Item 1.01. Entry into a Material Definitive Agreement
Term Loan Agreement

On February 29, 2012, Eastman Chemical Company (Eastman) entered into a Five-Year Senior Term Loan Credit Agreement (the Term Loan Agreement) with the initial lenders named therein, Citibank, N.A., as administrative agent, Citigroup Global Markets Inc. (Citi) and Barclays Capital (Barclays), as joint lead arrangers, and Barclays, as syndication agent. The Term Loan Agreement was entered into pursuant to the terms of Eastman's previously disclosed agreement with Citi and an affiliate of Barclays which contained commitments thereby for a senior unsecured bridge term loan facility and the principal terms of a senior unsecured term loan facility (the Commitment). Upon entry into the Term Loan Agreement, the parties' commitments relating to a term loan facility under the Commitment were replaced and terminated.

The Term Loan Agreement provides for a \$1.2 billion term loan facility, the proceeds of which are expected to be used by Eastman to finance, in part, the cash portion of the consideration to be paid by Eastman in the previously announced merger of a wholly-owned subsidiary of Eastman with and into Solutia Inc. (Solutia) pursuant to which Solutia will become a wholly-owned subsidiary of Eastman (the Merger), and to pay a portion of the related fees and expenses, which may include the repayment of certain outstanding borrowings of Solutia.

Funding under the Term Loan Agreement is subject to customary conditions for financings of this type. In addition, funding is also subject to the closing of the Merger.

Borrowings under the Term Loan Agreement will be unsecured, and will bear interest at a variable base rate or a variable Eurodollar rate based on the London Interbank Offered Rate (LIBOR), at Eastman's election. Interest on base rate loans will be equal to the highest of: (a) the Federal Funds Rate plus 0.5%; (b) the agent's daily prime rate; and (c) 1.0% per annum plus the Eurodollar rate (described below) plus, in each case, an applicable margin that may range from 12.5 basis points to 125 basis points, depending on Eastman's unsecured credit rating. Interest on Eurodollar rate loans will be determined by reference to LIBOR plus an applicable margin that may range from 112.5 basis points to 225 basis points, depending on Eastman's unsecured credit rating.

Borrowings under the Term Loan Agreement will amortize in quarterly installments from the date of borrowing as follows: (1) 10% annually in the first year after the date of borrowing; (2) 15% annually in the second year after the date of borrowing; (3) 20% annually in the third year after the date of borrowing; (4) 25% annually in the fourth year after the date of borrowing; and (5) 30% annually in the fifth year after the date of borrowing. Borrowings outstanding under the Term Loan Agreement will be due and payable five years from the date of closing of the Merger.

The Term Loan Agreement contains customary events of default, representations, warranties and covenants, including a financial covenant that requires Eastman to comply with a leverage ratio specified therein. Also in connection therewith, Eastman has agreed to pay the lenders thereunder customary fees, including a commitment fee based upon the undrawn portion of commitments under the Term Loan Agreement.

The foregoing description of the material terms of the Term Loan Agreement is qualified in its entirety by the Term Loan Agreement, which is filed as Exhibit 10.1 to this current report on Form 8-K and is incorporated herein by reference.

Bridge Loan Agreement

Also, on February 29, 2012, Eastman entered into a Senior Bridge Term Loan Credit Agreement (the Bridge Loan Agreement) with the initial lenders named therein, Citibank N.A., as administrative agent, Citi and Barclays, as joint lead arrangers, Barclays, as syndication agent, and Bank of America, N.A., JPMorgan Chase Bank, N.A., RBS Securities Inc. and Wells Fargo Bank, National Association, as co-arrangers. The Bridge Loan Agreement was also entered into pursuant to the terms of the Commitment. Upon entry into the Bridge Loan Agreement, the parties' commitments relating to a bridge loan facility under the Commitment were terminated.

The Bridge Loan Agreement provides for a \$2.3 billion bridge loan facility, any proceeds of which are expected to be used by Eastman to finance, in part, the cash portion of the consideration to be paid by Eastman in the Merger, and to pay a portion of the related fees and expenses, which may include the repayment of certain outstanding borrowings of Solutia. The commitments of the lenders under the Bridge Loan Agreement are to be reduced on a dollar-for-dollar basis by any proceeds Eastman receives from any offering of its debt securities that it may undertake.

Borrowing under the Bridge Loan Agreement is subject to customary conditions for financings of this type. In addition, funding is also subject to the closing of the Merger. Any borrowings outstanding under the Bridge Loan Agreement would be due and payable on the date that is 364 days from the date of closing of the Merger.

Any borrowings by Eastman under the Bridge Loan Agreement will be unsecured, and will bear interest at a variable base rate or a variable Eurodollar rate based on LIBOR, at Eastman's election. Interest on base rate loans will be equal to the highest of: (a) the Federal Funds Rate plus 0.5%; (b) the agent's daily prime rate; and (c) 1.0% per annum plus the Eurodollar rate (described below) plus, in each case, an applicable margin described in the Bridge Loan Agreement that may range from 25 basis points to 275 basis points, depending on Eastman's unsecured credit rating and the number of days from the closing date of the Merger. Interest on Eurodollar rate loans will be determined by reference to LIBOR plus an applicable margin described in the Bridge Loan Agreement that may range from 125 basis points to 375 basis points, depending on Eastman's unsecured credit rating and the number of days from the closing date of the Merger.

In connection with entering into the Bridge Loan Agreement, Eastman has agreed to pay the lenders thereunder customary fees, including: (1) a commitment fee based upon the undrawn portion of commitments under the Bridge Loan Agreement; (2) a duration fee equal to a specified percentage of the aggregate principal amount of the outstanding borrowings under the Bridge Loan Agreement, if any, and (3) a funding fee based upon the aggregate amount of the outstanding borrowings under the Bridge Loan Agreement, if any.

The Bridge Loan Agreement contains customary events of default, representations, warranties and covenants, including a financial covenant that requires Eastman to comply with a leverage ratio specified in the Bridge Loan Agreement.

The foregoing description of the material terms of the Bridge Loan Agreement is qualified in its entirety by the Bridge Loan Agreement, which is filed as Exhibit 10.2 to this current report on Form 8-K and is incorporated herein by reference.

Some of the potential lenders under each of the Term Loan Agreement and the Bridge Loan Agreement (and their respective subsidiaries or affiliates) have in the past provided, and may in the future provide, investment banking, underwriting, lending, commercial banking, trust and other advisory services to Eastman and its subsidiaries and affiliates. These parties have received, and may in the future receive, customary compensation from Eastman and its subsidiaries and affiliates for such services.
