## Item 2.01 Completion of Acquisition or Disposition of Assets

Reference is made to Item 2.01 of the Form 8-K that we filed with the SEC on March 8, 2010, which we refer to as the Super 8-K. The number of patents and patent applications we purchased from DMI BioSciences, Inc., or BioSciences, in April 2009 was 107. This corrects the reference to 103 patents and patents pending we purchased from BioSciences in the Super 8-K. In addition, the royalty agreement with BioSciences provides that we will receive 10% of royalty license revenues received by BioSciences from the drug developed to treat male sexual dysfunction, subject to DMI committing additional funding. This corrects the reference to a 10% royalty on license revenues in the Super 8-K. In the description of DMI-5207 in the Super 8-K, we remove the reference to the demonstration that DMI-5207 reaches the target blood vessels and tissue of the eye. As of March 1, 2010, we owned or were the exclusive licensee under 20 granted patents and 92 pending patent applications. This corrects the reference in the Super 8-K to 14 granted patents, 123 patent applications, and 36 provisional patent filings.

We have filed as Exhibits 10.1 through 10.9 hereto the following material contracts to which DMI is a party: Employment Agreement with David Bar-Or; Employment Agreement with Bruce G. Miller; Restricted Stock Agreement with David Bar-Or; Restricted Stock Agreement with Bruce G. Miller; Sponsored Research Agreement with Trauma Research, LLC; and License Agreements with the Institute for Molecular Medicine, Inc., to which we succeeded as a party by purchase from DMI BioSciences, Inc. We have also included as Exhibit 10.7 hereto our Stock and Awards Plan authorized for adoption by the shareholders of Chay Enterprises, Inc. at the special meeting held March 1, 2010, and as Exhibit 10.8 the form of At-Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement among DMI Life Sciences and its employees.

The Super 8-K reported that we had six employees. That reference is corrected hereby to ten, which includes two officers who currently provide services to us under consulting agreements. These officers devote substantially full-time to our operations, which is why we have included them as employees for disclosure purposes. We note further that for legal purposes we have no employees, as we have outsourced our human resources, payroll, benefits and associated functions to TriNet Group Inc.

The Super 8-K included a table of high and low bid information for our common stock for the period from January 1, 2008 through March 1, 2010, as quoted on the Over-the-Counter Bulletin Board. The information in the Super 8-K was drawn from the NASDAQ web site, which reported such information. However, as our common stock did not trade in many of the reported quarters, we present below a revised table of our common stock's price quotations that reflects periods in which no trades occurred.

## Item 4.01 Changes in Registrant's Certifying Accountant.

(1) Previous Independent Auditors:

(i) On March 16, 2010, Schumacher & Associates, Inc. ( "SAI" ) was dismissed as independent auditor for the Company. On March 16, 2010, we engaged Ehrhardt Keefe Steiner & Hottman PC ( "EKSH" ) as our independent auditor. This decision to engage EKSH was ratified by the majority approval of the Board of Directors on March 16, 2010. Our shareholders had previously authorized at the special meeting held March 1, 2010 the retention of EKSH as our auditor for the year ending December 31, 2010.

(ii) SAI's report on our financial statements for the two most recent years contained a qualification based upon substantial doubt about our ability to continue as a going concern due to our recurring losses, negative working capital, and lack of business operations. With that exception, SAI's report on the financial statements for the two most recent years did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

## Edgar Filing: Chay Enterprises, Inc. - Form 8-K/A

(iii) Our Board of Directors participated in and approved the decision to change independent accountants.

(iv) For the two most recent fiscal years and the subsequent interim period through SAI's termination on March 16, 2010, there has been no disagreement between us and SAI on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of SAI would have caused it to make a reference to the subject matter of the disagreement in connection with its reports.

(v) During the most recent audit period and the interim period through March 16, 2010 there have been no reportable events with us as set forth in Item 304(a)(i)(v) of Regulation S-K.

(vi) We requested that SAI furnish us with a letter addressed to the SEC stating whether or not it agrees with the above statements. A copy of such letter is filed as Exhibit 16.1 to this Form 8-K.

(2) New Independent Accountants:

On March 16, 2010, we engaged EKSH as its new independent auditors effective immediately upon the dismissal of SAI. Prior to such date, we did not consult with EKSH regarding (i) the application of accounting principles, (ii) the type of audit opinion that might be rendered, or (iii) any other matter that was the subject of a disagreement between us and our former auditor as described in Item 304(a)(1)(iv) of Regulation S-K.

**Item 8.01 Other Events.**

On March 8, 2010, we issued a press release announcing the engagement of Redwood Consultants to assist us with shareholder relations and investor communications. A copy of the press release is attached as Exhibit 99.1.

Upon approval from FINRA to change our stock trading symbol, we intend to reincorporate in the State of Delaware. The reincorporation will be accomplished through the filing of a plan of conversion in Colorado and Delaware, followed by the filing of a certificate of incorporation for Chay Enterprises, Inc. in Delaware, followed by the filing of an amended certificate of incorporation by which Chay Enterprises, Inc., a Delaware corporation, will change its name to Ampio Pharmaceuticals, Inc. We have filed herewith the form of plan of conversion, form of certificate of incorporation for Chay Enterprises, Inc. in the State of Delaware, the form of amended certificate of incorporation to effect the name change, and the form of Bylaws of Ampio Pharmaceuticals, Inc. All of the foregoing will be filed in definitive form once approval for our symbol change is received from FINRA.
