to be Held on February 23, 2012

Important Notice Regarding the Availability of Proxy Materials for the

2012 Annual Meeting of Shareholders to be Held on February 23, 2012:

This Proxy Statement and the Accompanying Annual Report

are Available on the Internet at: www.cfpproxy.com/6089

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Citizens Community Bancorp, Inc. of proxies, in the accompanying form, to be used at the Annual Meeting of Shareholders (the Annual Meeting) of Citizens to be held on February 23, 2012 and any adjournments thereof. Only shareholders of record at the close of business on January 6, 2012 will be entitled to notice of and to vote at the Annual Meeting.

Our principal executive offices are located at 2174 EastRidge Center, Eau Claire, Wisconsin 54701. It is expected that this Proxy Statement and the form of Proxy will be mailed to shareholders on or about January 20, 2012.

GENERAL INFORMATION

Proxies and Voting Procedures

Shareholders can vote by completing and returning a proxy card in the form accompanying this Proxy Statement or, if shares are held in street name, by completing a voting instruction form provided by your broker. Shareholders of record can also vote over the Internet or by telephone. If Internet and telephone voting are available to you, you can find voting instructions in the materials accompanying this Proxy Statement. The Internet and telephone voting facilities will close at **[3:00 a.m. (eastern time) on February 23, 2012]**. Please be aware that if you vote over the Internet or by telephone, you may incur costs such as telephone and Internet access charges for which you will be responsible.

The shares represented by each valid proxy received in time will be voted at the meeting and, if a choice is specified in the proxy, it will be voted in accordance with that specification. If no instructions are specified in a signed proxy returned to Citizens, the shares represented thereby will be voted in **FAVOR** of the election of the directors listed in the enclosed proxy card, in **FAVOR** of ratification of Baker Tilly Virchow Krause, LLP as Citizens' independent registered public accounting firm for the fiscal year ending September 30, 2012, and in **FAVOR** of approval and adoption of the amendment to the Company's Articles of Incorporation to increase the number of authorized shares of the Company's common stock from 20,000,000 to 30,000,000. If any other matters are properly presented at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place, the individuals named as proxies and acting thereunder will have the authority to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. If the Annual Meeting is adjourned or postponed, a proxy will remain valid and may be

Table of Contents

voted at the adjourned or postponed meeting. As of the date of printing of this Proxy Statement, we do not know of any other matters that are to be presented at the Annual Meeting other than the matters referred to in the accompanying Notice of Annual Meeting. However, if any other matters are properly presented at the Annual Meeting, it is intended that the persons named in the proxy will vote on such matters in accordance with their judgment.

Shareholders may revoke proxies at any time to the extent they have not been exercised by giving us written notice or by a later executed proxy via the Internet, by telephone or by mail. Attendance at the Annual Meeting will not automatically revoke a proxy, but a shareholder attending the Annual Meeting may request a ballot and vote in person, thereby revoking a prior granted proxy. The cost of solicitation of proxies will be borne by Citizens. Solicitation will be made primarily by use of the mail; however, some solicitation may be made by our employees, without additional compensation, by telephone, by facsimile or in person.

Shareholders Entitled to Vote

Only shareholders of record at the close of business on January 6, 2012 will be entitled to notice of and to vote at the Annual Meeting. On the record date, we had outstanding 5,133,050 shares of our common stock, \$0.01 par value per share (the Common Stock), entitled to one vote per share.

Quorum; Required Vote

A majority of the votes entitled to be cast at the Annual Meeting, represented either in person or by proxy, shall constitute a quorum with respect to the meeting. Approval of the election of the nominee directors requires a plurality of the shares represented at the meeting, meaning that the two individuals receiving the largest number of votes are elected as directors. The ratification of the appointment of the independent registered public accounting firm and the approval and adoption of the proposed amendment to the Company's Articles of Incorporation to increase the number of shares of the Company's authorized common stock each requires the affirmative vote of a majority of the outstanding shares cast, in person or by proxy, at the Annual Meeting by the holders of the Common Stock. Abstentions and broker nonvotes (*i.e.*, shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owner) will count toward the quorum requirement but will not count toward the determination of whether the directors are elected or the other proposals are approved. The Inspector of Election appointed by our Board of Directors will count the votes and ballots.

Certain shares of our issued and outstanding Common Stock are held by participants in our 401(k) Profit Sharing Plan (the 401(k) Plan). If you hold shares of our Common Stock in the 401(k) Plan, the trustee for the 401(k) Plan will vote the shares you hold through the plan as you direct. We will provide plan participants who hold Common Stock through the plan with forms on which participants may communicate their voting instructions. In the event that a Participant fails to give timely voting instructions to the Trustee with respect to the voting of shares of our Common Stock at the Annual Meeting that are allocated to the participant in the 401(k) Plan, then the Trustee shall vote such shares in such manner as directed by the Plan Administrator.

PROPOSAL 1: ELECTION OF DIRECTORS

It is intended that shares represented by proxies in the enclosed form will be voted for the election of the nominees in the following table to serve as directors. Our Board of Directors is divided into three classes, with the term of office of each class ending in successive years. Two directors are to be elected at the Annual Meeting to serve for a term of three years expiring at our annual meeting of shareholders in 2015 and three directors will continue to serve for the terms designated in the following schedule.

As indicated below, all persons nominated by the Board of Directors are incumbent directors. We anticipate that the nominees for election as directors will be candidates when the election is held.

Table of Contents

However, if any of the nominees should be unable or unwilling to serve, the proxies, pursuant to the authority granted to them by the Board of Directors, will have discretionary authority to select and vote for substituted nominees (except where the proxy withholds authority with respect to the election of directors).

Directors Qualifications

Below is information as of the date of this proxy statement about each nominee for election to the Board of Directors at the Annual Meeting and each other director whose term continues after the Annual Meeting. The information presented includes information each nominee or director has given Citizens about his or her age, his or her principal occupation and business experience for the past five years, and the names of other publicly-held companies of which he or she currently serves as a director or has served as a director during the past five years. The information presented also includes a description for each director of the specific experience, qualifications, attributes and skills that led to the conclusion that he or she should serve as a director. Our Nominating Committee regularly evaluates the mix of experience, qualifications, attributes and skills of the Corporation's directors using a matrix of areas that the Committee considers important for Citizens' business. In addition to the information presented below regarding the nominee's specific experience, qualifications, attributes and skills that led the Nominating Committee to the conclusion that the nominee should serve as a director, the Nominating Committee also considered the qualifications and criteria described below under Corporate Governance Matters Director Nominations with the objective of creating a complementary mix of directors.

DIRECTORS MEETINGS AND COMMITTEES**Directors and Director Attendance**

Our Board of Directors held 12 meetings in fiscal 2011, and all of our nominee and incumbent directors attended at least 75% of the meetings of our Board of Directors and the committees thereof on which they served.

Executive sessions or meetings of outside (non-management) directors without management present are held regularly for a general discussion of relevant subjects. In fiscal 2011, the outside directors met in executive session four times.

The committees of our Board of Directors consist of the Audit Committee, the Compensation Committee and the Nominating Committee. The chart below identifies the members of each of these committees as of the date of this Proxy Statement, along with the number of meetings held by each committee during fiscal 2011:

Number of Meetings	Audit	Compensation	Nominating

Swenson replaced Mr. Kempen as a member of the Compensation and Nominating Committees and Mr. Swenson was appointed as the Chairperson of the Nominating Committee. Timothy A. Audit Committee

The Audit Committee is responsible for assisting our Board of Directors with oversight of: (1) the integrity of our financial statements; (2) our compliance with legal and regulatory requirements; (3) our independent auditor's qualifications and independence; and (4) the performance of our internal accounting function and independent auditors. Our Audit Committee has the direct authority and responsibility to appoint, compensate, oversee and retain the independent auditors, and is an audit committee for purposes of Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee's report required by the rules of the Securities and Exchange Commission (the Commission) appears on page 10.

Compensation Committee

The Compensation Committee, in addition to such other duties as may be specified by our Board of Directors, (1) determines the compensation levels of our Chief Executive Officer and other executive officers, including salary rates, participation in incentive compensation and benefit plans, fringe benefits, non-cash perquisites and other forms of compensation; (2) reviews and makes recommendations to our Board of Directors with respect to incentive compensation plans and equity-based plans; and (3) reviews and makes recommendations to our Board of Directors with respect to the compensation of our outside directors. The Compensation Committee also administers our restricted stock, stock option and other stock incentive plans.

Our Compensation Process

Citizens recognizes the importance of its employees in fulfilling its role as a successful business enterprise and a responsible corporate citizen. Our compensation philosophy is to compensate all employees (including our executive officers) at a level sufficient to attract, motivate, and retain the talent we need to achieve or surpass the short-term and long-term goals set forth in our business plan, without promoting irresponsible behavior. Guided by this philosophy, the pay and benefits practices of Citizens reflect our vision and values, and the economic condition of the banking industry, and are built on a framework of pay-for-performance, comprehensive position evaluations, and market-competitiveness. Executive management, with approval of our Board of Directors, fulfills our responsibility to promote the best interests of Citizens through the execution of sensible compensation principles and practices.

Citizens' philosophy is created and sustained on core compensation principles. In determining compensation levels, we consider the key factors to be:

1. We will not create incentives that foster inappropriate risk nor pay excessive compensation. No Citizens compensation plan, program, or practice will promote excessive risk taking or encourage behavior inconsistent with Citizens' vision, mission, or strategy. All compensation elements comply with appropriate regulations and sound compensation practices, which we believe neither pay excessive compensation nor encourage inappropriate risk taking.
2. Citizens does not discriminate on the basis of race, gender, religion, national origin, veteran status, handicap, or sexual orientation in determining pay levels. Demonstrated performance, skills, commitment and results determine pay.
3. Each pay grade and pay range will have a minimum, a maximum, and a mid-point. The minimum is the rate we will pay a new hire who meets the minimum required standards of education, skills, and experience. The midpoint is the highest rate we will pay a fully qualified performing employee in that job. Salary above mid-point will be based upon exemplary performance and signed off by our CEO/President.

Table of Contents

4. Compensation levels are driven by an employee's level of impact on our organization. Not all positions are created equal. Various positions require different levels of skills, knowledge, and personal attributes that drive different rates of pay and/or variable compensation opportunity. We have established a job structure and job evaluation process that provides a formal hierarchy of grades and salary ranges.

All employees should be paid a wage in line with their position within an assigned range for that position. Salary range minimums are a guideline to pay for an entry point position for that wage range. Any incumbent with the requisite skills to perform the job at minimally acceptable standards should be paid at least this rate. The salary range midpoint is developed to represent the wage paid to an employee performing the expectations of their position.

Pay levels for positions are reviewed periodically.

5. Our ability to pay drives our compensation program. Profitability is a key driver in determining compensation opportunity. The annual salary is the single largest investment Citizens makes each year. It is incumbent on our compensation professionals and senior management to ensure that our plans provide an appropriate return to Citizens and its shareholders, in addition to appropriately compensating successful performance.

Citizens utilizes three general forms of compensation: Base salary, short-term incentive compensation, and long-term incentive compensation. We deliver compensation at various levels of the organization in different ways. In our most senior positions, we have a combination of base salary and short-term and long-term incentives to help us attract and retain talented leaders to ensure continued growth and continuity. In positions where there is a clear ability to impact performance by providing short-term incentives linked to specific goals, we have created incentive plans that we believe are market competitive and in line with our ability to pay. Short- and long-term incentives are tied directly to individual performance and/or business results. Awards are paid only when business performance is strong. At the lowest levels of the organization we rely on base salary. This array of compensation plans permits greater control over managing our fixed costs while providing competitive and meaningful rewards. Base salaries are fixed, primarily, based on market rates. Based primarily on performance against stated goals, short- and long-term incentive pay gives us the opportunity to reward for performance in a specific year, or over a period of years, without the recurring (and compounding) expense of a base salary adjustment. Each of our compensation components is described in greater detail below.

Summary

Our Compensation Philosophy guides our pay and benefits practices at Citizens and is adjusted based on the business environment. Our programs are based on Citizens' ability to pay. Citizens' goals are to invest sufficient compensation to attract, retain, and motivate our workforce to achieve our short- and long-term business goals.

Base salary

We pay base salaries to attract and retain talented employees.

Base salary increases are driven primarily by demonstrated value to the organization.

Base salaries are reviewed annually, and merit increases are awarded based on performance.

Short-term incentive (STI) plan

Not all positions are eligible for short-term incentive plans. We have one main style of short-term incentive compensation: commissions. Commissions generally include a formula based on profits or revenues within a given line of business, for new business achieved.

Table of Contents

Long-term incentive (LTI) plans

Citizens' long-term incentive plans reward key contributors who have demonstrated long-term positive impact to our success. These plans are designed to provide the opportunity for significant wealth accumulation for key contributors at the senior management level based on the performance of Citizens, and to enhance retention of these key executives. We have three forms of long-term incentives: stock option, deferred compensation, and restricted stock programs. All are designed to reward key significant contributors.

Not all positions are eligible for long-term incentive plans. Senior officers become eligible at the discretion of the Compensation Committee of our Board of Directors, based on demonstrated long-term value to Citizens. Each of our named executive officers (as defined below under the section Executive Compensation) is eligible to participate in our long-term incentive plans.

Our Compensation Committee is Independent and Involved.

The Committee is comprised of fully independent Directors of the Corporation.

The Committee decides all compensation matters for our named executive officers.

In addition, our Chief Executive Officer works with our Compensation Committee in making recommendations regarding our overall compensation policies and plans as well as specific compensation levels for our executive officers and other key employees, other than the Chief Executive Officer. Members of management who were present during Compensation Committee meetings in fiscal 2011 and the first part of fiscal 2012 included our Chief Executive Officer and Chief Operating Officer. The Compensation Committee makes all decisions regarding the compensation of our Chief Executive Officer without our Chief Executive Officer or any other member of our management present.

At Risk Compensation is Maintained Within Appropriate Levels.

Although profitability is a key driver for compensation opportunities, we do not reward, and in fact discourage, the taking of excessive or inordinate risk. Our Compensation Philosophy is risk-reflective, meaning we create our pay structure and programs to appropriately reward the returns from acceptable risk-taking through optimal pay mix, performance metrics, calibration and timing.

Employees eligible for incentives or commissions for new business are not permitted to make credit, investment, or consumer pricing decisions independently.

We have no highly-leveraged or uncapped incentive plans. Where there are elements of an incentive plan that are uncapped, the performance drivers of these elements are not risk based.

Incentive compensation plans for certain positions which contain significant risk to Citizens (e.g., CFO and COO) include corporate, division and individual components, and awards are determined or reviewed by the Compensation Committee prior to any payment.

Plan sponsors, those executives in charge of business lines in which incentive plans exist, are not eligible for awards under the plans they sponsor.

At the Corporation's 2011 Annual Meeting of Shareholders, pursuant to a non-binding, advisory vote, shareholders approved the compensation of the Corporation's named executive officers as disclosed in the proxy statement for the meeting by a vote of 1,760,978 shares in favor to 164,826 against. The Compensation Committee has considered the results of this advisory shareholder vote and believes that it shows support by the Corporation's shareholders for the Corporation's compensation philosophy and the executive compensation programs that implement the Corporation's compensation philosophy. The Corporation has not significantly changed its executive compensation program following the shareholder advisory vote.

Table of Contents

Nominating Committee

The Nominating Committee is responsible for assisting our Board of Directors by: (1) identifying individuals qualified to become members of our Board of Directors and its committees; (2) recommending to our Board of Directors nominees for election to the Board at the annual meeting of shareholders; (3) developing and recommending to our Board of Directors a set of corporate governance principles applicable to Citizens; and (4) assisting our Board of Directors in assessing director performance and the effectiveness of the Board of Directors.

Charters of Committees

The Board of Directors has adopted, and may amend from time to time, a written charter for each of the Audit Committee, Compensation Committee and Nominating Committee. Citizens maintains a website at www.ccf.us. Citizens makes available on its website, free of charge, copies of each of these charters. Citizens is not including the information contained on or available through its website as a part of, or incorporating such information by reference into, this Proxy Statement.

CORPORATE GOVERNANCE MATTERS

Director Independence

Our Board of Directors has reviewed the independence of our continuing directors and the nominees for election to the Board at the Annual Meeting under the applicable standards of the NASDAQ Stock Market. Based on this review, our Board of Directors determined that each of the following directors is independent under those standards:

(1) Richard McHugh

(3) Brian R. Schilling

(2) David B. Westrate

(4) Michael L. Swenson

Mr. Nettesheim is not independent because Mr. Nettesheim is a partner at Reinhart, a law firm retained by Citizens, which paid Reinhart approximately \$307,500 in fees for legal services provided during the fiscal year ended September 30, 2011.

Board Leadership Structure

Citizens currently has separate persons serving as the Chief Executive Officer and as Chairman of the Board of Directors. Edward H. Schaefer has served as the Chief Executive Officer of Citizens since January 2010 and Richard McHugh has served as the Chairman of the Board since 1988. Mr. McHugh serves as our lead outside or independent director and is an independent director under the applicable standards of the NASDAQ Stock Market. Although the Board of Directors does not have a formal policy with respect to its leadership structure, we believe that currently separating the positions of Chief Executive Officer and Chairman serves as an effective link between management's role of identifying, assessing and managing risks and the Board of Directors' role of risk oversight. Although Citizens believes that the separation of the Chairman and Chief Executive Officer roles is appropriate under current circumstances, it will continue to review this issue periodically to determine whether, based on the relevant facts and circumstances, combining these offices would serve our best interests and the best interests of our shareholders.

Table of Contents

The Board's Role in Risk Oversight

The role of our Board of Directors in Citizens' risk oversight process includes receiving reports from members of our senior management on areas of material risk to Citizens, including operational, financial, legal and regulatory, strategic and reputational risks. The Board has authorized the Audit Committee to oversee and periodically review Citizens' enterprise risk assessment and enterprise risk management policies.

Director Nominations

We have a standing Nominating Committee. Based on the review described under Corporate Governance Matters Director Independence, our Board of Directors has determined that each member of the Nominating Committee is independent under the applicable standards of the NASDAQ Stock Market.

The Nominating Committee will consider director nominees recommended by shareholders. A shareholder who wishes to recommend a person or persons for consideration as a nominee for election to the Board of Directors must send a written notice by mail, c/o Secretary, Citizens Community Bancorp, Inc., 2174 EastRidge Center, Eau Claire, Wisconsin 54701, that sets forth: (1) the name, address (business and residence), date of birth and principal occupation or employment (present and for the past five years) of each person whom the shareholder proposes to be considered as a nominee; (2) the number of shares of our Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by each such proposed nominee; (3) any other information regarding such proposed nominee that would be required to be disclosed in a definitive proxy statement to shareholders prepared in connection with an election of directors pursuant to section 14(a) of the Securities Exchange Act of 1934 or as is required by the Corporation's Bylaws; and (4) the name and address (business and residential) of the shareholder making the recommendation and the number of shares of our Common Stock beneficially owned (as defined by section 13(d) of the Securities Exchange Act of 1934) by the shareholder making the recommendation.

We may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such proposed nominee to serve as a director. Shareholder recommendations will be considered only if received in accordance with the advance notice provisions contained in the Corporation's Bylaws.

The Nominating Committee will consider any nominee recommended by a shareholder in accordance with the preceding paragraph under the same criteria as any other potential nominee. The Nominating Committee believes that a nominee recommended for a position on our Board of Directors must have an appropriate mix of director characteristics, experience, diverse perspectives and skills. Qualifications of a prospective nominee that may be considered by the Nominating Committee include:

personal integrity and high ethical character;

professional excellence;

accountability and responsiveness;

absence of conflicts of interest;

fresh intellectual perspectives and ideas; and

relevant expertise and experience and the ability to offer advice and guidance to management based on that expertise and experience. Citizens does not have a formal policy for the consideration of diversity by the Nominating Committee in identifying nominees for director. Diversity is one of the factors the Nominating Committee may consider and in this respect diversity may include race, gender, national origin or other characteristics.

Communications between Shareholders and the Board of Directors

Our shareholders may communicate with the Board or any individual director by directing such communication to our Secretary at the address of our corporate headquarters, 2174 EastRidge Center, Eau Claire, Wisconsin 54701. Each such communication should indicate that the sender is a shareholder of the Corporation and that the sender is directing the communication to one or more individual directors or to the Board as a whole.

All communications will be compiled by our Secretary and submitted to the Board of Directors or the individual directors on a monthly basis unless such communications are considered, in the reasonable judgment of our Secretary, to be improper for submission to the intended recipient(s). Examples of shareholder communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to Citizens or our business or communications that relate to improper or irrelevant topics. Our Secretary may also attempt to handle a communication directly where appropriate, such as where the communication is a request for information about Citizens or where it is a stock-related matter.

Attendance of Directors at Annual Meetings of Shareholders

We do not have a formal policy regarding the attendance of our directors and nominees for election as directors at our annual meeting of shareholders. However, we expect that all of our directors and nominees for election as directors at our annual meeting of shareholders will attend the annual meeting, absent a valid reason, such as a schedule conflict. All of our nominee and incumbent directors attended the annual meeting of shareholders held on February 24, 2011.

Information Regarding Change of Auditors

On March 25, 2010, Citizens dismissed Wipfli, LLP as its independent public accountants and appointed Baker Tilly Virchow Krause, LLP as its new independent public accountants. The decision to dismiss Wipfli, LLP and to retain Baker Tilly Virchow Krause, LLP was approved by our Audit Committee on March 25, 2010.

Wipfli, LLP's reports on our consolidated financial statements for each of the fiscal years ended September 30, 2009 and September 30, 2008 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principals. During the fiscal years ended September 30, 2009 and September 30, 2008 and through March 25, 2010, there were no disagreements with Wipfli, LLP on any matters of accounting principles or practices, financial statement disclosures or auditing scope or procedures which, if not resolved to Wipfli, LLP's satisfaction, would have caused them to make reference to the subject matter in connection with their report on our consolidated financial statements for such years; and there were no reportable events, as listed in 304(a)(1)(v) of Commission Regulation S-K.

During the fiscal years ended September 30, 2009 and September 30, 2008 and through March 25, 2010, we did not consult with Baker Tilly Virchow Krause, LLP regarding any of the matters or events set forth in Items 304(a)(2)(i) and (ii) of Commission Regulation S-K.

The Audit Committee is responsible for reviewing and pre-approving any non-audit services to be performed by our independent auditors. The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy. The Audit Committee reviews and, if appropriate, approves non-audit service engagements in accordance with the terms of such policy, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation and the likely impact of the non-audit services on the independence of the independent auditors.

Each new engagement of our independent auditors to perform non-audit services set forth in the table above has been approved in advance by the Audit Committee pursuant to the foregoing procedures.

Audit Committee Financial Expert

Our Board of Directors has determined that at least one of the members of our Audit Committee qualifies as an audit committee financial expert as defined by the rules of the Commission. Brian R. Schilling qualifies as an audit committee financial expert based on his work experience and duties as the Managing Partner of Bauman Associates, Ltd., a certified public accounting firm.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Our Audit Committee has appointed Baker Tilly Virchow Krause, LLP as the independent registered public accounting firm to audit the Corporation's consolidated financial statements for the fiscal year ending September 30, 2012. Unless otherwise directed, proxies will be voted in **FAVOR** of the ratification of such appointment.

Although this appointment is not required to be submitted to a vote of shareholders, our Board of Directors believes it appropriate as a matter of policy to request that our shareholders ratify the appointment. If shareholder ratification is not received, the Board of Directors will reconsider the appointment, and may retain that firm or another firm without resubmitting the matter to the Corporation's shareholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different firm at any time during the fiscal year if it determines that such change would be in the Corporation's best interests.

401(k) Plan Benefits

Our executive officers are eligible to participate in our 401(k) plan on the same terms as our other employees. Our 401(k) plan is a qualified, tax-exempt savings plan with a cash or deferred feature qualifying under Section 401(k) of the Internal Revenue Code. All employees who have attained age 21 and completed 90 days of continuous employment, are eligible to participate in the 401(k) plan.

Participants are permitted to make salary reduction contributions to the 401(k) plan of up to 100% of their salary, up to a maximum of \$16,500 (\$22,000 for employees over 50 years of age) for calendar year 2010 and 2011. We match each contribution in an amount equal to 100% of the participant's 401(k) deferrals for the year up to 4% of their salary, provided the participant must contribute a minimum of 4% of his or her salary as a condition to receiving the matching contribution. All contributions made by participants are before-tax contributions. All participant contributions and earnings are fully and immediately vested.

Table of Contents

Participants may invest amounts contributed to their 401(k) plan accounts in one or more investment options available under the 401(k) plan. Changes in investment directions among the funds are permitted on a periodic basis pursuant to procedures established by the plan administrator. Each participant receives a quarterly statement that provides information regarding, among other things, the market value of all investments and contributions made to the 401(k) plan on the participant's behalf. Mr. Cruciani and Ms. Johnson received 3% contributions through June 30, 2010. All named executive officers in the Summary Compensation Table received 4% contributions from July 1, 2010 through September 30, 2010.

Supplemental Executive Retirement Plan

We maintain a Supplemental Executive Retirement Plan (SERP), which provides benefits to certain key employees selected by the Compensation Committee upon retirement, including our named executive officers. This plan was established as an unfunded, non-contributory defined benefit plan under which we would pay supplemental pension benefits to certain key employees upon retirement. Benefits were based on a formula that includes a participant's past and future earnings and years of service. Effective May 2009, we suspended the accrual of benefits to participants under the SERP and effective as of September 30, 2009 all future benefits under the SERP were discontinued. Mr. Schaefer has never been a participant in the SERP. Moreover, each of Mr. Cruciani and Ms. Johnson voluntarily surrendered any benefit potentially owed them under the plan at the end of calendar year 2009. Accordingly, as of September 30, 2011 none of our named executive officers had any accumulated benefit under the SERP.

Other Stock Benefit Plans

At the discretion of our Compensation Committee, our executive officers are eligible to participate in our equity incentive plans, including Citizens Community Bancorp, Inc.'s 2004 Stock Option and Incentive Plan and the 2004 Recognition and Retention Plan. Eligible awards under these plans include, without limitation, stock options, stock appreciation rights, restricted stock and restricted stock units. Eligible participants under these plans include our directors, officers and other employees of Citizens Community Bancorp, Inc. or Citizens Community Federal. Upon the death or disability of the participant or upon a change of control of Citizens Community Bancorp, Inc., these awards become 100% exercisable or vested.

DIRECTOR COMPENSATION

General Information

Each of our non-employee directors, except our Chairman and Vice-Chairman, receives an annual retainer of \$12,000. Our Chairman receives an annual retainer of \$18,000 and our Vice-Chairman receives an annual retainer of \$14,000. Additionally, each director receives \$1,000 for each Board meeting attended. In addition to the foregoing amounts, the members of our Compensation Committee and Audit Committee each receive an additional annual retainer of \$3,000. Moreover, the chairman of each of our Compensation Committee and Audit Committee receive an additional \$500 per meeting for attendance at each meeting of the Compensation Committee and Audit Committee.

We maintain a Director Retirement Plan, which is an unfunded, non-contributory defined benefit plan providing for supplemental pension benefits for our directors. Benefits are based on a formula that includes participants' past and future earnings and years of service with Citizens. This retirement plan is administered by the Compensation Committee, which selects participants in the plan. Director McHugh is credited with one month of service under the plan for each month served since August 1, 2002.

Table of Contents

The remaining directors are credited with one month of service under the plan for every two months of service since August 1, 2002. The benefits under the plan are monthly payments for the lesser of 120 months or actual months of service under the plan, rounded up to the next full quarter end. Non-employee directors McHugh, Westrate and Schilling are participants in the plan. Neither Mr. Nettesheim nor Mr. Swenson are participants in the plan. Director McHugh has quarterly benefits of \$4,500 per quarter, and non-employee directors Westrate and Schilling have quarterly benefits of \$2,000 per quarter. Unless a vesting schedule is included in a participant's plan agreement, each participating director is fully vested in the benefits under the plan upon executing the plan agreement. The benefits under the plan are unfunded and unsecured and are merely promised by Citizens. We are under no obligation to fund the plan in advance; however, if we chose to do so, such funded amounts would be automatically expensed at the time of funding. We accrue for the new liability based on a present value calculation. Benefits are expensed on a straight line basis over the remaining months until eligible retirement. Effective as of September 30, 2009, no director elected or selected (that was not an existing director as of such date) to become a director of Citizens after that date is eligible to participate in the Director Retirement Plan. All benefits owing our directors under this plan are vested. As of September 30, 2011, the accumulated present value of the benefit accrued under this plan for each of Mr. McHugh, Mr. Westrate and Mr. Schilling was \$193,645, \$63,099 and \$47,644, respectively.

TRANSACTIONS WITH RELATED PERSONS

The Bank has a written policy of granting loans to officers and directors. Loans to directors and executive officers are made in the ordinary course of business and on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to Citizens, in accordance with the Bank's underwriting guidelines, and do not involve more than the normal risk of collectability or present other unfavorable features.

Timothy A. Nettesheim is a director and a shareholder of Reinhart. Reinhart serves as our outside legal counsel. During fiscal 2011, Citizens paid Reinhart approximately \$307,500 for legal services. We believe that the amounts paid to Reinhart are no greater than the fair market value of the services received.

PROPOSAL 3: AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES FROM 20,000,000 TO 30,000,000

We are asking our shareholders to approve an amendment to our Articles of Incorporation to increase the number of authorized shares of Common Stock from 20,000,000 to 30,000,000. The additional 10,000,000 shares of Common Stock will be part of the existing class of Common Stock, and if and when issued, will have the same rights and privileges as the shares of Common Stock presently issued and outstanding.

Purpose of the Proposed Amendment

Our Board of Directors believes that it is in our best interests to increase the number of authorized shares of Common Stock in order to give us greater flexibility in considering and planning for potential business needs. The increase in the number of authorized but unissued shares of Common Stock would enable us, without the expense and delay of seeking shareholder approval, to issue shares from time to time as may be required for proper business purposes.

We anticipate that we may issue additional shares of Common Stock in the future in connection with one or more of the following:

financing transactions, such as public or private offerings of Common Stock or convertible securities;

acquisitions or other strategic transactions;

our stock incentive plans; and

other corporate purposes that have not yet been identified.

At this time, we do not have any binding plans, commitments, arrangements, understandings or agreements regarding the issuance of Common Stock following the increase of our authorized shares. However, the availability of additional shares of Common Stock for issuance is, in our view, prudent and will afford us flexibility in acting upon financing transactions to strengthen our financial position and/or other business and strategic opportunities that may arise.

As of January 6, 2012, we had 5,133,050 shares of Common Stock outstanding. In addition, as of January 6, 2012, options and other rights to acquire up to 148,962 shares of Common Stock were outstanding. Accordingly, out of 20,000,000 shares of Common Stock authorized, 5,282,012 shares were outstanding or reserved for issuance and 14,717,988 authorized shares remain available for future issuance.

Table of Contents

The increase in authorized Common Stock would only become effective upon the affirmative vote of a majority of the votes entitled to be cast by the holders of the Corporation's outstanding Common Stock and the subsequent filing of the Articles of Amendment. The full text of the proposed amendment to the Articles of Incorporation is set forth in Exhibit A to this Proxy Statement, and this discussion is qualified in its entirety by reference to Exhibit A.

Our Board of Directors may issue additional shares of Common Stock only if the action is permissible under Maryland law and the rules of the NASDAQ Stock Market, on which the Common Stock is quoted. For example, if our Board of Directors were to make a stock acquisition which resulted in an increase of 20% or more in the number of shares of Common Stock outstanding, or 20% or more of the voting power outstanding, the NASDAQ Marketplace Rules would require shareholder approval. In addition, the NASDAQ Marketplace Rules require shareholder approval if we issue shares of Common Stock in connection with a transaction other than a public offering, where the shares (1) were issued at a price less than the greater of book or market value and (2) represented 20% or more of the number of shares of our Common Stock outstanding or 20% or more of the voting power outstanding.

Possible Effects of the Proposed Amendment

If the proposed amendment to our Articles of Incorporation is approved and effected, the additional authorized shares of Common Stock would be available for issuance at the discretion of our Board of Directors and without further shareholder approval, except as may be required by law or the rules of the NASDAQ Stock Market. The additional shares of Common Stock would have the same rights and privileges as the shares of Common Stock currently issued and outstanding. Holders of our Common Stock have no preemptive rights.

The issuance of additional shares of Common Stock may, among other things, have a dilutive effect on earnings per share and on shareholders equity and voting rights. Furthermore, future sales of substantial amounts of Common Stock, or the perception that these sales might occur, could adversely affect the prevailing market price of the Common Stock or limit our ability to raise additional capital. Shareholders should recognize that, as a result of this proposal, they will own a smaller percentage of shares relative to the total authorized shares of Common Stock than they presently own.

Although this proposal to increase the authorized number of shares of Common Stock has been prompted by business and financial considerations and not by the threat of any known or threatened hostile takeover attempt, shareholders should be aware that approval of this proposal could facilitate future efforts by us to oppose changes in control and perpetuate our management, including transactions in which the shareholders might otherwise receive a premium for their shares over then current market prices. We would be able to use the additional shares to oppose a hostile takeover attempt or delay or prevent changes in control or management. For example, without further shareholder approval, the Board could sell shares of Common Stock in a private transaction to purchasers who would oppose a takeover or favor the current Board. While the proposed amendment may have anti-takeover ramifications, the Board believes that the benefits it could confer on us outweigh any potential disadvantages.

Vote Required for Approval

The affirmative vote of a majority of the outstanding shares of Common Stock is required for approval of this proposal. **Because approval of the proposed amendment to our Articles of Incorporation is based on the affirmative vote of a majority of the shares outstanding, the failure to vote, a broker non-vote or an abstention will have the same effect as a vote against this proposal.**

If the Corporation's shareholders approve the proposed amendment, the Corporation will file the amendment to the Articles of Incorporation with the State Department of Assessments and Taxation of Maryland after the Annual Meeting.

Board of Directors Recommendation

The Board of Directors believes that the approval and adoption of the amendment to our Articles of Incorporation is in the best interests of Citizens and its shareholders and recommends a vote FOR the approval and adoption of the amendment to our Articles of Incorporation.

If the notice does not comply with the requirements set forth in our Bylaws, the chairman of the meeting may refuse to acknowledge the matter. If the chairman of the meeting decides to present a proposal despite its untimeliness, the people named in the proxies solicited by the Board of Directors for the 2013 Annual Meeting of Shareholders will have the right to exercise discretionary voting power with respect to such proposal.

OTHER MATTERS

Our directors know of no other matters to be brought before the meeting.
