**Item 8.01 Other Events**

On March 5, 2012, PowerSecure International, Inc., a Delaware corporation (the "Company"), issued a press release announcing that it has been awarded a new contract to build electrical transmission infrastructure to support a series of new oil and gas production sites. The Company's work under this new contract will be performed on behalf of a major energy company, in partnership with a prominent electric utility. The award is for several million dollars of electrical transmission design and construction, the majority of which is expected to be completed by mid-2012.

The press release filed herewith as Exhibit 99.1 contains forward-looking statements relating to the Company's future performance made within the meaning of and pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. A more thorough discussion of certain risks, uncertainties and other factors that may affect the Company is included in the Company's most recent Annual Report on Form 10-K and in subsequent reports, including the Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, that the Company files or furnishes with the Securities and Exchange Commission.
