**Item 1.01 Entry Into A Material Definitive Agreement**

On March 2, 2010, we entered into an Agreement and Plan of Merger, or the Merger Agreement, with DMI Life Sciences, Inc., a Delaware corporation, or DMI, and Chay Acquisitions, Inc., a Delaware corporation and our wholly-owned subsidiary. As called for by the Merger Agreement, at the closing of the transaction, Chay Acquisitions was merged into DMI and DMI, as the Surviving Corporation, became our wholly-owned subsidiary. The closing of the Merger occurred on March 2, 2010. At that time, we issued 15,255,984 shares of our common stock to acquire DMI, which resulted in the stockholders of DMI owning approximately 95.8% of our outstanding common stock after the consummation of the Merger and before taking into account the issuance of 1,325,000 additional shares of our common stock in conjunction with the Merger. DMI is a development stage company engaged in discovering and developing innovative, proprietary pharmaceutical drugs and diagnostic products to identify, treat and prevent a broad range of human diseases including metabolic disorders, cancer, and acute and chronic inflammation diseases. The closing of the Merger resulted in a change of control of the registrant, and the appointment of new directors and officers. We have filed a statement of trade name pursuant to which we will conduct business as Ampio Pharmaceuticals, Inc. until we undertake a formal name change, which our shareholders authorized on March 1, 2010. The name change is expected to occur at such time as we are assigned a new stock trading symbol by FINRA.
