Amended and Restated Covidien Change in Control Severance Plan for Certain U.S. Officers and Executives

Effective October 1, 2011, the Compensation and Human Resources Committee of the Company's Board of Directors (the Committee) approved and adopted the amended and restated Covidien Change in Control Severance Plan for Certain U.S. Officers and Executives (the Change in Control Plan) under which the Company's executive officers are entitled to benefits.

The amendments to the Change in Control Plan:

eliminate, for all covered executive officers other than the Chief Executive Officer, the right to receive payment of a tax gross-up amount as a result of the application of IRS Code Section 280G to certain payments made under the Change in Control Plan; and

add, for all covered executive officers other than the Chief Executive Officer, a best-net provision which provides that, if IRS Code Section 280G applies to payments made under the Change in Control Plan and such payments trigger an excise tax, then these payments will be reduced to an amount which is one dollar less than the amount which triggers the excise tax, if such reduction would result in a greater net amount paid to the officer.

The description above is a summary of the amendments to the Change in Control Plan and is qualified in its entirety by the complete text of the Change in Control Plan, a copy of which is attached to this report as Exhibit 10.1 and incorporated herein by reference.
