**Item 8.01** *Other Events.*

On January 27, 2011, Visa Inc. (the Company) announced that its Board of Directors had declared a quarterly dividend in the aggregate amount of \$0.15 per share of class A common stock (determined, in the case of class B and class C common stock, on an as-converted basis) payable on March 1, 2011, to all holders of record of the Company's class A, class B and class C common stock as of February 11, 2011.

The Company also announced that its Board of Directors had approved the release from transfer restrictions of all remaining class C shares. The shares will automatically become eligible for public sale on February 7, 2011. Approximately 55 million class C shares not previously released are to be released from transfer restrictions. The release of the class C shares will not increase the number of outstanding shares of the Company, and there will be no dilutive effect to the outstanding class A share count. Class C shares sold into the public market automatically convert to class A shares.

A copy of the press release issued on January 27, 2011 is attached as Exhibit 99.1 to this Current Report on Form 8-K. All information in the press release is furnished but not filed.
