(3) failure by the Issuer to comply with Section 5.01 of the Indenture, or an offer to redeem or repurchase the Notes, if required, upon an Asset Sale or pursuant to Section 4.07 of the Indenture;

(4) failure by Parent or the Issuer to comply with any other agreement or covenant in the Indenture or Security Documents and continuance of such failure for 45 days (other than Section 4.02 of the Indenture, which shall be 60 days) after notice of the failure has been given to the Issuer by the Trustee, by the Holders of at least 25% of the aggregate principal amount of the Notes then outstanding or by the beneficial owners of at least 25% of the aggregate principal amount of the Notes then outstanding; provided, however, that notice from the beneficial owners pursuant to Section 6.01(4) of the Indenture shall be deemed proper only if, and as of such date, the Issuer has received such information and certifications (including from the Holder of the Note or any Agent Member) reasonably necessary to determine that the person(s) providing such notice are beneficial owners of such Notes (for purposes of Section 6.01(4) of the Indenture, the term *beneficial owner* has the meaning given such term in Rules 13d-3 and 13d-5 under the Exchange Act); or

(5) default under any mortgage, indenture or other instrument or agreement under which there may be issued or by which there may be secured or evidenced Indebtedness of the Parent or any Restricted Subsidiary, whether such Indebtedness now exists or is incurred after the Initial Issue Date, which default:

(a) is caused by a failure to pay at final maturity principal on such Indebtedness within the applicable express grace period and any extensions thereof, or

(b) that has resulted in the acceleration of such Indebtedness prior to its express final maturity, and

in each case, the principal amount of such Indebtedness, together with any other Indebtedness with respect to which an event described in clause (a) or (b) has occurred and is continuing, aggregates \$10.0 million or more;

(6) one or more judgments or orders that exceed \$10.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against the Parent or any Restricted Subsidiary and such judgment or judgments have not been satisfied, discharged, bonded (by providing insurance, letters of credit or other financial assurance), stayed or stayed pending appeal, annulled or rescinded within 60 days of being entered;

(7) the Issuer, the Parent or any Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(a) commences a voluntary case,

(b) consents to the entry of an order for relief against it in an involuntary case,

(c) consents to the appointment of a Custodian of it or for all or substantially all of its assets, or

Edgar Filing: EXCEL TECHNOLOGY INC - Form T-3/A

(d) makes a general assignment for the benefit of its creditors;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(a) is for relief against the Issuer, the Parent or any Significant Subsidiary as debtor in an involuntary case,

(b) appoints a Custodian of the Issuer, the Parent or any Significant Subsidiary or a Custodian for all or substantially all of the assets of the Parent or any Significant Subsidiary, or

(c) orders the liquidation of the Issuer, the Parent or any Significant Subsidiary,

and the order or decree remains unstayed and in effect for 60 days;

(9) any Note Guarantee of any Significant Subsidiary or the Parent ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and the Indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its Note Guarantee (other than by reason of release of a Guarantor from its Note Guarantee in accordance with the terms of the Indenture and the Note Guarantee); or

(10)

(a) the repudiation or disaffirmation by the Issuer or any Guarantor of its obligations under any of the Security Documents;

(b) the determination in a judicial proceeding that any of the Security Documents is unenforceable or invalid against the Issuer or any Guarantor for any reason with respect to any material portion of the Collateral; or

(c) any Security Document shall cease to be in full force and effect (other than in accordance with the terms of the applicable Security Document and the Indenture), or cease to be effective to grant the Collateral Agent a perfected Lien on the Collateral to the extent required thereby and with the priority purported to be created thereby, in each case under this clause (10)(c), with respect to any material portion of the Collateral.

If any Event of Default (other than of a type specified in clause (7) or (8) above) shall have occurred and be continuing, the Trustee, by written notice to the Issuer, or the Holders of at least 25% in the aggregate principal amount of the then outstanding Notes, by written notice to the Issuer and the Trustee, may declare all amounts owing under the Notes to be due and payable immediately.

Upon the effectiveness of such declaration, such principal and interest shall be due and payable immediately; provided, however, that after such acceleration, but before a judgment or decree based on such acceleration, the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind and annul such acceleration of the Notes if certain conditions set forth in Section 6.02 of the Indenture are met. In the case of an Event of Default arising under clause (7) or (8) above, all outstanding Notes will become due and payable immediately without further action or notice.

Subject to certain provisions of the Indenture, the Holders of a majority in aggregate principal amount of the then outstanding Notes may waive any existing Default or compliance with any provision of the Indenture or the Notes, other than (a) a Default or Event of Default in the payment of the principal of, or premium, if any, or interest or additional interest on, any Note, (b) a Default or Event of Default described in clause (7) or (8) above, or (c) any Default or Event of Default in respect of any provision of the Indenture or the Notes which, under Section 8.02 of the Indenture, cannot be modified or amended without the consent of the Holder of each outstanding Note affected.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, the Indenture or the Security Documents and may take any necessary action requested of it as Trustee to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative. Any costs associated with actions taken by the Trustee under Section 6.03 of the Indenture shall be reimbursed to the Trustee by the Issuer.

The Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee by the Indenture or any Security Document. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture or any Security Document or that the Trustee determines may be unduly prejudicial to the rights of another Holder not taking part in such direction, and the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or if the Trustee in good faith shall, by a Responsible Officer, determine that the proceedings so directed may result in costs and expenses of the Trustee for which it has no source of payment or recovery or involve it in personal liability; provided that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Under the Indenture, the Trustee will, within 30 days after the occurrence of any Default with respect to the Notes, give the Holders notice of all uncured Defaults thereunder known to it; provided, however, that, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with Section 5.01 of the Indenture, the Trustee shall be protected in withholding such notice if and so long as a committee of its responsible officers in good faith determines that the withholding of such notice is in the interests of the Holders.

(b) Authentication and Delivery of Notes; Use of Proceeds

Two Officers shall sign, or one Officer shall sign and one Officer (each of whom shall, in each case, have been duly authorized by all requisite corporate actions) shall attest to, the Notes for the Issuer by manual or facsimile signature.

No Note shall be entitled to any benefit under the Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for in the Indenture executed by the Trustee by manual signature of an authorized officer, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered under the Indenture. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered under the Indenture but never issued and sold by the Issuer, and the Issuer shall deliver such Note to the Trustee for cancellation as provided in Section 2.12 of the Indenture, for all purposes of the Indenture such Note shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of the Indenture.

The Notes will be issued to holders of Allowed Class 5 Note Claims pursuant to the Plan. As a result, the Company will not realize any proceeds from such issuance.

(c) Release of Liens on Collateral

The Issuer's obligations under the Indenture and the Notes, and each of the Guarantor's obligations under the Indenture, will be secured by a first priority perfected security interest on all of the property and assets of each Grantor (as defined in the Security Agreement), subject to certain exclusions expressly set forth in the Security Agreement and Indenture.

Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in connection with a sale of Collateral in accordance with the terms of Section 4.09 of the Indenture (i) upon the request of the Parent or the Issuer pursuant to an Officers' Certificate certifying that all terms for release and conditions precedent under the Indenture and under the applicable Security Document have been met and specifying (A) the identity of the Collateral to be released and (B) the provision of the Indenture that authorizes such release or (ii) on the terms set forth in the Security Documents and pursuant to or in connection with a transaction permitted under the

Indenture. To the extent any action on the part of the Trustee is required to effectuate any release of any Lien on any Collateral, the Trustee will release, and will give any necessary consent, waiver or instruction to the Collateral Agent, to release (at the sole cost and expense of the Issuer) (i) all Collateral that is contributed, sold, leased conveyed, transferred or otherwise disposed of, provided such contribution, sale, lease conveyance, transfer or other disposition is or will be in accordance with the provisions of the Indenture, including without limitation, Section 4.09 of the Indenture and that no Default or Event of Default has occurred and is continuing or would occur immediately following such release; (ii) Collateral which may be released with the consent of Holders pursuant to Article 8 of the Indenture, (iii) all Collateral (except as provided in Article 9 of the Indenture) upon discharge or defeasance of the Indenture in accordance with Article 9 of the Indenture; (iv) all Collateral upon the payment in full of all obligations of the Issuer with respect to principal or interest on the Notes and any and all Obligations outstanding, due and payable under the Indenture at the time the Notes are prepaid in full; and (v) Collateral of a Guarantor whose Guarantee is released pursuant to Section 10.04 of the Indenture. Upon receipt of such Officers Certificate, an Opinion of Counsel and any other opinions or certificates required by the Indenture and the TIA, the Trustee will execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of any Collateral permitted or required to be released pursuant to the Indenture and the Security Documents.

The Trustee may release Collateral from the Lien and security interest created by the Indenture and the Security Documents upon the sale or disposition of Collateral in accordance with the provisions of the Indenture, including without limitation, Section 4.09 of the Indenture or the subjecting of any Collateral to the Lien securing Indebtedness pursuant to the Trustee's powers, rights and duties with respect to remedies provided under any of the Security Documents.

The release of any Collateral from the terms of the Indenture and the Security Documents will not be deemed to impair the security under the Indenture in contravention of the provisions thereof if and to the extent the Collateral is released pursuant to the terms thereof. To the extent applicable, the Parent or the Issuer will cause TIA Section 313(b), relating to reports, and TIA Section 314(d), relating to the release of property or securities from the Lien and security interest of the Security Documents and relating to the substitution therefor of any property or securities to be subjected to the Lien and security interest of the Security Documents, to be complied with. Any certificate or opinion required by TIA Section 314(d) may be made by an Officer except in cases where TIA Section 314(d) requires that such certificate or opinion be made by an independent Person, which Person will be an engineer, appraiser or other expert selected or approved by the Trustee in the exercise of reasonable care.

No collateral will be released from the Lien and security interest created by the Security Documents pursuant to the provisions of the Security Documents unless there shall have been delivered to the Trustee the certificates required by the Section 10.08 of the Indenture.

(d) Satisfaction and Discharge of the Indenture and Security Documents

The Issuer may terminate its obligations and the obligations of the Issuer and the Guarantors under the Notes, the Security Documents, the Note Guarantees and the Indenture, except the obligations referred to in the last paragraph of this subsection (d) below, if the Parent or the Issuer has paid or caused to be paid all sums payable by it under this Indenture, and

(1) all the Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Parent or the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation, or

(2) (a) all Notes not delivered to the Trustee for cancellation otherwise (i) have become due and payable, (ii) will become due and payable at the maturity date, within one year or (iii) have been or are to be called for redemption within one year pursuant to paragraph 7 of the Notes, and, in the case of (i), or (ii), or (iii), the Parent or the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds, in trust solely for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes not theretofore delivered to the Trustee for cancellation, or (b) the Parent or the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or on the date of redemption, as the case may be.

In addition, if required by the Trustee, the Parent or the Issuer must deliver an Officers Certificate and an Opinion of Counsel stating that all conditions precedent to the satisfaction and discharge of this Indenture have been complied with.

After such delivery, the Trustee shall acknowledge in writing the discharge of the Issuer's, and the Guarantors' obligations under the Notes, the Note Guarantees and this Indenture except for those surviving obligations specified below.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer in Sections 7.07, 9.07 and 9.08 of the Indenture will survive such satisfaction and discharge.

(e) Evidence Required to be Furnished by the Issuer to the Trustee as to Compliance with the Conditions and Covenants Provided for in the Indenture

The Issuer or the Parent are required to deliver to the Trustee, within 90 days after the end of each fiscal year ended December 31st, an Officers Certificate stating that a review of the activities of the Parent and its Subsidiaries during such fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer and the Guarantors have kept, observed, performed and fulfilled their obligations under the Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge, the Issuer and the Guarantors have kept, observed, performed and fulfilled each and every covenant contained in the Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions thereof (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action they are taking or propose to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Issuer and the Guarantors are taking or propose to take with respect thereto. So long as any of the Notes are outstanding, the Issuer is required to deliver to the Trustee, forthwith upon any Officer becoming aware of any Default, an Officers Certificate specifying such Default and what action the Issuer and the Guarantors are taking or propose to take with respect thereto.

9. Other Obligor

Other than each of the Applicants, no other person is an obligor with respect to the Notes.
