PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD

JUNE 5, 2012

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Citizens, Inc. for use at the Annual Meeting of Shareholders to be held Tuesday, June 5, 2012, at 10:00 a.m., Central Daylight Time, (the Meeting) at the **Citizens Inc. Executive Offices located at 400 East Anderson Lane, Austin, Texas**. We are distributing this Proxy Statement and our 2011 Annual Report to Shareholders on or before April 27, 2012.

In accordance with Rule 14a-16 promulgated under the Securities Exchange Act of 1934, a registrant may furnish a proxy statement or annual report to a security holder by sending the security holder a Notice of Internet Availability of Proxy Materials forty (40) or more calendar days prior to the Annual Meeting of Shareholders (Notice and Access). On or before April 27, 2012, Notice of Internet Availability of Proxy Materials was sent to our shareholders, giving them the option to execute a proxy via an on-line format, or the option to request a paper delivery of a full set of proxy materials (called Full Set Delivery) of this Proxy Statement and the 2011 Annual Report to Shareholders.

The following matters will be acted on at the Meeting:

Elect nine (9) members of our Board of Directors;

Approve a non-binding advisory resolution regarding the compensation of the Company s Named Executive Officers;

Ratify the appointment of Ernst & Young LLP as our registered independent public accounting firm for 2012; and

Transact such other business as may properly come before the Meeting or any adjournment thereof.

If you received this Proxy Statement in accordance with Full Set Delivery, you are requested to complete the enclosed proxy card, sign where indicated, and return it to our transfer agent in the envelope provided, which requires no postage if mailed in the United States. Proxies may also be solicited by personal solicitation, telephone or Internet, by our directors, officers and employees at no additional cost to you. We will also request banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward soliciting material to the beneficial owners of our common stock held of record by such persons, firms, or institutions, and we will reimburse the forwarding expenses. The cost of this solicitation will be borne by the Company.

PROXIES

Shares represented by properly executed proxies received by us prior to the Meeting will be voted as specified thereon. If a proxy fails to specify how it is to be voted it will be voted **FOR** the proposal. If other matters come before the Meeting, the persons named on the accompanying proxy will vote in accordance with their best judgment with respect to such matters. A person giving a proxy will have the power to revoke it at any time before it is voted by notifying our Secretary in writing or by personally withdrawing such proxy at the Meeting. With regard to election of directors, votes may be cast in favor, withheld or in abstention; votes that are withheld or voted in abstention will be excluded entirely from the vote and will have no effect other than for purposes of establishing quorum. According to New York Stock Exchange (NYSE) Rule 452, as amended, brokers who have not received instructions from their customers in uncontested elections may no longer vote shares held in street name in the election of directors, and other certain stated issues. However, they can vote shares in street name in the ratification of auditors. Therefore, regardless of the number of shares you hold or whether you cast a vote, providing your properly executed proxy is very important.

Shareholders may vote using any of the following methods:

1. **BY MAIL:** If you received this Proxy Statement in conjunction with a Full Set Delivery request, then mark, sign and date your proxy card and return it in the postage-paid envelope provided. The named proxies will vote your stock according to your directions. If you submit a signed proxy card without indicating your vote, the person voting the proxy will vote your stock in favor of the proposals.
2. **BY TELEPHONE:** Call toll-free (800) 652-VOTE (8683).

Use any touch-tone telephone to vote your proxy 24 hours a day, 7 days a week, until 11:59 p.m. Eastern Daylight Time on June 4, 2012.

Please have your proxy card and the last four digits of your Social Security Number or Tax Identification Number available. Follow the simple instructions the voice provides you.

3. **BY INTERNET:** <http://www.envisionreports.com/cia>

Use the Internet to vote your proxy 24 hours a day, 7 days a week, until 11:59 p.m. Eastern Daylight Time on June 4, 2012.

Please have your proxy card and the last four digits of your Social Security Number or Tax Identification Number available. Follow the simple instructions to obtain your records and create an electronic ballot.

4. **IN PERSON:**

You may vote in person at the Meeting. If your stock is held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, to be able to vote at the Meeting.

A shareholder may revoke his or her proxy at any time before it is voted at the Meeting by:

1. giving written notice of revocation no later than the commencement of the Meeting to our Secretary, Geoffrey M. Kolander, or the person serving as Secretary at the meeting:

if before commencement of the Meeting on the date of the Meeting, by personal delivery to Mr. Kolander or the person serving as Secretary at the Meeting site; and

if delivered before the date of the Meeting, to Mr. Kolander at Citizens' offices, 400 East Anderson Lane, Austin, Texas 78752;

2. delivering no later than the commencement of the Meeting a properly executed, later-dated proxy; or

3. voting in person at the Meeting.

Voting by proxy will in no way limit your right to vote at the Meeting if you later decide to attend in person. If no direction is given and the proxy is validly executed, the stock represented by the proxy will be voted in favor of the proposals set forth in this Proxy Statement. The persons authorized under the proxies will vote upon any other business that may properly come before the Meeting according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. Other than the approval of the matters listed above, we do not anticipate that any other matters will be raised at the Meeting.

RECORD DATE

Only shareholders of record at the close of business on April 9, 2012 are entitled to vote at the Meeting. As of the record date, we had outstanding and entitled to vote 48,962,938 Class A shares of common stock and 1,001,714 Class B shares of common stock.

QUORUM AND VOTING

In accordance with the Colorado Business Corporation Act ("CBCA"), a majority of shares entitled to vote, represented in person or by proxy, shall constitute quorum, unless otherwise stated in a company's articles of incorporation. We establish our quorum requirements based on the CBCA and consider a quorum as a majority of shares entitled to vote. Withholds, abstentions and broker non-votes are counted for purposes of determining quorum. If a quorum is not present or represented at the Meeting, the shareholders entitled to vote have the power to adjourn or recess the Meeting for up to one-hundred and twenty (120) days without notice, other than announcement at the Meeting, until a quorum is present or represented. At a reconvened Meeting where a quorum is present or represented, any business may be transacted which might have been transacted at the Meeting as originally noticed.

CONTROL OF THE COMPANY

In accordance with Section 303A.00 of the NYSE Listed Company Manual, Harold E. Riley is deemed to be the controlling shareholder of our Company and we are deemed a controlled company by the NYSE. Harold E. Riley is 83 years old and owns, directly and indirectly, 2,802,367 shares (5.7%) of the outstanding Class A common stock and 1,001,714 shares (100.0%) of the Class B common stock. Harold E. Riley controls our Company through his ownership of 100% of the Class B common stock, which grants him the right to elect a majority of our Board of Directors and through that majority elect himself Chairman and CEO of our Company. Harold E. Riley annually elects himself Chairman of the Board and CEO. Due to the controlled nature of our Company, we are not required to comply with the following sections of the NYSE Listed Company Manual: (i) Section 303 A.01 Independent Directors; (ii) Section 303A.04 Nominating/Corporate Governance Committee; and (iii) Section 303A.05 Compensation Committee. However, in an effort to establish more rigorous corporate governance practices than we are required to have, six of the nine members (a majority) of our Board are considered independent directors under the NYSE rules, and we have a standing Compensation Committee operating in accordance with NYSE rules.

EXECUTIVE OFFICERS

The following table sets forth certain information concerning our executive officers as of the record date for the Meeting. Our executives are elected annually by the Board of Directors at the first meeting of the Board following each annual meeting of shareholders:

Kay E. Osbourn ⁽³⁾	45	Executive Vice President, Chief Financial Officer and Treasurer
Geoffrey M. Kolander ⁽⁴⁾	36	Executive Vice President, General Counsel and Corporate Secretary
Dottie S. Riley ⁽⁶⁾	76	Vice President, Employee Relations

- (1) Harold E. Riley, our founder, has served as our Chairman and Chief Executive Officer since 1987. He founded Insurance Company of America, one of our merged affiliates, in 1969.
- (2) Rick D. Riley became Vice Chairman in December 1999 and President and Chief Corporate Officer in 2007. He has served in various capacities on a full-time basis for us and our affiliates since 1976.
- (3) Kay E. Osbourn joined us as Vice President, Internal Audit, in April 2008. On March 23, 2009, she became our Vice President, Treasurer and Chief Financial Officer, and was appointed Executive Vice President on January 1, 2010. Prior to joining us, she worked at National Western Life Insurance Company, where she had held various positions since 1992, including Senior Accountant, Assistant Controller, Vice President-Controller and Assistant Treasurer. During a break in service from 1996-1999, she served as Vice President of Salem's Inc., a family-owned business.
- (4) Geoffrey M. Kolander joined us in 2006 as Vice President and General Counsel of the Company, and was appointed Corporate Secretary in 2007 and Executive Vice President on January 1, 2010. Prior to that, Mr. Kolander served as General Counsel of Tejas Industries and an attorney at the Underwood Law Firm. Mr. Kolander is a licensed attorney in Colorado, New York and Texas. Mr. Kolander received a BBA from Texas A&M University's Mays School of Business and a Doctorate of Jurisprudence from the University of Houston Law Center.
- (5) Dottie S. Riley has held various positions within the Company since 1997, including Personnel Department and Vice President, Administrative Services. Mrs. Riley was appointed Vice President, Employee Relations on January 1, 2010.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Randall H. Riley is an executive officer and Ray A. Riley is an employee of our primary insurance subsidiary, CICA Life Insurance Company of America. Both are sons of Harold E. Riley, our Founder, Chief Executive Officer and Chairman of the Board, and brothers of Rick D. Riley, our Vice Chairman, President and Chief Corporate Officer of the Company. Dottie S. Riley, wife of Harold E. Riley, is Vice President, Employee Relations and serves on our Board of Directors. We are not aware of any transaction, or series of transactions, since January 1, 2011, or any currently proposed transactions to which we or any of our subsidiaries was to be a party, in which the amount involved exceeds \$120,000 and in which any director, nominee for director, executive officer, more than 5% shareholder or any member of the immediate family of the foregoing persons had, or will have, a direct or indirect material interest.

CONTROL AND SECURITY OWNERSHIP OF CERTAIN BENEFICIAL

OWNERS AND MANAGEMENT

We have two classes of common stock. As noted above, Harold E. Riley is the beneficial owner of all of our Class B common stock by and through the Harold E. Riley Trust, of which Harold E. Riley is the Trustee. Consequently, Harold E. Riley is the sole Class B shareholder. The A and B classes of common stock are equal in all respects, except that (i) the sole Class B common shareholder, Harold E. Riley, elects a simple majority of our Board of Directors and Class A common shareholders elect the remaining directors; and (ii) Class A shareholders are entitled to receive, on a per-share basis, twice the cash dividends paid on a per-share basis to the sole Class B shareholder, Harold E. Riley. Each outstanding share of common stock has one vote in all matters to be considered at the Meeting. In the election of directors, the nominees receiving the highest number of votes cast in their favor will be elected to our Board, subject to the right of the sole Class B shareholder, Harold E. Riley, to elect a simple majority of the directors. Thus, Harold E. Riley controls our Company through our Board of Directors. Harold E. Riley's control of our Board of Directors is the method under which he is annually elected by our Board as our Chairman and CEO. Harold E. Riley is 83 years old.

Management knows of no matters to be submitted at the Meeting with respect to which the shareholders are entitled to vote, other than the proposals described in this proxy statement. In the event other matters properly come before the Meeting, the persons named in the proxy will vote according to their best judgment.

The following table shows, as of April 9, 2012, certain information with regard to the beneficial ownership of our common stock:

by each of our directors and director nominees,

by each of the named executive officers as identified in the Summary Compensation Table found on page 15,

by all of our named executive officers, directors and director nominees as a group, and

by each person or group who is known by us to beneficially own more than 5% of our outstanding Class A or Class B common stock.

Galindo, Arias & Lopez is a Panamanian law firm which is the 100% owner of two trust companies, Gala Trust and Management Services, Inc., formerly known as Gala Management Services, Inc. (Gala Trust) and Regal Trust (BVI) Ltd. (Regal). The principal business of each of these companies is to act as trustee for two trusts each. The beneficiaries of these trusts are (i) non-U.S. policyholders of a Company insurance subsidiary, CICA Insurance Company of America (CICA), who, since 1987, have assigned their life insurance policy dividends, paid and payable by CICA, to two trusts administered by Gala and Regal (one trust each), and (ii) non-U.S. insurance sales associates of CICA who, since 1987, have assigned various life insurance policy sales commissions paid and payable to them to two trusts administered by Gala and Regal (one trust each). The purpose of each trust is to accumulate our Class A common stock for its beneficiaries. In order to join a trust, a policyholder or sales associate must certify that he or she is neither a citizen nor a resident of the United States. No beneficiary has power to direct a purchase or sale of the Class A common stock held by a trust so long as such beneficiary has not liquidated such beneficiary's participation in such trust.

This reporting person named may be deemed to be a group as defined in Rule 13d-5(b) under the Securities Exchange Act of 1934 and, as such a group, may be deemed to beneficially own an aggregate of 5,962,512 shares of Class A common stock (12.2%) of the outstanding Class A common stock.

GAMASE Insured Trust holds 3,494,536 shares of the Class A common stock and may be deemed to beneficially own such shares pursuant to Rule 13d-3 (7.1%) of the outstanding Class A common stock.

Regal Policyholders Trust holds 2,193,940 shares of the Class A common stock and may be deemed to beneficially own such shares pursuant to Rule 13d-3 (4.5%) of the outstanding Class A common stock.

Gala Trust is the sole trustee of GAMASE Insureds Trust and GAMASE Agents Trust, a trust established under the laws of the Republic of Panama (GAMASE Agents Trust) and holds 274,036 shares of the Class A common stock (constituting approximately 0.6% of the outstanding Class A common stock) and may be deemed to beneficially own such shares pursuant to Rule 13d-3, and therefore may be deemed to beneficially own 3,768,572 shares of the Class A common stock (constituting approximately 7.7% of the outstanding Class A common stock).

Regal is the sole trustee of CICA Associates Trust, a trust established under the laws of the British Virgin Islands (Regal Associates Trust) and holds 309,583 shares of the Class A common stock (constituting approximately 0.6% of the outstanding Class A common stock) and sole trustee of CICA Policyholders Trust, a trust established under the laws of the British Virgin Islands (Regal Policyholders Trust) which holds 1,884,357 shares of the Class A common stock (constituting approximately 3.8% of the outstanding Class A common stock as of the record date, and may be deemed to beneficially own such shares pursuant to Rule 13d-3, and therefore may be deemed to beneficially own 2,193,940 shares of the Class A common stock (constituting approximately 4.5% of the outstanding Class A common stock).

Galindo, Arias & Lopez owns a 100% interest in each of the Gala Trust and Regal, and therefore may be deemed to beneficially own 5,962,512 shares of the Class A common stock (12.2%) of the outstanding Class A common stock.

Harold E. Riley, our Founder, Chairman and CEO, is the beneficial owner of 100% of the Citizens Class B common stock, as indicated above, which is held in the name of the Harold E. Riley Trust (Trust), of which he serves as Trustee. Harold E. Riley is 83 years old. The Trust documents provide that upon Mr. Riley's death, the Class B common stock will be transferred from the Trust to the Harold E. Riley Foundation, a charitable organization established under 501(c)(3) of the Internal Revenue Code (the Foundation). In addition, the Trust documents provide that Mr. Riley may at any time transfer the Class B common stock held by the Trust to the Foundation. It is unclear what, if any, changes would occur to our Board, management structure, or corporate operating strategies as a result of different ownership of our Class B common stock. Other than the Class B common stock transfer discussed above, we are not aware of any arrangement, including any pledge by any person, of our common stock, the operation of which may at a subsequent date result in a change of control of our Company.

CERTAIN REPORTS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that our directors, executive officers and persons who own more than ten percent of a registered class of our equity securities file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Based solely upon a review of such reports and amendments thereto furnished to us, we believe that during 2011, all reports were filed on a timely basis, with the exception of one report relating to one transaction filed by Ray A. Riley, the son of Harold E. Riley, our controlling Class B shareholder, Chairman and CEO.

Section 303A.12(a) of the NYSE Listed Company Manual

Section 303A.12(a) of the NYSE Listed Company Manual requires each listed company CEO to verify each year that he or she is not aware of any violation by the company of NYSE corporate governance listing standards. In accordance therewith, Harold E. Riley filed his certification with the NYSE on June 29, 2011 and certified, without qualification, that he was not aware of any violation by the Company of NYSE corporate governance listing standards.

NOMINATING/CORPORATE GOVERNANCE FUNCTION

Our Board of Directors does not maintain a nominating/corporate governance committee with respect to (i) identifying, evaluating or recommending candidates for our Board of Directors, and (ii) formulating and overseeing our corporate governance. Instead, these functions are performed by the full Board of Directors. Our Board does not maintain a nominating committee for the following reasons:

We are considered to be a controlled company since the majority of the members on our Board of Directors are elected by our Chairman, Harold E. Riley, through his beneficial ownership of all of our outstanding Class B common shares. In accordance with Section 303A.00 of the NYSE Listed Company Manual, controlled companies are not required to maintain a nominating committee.

A majority of the directors on our Board of Directors have been deemed by the Board to be independent; thus, we believe that the nominating duties and corporate governance rules with respect to the Class A directors can be accomplished in a disinterested manner by our entire Board of Directors.

Our Board does not have a policy with regard to the consideration of diversity in identifying director nominees. Our Board of Directors will consider a candidate for a Class A director position proposed by a shareholder. A candidate must be highly qualified in terms of business experience and be both willing and expressly interested in serving on the Board. At a minimum, a director nominee must possess personal and professional integrity, sound judgment and forthrightness. A shareholder wishing to propose a candidate for the Board's consideration should forward the candidate's name and information about the candidate's qualifications to Citizens, Inc., Board of Directors, 400 East Anderson Lane, Austin, Texas 78752, Attn.: Corporate Secretary. Submissions must include sufficient biographical information concerning the recommended individual, including age, employment history for at least the past five years indicating employers' names and description of the employers' business, educational background and any other biographical information that would assist the Board in determining the qualifications of the individual. The Board will consider recommendations received by a date not later than 120 calendar days before the date our proxy statement was released to shareholders in connection with the prior year's annual meeting for nomination at that annual meeting. The Board will consider nominations received beyond that date at the annual meeting subsequent to the next annual meeting.

CODE OF ETHICS

Our Board of Directors has adopted a Code of Business Conduct and Ethics (Code), which we have posted on our website located at www.citizensinc.com. You may also obtain a copy of our Code by requesting one copy in writing addressed to Citizens, Inc. at 400 East Anderson Lane, Austin, Texas 78752, Attn: President or General Counsel, or by calling us at 512-837-7100.

Our Code provides general statements of our expectations regarding ethical standards we expect our directors, officers and employees to adhere to while acting on our behalf. Among other things, the Code provides that:

We will comply with all laws, rules and regulations;

Our directors, officers and employees are to avoid conflicts of interest and are prohibited from competing with us or personally exploiting our corporate opportunities;

Our directors, officers and employees are to protect our assets and maintain our confidentiality;

We are committed to promoting values of integrity and fair dealing; and

We are committed to accurately maintaining our accounting records under generally accepted accounting principles and timely filing our periodic reports.

Our Code also contains procedures for our employees to report, anonymously or otherwise, violations of the Code.

BOARD LEADERSHIP STRUCTURE

AND RISK OVERSIGHT

According to our Bylaws, the Chairman of the Board is required to be the highest ranking officer of our Company. Our founder and controlling sole Class B shareholder, Harold E. Riley, serves as our Chairman and CEO. We determined our current Board leadership structure is appropriate and helps ensure proper risk oversight for the Company for a number of reasons, the most significant of which are the following:

A combined chairman and chief executive officer role allows for more productive meetings. The chief executive officer manages the Company on a day to day basis, and his direct involvement in the Company's operations makes him best positioned to lead productive board strategic planning sessions and determine the time allocated to each agenda item in discussion of the Company's short and long-term objectives.

The majority of our Board is comprised of independent directors. At each Board meeting, our independent directors meet in sessions without our Chairman or management present. These sessions allow the independent directors to review key decisions and discuss matters in a manner independent of Harold E. Riley and of management.

Our Audit Committee and Compensation Committee are comprised entirely of independent directors and chaired by independent directors.

Our operations are subject to extensive regulation and oversight by both state and federal regulatory authorities. The Board is actively involved in oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board, as disclosed in the descriptions of each of the committees below, but the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through full reports by each committee chair regarding the committees' considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

In accordance with NYSE requirements, the Audit Committee has a primary role in overseeing the risk management function. In carrying out its responsibilities, the Audit Committee works closely with our executive management. The Audit Committee meets at least quarterly with our independent public audit firm, our Internal Auditor and our Chief Financial Officer and receives a comprehensive financial report discussing the Company's risk exposures and the processes in place to monitor and control such exposures.

In addition to the Audit Committee, the Compensation Committee considers the risks that may be implicated by our executive compensation. For a discussion of the Compensation Committee's review of our Company's named executive officer compensation, please see the Compensation Discussion and Analysis beginning on page 16 of this Proxy Statement.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Our business affairs are conducted under the direction of our Board of Directors. The Board of Directors held three (3) meetings during 2011, at which all directors were present for at least 75% of the meetings. We do not have an attendance policy, although our directors are expected to attend Board Meetings. To promote open discussion, the non-management directors hold regularly scheduled executive sessions at our Board Meetings, in which those directors meet without management participation and with only independent directors present. The director chosen to preside at these sessions is determined on an informal basis at the time of the meeting. In addition, our Board members are encouraged to attend our annual meetings of shareholders, and all but two of our Board members attended our 2011 Annual Meeting of Shareholders.

To assist it in carrying out its duties, the Board has delegated certain authority to three separately-designated standing committees: the Audit Committee, the Compensation Committee and the Executive Committee. As stated above, due to our status as a controlled company under NYSE rules, we are not required to maintain a Compensation Committee; however, we do so as a best practice within our Board structure. BOARD COMMITTEE REPORTS

Audit Committee Report

Our Audit Committee reports to and acts on behalf of the Board of Directors by providing oversight of our financial management, registered independent public accounting firm and financial reporting procedures. The Audit Committee Charter was adopted in 2000. The Audit Committee Charter was most recently updated and restated in April 2004 in order to meet the requirements of the Sarbanes-Oxley Act of 2002 and is available on our website at www.citizensinc.com.

Management is responsible for preparing our financial statements and our registered independent public accounting firm is responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by our management and our registered independent public accounting firm. The Audit Committee is also responsible for establishing procedures to address complaints regarding accounting, internal control or auditing issues, as well as the anonymous submission by employees of concerns regarding accounting or auditing matters. In this context, the Audit Committee routinely meets and holds discussions with management and our registered independent public accounting firm. Management represented to the Audit Committee our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), and the Audit Committee has reviewed and discussed the consolidated financial statements with management and our registered independent public accounting firm.

The members of the Audit Committee are independent directors as defined in the rules of the New York Stock Exchange. The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including auditor independence. The members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by our management and the registered independent public accounting firm.

The Committee has discussed with Ernst & Young LLP, our independent registered public accounting firm for our financial statements, the independent registered public accounting firm's matters required to be discussed by Statement on Auditing Standards No. 114, *The Auditor's Communication with Those Charged with Corporate Governance*, as amended, and applicable SEC Rules. In addition, our independent registered public accounting firm provided to the Audit Committee the written disclosures required by Rule 3526 of the Public Company Accounting Oversight Board, *Communication with Audit Committees Concerning Independence*, and the Committee and our independent registered public accounting firm have discussed their independence from us and our management, including the matters in those written disclosures.

The Committee has discussed with our independent registered public accounting firm their evaluations of our internal accounting controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions with management and our registered independent public accounting firm referred to above, the Audit Committee recommended to the Board of Directors and the Board has approved, the inclusion of the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011 for filing with the Securities and Exchange Commission.

Principal Accountant Fees and Services

During 2011 and 2010, the following fees were billed to us by our principal accountants:

Tax Fees	-0-	-0-
All Other Fees	2,670	2,470

To help assure independence of our registered independent public accounting firm, our Audit Committee has established a policy whereby all audit, review, attest and non-audit engagements of the principal accountant or other firms must be approved in advance by the Audit Committee; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable Securities and Exchange Commission rules. This policy is set forth in our Audit Committee Charter. Of the fees shown in the table which were billed by our principal accountants in 2010 and 2011, 100% were approved by the Audit Committee.

The 2011 amounts represent the estimated results of the 2011 Plan year credited in 2012, as of December 31, 2011.

(2) Ray A. Riley served as Executive Vice President, USA Marketing from 2010 until April 2, 2012 for our insurance subsidiaries CICA LIFE Insurance Company of America, Citizens National Life Insurance Company and Security Plan Life Insurance Company. Currently, Ray A. Riley is not an executive officer of Citizens, Inc. or any of its subsidiaries, but is included in this table due to his 2011 compensation totals and his familial relationship as son of Harold E. Riley, our Founder, CEO, Chairman and Sole Class B controlling shareholder.

Our employees are covered under our qualified profit-sharing plan (the "Plan"), unless the subsidiary they are operating under has not adopted the Plan. Under the terms of the Plan, eligible employees who have completed one year of service are qualified to participate. Vesting begins following completion of two years of service and employees become fully vested after six years of service. We contributed \$700,000 for 2009 and \$1,000,000 for 2010 and 2011. Messrs. Harold E. Riley, Rick D. and Ray A. Riley had an estimated \$603,612, \$860,512, \$157,193, respectively, vested under the Plan as of December 31, 2011, prior to an allocation of the Plan's 2011 investment income.

For additional information on executive compensation, see the "Compensation Discussion and Analysis" below.

Director Compensation

The following table sets forth all compensation we paid to our directors in 2011.

Name of Director	Fees Earned or Paid in Cash (\$)
Harold E. Riley	\$ 0
Rick D. Riley	\$ 0
Dottie S. Riley	\$ 0
Dr. E. Dean Gage	\$ 26,400
Dr. Terry S. Maness	\$ 24,600
Steven F. Shelton	\$ 25,200
Dr. Robert B. Sloan, Jr.	\$ 24,000
Grant G. Teaff	\$ 25,200
Timothy T. Timmerman	\$ 26,400

In 2011, we paid each non-employee director \$24,000 per year and reimbursed directors for travel expenses to Board meetings. Each non-employee director who is on a Board committee also receives \$600 for each committee meeting attended. In recognition of the increased demand on outside directors, the Compensation Committee approved a \$6,000 increase to the non-employee director base compensation. Therefore, effective January 1, 2012, each non-employee director will receive \$30,000 per year. Committee attendance compensation will remain the same. Directors who are also our employees receive no separate or additional compensation for service on the Board or its committees, but rather receive compensation only in connection with their employment by us. No other compensation, such as stock options or profit sharing, is paid to our outside directors.

Compensation Discussion and Analysis (CD&A)

The following Compensation Discussion and Analysis (CD&A) describes the material elements of compensation for executive officers identified in the Summary Compensation Table.

Compensation Philosophy. The Compensation Committee, composed of three independent directors, is responsible for implementing our compensation philosophy for directors, executive officers and employees. Our goal is to ensure we employ qualified, experienced executive officers whose financial interests are aligned with that of our shareholders. Because we do not believe a systematic pattern exists between executive compensation and performance, our compensation philosophy is not structured to motivate managerial behaviors through incentive compensation. Rather, our primary objective is to acquire and retain people of integrity who take pride in delivering positive results without the distraction of bonus incentives.

Overview of Compensation Program. Since we do not utilize incentive based compensation, nor offer bonuses or stock options, our compensation setting process is very simple and straightforward. Our compensation consists entirely of salary and a qualified profit-sharing plan, which is provisioned equally to all qualified employees. The Compensation Committee establishes a salary for each senior executive based on long-term corporate objectives, competitive industry practices and each executive officer's contributions. The Compensation Committee seeks to ensure executive compensation is reasonable, fair and competitive. In order to make this determination, toward the end of each calendar year, the Compensation Committee generally evaluates the Company's performance relative to its business plan, and then conducts a similar exercise with respect to a group of comparable companies.

Say-on-Pay and Say-When-on-Pay. We believe our compensation philosophy and structure is a model for our peers. Shareholders will not find complex compensation formulas or golden parachute contracts to evaluate and approve. Our straightforward and simplified approach to executive compensation insulates our shareholders from the types of corporate excesses which led to the enactment of Say-on-Pay and Say-When-on-Pay. As such, the Compensation Committee welcomes a yearly shareholder advisory vote on the compensation of our Named Executive Officers. We believe our compensation solution favorably serves our shareholders on matters of executive pay.

Compensation Performance Analysis. Our executive management team is led by Harold E. Riley and Rick D. Riley. Harold E. Riley, Rick D. Riley and all of our executive officers are employed on an at-will basis.

The Compensation Committee conducted a review of the performance of Harold E. Riley and Rick D. Riley, as well as the other executive officers, for the year 2011. This review included an evaluation of the progress made towards the attainment of our corporate objectives and the role these individuals played to that end. The review also included a broad-based comparison of salaries with senior executives of other publicly traded life insurance companies who are typically identified as comparable to us.

Despite the continuing global economic uncertainty and other market related factors for the majority of 2011, the Company experienced an increase in revenue of \$3,832,000. However, the Company experienced a decrease in net income applicable to common stockholders of \$7,136,000 in 2011 as compared to 2010. The Company's steady performance in 2011 reflected the business philosophy and leadership of Harold E. Riley and Rick D. Riley.

Giving consideration to these factors, the Compensation Committee was encouraged by executive management's demonstrated leadership. The Compensation Committee considers Harold E. Riley and Rick D. Riley to be valuable executive officers in implementing our corporate objectives. Harold E. Riley continues to lead the executive management team in accordance with the ideals and philosophies upon which he has led our Company since its inception. Rick D. Riley reports to Harold E. Riley and leads the Company in accordance with those same ideals and philosophies.

In 2011, Harold E. Riley and Rick D. Riley met and exceeded the subjective expectations of our Board of Directors and shareholders. Nonetheless, under the advice of Harold E. Riley, the Compensation Committee remains cautious about its responsibility to shareholders in setting executive compensation during difficult market conditions. In deference to Harold E. Riley's request he not receive an annual increase in 2012, the Compensation Committee left his 2012 salary unchanged and identical to his 2008, 2009, 2010 and 2011 annual salary of \$1,000,000. At Rick D. Riley's request, his 2011 salary of \$500,000 was also left unchanged for 2012.

Compensation Comparables. To assist in establishing the compensation for 2012, the Compensation Committee utilized independent sources to identify comparables within our industry. We believe a comparable is a point of reference for measurement, but not the determinative factor for our executives' compensation. Because the comparative compensation information is one of several analytic tools used in setting executive compensation, the Compensation Committee has discretion in determining the manner and extent of its use.

Three comparables were selected for discussion of 2012 salaries. These comparables were: Independence Holding Company (IHC), Kansas City Life Insurance Company (KCLIC), and National Western Life Insurance Company (NWL). Data obtained on each comparable company included total assets, debt, revenue and net income. Compensation data found on these comparables was limited to only those individuals for whom compensation information was disclosed publicly. As a result, the data typically included only the five most highly compensated officers at each company as of their latest public filing. Generally, this correlated to the Chairman/CEO, Vice Chairman, President and the individuals who are executive vice presidents or the equivalent with us.

Comparative Compensation Analysis. The overall results of the comparables study provided additional information for the Compensation Committee to consider. As noted above, the Compensation Committee reviewed a number of factors within the comparable companies; however, due to the simplicity of our compensation structure, the focus of attention was on base salary compensation.

NWL reported assets, revenues and net income of \$9,262,430,000, \$321,518,000 and \$32,001,000, respectively, through the six months ended June 30, 2011. Although NWL's assets, revenues and net income are larger, it is a publicly traded insurance company located in Austin, Texas with international marketing operations similar to Citizens. Of the three, IHC and KCLIC were closest to us in assets and revenue. Through the six months ended June 30, 2011, IHC reported assets, revenues and net income of \$435,568,348 and \$1,737,390, and \$68,386, respectively, and KCLIC reported assets, revenues and net income of \$392,200,000, \$212,282,000 and \$15,964,000, respectively.

Based on the Compensation Committee's analysis, the recommended 2012 compensation for Harold E. Riley, our Chairman and Chief Executive Officer, was determined to be reasonable and appropriate by the Compensation Committee, especially in light of the fact he has not received an annual salary increase since January 1, 2008. This amount was significantly lower than both the base compensation and total compensation of \$2,930,130 for the NWL Chairman/CEO. Since NWL reported assets through June 30, 2011 of over \$9 billion and revenues of approximately \$320 million, this difference is understandable. Mr. Riley's base salary is slightly higher than the base salaries for the CEOs at both IHC and KCLIC. In the case of IHC, while Harold E. Riley's recommended 2012 salary is over three times that of IHC's CEO base salary, it is comparable to the IHC CEO's total compensation. As it relates to KCLIC, Mr. Riley's salary is comparable to the base compensation for KCLIC's Chairman/CEO but less than KCLIC's Chairman/CEO on a total compensation scale. In analyzing these factors, the Compensation Committee concluded that \$1,000,000 continues to be an appropriate compensation for our Chairman/CEO and \$500,000 continues to be an appropriate salary for our President.

The Compensation Committee followed a similar, albeit less elaborate, process with respect to comparing the compensation for our other senior executives. These salaries were not objectively determined, but instead reflect the levels the Compensation Committee concludes were appropriate based upon our compensation philosophy and the experience and tenure of our other senior executives. In addition, the Compensation Committee, in conjunction with senior executive management, also performed a review of proposed compensation for all other management personnel.

Board Process and Conclusion. The Board of Directors discussed the Compensation Committee's recommended 2012 compensation and adopted the recommendations as proposed. A similar process was conducted for the 2011 salaries and reported in our 2011 Proxy Statement.

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board the Compensation Discussion and Analysis be included in this Proxy Statement, which the Board approved unanimously.

What Constitutes Independence for Non-employee Directors

Citizens determines whether a director and nominee to be a director is independent in accordance with the NYSE requirements for independent directors (Section 303A of the NYSE's Listed Company Manual). In order to be considered independent, other than in his or her capacity as a member of the Board of Directors or any board committee, a director may not accept any consulting, advisory or other compensation fees from Citizens, and may not be an affiliated person of Citizens or any subsidiary. In addition to compliance with NYSE independence requirements, the Board is also responsible to determine affirmatively that each independent director has no other material relationship with Citizens or its affiliates or any executive officer of Citizens or his or her affiliates. A relationship will be considered material if in the judgment of the Board it would impair their effectiveness or independent judgment as a director.

Our Board of Directors has determined that directors Gage, Maness, Shelton, Sloan, Teaff, and Timmerman are independent as set forth in the NYSE independence requirements. In addition, our Board of Directors has determined each member of the Audit Committee and the Compensation Committee of our Board of Directors is independent in compliance with the independence requirements of the NYSE.

PROPOSAL NO. 2

**APPROVE A NON-BINDING ADVISORY RESOLUTION REGARDING THE
COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS**

Your Board of Directors is providing shareholders with the opportunity to cast a non-binding advisory vote on the compensation of our Named Executive Officers. This non-binding advisory shareholder vote, commonly known as "Say-on-Pay," gives you, as a shareholder, the opportunity to endorse or not endorse our executive pay program and policies. As explained in our CD&A, we do not believe a static, systematic pattern exists between executive compensation and performance. Our compensation philosophy is not structured to motivate managerial behaviors through incentive compensation. Rather, our primary objective is to acquire and retain people of integrity who take pride in delivering positive results without the distraction of bonus incentives. We believe our compensation structure is a model structure for our peers and alleviates the very concerns that "Say-on-Pay" is attempting to address. As such, our compensation structure is something you, as a shareholder, should approve.

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive pay. Accordingly, we are providing you the opportunity to cast a non-binding advisory vote on the compensation of the Company's Named Executive Officers contained in this proxy, through the following resolution:

RESOLVED, that the compensation of the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and the related disclosures contained in this Proxy Statement is hereby **APPROVED**.

YOUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED PURSUANT TO ITEM 402 OF REGULATION S-K, INCLUDING IN THE COMPENSATION DISCUSSION AND ANALYSIS, THE COMPENSATION TABLES AND THE RELATED DISCLOSURES CONTAINED IN THIS PROXY STATEMENT.

We are requesting our shareholders ratify the appointment of Ernst & Young LLP by our Audit Committee as our registered independent public accounting firm for the fiscal year ending December 31, 2012. If the shareholders do not ratify this appointment, the Audit Committee will consider such results and determine whether to recommend and appoint a different registered independent public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2012.

One or more members of the firm of Ernst & Young LLP are expected to attend the Meeting, will have an opportunity to make a statement if they desire to do so, and will be available to answer appropriate questions.

RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR REGISTERED INDEPENDENT PUBLIC ACCOUNTING FIRM REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES PRESENT OR REPRESENTED AT THE ANNUAL MEETING, IN PERSON OR BY PROXY, ENTITLED TO VOTE ON THIS PROPOSAL. WITHHELDS AND ABSTENTIONS WILL BE EXCLUDED ENTIRELY FROM THE VOTES AND WILL HAVE NO EFFECT OTHER THAN FOR THE PURPOSE OF ESTABLISHING QUORUM. BROKER NON-VOTES DO NOT COUNT FOR VOTING PURPOSES. THE BOARD RECOMMENDS A VOTE FOR SUCH RATIFICATION.
