, if any, payable under the Plan, unsecured by any assets of the Company or any Affiliate, and nothing contained in the Plan shall constitute a representation or guarantee that the assets of the Company or any Affiliate shall be sufficient to pay any benefits to any person.

(b) A Participant's employment with the Company or an Affiliate, if applicable, is not for any specified term and may be terminated by such Participant or the Company or the Affiliate at any time, for any reason, with or without cause, notwithstanding the vesting or other terms and conditions of any outstanding Awards. Nothing in this Plan nor in any Award Agreement shall confer upon any Participant any promise or commitment by the Company or an Affiliate regarding future positions, future work assignments, future compensation or any other term or condition of employment or affiliation.

14.5 Unfunded Status Of Awards. The Plan is intended to be an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement will give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate.

14.6 Indemnification. To the extent allowable under applicable law, each member of the Committee or the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may

Table of Contents

be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification is in addition to any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

14.7 Relationship To Other Benefits. No payment under the Plan will be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Affiliate.

14.8 Expenses. The Company and its Subsidiaries shall pay the expenses of administering the Plan.

14.9 Titles And Headings. The titles and headings of the Sections in the Plan are for convenience of reference only, and if there is any conflict, the text of the Plan, rather than such titles or headings, will control.

14.10 Fractional Shares. No fractional shares of stock will be issued and the Committee will determine, in its discretion, whether cash will be given in lieu of fractional shares or whether such fractional shares will be eliminated by rounding up or down as appropriate.

14.11 Securities Law Compliance. With respect to any person who is, on the relevant date, obligated to file reports under Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act. To the extent any provision of the Plan or action by the Committee fails to so comply, it will be void to the extent permitted by law and voidable as deemed advisable by the Committee.

14.12 Government And Other Regulations. The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company will be under no obligation to register under the Securities Act of 1933, as amended, any of the shares of Stock paid under the Plan. If the shares paid under the Plan may in certain circumstances be exempt from registration under the Securities Act of 1933, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

14.13 Governing Law. The Plan and all Award Agreements will be construed in accordance with and governed by the laws of the State of Delaware.

14.14 Section 409A. If any payments under this Plan are subject to the provisions of Code Section 409A, it is intended that the Plan comply fully with and meet all the requirements of Code Section 409A. Specifically, if any payments under this Plan are subject to Code Section 409A and are made on account of separation of service to any Participant who qualifies as a specified employee (as defined in Code Section 409A(a)(2)(B)(i) and the regulations thereunder), such payment shall not be made to the Participant earlier than the end of the six-month period following such Participant's separation of service.

14.15 Plan Termination. The Plan will expire on, and no Award may be granted pursuant to the Plan after, the tenth anniversary of the Effective Date of the amendment and restatement.
